PROXY STATEMENT

FOR THE 2007 ANNUAL MEETING OF STOCKHOLDERS

June 7, 2007

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the board of directors of Hollis-Eden Pharmaceuticals, Inc. (sometimes referred to in this proxy statement as we, us, the Company or Hollis-Eden) is soliciting your proxy to vote at the 2007 annual meeting of stockholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the annual meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to begin mailing this proxy statement and accompanying proxy card on or about May 4, 2007 to all stockholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on April 13, 2007 will be entitled to vote at the annual meeting. On this record date, there were 28,951,901 shares of our common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 13, 2007 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the annual meeting or vote by proxy. Whether or not you plan to attend the annual meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 13, 2007 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are four matters scheduled for a vote:

Election of two Class I directors to hold office until the 2010 annual meeting of stockholders;

Approval of an increase to the total number of shares reserved for issuance under our 2005 Equity Incentive Plan;

Edgar Filing: HOLLIS EDEN PHARMACEUTICALS INC /DE/ - Form DEF 14A

Approval of an increase to the total number of shares reserved for issuance under our 2005 Directors' Equity Incentive Plan; and

Ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

How do I vote?

You may either vote For all the nominees to our board of directors or you may withhold your vote for any nominee you specify. For each of the other matters to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the annual meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting and we will offer you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 13, 2007, the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting and at any adjournment or postponement thereof.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of all nominees for director, For the proposal to increase the total number of shares reserved for issuance under our 2005 Equity Incentive Plan; For the proposal to increase the total number of shares reserved for issuance under our 2005 Non-Employee Directors Equity Incentive Plan; and For the ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007. If any other matter is properly presented at the annual meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the annual meeting. You may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a written notice that you are revoking your proxy to our Secretary at 4435 Eastgate Mall, Suite 400, San Diego, California 92121.

You may attend the annual meeting and vote in person. Simply attending the annual meeting will not, by itself, revoke your proxy.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by January 8, 2008, to our Secretary at 4435 Eastgate Mall, Suite 400, San Diego, California 92121. If you wish to submit a proposal that is not to be included in next year's proxy materials, your proposal generally must be submitted in writing to the same address no later than March 9, 2008 but no earlier than February 7, 2008.

How are votes counted?

Votes will be counted by the inspector of election appointed for the annual meeting, who will separately count For and Withhold votes and, with respect to proposals other than the election of directors because directors are elected by a plurality of votes cast at the annual meeting, Against votes, abstentions and broker non-votes. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If on April 13, 2007 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

How many votes are needed to approve each proposal?

For the election of directors, the two nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will have no effect.

To be approved, Proposal No. 2, approval of an increase to the total number of shares reserved for issuance under our 2005 Equity Incentive Plan, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote.

To be approved, Proposal No. 3, approval of an increase to the total number of shares reserved for issuance under our 2005 Non-Employee Directors Equity Incentive Plan, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote.

To be approved, Proposal No. 4, the ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid annual meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares are present at the annual meeting in person or represented by proxy. On the record date of April 13, 2007, there were 28,951,901 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of the shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of 2007.

Proposal 1

ELECTION OF DIRECTORS

Our restated certificate of incorporation and bylaws provide that our board of directors shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. Vacancies on our board may be filled only by persons elected by a majority of the remaining directors. A director elected by our board to fill a vacancy (including a vacancy created by an increase in the size of our board of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified. It is our policy to invite nominees for directors to attend the annual meeting. All of our directors attended last year's annual meeting.

Our board of directors is presently composed of six members. Paul Bagley, who was a director in the class of directors whose term of office expires at the upcoming 2007 annual meeting, notified our board of directors of his resignation as a director effective February 28, 2007. Mr. Bagley's resignation created a vacancy on our board of directors that will not be filled by vote of our stockholders at the upcoming annual meeting. There are two other directors in the class whose term of office expires in 2007. The nominees for election to this class, Jerome Hauer and Marc Sarni, are current members of our board of directors, having been elected by the stockholders. If elected at the annual meeting, each of the nominees would serve until the 2010 annual meeting and until his successor is elected and has qualified, or until his earlier death, resignation or removal.

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Proxies cannot be voted for a greater number of persons than the number of nominees named. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of a substitute nominee as our board of directors may propose upon recommendation from our nominating and corporate governance committee.

Set forth below is biographical information for each person nominated and each person whose term of office as a director will continue after the annual meeting.

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under The Nasdaq Global Market (Nasdaq) listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the company's board of directors. After review of all relevant transactions and relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our board affirmatively has determined that Messrs. Sarni, Zizza, Merigan, Hauer and McDonnell are independent directors within the meaning of the Nasdaq listing standards.

INFORMATION REGARDING OUR BOARD OF DIRECTORS AND ITS COMMITTEES

During 2006, our board of directors held six meetings. Each board member attended at least 75% of the aggregate number of meetings of our board and of the committees on which he served, held during the period for which he was a director or committee member, respectively, with the exception of Mr. Bagley who attended five of the eight meetings of our Compensation Committee during 2006.

