Regions Financial Corporation (Regions) is furnishing this proxy statement to the stockholders in connection with the 2007 annual meeting of stockholders to be held on Thursday, April 19, 2007, at 11:00 a.m., local time, at the Auditorium of Regions Bank, 1901 Sixth Avenue North, Birmingham, Alabama 35203, and at any adjournment thereof. The matters to be considered and acted upon are (1) the election of six nominees as Directors of Regions, (2) the ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm of Regions for the 2007 fiscal year, (3) the approval of an amendment to Regions Amended and Restated Certificate of Incorporation to declassify the Board of Directors, and (4) such other business as may properly come before the meeting.

Your proxy is solicited on behalf of the Board of Directors of Regions. You may revoke your proxy at any time before it is voted at the annual meeting. You may submit your proxy by signing and dating the enclosed proxy card and returning it in the envelope provided or by voting by telephone or on the Internet by following the instructions provided on the proxy card. All properly submitted proxies delivered pursuant to this solicitation will be voted at the meeting and in accordance with instructions, if any.

Participants in Regions 401(k) Plan, the AmSouth Bancorporation Thrift Plan, the Computershare Investment Plan for Regions Financial Corporation, and the Directors Stock Investment Plan, please note that the enclosed proxy card or electronic voting instructions also constitutes the voting instruction form for shares allocated to you under these plans and covers all shares you are entitled to vote under the plan or plans, in addition to shares you may hold directly. Signing and returning the proxy card, or voting by telephone or on the Internet as explained below, will enable voting of all shares, including those held in such plans.

We are mailing this proxy statement, together with the proxy card and annual report for the year ended December 31, 2006, starting on or about March 19, 2007, to the stockholders entitled to vote at the meeting.

VOTING, REVOCABILITY AND SOLICITATION OF PROXIES

Voting Procedures and Revocation

You should complete and return the proxy card accompanying this proxy statement to ensure that your vote is counted at the annual meeting, regardless of whether you plan to attend the annual meeting. If you are a registered stockholder (that is, you hold stock certificates registered in your own name), you may also vote by telephone or through the Internet, by following the instructions described on your proxy card. If your shares are held in nominee or street name you will receive separate voting instructions from your broker or nominee with your proxy materials. Although most brokers and nominees offer telephone and Internet voting, availability and specific processes will depend on their voting arrangements.

You can revoke the proxy at any time before the vote is taken at the annual meeting by submitting to Regions' corporate secretary written notice of revocation or a properly executed proxy of a later date, or by attending the annual meeting and voting in person. Written notices of revocation and other communications about revoking Regions proxies should be addressed to:

Regions Financial Corporation

1900 Fifth Avenue North

Birmingham, Alabama 35203

Attention: John D. Buchanan, Corporate Secretary

If your shares are held in street name, you should follow the instructions of your broker regarding the revocation of proxies.

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with the instructions on the proxy card. If you make no specification on your proxy card as to how you want your shares voted before signing and returning it, your proxy will be voted FOR approval of the election of the nominated Directors, FOR ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm, and FOR the approval of an amendment to Regions Amended and Restated Certificate of Incorporation to declassify the Board of Directors. The Regions Board of Directors is currently unaware of any other matters that may be presented for action at the annual meeting. If other matters properly come before the annual meeting, or at any adjournment or postponement thereof, we intend that shares represented by properly submitted proxies will be voted, or not voted, by and at the discretion of the persons named as proxies on the proxy card.

Solicitation of Proxies

We will bear the entire cost of soliciting proxies from you. In addition to solicitation of proxies by mail, we will request that banks, brokers and other record holders send proxies and proxy material to the beneficial owners of Regions common stock and secure their voting instructions, if necessary. We will reimburse the record holders

Table of Contents

for their reasonable expenses in taking those actions. We have also made arrangements with D.F. King & Co., Inc. to assist us in soliciting proxies and have agreed to pay that company \$11,000 plus reasonable expenses for these services. If necessary, we may also use several of our regular employees, who will not be specially compensated, to solicit proxies from Regions stockholders, either personally or by telephone, telegram, facsimile or letter.

This is the first mailing of proxy solicitation materials to stockholders.

Quorum Requirement

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Regions common stock is necessary to constitute a quorum at the annual meeting. Abstentions and broker nonvotes will be counted solely for the purpose of determining whether a quorum is present. An unvoted proxy submitted by a broker is sometimes referred to as a broker nonvote.

Information about Votes Necessary for Action to be Taken

Under Regions By-laws, each of the six nominees for Director will be elected if a majority of the votes cast at the annual meeting are voted in favor of a Director. This means that the number of shares voted for a nominee must exceed the number of shares voted against the nominee. Under Regions Corporate Governance Principles, a nominee who fails to receive a majority of the votes cast with respect to the election of the nominee must submit his or her resignation. The Nominating and Corporate Governance Committee will consider the resignation and recommend to the Board the action to be taken. The Board will take action within 90 days following certification of the vote unless such action would cause Regions to fail to comply with requirements of the New York Stock Exchange or of the securities laws in which event Regions will take action as promptly as practicable while continuing to meet such requirements. The Board will promptly disclose its decision, and the reasons therefore, in a Form 8-K. Regions certificate of incorporation does not authorize cumulative voting in the election of Directors.

The appointment of Ernst & Young LLP as independent registered public accounting firm of Regions for the 2007 fiscal year will be ratified if a majority of the shares represented at the annual meeting vote in favor.

