**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers
(e) Adoption of Material Compensatory Plan, Contract or Arrangement**

On March 20, 2007, the Compensation Committee (the Committee) of the Board of Directors of El Paso Electric Company (the Company) approved a revised form of Change in Control Agreement to be entered into with the Company's executive officers. The revised Change in Control Agreement eliminates the tax reimbursements for any excise tax as a result of Section 280G of the Internal Revenue Code. Instead, participants either will receive their full benefits and be responsible for paying any such excise tax or will receive benefits in a lesser amount that will not be subject to the excise tax. Otherwise, the revised form of Change in Control Agreement provides substantially the same severance benefits for certain involuntary or constructive terminations following a change in control as under the previous form of Change in Control Agreement described in the Company's Form 8-K filed on March 10, 2005.