In April 2004, our board of directors documented our corporate governance practices by adopting a number of corporate governance policies and procedures, as well as a Nominating Committee Charter and a Business Code of Conduct and Ethics, to assure that our board will have the necessary authority and practices in place to make decisions that are independent of our management. In June 2005, our board amended the charter and renamed the committee to be the Nominating and Corporate Governance Committee. These guidelines are also intended to align the interests of our directors and management with those of our stockholders. These guidelines set forth the practices our board will follow with respect to board composition and selection, board meetings and the involvement of our senior management and Chief Executive Officer, performance evaluation, and board committees and compensation. These policies and procedures, together with the Nominating and Corporate Governance Committee Charter and Business Code of Conduct and Ethics, were adopted by our board to, among other things, reflect changes to the Nasdaq listing standards and Securities and Exchange Commission rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002. In March 2006, our board of directors selected Mr. Zizza to serve as Lead Independent Director of our board of directors. The Lead Independent Director's duties include, to the extent appropriate, leading executive sessions of our board's independent directors, assisting our Chief Executive Officer with communications with our stockholders, and facilitating communications between the other members of our board of directors.

As required under the Nasdaq listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. Mr. Zizza, as the Lead Independent Director, presides over the executive sessions.

Nominating and Corporate Governance Committee

Our board of directors has adopted a Nominating and Corporate Governance Committee Charter, which can be found on our corporate website at www.holliseden.com. The Nominating and Corporate Governance Committee (Nominating Committee) is composed of three directors who are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards): Messrs. Zizza and Hauer and Dr Merigan. The Nominating Committee is responsible for identifying, reviewing and evaluating candidates to serve as our directors (consistent with criteria approved by our board), reviewing and evaluating incumbent directors, recommending to our board candidates for election to our board, assessing the performance of our board, and making recommendations to our board regarding the membership of the committees of our board. During 2006, the Nominating Committee consisted of: Messrs. Zizza, Hauer and McDonnell and held one meeting.

Our board of directors believes that candidates for director should have certain minimum qualifications, including: personal integrity and ethics; no interests that would materially impair his or her ability to exercise independent judgment and otherwise discharge his or her fiduciary duties; ability to represent all stockholders equally; achievement in one or more fields of business, professional, governmental, scientific or educational endeavor; sound judgment based on management or policy-making experience; general understanding of the major issues facing public companies of a similar size and operational scope as us; and ability to devote adequate time to our board and its committees. However, the Nominating Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of our board, our operating requirements and the long-term interests of our stockholders. In conducting this assessment, the Nominating Committee considers such factors as it deems appropriate given our current needs and the current needs of our board, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating Committee reviews such directors' overall service during their term, including the number of meetings attended, level of

participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Nominating Committee will also determine whether the nominee must be independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards and applicable Securities and Exchange Commission rules and regulations. The Nominating Committee will then compile a list of potential candidates, using its own network of contacts, as well as recommendations from other board members and management. The Nominating Committee may also engage, if appropriate under the circumstances, a professional search firm to assist in identifying qualified candidates. The Nominating Committee will conduct any appropriate or necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our board. The Nominating Committee will meet to discuss and consider such candidates' qualifications and then select nominees for recommendation to our board by majority vote.

The Nominating Committee will consider director candidates recommended by our stockholders. The Nominating Committee will accept for consideration only one recommendation from any stockholder or affiliated group of stockholders. The Nominating Committee will also take into account the size and duration of the recommending stockholder's ownership interest in the Company and the extent to which such stockholder intends to maintain its ownership interest in the Company. Our board of directors does not intend for the Nominating Committee to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating Committee to become nominees for election to our board may do so by delivering a written recommendation to the Nominating Committee at the following address: 4435 Eastgate Mall, Suite 400, San Diego, California 92121, not less than six months prior to any meeting at which directors are to be elected. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director, and the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Any such submission must be accompanied by a representation that the nominating stockholder is a beneficial or record owner of our common stock, including the number of shares and when the shares were acquired, and the extent to which the nominating stockholder intends to maintain its ownership interest in the Company.

Notwithstanding the responsibilities of the Nominating Committee described above, the recommendations for director nominees made by the Nominating Committee will be subject to Delaware law, our bylaws and the provisions of an employment agreement, dated November 1, 1996, between us and Richard B. Hollis. Pursuant to that agreement, Mr. Hollis has the right, under specified circumstances, to require us to nominate him and two of his designees for election to our board. To date, however, Mr. Hollis has not exercised this right.