The approval of the amendment to Regions Amended and Restated Certificate of Incorporation to declassify the Board of Directors will be adopted if 75% of the shares outstanding and entitled to vote, vote in favor.

Abstentions and broker nonvotes will have no effect on the election of Directors, but will have the same effect as a vote against the ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm of Regions for the 2007 fiscal year, and against the amendment to Regions Amended and Restated Certificate of Incorporation to declassify the Board of Directors.

Attending the Meeting

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

If you wish to vote your shares of Regions common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares. If you are a stockholder of record and will be attending the meeting, please so indicate on your returned proxy card or electronic vote.

Table of Contents

Participants in the Regions 401(k) Plan or Other Plans

If you are a participant in the Regions 401(k) Plan or the AmSouth Thrift Plan, please note that the proxy card also constitutes the voting instruction form and covers all shares you may vote under the plans. Under the terms of the plans, the trustee or administrator votes all shares held by the plan, but each participant may direct the trustee or administrator how to vote the shares of Regions common stock allocated to his or her plan account. If you own shares through the Regions 401(k) Plan or the AmSouth Thrift Plan and do not vote, the plan trustee or administrator will vote the shares in favor of proposals 1, 2 and 3, and in accordance with the terms of the plans. The deadline for returning your 401(k) or Thrift Plan voting instructions is 11:59 PM Eastern Time on April 16, 2007.

If you are a participant in the Computershare Investment Plan for Regions Financial Corporation and/or the Directors Stock Investment Plan, please note that the proxy card also constitutes the voting instruction form and covers all shares allocated to your account under these plans. If you do not return your proxy card, or vote by telephone or over the Internet, your shares in these plans will not be voted. If you return your proxy card without indicating your voting instructions, the shares will be voted in favor of proposals 1, 2 and 3. The deadline for returning your voting instructions is April 18, 2007.

Voting by Telephone or the Internet

Many stockholders of Regions have the option to submit their proxies or voting instructions electronically by telephone or the Internet instead of submitting proxies by mail on the enclosed proxy card. Please note that there are separate arrangements for using the telephone and the Internet depending on whether your shares are registered in Regions stock records in your name or in the name of a brokerage firm or bank. Regions stockholders should check their proxy card or the voting instructions forwarded by their broker, bank or other holder of record to see which options are available.

The telephone and Internet procedures described below for submitting your proxy or voting instructions are designed to authenticate stockholders identities, to allow stockholders to have their shares voted and to confirm that their instructions have been properly recorded. Stockholders submitting proxies or voting instructions via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that will be borne by the stockholder.

Regions holders of record may submit their proxies:

by telephone, by calling the toll-free number indicated on their proxy card and following the recorded instructions; or

through the Internet, by visiting the website indicated on their proxy card and following the instructions.

The deadline for voting by telephone or through the Internet is 11:59 PM, Eastern Time on April 18, 2007.

Electronic Access to Proxy Materials and Annual Report

Stockholders can elect to view future Regions Financial Corporation proxy statements and annual reports over the Internet instead of receiving paper copies in the mail and thus can save Regions the cost of producing and mailing these documents. If you already have internet access, there will be no additional charge for you to have electronic access via the internet to our proxy materials and annual report.

If you are a registered stockholder, you can choose to receive future annual reports and proxy statements electronically by following the prompt if you choose to vote over the Internet. Stockholders who choose to view future proxy statements and annual reports over the Internet will receive an e-mail with instructions containing the Internet address of those materials, as well as voting instructions, approximately four weeks before future meetings.

Table of Contents

If you enroll to view Regions' future annual reports and proxy statements electronically and vote your proxy over the Internet, your enrollment will remain in effect for all future stockholders' meetings unless you cancel it. To cancel, registered stockholders should access www.investordelivery.com and follow the instructions to cancel your enrollment. If you hold your Regions stock in nominee name, check the information provided by your nominee for instructions on how to cancel your enrollment.

If at any time you would like to receive a paper copy of the annual report or proxy statement, please write to Investor Relations, Regions Financial Corporation, P.O. Box 11007, Birmingham, Alabama 35288 or call us at 205-581-7890.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

The Securities and Exchange Commission (SEC) has issued rules regarding the delivery of proxy statements and information statements to households. These rules spell out the conditions under which annual reports, information statements, proxy statements, prospectuses and other disclosure documents of a particular company that would otherwise be mailed in separate envelopes to more than one person at a shared address may be mailed as one copy in one envelope addressed to all holders at that address.

If you are a registered stockholder and if you choose to opt out of the householding program at a future date, or if you currently receive multiple copies and wish to receive a single copy, please write to Investor Relations, Regions Financial Corporation, P.O. Box 11007, Birmingham, Alabama 35288 or call us at 205-581-7890, and we will cease householding your annual reports and proxy and information statements within 30 days. If we do not receive instructions to remove your account(s) from this service, your account(s) will continue to be householdled until we notify you otherwise. However, if at any time you would like a separate copy of the annual report or proxy statement, please write or call us at the address or phone number shown above, and we will deliver it promptly.

If you own your Regions stock in nominee name (such as through a broker), information regarding householding of disclosure documents should be forwarded to you by your broker.

