Item 1.01. Entry into a Material Definitive Agreement.

On July 31, 2006, BioDelivery Sciences International, Inc. (the Company) entered into two separate third amendments to the Company's February and May 2005 financing agreements with Laurus Master Fund, Ltd. (Laurus). Such financing agreements and the initial two amendments thereto are filed as exhibits to the Company's Current Reports on Form 8-K dated, respectively, February 25, 2005, June 3, 2005, June 30, 2005 and January 3, 2006.

Under the third amendments, Laurus has agreed to defer payments by the Company of certain monthly principal amounts under the Company's February and May 2005 Convertible Notes with Laurus (\$909,096 in the aggregate), as well as certain other previously postponed principal amounts due under such notes (\$1,280,945 in the aggregate), until the first business day of January 2007.

In consideration of Laurus' agreement to enter into the third amendments, the Company issued to Laurus two warrants, one to purchase 62,887 shares of Company common stock (in connection with the February amendment) and a second to purchase 47,113 shares of Company common stock (in connection with the May amendment) (such warrants collectively, the July 2006 Warrants). In each case, the July 2006 Warrants are exercisable into shares of Company common stock at an exercise price of \$3.00 per share and expire on July 31, 2013.

Except for the exercise price of the warrants, the July Warrants are substantially similar to the warrants issued to Laurus on February 22, 2005, May 31, 2005, June 29, 2005 and December 28, 2005. The Company has agreed to register the shares of common stock underlying the July Warrants with the Securities and Exchange Commission pursuant to a registration statement required to be filed by no later than July 31, 2007.