Compensation Committee

The Compensation Committee makes recommendations to our board of directors concerning executive salaries and incentive compensation, administers our 2005 Equity Incentive Plan and 2005 Non-Employee Directors' Equity Incentive Plan and otherwise determines compensation levels and policies and performs such other functions regarding compensation as our board may delegate. Commencing this year, the Compensation Committee also began to review with management the Company's Compensation Discussion and Analysis section of this proxy statement and to consider whether to recommend that it be included in this proxy statements. The Compensation Committee is currently composed of three non-employee directors who are independent (as independence is currently defined in Rule 4200 (a)(15) of the Nasdaq listing standards): Messrs. McDonnell, Sarni and Zizza. During 2006, the Compensation Committee consisted of three non-employee directors who were independent: Mr. Bagley, a former director, and Messrs. McDonnell and Sarni and held eight meetings. The specific determinations of the Compensation Committee with respect to executive compensation for fiscal 2006 are described in greater detail in the Compensation Discussion and Analysis section of this proxy statement.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis (CD&A) contained in this proxy statement. Based on this review and discussion, the Compensation Committee has recommended to the board of directors that the CD&A be included in this proxy statement and incorporated into our Annual Report on Form 10-K for the fiscal year ended December 31, 2006.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No interlocking relationship existed during 2006 or currently exists between any member of the Compensation Committee and any member of any other company's board of directors or compensation committee.

Audit Committee

The Audit Committee oversees our corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance and assesses the qualifications of the independent registered public accounting firm; determines the engagement of the independent registered public accounting firm; determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm; reviews and approves the retention of the independent registered public accounting firm to perform any proposed non-permissible audit services; and monitors the rotation of partners of the independent registered public accounting firm on our engagement team as required by law. The Audit Committee is also responsible for the review, approval and monitoring of transactions involving the company and related persons (directors and executive officers or their immediate family members, or stockholders owning five percent or greater of the company's outstanding stock) that meet the minimum threshold for disclosure in the proxy statement under the relevant Securities and Exchange Commission rules and regulations (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest) The Audit Committee meets and reviews with management and the independent registered public accounting firm: the quarterly financial statements and disclosures prior to the filing of our Quarterly Reports on Form 10-Q; the financial statements and disclosures to be included in our Annual Report on Form 10-K; our policies with respect to risk assessment and risk management; our internal controls; and the results of the annual audit. The Audit Committee is composed of three directors and operates under a written charter adopted by our board of directors. Our board of directors reviews and assesses the adequacy of the Audit Committee's written charter on an annual basis in light of applicable Nasdaq and Securities and Exchange Commission rules and regulations. The current members of the Audit Committee are Messrs. McDonnell, Sarni and Zizza. During 2006, the Audit Committee consisted of three non-employee directors who were independent: Mr. Bagley, a former director, and Messrs. Sarni and Zizza and held six meetings. Our board of directors also annually reviews the definition of independence under the Nasdaq listing standards and Securities and Exchange Commission rules and regulations for Audit Committee members and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the Nasdaq listing standards and

Section 10A of the Securities Exchange Act of 1934, as amended). Each member of the Audit Committee is financially literate, knowledgeable and qualified to review financial statements. The Audit Committee Financial Expert designated by our board (as that term is defined in the rules and regulations established by the Securities and Exchange Commission) is Mr. Zizza. Our board of directors made a qualitative assessment of Mr. Zizza's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Our board of directors maintains an Audit Committee composed of three directors who meet the independence and the financial literacy requirements of the applicable Securities and Exchange Commission rules and regulations. Our board has determined that Mr. Salvatore Zizza qualifies as an Audit Committee Financial Expert under the applicable Securities and Exchange Commission rules and regulations. Our board has also adopted a written charter of the Audit Committee.

Management is responsible for our systems of internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our financial statements and to attest to management's assessment of internal controls in accordance with generally accepted auditing standards and Section 404 of the Sarbanes Oxley Act of 2002, respectively, and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of our board of directors.

Our independent registered public accounting firm discussed with the Audit Committee the matters required to be discussed by Statement on Auditing Standards No. 61. Our independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Based on the Audit Committee's discussion with management and the independent registered public accounting firm as well as the Audit Committee's review of the representation of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that our board of directors include the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2006 filed with the Securities and Exchange Commission.

The information contained in this report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference in any such filing.