No change in control of Regions has occurred since January 1, 2006, meaning that no person or group has acquired the ability to direct or cause the direction of management and policies of Regions through the ownership of voting securities, by contract, or otherwise, and no arrangements are known to Regions which may at a later date result in such a change in control of Regions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Regions executive officers and Directors to file reports of ownership and changes in ownership of Regions stock with the SEC. Executive officers and Directors are required by SEC regulations to furnish Regions with copies of all Section 16(a) forms they file.

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

Based solely on a review of the forms filed during or with respect to fiscal year 2006, Regions believes that its executive officers and Directors filed all required reports on a timely basis, except as follows. Forms 4 were filed on the 11th business day following the November 4, 2006 merger of AmSouth Bancorporation into Regions reporting the number of Regions shares acquired by three former executive officers, Andrew W. Stein, Samuel E. Upchurch, Jr. and Doyle R. Rippee, upon conversion of their previously owned AmSouth shares.

PROPOSAL 1 ELECTION OF DIRECTORS

The Board of Directors has determined that following the annual meeting of stockholders the Board will consist of 18 members, with six nominees to be elected as Directors at the annual meeting for a term of three years.

Regions recommends the election of Samuel W. Bartholomew, Jr., Susan W. Matlock, Jackson W. Moore, Allen B. Morgan, Jr., John R. Roberts and Lee J. Styslinger III as Directors, to hold office for a term of three years expiring with the annual meeting of stockholders to be held in 2010 or until their successors are elected and qualified. Proxies will be voted **FOR** the nominees, unless otherwise directed. If any nominee is not available for election, in its discretion the Board of Directors may designate a substitute nominee. In that event the proxies will be voted for such substitute nominee. Regions does not anticipate that any substitute nominee or nominees will be required. The proxies will not be voted for more than six nominees. The terms of 12 Directors in the other two classes will continue following the annual meeting. The terms of three present Directors, Ronald L. Kuehn, Jr., Malcolm Portera, and Robert R. Waller, will not continue following the annual meeting.

The Board of Directors

The full Board of Directors met eight times during 2006. To assist it in carrying out its work, the Board of Directors has the following standing committees: Audit, Nominating and Corporate Governance, Compensation, and Risk. Regions' Corporate Governance Principles, Code of Business Conduct & Ethics, Code of Ethics for Senior Financial Officers and the charters for each of Regions' standing Board committees are available on Regions' website at www.regions.com in the Corporate Governance section of Investor Relations. DeFosset, McCrary, Roberts and Witt. In addition, all Audit Committee members are financially literate, as required by New York Stock Exchange listing standards.

Accounting or Audit-Related Complaints

The Audit Committee has established procedures for the receipt, retention, and evaluation of complaints and submissions concerning accounting and audit related matters, the features of which include insulation from management, safeguards for protecting anonymity and confidentiality of employee submissions, alternative methods for submissions, dedication of resources for investigations, and the recording and preservation of findings. The procedures are administered by the Audit Committee and a limited number of individuals in Regions corporate security, risk, legal, and internal audit areas. Regions has effectively notified its employees that the procedures are in place and how to direct a complaint or submission. Any interested party may communicate concerns regarding accounting, internal accounting controls, or auditing matters directly to the attention of the Audit Committee as follows:

Director Nomination Process

The Nominating and Corporate Governance Committee is charged with identifying and reviewing individuals believed to be qualified to become board members for recommendation to the Board. The Committee will consider and assess candidates consistent with criteria established by the Board and set forth in Regions declaration of corporate governance principles. The Committee will consider all pertinent issues and factors bearing on the qualifications of candidates in light of such criteria.

Regions Corporate Governance Principles affirm that the Board seeks members from diverse professional backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. Directors should have experience in positions with a high degree of

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

responsibility, be leaders in the companies or institutions with which they are affiliated, and be selected based upon contributions they can make to the Board and management regardless of gender or race.

Regions By-laws provide that a stockholder may nominate a candidate for Director and establish the procedures and requirements for such a nomination. In general, a stockholder must submit to Regions corporate secretary a notice of the nomination not less than 120 days prior to the anniversary date of the previous year's annual meeting. The notice must be accompanied by all information relating to each nominee that is required to be disclosed in solicitations of proxies for election of Directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act and Rule 14a-11 thereunder, including such person's written consent to being named in the proxy statement as a nominee and to serving as a Director if elected.

It is the current policy and practice of the Committee to evaluate any qualified candidate for Director under the applicable criteria without regard to the source of the recommendation of the candidate. A stockholder who desires to recommend a candidate for Director should follow the procedure set forth in Regions By-laws as described above.

Table of Contents

All of the nominees for Directors being voted upon at the annual meeting are Directors standing for re-election.

Director Attendance

In 2006, all incumbent Directors attended at least 75% of the aggregate of the meetings held by the Board and by Committees of which they were members.

Director Attendance at the Annual Meeting

It is Regions' policy that Directors attend the annual meeting of stockholders. All Directors except two former Directors, Messrs. James E. Harwood and Michael S. Starnes, attended Regions' 2006 annual meeting.

Meetings of Nonmanagement Directors

Regions' nonmanagement Directors met eight times in 2006 in executive session without any management Directors present. The chair of the Nominating and Corporate Governance Committee, Robert R. Waller, presided over these executive sessions, and he presides over periodic meetings of the independent Directors in executive session.

