Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On February 1, 2006, Community Bancshares, Inc. (the Company) announced that it will restate its previously reported quarterly and year end results for 2004 and the first three quarters of 2005 as a result of its conclusion that an interest rate swap which the Company entered into in December 2003 did not qualify for an abbreviated method of fair value hedge accounting. The anticipated effects of these restatements, which the Chairman of the Audit Committee of the Company's Board of Directors had discussed with the Company's independent accountants, were described in our February 1, 2006 earnings release. These restatements resulted from a reevaluation of our documentation of one interest rate swap under SFAS No. 133. Our financial statements as of and for the year ended December 31, 2004 and as of and for the quarters ended March 31, June 30 and September 30, 2005 should not be relied upon until restated.