Proposal 2

APPROVAL OF AN INCREASE TO THE NUMBER OF SHARES RESERVED

FOR ISSUANCE UNDER THE 2005 EQUITY INCENTIVE PLAN

On April 27, 2005, our board of directors adopted the Hollis-Eden Pharmaceuticals, Inc. 2005 Equity Incentive Plan (the "2005 Equity Plan"). Our stockholders approved the 2005 Equity Plan in June 2005. The 2005 Equity Plan is an amendment and restatement of Hollis-Eden Pharmaceuticals' 1997 Incentive Stock Option Plan (the "1997 Option Plan"). Options granted under the 1997 Option Plan prior to its amendment and restatement are subject to the terms and conditions as set forth in the agreements evidencing such options and the terms of the 1997 Option Plan except that our board may elect to extend one or more of the features of the 2005 Equity Plan to stock awards granted under the 1997 Option Plan. The approval of the adoption of the 2005 Equity Plan increased the number of shares of our common stock reserved for issuance beyond those reserved for issuance under the 1997 Option Plan by 350,000 shares for a total of 5,500,000 reserved shares. In December 2005, our board amended the 2005 Equity Plan to reserve an additional 100,000 shares to be used only for the grant of stock awards to persons not previously employed by us, or following a bona fide period of non-employment, as an inducement material to those persons entering into employment with us within the meaning of Rule 4350(i)(1)(A)(iv) of the Nasdaq Marketplace Rules, and to provide that any such inducement awards must be granted either by a majority of our independent directors or a committee comprised of a majority of independent directors. On March 18, 2006, our board of directors amended and restated the 2005 Equity Plan to reserve an additional 500,000 shares for issuance under the 2005 Equity Plan which was subsequently approved by our stockholders in June 2006. On April 24, 2007, our board of directors approved the amendment to the 2005 Equity Plan to reserve an additional 1,500,000 shares for issuance, subject to approval by our stockholders at this annual meeting.

This Proposal 2 seeks an increase in the number of shares that may be issued under the 2005 Equity Plan by 1,500,000 shares. The additional 1,500,000 shares will increase the total shares of common stock reserved for issuance under the 2005 Equity Plan to an aggregate of 7,600,000. At March 31, 2007, options (net of cancelled, forfeited and exercised options) covering an aggregate of 5,550,361 shares had been granted under the 2005 Equity Plan and the 1997 Option Plan, and 366,402 shares (plus any shares that might in the future be returned to the 2005 Equity Plan and the 1997 Option Plan as a result of cancellations or expiration of options) remained available for future grant under the 2005 Equity Plan.

Approval of the increase of the total number of the shares of common stock reserved for issuance under the 2005 Equity Plan will allow us to continue to grant stock options and other awards at levels determined appropriate by our board of directors. Since its inception, the Company has utilized stock options as an important long-term incentive and as a component of total employee compensation.

Due to the significant decline in our stock price since the Fall of 2003 as a result of continued, unexpected governmental delays in the procurement process for securing a potential contract under Project Bioshield for our product candidate NEUMUNE[®] and the subsequent cancellation in March 2007 by the Department of Health and Human Services of its solicitation for medical countermeasures to treat the effects of acute radiation syndrome, this Proposal 2 is critically important to the Company's ability to continue to offer stock options to our employees and officers as an incentive and retention tool.

As a result of this decline in our stock price, all of our employees hold options with exercise prices significantly higher than the current market price of our common stock. As of March 31, 2007, the weighted average per share exercise price of the Company's currently outstanding stock options was \$8.91, significantly higher than the closing price of our common stock on March 31, 2007 of \$2.53 per share as reported on The Nasdaq Global Market. In fact, as of March 31, 2007, approximately 97% of the Company's currently outstanding stock options were out-of-the-money. In addition, a great number of these stock options have been out-of-the-money for an extended period of time. We believe that these out-of-the-money options are no longer effective as performance and retention incentives, and that to enhance long-term stockholder value we need to

maintain competitive employee compensation and incentive programs. An equity stake in the success of the Company is a critical component of these programs. Our Company's success depends on the continued service of the Company's key scientific, technical, sales, marketing and executive personnel, and our ability to identify, hire and retain qualified personnel. Because of the importance of stock options to the Company's continued success, our board of directors strongly supports this Proposal 2. If this Proposal 2 is not approved, the Company may not be able to implement adequate alternative long-term retention and incentive programs and stockholders should understand that the Company may be unable to retain existing personnel or identify or hire additional personnel which may negatively affect our ability to meet our needs for highly qualified personnel and materially and adversely affect our corporate goals, business and results of operations.

Our stockholders are requested in this Proposal 2 to approve the proposed increase in the total number of shares reserved for issuance under the 2005 Equity Plan. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to approve the increase in the share reserve under the 2005 Equity Plan. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

OUR BOARD OF DIRECTORS RECOMMENDS

A VOTE IN FAVOR OF PROPOSAL 2.

The following is a summary of the principal features of the 2005 Equity Plan. This summary is subject to, and qualified in its entirety by, the full text of the 2005 Equity Plan, a copy of which, as proposed to be amended, is attached as Appendix A to this proxy statement.

General

The 2005 Equity Plan provides for the grant of incentive stock options, nonstatutory stock options, stock appreciation rights, stock purchase awards, restricted stock awards, restricted stock unit awards, and other forms of equity compensation (collectively, "stock awards"). Incentive stock options granted under the 2005 Equity Plan are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Nonstatutory stock options granted under the 2005 Equity Plan are not intended to qualify as incentive stock options under the Code. See "Federal Income Tax Information" for a discussion of the tax treatment of stock awards.

Purpose

Our board adopted the 2005 Equity Plan to provide a means to secure and retain the services of employees (including officers), consultants and directors eligible to receive stock awards, to provide incentives for such individuals to exert maximum efforts for the success of Hollis-Eden and its affiliates, and to provide a means by which such eligible individuals may be given an opportunity to benefit from increases in the value of Hollis-Eden's common stock through the grant of stock awards.