Director Independence

The Board has established categorical standards of director independence to assist it in making the determination whether a Director is independent and in assessing the materiality of the Director's relationship with Regions. These standards will be periodically reviewed and may be amended from time to time. The current categorical standards are set forth in Appendix A to this proxy statement.

The Board of Directors has reviewed the relationships between Directors and Regions in light of the applicable independence standards of the New York Stock Exchange and the categorical standards. The purpose of the review was to determine whether any Director, either directly or indirectly, has a material relationship with Regions that would preclude the Director from being independent. As a result of the review, the Board has affirmatively determined that each Director is an independent director, other than Jackson W. Moore, Allen B. Morgan, Jr. and C. Dowd Ritter, who are executive officers or former executive officers of Regions and/or its subsidiaries; Spence L. Wilson, who is the brother-in-law of Jackson W. Moore; and Samuel W. Bartholomew, Jr., who is a partner in the law firm of Adams and Reese/Stokes Bartholomew LLP, which Regions engages for the performance of legal services and proposes to engage in the future.

The Directors named as follows have been determined by the Board of Directors to be independent.

In the process of evaluating the independence of these Directors, the Board considered all relevant factors, facts and circumstances. Specifically, the Board considered the following:

All of the Directors, either individually or through an affiliated entity, have a customer relationship with Regions in the ordinary course of business, on terms and conditions not more favorable than those afforded by Regions to other similarly situated customers.

Directors Bryan, Cooper, Deavenport, Ingram, Kuehn, Malone, Matlock, McCrary, Nielsen, Perez, Roberts, and Styslinger, either individually or through an affiliated entity, have a borrower relationship with Regions on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans by Regions to unrelated persons, and involving no more than the normal risk of collectibility and no other unfavorable features.

Directors Ingram, Malone, Matlock, McCrary, Nielsen, Perez, Portera, Roberts, Styslinger, Waller and Witt serve in a leadership position with a charitable organization to which Regions made charitable contributions of less than the greater of \$1,000,000 or 2% of such organization's consolidated gross revenues in any of 2004, 2005 or 2006.

Mr. Cooper's nephew serves on Regions' local advisory board in Mobile, Alabama and his son-in-law is a nonexecutive employee of Morgan Keegan & Company, Inc.

Until May 2006, Ms. Matlock served on Regions' local advisory board in Birmingham, Alabama.

Mr. Nielsen's son is a nonexecutive employee of Regions Bank.

Until May 2005, a former executive officer of Regions was a member of the board of directors of Altec, Inc., while Mr. Styslinger was (and remains) Altec's chief executive officer.

In each case the Board concluded, in light of the applicable independence standards of the New York Stock Exchange and the categorical standards, that the transaction or relationship does not rise to the level such that it could reasonably be deemed to impair the Director's exercise of independent judgment and autonomy in carrying out the duties and responsibilities of a Director.

Of the former directors who served during part of 2006, the following named Directors were deemed independent: James S.M. French, Margaret H. Greene, James E. Harwood, Parnell S. Lewis, Jr., Michael S. Starnes, W. Woodrow Stewart, Richard A. Trippeer, Jr., and John H. Watson. In early 2006, the Board of Directors found them to be independent based on the then current categorical standards of director independence, New York Stock Exchange listing standards, and consideration of the relevant circumstances.

Review, Approval or Ratification of Transactions with Related Persons

In December 2006, the Board of Directors adopted a written related persons transactions policy. This policy, which is in process of being implemented, provides a mechanism for the identification, evaluation, and approval or disapproval of significant transactions involving Regions and persons related to Regions.

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

For purposes of the policy, a related person transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which Regions was, is or will be a participant and the amount involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. The category of related persons consists generally of Regions' Directors and executive officers, their immediate family members, and entities in which any of the foregoing persons is a partner, principal, or 5% or greater beneficial owner. Certain types of transactions are excluded from the category of related persons transactions and are not subject to the policy. For example, a related person transaction does not include any transaction that involves services of a public utility at rates or charges fixed in conformity with law or governmental authority.

Each Director and executive officer will provide to the corporate secretary and periodically update the identification of his or her immediate family members and additional information elicited for administration of the policy. The corporate secretary will maintain a master list of related persons, and distribute it to the heads of various units within Regions and to the areas of accounts payable and accounts receivable, who will use the information to identify potential related person transactions and to effectuate the policy.

Table of Contents

Any related person transaction will be subject to either advance notification procedures (if identified in advance) or ratification procedures. In either case, the related person must provide to the corporate secretary notice of the facts and circumstances of the transaction, including (1) the related person's relationship to Regions and the person's interest in the transaction; (2) the significant facts of the potential transaction, including the proposed aggregate value of the transaction; (3) the benefits to Regions of the potential transaction; (4) if applicable, the availability of other sources of comparable products or services; (5) an assessment of whether the potential transaction is on terms that are comparable to the terms available to an unrelated third party or to employees generally; and (6) an assessment of whether the potential related person transaction is consistent with the code of business conduct.

The corporate secretary and general counsel will assess whether the transaction is subject to the policy. If it is determined that the transaction is a related person transaction, it will be submitted to the Nominating and Corporate Governance Committee for consideration at the next Committee meeting or, if it is not practicable to wait until the next Committee meeting, to the Committee's chairman for prompt consideration.

