Item 1.02. Termination of a Material Definitive Agreement

On September 27, 2005, AmerisourceBergen Corporation (the Registrant) requested that the Trustee under (i) the Indenture, dated as of August 14, 2001, as amended to date (the 2001 Indenture), among the Registrant, certain subsidiaries of the Registrant signatory thereto and J.P. Morgan Trust Company, National Association (successor in interest to Chase Manhattan Bank and Trust Company, National Association), as Trustee, as amended to date (the 2001 Indenture) and (ii) the Indenture dated as of November 18, 2002 between the Registrant, certain subsidiaries of the Registrant signatory thereto and J.P. Morgan Trust Company, National Association, as Trustee, as amended to date (the 2002 Indenture and, together with the 2001 Indenture, the Indentures), issue a Notice of Redemption, causing the redemption (the Redemption) of all of the Registrant's 8% Senior Notes due 2008 (the 2008 Notes) and 7% Senior Notes due 2012 (2012 Notes) and, together with the 2008 Notes, the Notes) still outstanding following the expiration of the Registrant's August 25, 2005, Offer to Purchase and the Registrant's subsequent acceptance for payment of all Notes tendered pursuant thereto. Pursuant to the Notice of Redemption, the Notes will be redeemed on October 27, 2005 (the Redemption Date), at which time the Indentures will be formally terminated as no Notes will remain outstanding.

Pursuant to the Indentures, the Registrant will pay a prepayment premium on the Notes equal to the sum of the present values of the remaining scheduled payments due on the Notes under the Indentures, discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the rate provided for in Section 3.07(a) of the Indenture.

Also On September 27, 2005, the Registrant elected to defease (the Defeasance) all of the Notes issued under the respective Indentures pending the Redemption. Pursuant to the Defeasance, the Registrant has deposited with the Trustee approximately \$2,700,000 (the Deposit), constituting the amount calculated by the Registrant's independent investment banker as being sufficient to fund the amounts due on the Redemption Date. If the actual redemption payment, which is subject to fluctuation based upon changes in the interest rate of certain government treasury notes, is determined to differ from the Deposit, Registrant will either (x) be required to supplement the Deposit by the amount of any deficiency between the actual payments made pursuant to the redemption and the amount of the Deposit or (y) will receive any amount by which the Deposit exceeds the payments made pursuant to the redemption. The Defeasance and the Redemption satisfied all of the Registrant's obligations under the Indentures and the Notes. Accordingly, the Notes ceased to be considered outstanding as of September 27, 2005.