Administration

Our board administers the 2005 Equity Plan. Subject to the provisions of the 2005 Equity Plan, our board has the authority to construe and interpret the plan, to determine the persons to whom and the dates on which stock awards will be granted, the number of shares of common stock to be subject to each stock award, the time or times during the term of each stock award within which all or a portion of the award may be exercised, the exercise, purchase, or strike price of each stock award, the type of consideration permitted to exercise or purchase each stock award, and other terms of the stock awards.

Our board has the authority to delegate some or all of the administration of the 2005 Equity Plan to a committee or committees. In the discretion of our board, a committee may consist solely of two or more non-employee directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended, or solely of two or more outside directors within the meaning of Section 162(m) of the Code. Our board has delegated administration of the 2005 Equity Plan to the Compensation Committee of our board. If administration is delegated to a committee, the committee has the authority to delegate certain administrative powers to a subcommittee of one or more members. As used herein with respect to the 2005 Equity Plan, our board refers to any committee our board appoints or, if applicable, any subcommittee, as well as to our board itself.

Eligibility

Incentive stock options may be granted under the 2005 Equity Plan only to employees (including officers) of Hollis-Eden and its affiliates. Employees (including officers), consultants and directors of Hollis-Eden and its affiliates are eligible to receive all other types of stock awards under the 2005 Equity Plan. All employees, consultants and directors of Hollis-Eden and its affiliates are eligible to participate in the 2005 Equity Plan.

No incentive stock option may be granted under the 2005 Equity Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of Hollis-Eden or its affiliates, unless the exercise price of such option is at least 110% of the fair market value of the stock subject to the option on the date of grant and the term of the option does not exceed five years from the date of grant. In addition, the aggregate fair market value, determined on the date of grant, of the shares of common stock with respect to which incentive stock options are exercisable for the first time by a participant during any calendar year (under the 2005 Equity Plan and any other plans of Hollis-Eden and its affiliates) may not exceed \$100,000.

Under the 2005 Equity Plan, except with respect to inducement awards (see Inducement Awards below), no person may be granted stock awards whose value is determined by reference to an increase over an exercise or strike price of at least 100% of the fair market value of the common stock on the date of grant under the 2005 Equity Plan covering more than 250,000 shares of common stock during any calendar year (the Section 162(m) Limitation).

Stock Subject to the 2005 Equity Plan

Subject to stockholder approval of this Proposal 2 at the annual meeting, an aggregate of 7,600,000 shares of common stock are reserved for issuance under the 2005 Equity Plan, which includes 5,150,000 shares of common stock previously reserved for issuance under the 1997 Option Plan, 350,000 shares approved by our stockholders at the 2005 annual meeting of stockholders, 100,000 shares (inducement shares) separately reserved for issuance as inducement awards , 500,000 shares approved by our stockholders at the 2006 annual meeting of stockholders, plus an additional 1,500,000 shares. If a stock award granted under either the 2005 Equity Plan or the 1997 Option Plan expires or otherwise terminates without being exercised in full, or if any shares of common stock issued pursuant to a stock award are forfeited to or repurchased by Hollis-Eden, including, but not limited to, any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting of such shares, then the shares of common stock not issued under such stock award, or forfeited to or repurchased by Hollis-Eden shall revert to and again become available for issuance under the 2005 Equity Plan. If any shares subject to a stock award are not delivered to a participant because such shares are withheld for the payment of taxes or the stock award is exercised through a reduction of shares subject to the stock award (i.e., net exercised), the number of shares that are not delivered shall remain available for issuance under the 2005 Equity Plan. If the exercise price of any stock award is satisfied by tendering shares of common stock held by the participant, then the number of shares so tendered shall remain available for issuance under the 2005 Equity Plan. Inducement shares that revert to, or remain available for subsequent issuance under, the 2005 Equity Plan may only be granted to the persons described below (see Inducement Awards). The aggregate maximum number of shares of common stock that may be issued under the 2005 Equity Plan pursuant

to the exercise of incentive stock options is 7,500,000 shares plus the amount of any future increase in the number of shares that may be available for issuance under the 2005 Equity Plan. Inducement shares (see *Inducement Awards* below) may not be used to grant awards of incentive stock options.

As of April 13, 2007, the closing price of our common stock as reported on The Nasdaq Global Market was \$2.87 per share.

Terms of Options

Options may be granted under the 2005 Equity Plan pursuant to stock option agreements. The following is a description of the permissible terms of options under the 2005 Equity Plan. Individual stock option agreements may be more restrictive as to any or all of the permissible terms described below.

Exercise Price. The exercise price of incentive stock options may not be less than 100% of the fair market value of the stock subject to the option on the date of grant and, in some cases (see *Eligibility* above), may not be less than 110% of such fair market value. The exercise price of nonstatutory stock options may not be less than 100% of the fair market value of the stock on the date of grant.