The Committee or the chairman will consider the relevant facts and circumstances of the related party transaction, including but not limited to: (1) the benefits to Regions; (2) the impact on a Director's independence in the event the related person is a Director, an immediate family member of a Director or an entity in which a Director is a partner, stockholder or executive officer; (3) the availability of other sources for comparable products or services; (4) the terms of the transaction; (5) the terms available to unrelated third parties or to employees generally; and (6) whether the potential related person transaction is consistent with the code of business conduct.

The Committee, or the chairman, is authorized to approve or ratify those related person transactions that are in, or are not inconsistent with, the best interests of Regions and its stockholders, and that are consistent with the code of business conduct, as the Committee or the chairman determines in good faith. Other related person transactions should be disapproved by the Committee, or the chairman, and should not be entered into or continued by Regions.

The Committee or chairman will report the decision to the corporate secretary, who will report the decision to the appropriate Regions personnel.

The policy also grants the Committee the authority to address situations in which a related person transaction subject to the policy is initiated and is disapproved.

Communications Between Stockholders and Other Interested Parties and the Board of Directors

The Board of Directors has adopted Corporate Governance Principles that address key governance matters of importance, such as director qualifications and responsibilities, Board committees, Board operations and Director compensation. The Corporate Governance Principles include a mechanism for stockholders or other interested parties to communicate with the Directors. In particular, any interested party who desires to communicate with nonmanagement Directors of Regions may do so by directing the communication to Regions at the following address:

Code of Ethics for Senior Financial Officers

The Board of Directors has adopted a Code of Ethics for Senior Financial Officers that applies to Regions' chief executive officer, chief financial officer, principal accounting officer and controller. It may be found on Regions' website (www.regions.com) in the Corporate Governance section of Investor Relations. Regions intends to disclose any amendments or waivers with respect to its Code of Ethics for Senior Financial Officers on its website.

James S.M. French

Michael S. Starnes

Current members:

Claude B. Nielsen, chairman

George W. Bryan

Earnest W. Deavenport, Jr.

Martha R. Ingram

Susan W. Matlock

There are no relationships that would create a compensation committee interlock as defined under applicable SEC regulations.

Other Transactions

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

Directors and officers of Regions and their associates were customers of, and had transactions with, Regions in the ordinary course of business during 2006; additional transactions may be expected to take place in the ordinary course of business. Included in such transactions are outstanding loans and commitments from Regions Bank, all of which were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of collectibility or present other unfavorable features.

Regions retained during 2006, and proposes to retain in the future, the law firm of Adams and Reese/Stokes Bartholomew LLP, of which Director Samuel W. Bartholomew, Jr. is a partner. During 2006, Regions or its subsidiaries paid legal fees to such firm in the approximate amount of \$3,290,000. The dollar value of Mr. Bartholomew's interest in the transaction was approximately \$27,000.

Director James R. Malone is and has been a principal of financial and business restructuring and consulting firms. Through his association with these firms, Mr. Malone has occasionally served as an executive officer of companies that retain the firm to assist in their financial restructuring, and as part of the restructuring strategy some of these companies file for bankruptcy. Regions does not believe that Mr. Malone's service as an executive officer with such companies, which arises solely because of his affiliation with the consulting firms, is material to an evaluation of the ability or integrity of Mr. Malone to serve as a Director of Regions.

William D. Ritter, son of President and Chief Executive Officer C. Dowd Ritter, has been employed by Regions since June 1993. He is currently a corporate banking sales manager with compensation in 2006 greater than \$120,000.

AUDIT COMMITTEE REPORT

Regions' audited financial statements at and for the three year period ended December 31, 2006, are included in Regions' Annual Report on Form 10-K for the 2006 fiscal year. Regions, acting through its management and Board of Directors, has the primary responsibility for the financial statements and the reporting process, including the systems of internal accounting controls. Ernst & Young LLP, independent auditors engaged by Regions, are responsible for planning and conducting the annual audit, for expressing an opinion on the conformity of Regions' audited financial statements with U.S. generally accepted accounting principles, and for annually auditing the effectiveness of Regions' internal control over financial reporting and management's assessment of the effectiveness of internal control over financial reporting.

The Audit Committee oversees Regions' financial reporting process on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the audited financial statements with Regions' management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements, and the effectiveness of internal controls over financial reporting.

The Audit Committee has reviewed with Ernst & Young LLP their judgments as to the quality, not just the acceptability, of Regions' accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90, Audit Committee Communications.

The Audit Committee has discussed with Ernst & Young LLP their independence in relation to Regions and Regions' management, including the matters addressed in the written disclosures and letter provided to Regions by Ernst & Young, as required by Standard No. 1, Independence Discussions with Audit Committees, of the Independence Standards Board, the standard-setting body governing the independence of auditors in relation to their public company clients.

The Audit Committee has discussed with Regions' internal auditors and Ernst & Young LLP the overall scope and plans for their respective audits. The Committee regularly meets with Regions' internal auditors and Ernst & Young, with and without management present, to discuss the results of their examinations, their evaluations of Regions' internal accounting and financial reporting controls, and the overall quality of Regions' financial reporting.

In reliance on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Committee approved including the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

**PROPOSAL 2 RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

General

The Audit Committee has selected Ernst & Young LLP as Regions' independent auditors for the 2007 fiscal year. The Board of Directors recommends that the stockholders ratify the selection of Ernst & Young. Ernst & Young (or its predecessor) has served as Regions' independent auditors since 1971. In the event the selection is not ratified by a majority of votes represented at the annual meeting in person or by proxy, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change in the middle of the current year, but the vote would be considered in connection with the engagement of independent auditors for 2008.

