Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a) On January 8, 2007, Extreme Networks, Inc. (the "Company") issued a press release announcing an update on the on-going, previously-announced internal review of the Company's historical practices for stock option grants and the accounting for option grants being conducted by a special committee of the Company's Board of Directors (the "Special Committee"). A copy of the Company's press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

At this time, the Special Committee has not completed its work, nor has it reached its final conclusions. However, based on the Special Committee's review to date, on January 5, 2007 the Company and the Audit Committee reached a preliminary conclusion that the appropriate measurement dates for financial accounting purposes of certain stock option grants differ from the recorded grant dates of those awards. The evaluation of the accounting impact resulting from the change in measurement dates for certain stock option grants is still ongoing. However, the Company and the Audit Committee have concluded, after consultations with management and independent advisors, that additional non-cash charges for stock-based compensation expense will be required that will be material with respect to certain fiscal periods.

The Company expects to restate certain historical financial statements to record the additional stock-based compensation expense and related tax impacts, and will also evaluate any other unrecorded adjustments previously determined to be immaterial. Accordingly, the financial statements, related notes and selected financial data and all financial press releases and similar communications issued by the Company and the related reports of the independent registered public accounting firm relating to fiscal periods 2000 through 2005 and the first, second and third quarters of 2006 should no longer be relied upon.

The Company's management and the Audit Committee have discussed the matters disclosed under this Item 4.02(a) with Ernst & Young LLP, the Company's independent registered public accounting firm.

Item 9.01 Financial Statements and Exhibits.