Consideration. The exercise price of options granted under the 2005 Equity Plan must be paid, to the extent permitted by applicable law and at the discretion of our board, (i) by cash or check, (ii) pursuant to a broker-assisted cashless exercise, (iii) by delivery of other common stock of Hollis-Eden, (iv) pursuant to a net exercise arrangement, or (v) in any other form of legal consideration acceptable to our board.

Vesting. Options granted under the 2005 Equity Plan may become exercisable in cumulative increments, or vest, as determined by our board. Vesting typically will occur during the optionholder's continued service with Hollis-Eden or an affiliate, whether such service is performed in the capacity of an employee, consultant or director (collectively, *service*) and regardless of any change in the capacity of the service performed. Shares covered by different options granted under the 2005 Equity Plan may be subject to different vesting terms. The Board has the authority to accelerate the time during which an option may vest or be exercised.

Tax Withholding. To the extent provided by the terms of a stock option agreement, Hollis-Eden may cause a participant to satisfy any federal, state or local tax withholding obligation relating to the exercise of the option by a cash payment upon exercise, by withholding a portion of the stock otherwise issuable to the participant, by accepting the delivery of already-owned common stock of Hollis-Eden, or by a combination of these means.

Term. The maximum term of options granted under the 2005 Equity Plan is 10 years, except that in certain cases (see *Eligibility* above) the maximum term is five years.

Termination of Service. Options granted under the 2005 Equity Plan generally terminate three months after termination of the participant's service unless (i) termination is due to the participant's disability, in which case the option may be exercised (to the extent the option was exercisable at the time of the termination of service) at any time within 12 months following termination; (ii) the participant dies before the participant's service has terminated, or within generally three months after termination of service, in which case the option may be exercised (to the extent the option was exercisable at the time of the participant's death) within 18 months following the participant's death by the person or persons to whom the rights to such option have passed; or (iii) the option by its terms specifically provides otherwise. Under the 2005 Equity Plan, the option term may be extended in the event that exercise of the option following termination of service is prohibited by applicable securities laws.

Restrictions on Transfer. Unless provided otherwise by our board, a participant in the 2005 Equity Plan may not transfer an option other than by will or by the laws of descent and distribution or pursuant to a domestic relations order and during the lifetime of the participant, only the participant (or the transferee pursuant to a domestic relations order) may exercise an option. A participant may also designate a beneficiary who may exercise an option following the participant's death.

Terms of Stock Appreciation Rights

Stock appreciation rights may be granted under the 2005 Equity Plan pursuant to stock appreciation rights agreements.

Exercise. Each stock appreciation right is denominated in shares of common stock equivalents. Upon exercise of a stock appreciation right, Hollis-Eden will pay the participant an amount equal to the excess of (i) the aggregate fair market value of Hollis-Eden's common stock on the date of exercise, over (ii) the strike price determined by our board on the date of grant.

Settlement of Awards. The appreciation distribution upon exercise of a stock appreciation right may be paid in cash, shares of Hollis-Eden's common stock, or any other form of consideration determined by our board.

Vesting. Stock appreciation rights vest and become exercisable at the rate specified in the stock appreciation right agreement as determined by our board.

Termination of Service. Upon termination of a participant's service, the participant generally may exercise any vested stock appreciation right for three months (or such longer or shorter period specified in the stock appreciation right agreement) after the date such service relationship ends. In no event may a stock appreciation right be exercised beyond the expiration of its term.

Terms of Stock Purchase Awards and Restricted Stock Awards

Stock purchase awards and restricted stock awards may be granted under the 2005 Equity Plan pursuant to stock purchase award agreements and restricted stock award agreements, respectively.

Purchase Price. The purchase price for stock purchase awards must be at least the par value of Hollis-Eden's common stock.

Consideration. The purchase price for stock purchase awards may be payable either (i) in cash or by check, (ii) by past service rendered to Hollis-Eden, or (iii) in any other form of legal consideration acceptable to our board. Our board may grant restricted stock awards in consideration for past services rendered to Hollis-Eden or in exchange for any other form of legal consideration acceptable to our board, without the payment of a purchase price.

Vesting. Shares of stock acquired under a stock purchase or restricted stock award may, but need not, be subject to a repurchase option in favor of Hollis-Eden or forfeiture to Hollis-Eden in accordance with a vesting schedule as determined by our board. Our board has the authority to accelerate the vesting of stock acquired pursuant to a stock purchase or restricted stock award.

Termination of Service. Upon termination of a participant's service, Hollis-Eden may repurchase or otherwise reacquire any forfeited shares of stock that have not vested as of such termination under the terms of the applicable stock purchase award or restricted stock award agreement.

Restrictions on Transfer. Rights to acquire shares under a stock purchase or restricted stock award may be transferred only upon such terms and conditions as determined by our board.

Terms of Restricted Stock Unit Awards

Restricted stock unit awards may be granted under the 2005 Equity Plan pursuant to restricted stock unit award agreements.