Ernst & Young LLP has been engaged to provide auditing services and also to provide tax services and general accounting advice. In making this selection, the Audit Committee considered whether the engagement by Regions of Ernst & Young for services other than audit services is compatible with Ernst & Young's independence.

Ernst & Young LLP served as Regions' independent auditors for the year ended December 31, 2006, and a representative of the firm will be present at the stockholders' meeting to make a statement if he or she so desires and to respond to appropriate questions from stockholders.

Fees

The aggregate fees paid to Ernst & Young LLP by Regions during 2006 and 2005 are set forth in the following table:

	2006	2005
Audit fees(1)	\$ 3,720,250	\$ 2,440,000
Audit related fees(2)	1,054,500	789,000
Tax fees(3)	903,950	1,099,000
All other fees(4)	136,000	396,000
Total fees	\$ 5,814,700	\$ 4,724,000

- (1) Audit fees included fees associated with the annual audit of Regions' consolidated financial statements and internal control over financial reporting, reviews of Regions' quarterly reports on Form 10-Q, SEC regulatory filings, and statutory audits of certain of Regions' subsidiaries.
- (2) Audit related fees primarily included accounting consultation, assistance with securitizations or other accounting transactions, SAS 70 internal control reports, and audits of employee benefit plans and funds.

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

- (3) Tax fees included tax compliance services and tax advice and planning assistance.
- (4) All other fees included primarily assistance with cash management services and human resources services. No financial information systems implementation and design services were rendered by Ernst & Young during 2006 or 2005.

In accordance with the Audit Committee Charter, the Audit Committee must preapprove any engagement of Ernst & Young LLP for audit or nonaudit services. The Audit Committee has delegated to its chairperson the authority to preapprove permissible nonaudit services, provided the anticipated fee for such service does not exceed \$50,000. Any such approval of nonaudit services pursuant to this delegation of the full Audit Committee's authority must be presented to the Audit Committee at its next regular meeting.

The Board recommends you vote FOR proposal number 2. Proxies solicited by the Board will be voted FOR this proposal unless otherwise instructed on the proxy card.

PROPOSAL 3 AMEND REGIONS AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO DECLASSIFY THE BOARD OF DIRECTORS

The Board of Directors recommends approval of an amendment to Regions Amended and Restated Certificate of Incorporation (the Certificate of Incorporation) that would provide for the phased elimination of Regions classified Board of Directors (the Declassification Amendment). Currently, Directors of Regions are elected for staggered terms of three years. If the Declassification Amendment is approved, commencing with the Board's Class I Directors standing for election at the 2008 annual meeting, Directors will stand for election for one year terms, expiring at the next succeeding annual meeting of stockholders. The Board's Class II Directors and the Class III Directors (who are standing for election at this year's annual meeting) will continue to hold office until the end of the terms for which they are elected and will stand for election for one year terms thereafter. Accordingly, Class II Directors will continue to serve for the term expiring at the annual meeting of stockholders in 2009 and Class III Directors, upon election, will serve for the term expiring at the annual meeting of stockholders to be held in 2010. Commencing in 2010, all Directors will be elected on an annual basis. In all cases, each Director will hold office until his or her successor has been elected and qualified or until the Director's earlier resignation or removal, and vacancies that occur during the year will be filled by the Board of Directors to serve until the next annual meeting, regardless of the term of such Director's predecessor.

Background

Regions' current classified board structure, in which Directors are divided into three classes serving staggered three-year terms, was included in the Certificate of Incorporation approved by stockholders in connection with the combination of Regions and Union Planters in 2004. The classified board structure was again approved by stockholders in connection with Regions' merger with AmSouth Bancorporation in 2006. At the 2006 annual meeting of stockholders, a stockholder of Regions, Gerald R. Armstrong, submitted a stockholder proposal requesting the Board take steps to declassify the election of Directors, provided that such declassification is phased in so that it does not affect the unexpired terms of the previously elected Directors (the Armstrong Proposal). The Armstrong Proposal received support from a majority of the votes cast at the 2006 annual meeting.

In light of stockholder support for the Armstrong Proposal and current investor expectations regarding corporate governance, the Board and its Nominating and Corporate Governance Committee have reconsidered the merits of retaining a classified board. In conducting its evaluation, the Board considered that the general purposes of the classified board are to promote stability and continuity in the work of the Board and provide the Board with a greater opportunity to protect the interests of stockholders in the event of an unsolicited takeover offer. The Board also considered the corporate governance trend towards annual election of directors, as well as the view of many corporate governance experts and institutional stockholders that a classified board has the effect of insulating directors from a corporation's stockholders. The Board of Directors, after careful consideration, and upon the recommendation of the Nominating and Corporate Governance Committee, has determined that it is appropriate to propose declassifying the Board over a phase in period, commencing with the 2008 annual meeting.

The Declassification Amendment and Ancillary Changes

If the Declassification Amendment is approved, Regions' Certificate of Incorporation will be amended to eliminate the classification of the Board in the manner noted above and to make certain ancillary changes to the Certificate of Incorporation, as well as the By-laws, to reflect the absence of a classified Board, as follows:

The present Certificate of Incorporation contains supermajority stockholder voting requirements providing that the affirmative vote of at least 75% of the outstanding shares entitled to vote generally in the election of directors is required to amend the provisions of the Certificate of

Incorporation establishing the classified board

Table of Contents

structure. The Declassification Amendment would remove the supermajority voting requirements applicable to the classification of the Board in order that, if stockholders in the future wish to reestablish a classified Board, such reestablishment would need the affirmative vote of only a majority of the outstanding shares. The Board would adopt corresponding amendments to Regions By-laws and Corporate Governance Principles.

Currently, Regions Certificate of Incorporation permits the removal of Directors only for cause (as contemplated by Delaware law for corporations with classified boards) and generally requires the affirmative vote of at least 75% of the outstanding shares entitled to vote generally in the election of directors to effect such removal. Upon adoption of the Declassification Amendment, these requirements would continue to apply to all Directors serving terms to which they were elected at or prior to the 2007 annual meeting until the completion of their current terms and, consistent with Delaware law for corporations without classified boards, Directors elected at the annual meeting of stockholders in 2008 and thereafter will be removable with or without cause upon the affirmative vote of a majority of the outstanding shares entitled to vote generally in the election of directors.

Appendix C shows the proposed changes to the relevant sections of Article Seventh and Article Twelfth of the Certificate of Incorporation resulting from the proposed amendments, with deletions indicated by strike-outs and additions indicated by underlining.

Vote Required

For the Declassification Amendment to become effective, it must receive the affirmative vote of at least 75% of the outstanding shares entitled to vote generally in the election of directors. The Board has already provisionally approved the corresponding amendments to Regions By-laws and Corporate Governance Principles discussed above, subject to stockholder approval of the Declassification Amendment.

If the Declassification Amendment is not approved by Regions stockholders, the present classification of the Board of Directors will continue, and the Class I Directors standing for election at the 2008 annual meeting will be elected to three-year terms expiring at the annual meeting of stockholders in 2011.

The Board recommends you vote FOR proposal number 3. Proxies solicited by the Board will be voted FOR this proposal unless otherwise instructed on the proxy card.

PROPOSALS OF STOCKHOLDERS

Proposals by stockholders intended to be presented at Regions 2008 annual meeting of stockholders must be received by Regions not later than November 20, 2007, for consideration for possible inclusion in the proxy statement relating to that meeting.

The By-laws of Regions include provisions requiring advance notice of a stockholder's nomination of members of the Board of Directors. To be timely such notice must be received by Regions not less than 120 days before the date of the previous year's proxy statement, or November 20, 2007, in the case of the 2008 annual meeting of stockholders. If no annual meeting was held the previous year and in any year in which the date

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

of the annual meeting is moved by more than 30 days from the date of the previous year's annual meeting, the notice will be considered timely if received not less than 120 days before the date of the annual meeting or by the 10th day following the day on which public disclosure of the annual meeting date was made. The Board of Directors of Regions is not required to nominate in the annual proxy statement any person so proposed.

The procedure for submitting a stockholder proposal is generally the same as for submitting stockholder nominations.

APPENDIX A

REGIONS FINANCIAL CORPORATION

CATEGORICAL STANDARDS OF DIRECTOR INDEPENDENCE

In accordance with New York Stock Exchange (NYSE) listing standards, Regions will assure that a majority of its directors are independent. In assessing and disclosing director independence, Regions uses the concepts of independence embodied in the NYSE listing standards. The Board of Directors bears the ultimate responsibility for determining whether each member of Regions Board is independent. For a Director to be deemed independent, the Board must determine that the director has no direct or indirect material relationship with Regions apart from service as a director.

The Board has established categorical standards to assist it in making the determination whether a Director is independent and in assessing the materiality of the Director s relationships with Regions. These standards will be periodically reviewed and may be amended from time to time. The current categorical standards are set forth as follows. For purposes of the categorical standards and with respect to the look-back aspects of the standards, Regions refers to Regions Financial Corporation, its predecessor companies former Regions Financial Corporation, Union Planters Corporation, and AmSouth Bancorporation, and their respective subsidiaries.

Group I Relationships that preclude a director s independence

Section 303A.02 (b) of the NYSE Listed Company Manual specifies circumstances that, if existing with respect to a director, preclude that director s independence. These independence standards are as follows:

The director is, or has been within the last three years, an employee of Regions, or an immediate family member is, or has been within the last three years, an executive officer, of Regions.

The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from Regions, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

The director or an immediate family member is a current partner of a firm that is the company s internal or external auditor; or the director is a current employee of such a firm; or the director has an immediate family member who is a current employee of such a firm and who participates in the firm s audit, assurance or tax compliance (but not tax planning) practice; or the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Regions audit within that time.

The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of Regions present executive officers at the same time serves or served on that company s compensation committee.

The director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, Regions for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

If any of the foregoing circumstances exists with respect to a director, the director is not independent. The foregoing criteria will be interpreted and applied in accordance with existing and any future commentary and guidance provided by NYSE in connection with section 303A of the Listed Company Manual.

Table of Contents

Group II Relationships deemed not material for purposes of director independence

The relationships described as follows are considered not to be material so as to impair a director's independence:

The relationship is that of a customer of Regions in the ordinary course of business, on terms and conditions not more favorable than those afforded to other similarly situated customers. If such customer relationship is that of borrower from Regions Bank, the loan must comply with Regulation O promulgated by the Federal Reserve Board, that is, the loan must be made by the bank on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and must not involve more than the normal risk of collectibility or present other unfavorable features.