Consideration. The purchase price, if any, for restricted stock unit awards may be paid in any form of legal consideration acceptable to our board.

Settlement of Awards. A restricted stock unit award may be settled by the delivery of shares of Hollis-Eden's common stock, in cash, or by any combination of these means as determined by our board.

Vesting. Restricted stock unit awards vest at the rate specified in the restricted stock unit award agreement as determined by our board. However, at the time of grant, our board may impose additional restrictions or conditions that delay the delivery of stock or cash subject to the restricted stock unit award after vesting.

Dividend Equivalents. Dividend equivalent rights may be credited with respect to shares covered by a restricted stock unit award. Hollis-Eden does not anticipate paying cash dividends on its common stock for the foreseeable future, however.

Termination of Service. Except as otherwise provided in the applicable award agreement, restricted stock units that have not vested will be forfeited upon the participant's termination of service.

Terms of Other Equity Awards

Our board may grant other equity awards that are valued in whole or in part by reference to Hollis-Eden's common stock. Subject to the provisions of the 2005 Equity Plan, our board has the authority to determine the persons to whom and the dates on which such other equity awards will be granted, the number of shares of common stock (or cash equivalents) to be subject to each award, and other terms and conditions of such awards.

Performance-Based Stock Awards

Under the 2005 Equity Plan, a stock award may be granted, vest or be exercised based upon certain service conditions or upon the attainment during a certain period of time of certain performance goals. All employees, consultants and directors of Hollis-Eden and its affiliates are eligible to receive performance-based stock awards under the 2005 Equity Plan. The length of any performance period, the performance goals to be achieved during the performance period, and the measure of whether and to what degree such performance goals have been attained shall be determined by our board. The maximum amount to be received by any individual in any calendar year attributable to such performance-based stock awards may not exceed 250,000 shares of Hollis-Eden's common stock.

In granting a performance-based stock award, our board will set a period of time (a performance period) over which the attainment of one or more goals (performance goals) will be measured for the purpose of determining whether the award recipient has a vested right in or to such stock award. Within the time period prescribed by Section 162(m) of the Code (typically before the 90th day of a performance period), our board will establish the performance goals, based upon one or more pre-established criteria (performance criteria) enumerated in the 2005 Equity Plan and described below. As soon as administratively practicable following the end of the performance period, our board will certify (in writing) whether the performance goals have been satisfied.

Performance goals under the 2005 Equity Plan shall be determined by our board, based on a service condition or on one or more of the following performance criteria: (i) earnings per share; (ii) earnings before interest, taxes and depreciation; (iii) earnings before interest, taxes, depreciation and amortization; (iv) total stockholder return; (v) return on equity; (vi) return on assets, investment, or capital employed; (vii) operating margin; (viii) gross margin; (ix) operating income; (x) net income (before or after taxes); (xi) net operating income; (xii) net operating income after tax; (xiii) pre-tax profit; (xiv) operating cash flow; (xv) sales or revenue targets; (xvi) increases in revenue or product revenue; (xvii) expenses and cost reduction goals; (xviii) improvement in or attainment of working capital levels; (xix) economic value added (or an equivalent metric); (xx) market share; (xxi) cash flow; (xxii) cash flow per share; (xxiii) share price performance; (xxiv) debt reduction; (xxv) implementation or completion of projects or processes; (xxvi) customer satisfaction; (xxvii) stockholders' equity; and (xxviii) to the extent that an award is not intended to comply with Section 162(m) of the Code, other measures of performance selected by our board.

At the time of the grant of any stock award under the 2005 Equity Plan, our board is authorized to determine whether, when calculating attainment of performance goals and objectives for a performance period: (a) to exclude restructuring and/or other nonrecurring charges; (b) to exclude exchange rate effects, as applicable, for non-U.S. dollar denominated net sales and operating earnings; (c) to exclude the effects of changes to generally accepted accounting standards required by the Financial Accounting Standards Board; (d) to exclude the effects to any statutory adjustments to corporate tax rates; and (e) to exclude the impact of any extraordinary items as determined under generally accepted accounting principles.

Compensation attributable to performance-based stock awards under the 2005 Equity Plan will generally qualify as performance-based compensation, provided that: (i) the award is granted by a compensation committee comprised solely of outside directors, (ii) the award is granted (or exercisable) only upon the achievement of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, (iii) the Compensation Committee certifies in writing prior to the granting (or exercisability) of the award that the performance goal has been satisfied.

Inducement Awards

Our board may grant stock awards (other than incentive stock options) covering the 100,000 shares reserved under the 2005 Equity Plan as inducement shares to employees not previously employed by us or directors of Hollis-Eden as inducements material to the individuals entering into employment with us within the meaning of Rule 4350(i)(1)(A)(iv) of the Nasdaq Marketplace Rules (inducement awards). All such inducement awards must be granted either by a majority of our independent directors or a committee comprised of a majority of independent directors.