The relationship is that of doing business with Regions and the annual payments to or from Regions in any year do not exceed the greater of \$500,000 or 1% of the annual revenue of the other company for its most recently completed fiscal year. Payments of principal and interest on any loan that is subject to and complies with Regulation O, and payments made to a public utility at rates or charges fixed in conformity with law or governmental authority are not considered to create a material relationship and will not be included in calculating such materiality threshold.

The relationship is that of partner, member, officer such as a managing director occupying a comparable position, or executive officer of a services firm that provides accounting, consulting, legal, investment banking or financial advisory services to Regions and the annual payments to such firm from Regions do not exceed the greater of \$500,000 or 1% of the annual revenue of the firm for its most recently completed fiscal year.

The relationship is that of executive officer, director, or trustee of a tax-exempt organization and Regions' charitable contributions to the organization, if any, did not exceed the greater of \$1 million or 2% of the organization's consolidated gross revenues in any of the preceding three fiscal years. Contributions made to any such organization pursuant to a matching gift program maintained by Regions are not considered to be a material relationship and will not be included in calculating such materiality threshold.

A director whose independence is not precluded by the Group I standards is deemed to be independent if any and every relationship of the director with Regions satisfies the above criteria in Group II. In addition, any relationship that involves Regions and a member of the director's immediate family, or any entity with which the director is affiliated, and that satisfies the above Group II criteria is deemed not to be material so as to impair the director's independence.

Other relationships

The board will separately consider the materiality of any direct or indirect relationship of a director with Regions that is not within the categories described in Group I and Group II. A director that has such a relationship will be considered independent only if the board affirmatively determines, on the basis of the particular facts and circumstances, that the relationship will not impair the director's exercise of independent judgment or compromise the oversight role that an independent director of Regions is expected to perform.

Audit committee member independence

Edgar Filing: REGIONS FINANCIAL CORP - Form PRE 14A

Members of the Audit Committee of the Board are subject to heightened standards of independence, as provided for in the Securities Exchange Act of 1934, the rules promulgated by the SEC thereunder, the Sarbanes-Oxley Act of 2002, and the audit committee charter.

- e. Discuss with the Company's General Counsel legal matters that may have a material impact on the financial statements or the Company's compliance policies.

APPENDIX C

PROPOSED AMENDMENTS TO REGIONS AMENDED AND RESTATED

CERTIFICATE OF INCORPORATION REGARDING DECLASSIFICATION OF THE BOARD DIRECTORS

Article Seventh paragraph (5) of the Certificate of Incorporation is hereby amended, to read in its entirety as set forth below:

(5) To fix the number of Directors which shall constitute the whole Board, subject to the following:

(a) The number of Directors constituting the entire Board shall be fixed from time to time by vote of a majority of the entire Board except as may be otherwise provided in the By-Laws of the corporation, provided, however, that the number of Directors shall not be reduced so as to shorten the term of any Director at the time in office.

~~(b) At the annual meeting of stockholders that is held in calendar year 2007, the successors of the directors whose terms expire at that meeting shall be elected for a term expiring at the annual meeting of stockholders that is held in calendar year 2010 and until such directors' successors shall have been elected and qualified. Commencing at the annual meeting of stockholders that is held in calendar year 2008, directors shall be elected annually for terms of one year, except that any director in office at the 2008 annual meeting whose term expires at the annual meeting of directors held in calendar year 2009 or 2010 (a Continuing Classified Director) shall continue to hold office until the end of the term for which such director was elected and until such director's successor shall have been elected and qualified. At each annual meeting of stockholders thereafter, all directors shall be elected for terms expiring at the next annual meeting of stockholders and until such directors' successors shall have been elected and qualified. The Board of Directors shall be divided into three classes, as nearly equal in numbers as the then total number of Directors constituting the entire Board permits with the term of office of one class expiring each year. Directors of the first class shall hold office for a term expiring at the 2005 annual meeting. Directors of the second class shall hold office for a term expiring at the 2006 annual meeting and Directors of the third class shall hold office for a term expiring at the 2007 annual meeting. Except as otherwise provided in the By-Laws of the corporation, any vacancies in the Board of Directors for any reason, and any created directorships resulting from any increase in the number of Directors may be filled by the Board of Directors, acting by a majority of Directors then in office, although less than a quorum. Any directors so chosen shall hold office until the end of the term to which such directors' predecessors were elected next succeeding election of the class for which such Directors shall have been chosen and until their successors shall be elected and qualified. No decrease in the number of Directors shall shorten the term of any incumbent Director. Subject to the foregoing, at each annual meeting of stockholders the successors to the class of Directors whose term shall then expire shall be elected to hold office for a term expiring at the third succeeding annual meeting.~~

(c) Notwithstanding any other provisions of this certificate of incorporation or the By-Laws of the corporation (and notwithstanding the fact that some lesser percentage may be specified by law, this certificate of incorporation or the By-Laws of the corporation), any Director or the entire Board of Directors of the corporation may be removed at any time, ~~with or without cause but only for cause and~~ only by the affirmative vote of the holders of ~~a majority~~ 75% or more of the outstanding shares of capital stock of the corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose; ~~provided however, that Continuing Classified Directors may be removed at any time, but only for cause and only by the affirmative vote of the holders of 75% or more of the outstanding shares of capital stock of the corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose.~~