Changes to Capital Structure

If any change is made to the outstanding shares of Hollis-Eden's common stock without Hollis-Eden's receipt of consideration (whether through a stock split or other specified change in the capital structure of Hollis-Eden), appropriate adjustments will be made to: (i) the maximum number and/or class of securities issuable under the 2005 Equity Plan, (ii) the maximum number and/or class of securities that may be issued pursuant to the exercise of incentive stock options, (iii) the maximum number and/or class of securities for which any one person may be granted options and/or stock appreciation rights or performance-based stock awards per calendar year pursuant to the Section 162(m) Limitation, and (iv) the number and/or class of securities and the price per share in effect under each outstanding stock award under the 2005 Equity Plan.

Corporate Transactions; Changes in Control

Under the 2005 Equity Plan, unless otherwise provided in a written agreement between Hollis-Eden or any affiliate and the holder of the stock award, in the event of a corporate transaction (as defined in the 2005 Equity Plan), all outstanding stock awards under the 2005 Equity Plan may be assumed, continued or substituted for by any surviving or acquiring entity (or its parent company). If the surviving or acquiring entity (or its parent company) elects not to assume, continue or substitute for such stock awards, then (i) with respect to any such stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has not terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will be accelerated in full and such awards will terminate if not exercised prior to the effective date of the corporate transaction, and (ii) with respect to any stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will not be accelerated and such awards will terminate if not exercised prior to the effective date of the corporate transaction (except that any reacquisition or repurchase rights held by Hollis-Eden with respect to such stock awards shall not terminate and may continued to be exercised notwithstanding the corporate transaction). In the event a stock award will

terminate if not exercised, our board may provide, in its sole discretion, that the holder of such stock award may not exercise such stock award but will receive a payment equal to the excess of the value of the property the holder would have received upon exercise over any exercise price.

Other stock awards, such as stock purchase awards, may have their repurchase or forfeiture rights assigned to the surviving or acquiring entity (or its parent company) in the corporate transaction. If such repurchase or forfeiture rights are not assigned, then such stock awards will become fully vested.

In addition, each stock award under the 2005 Equity Plan will immediately vest as to all of the shares subject to the stock award upon the occurrence of certain specified change in control transactions (as defined in the 2005 Equity Plan), whether or not such stock award is assumed, continued, or substituted by a surviving or acquiring entity in the transaction.

Duration, Termination and Amendment

Our board may suspend or terminate the 2005 Equity Plan without stockholder approval or ratification at any time. Unless sooner terminated, the 2005 Equity Plan will terminate on April 26, 2015.

Our board may amend or modify the 2005 Equity Plan at any time. However, no amendment shall be effective unless approved by the stockholders of Hollis-Eden to the extent stockholder approval is necessary to satisfy applicable law.

Our board also may submit any other amendment to the 2005 Equity Plan intended to satisfy the requirements of Section 162(m) of the Code regarding the exclusion of performance-based compensation from the limitation on the deductibility of compensation paid to certain employees.

Federal Income Tax Information

The following is a summary of the principal United States federal income taxation consequences to employees and Hollis-Eden with respect to participation in the 2005 Equity Plan. This summary is not intended to be exhaustive, and does not discuss the income tax laws of any city, state or foreign jurisdiction in which a participant may reside.

Incentive Stock Options. Incentive stock options granted under the 2005 Equity Plan are intended to be eligible for the favorable federal income tax treatment accorded incentive stock options under the Code. There generally are no federal income tax consequences to the participant or Hollis-Eden by reason of the grant or exercise of an incentive stock option. However, the exercise of an incentive stock option may increase the participant's alternative minimum tax liability, if any.

If a participant holds stock acquired through exercise of an incentive stock option for more than two years from the date on which the option was granted and more than one year after the date the option was exercised for those shares, any gain or loss on a disposition of those shares (a qualifying disposition) will be a long-term capital gain or loss. Upon such a qualifying disposition, Hollis-Eden will not be entitled to any income tax deduction.

Generally, if the participant disposes of the stock before the expiration of either of these holding periods (a disqualifying disposition), then at the time of disposition the participant will realize taxable ordinary income equal to the lesser of (i) the excess of the stock's fair market value on the date of exercise over the exercise price, or (ii) the participant's actual gain, if any, on the purchase and sale. The participant's additional gain or any loss upon the disqualifying disposition will be a capital gain or loss, which will be long-term or short-term depending on whether the stock was held for more than one year.

To the extent the participant recognizes ordinary income by reason of a disqualifying disposition, generally Hollis-Eden will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which the disqualifying disposition occurs.

Nonstatutory Stock Options. No taxable income is recognized by a participant upon the grant of a nonstatutory stock option. Upon exercise of a nonstatutory stock option, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the purchased shares on the exercise date over the exercise price paid for those shares. Generally, with respect to employees, Hollis-Eden is required to withhold from the amount received upon exercise of the stock option or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Generally, Hollis-Eden will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

Stock Appreciation Rights. No taxable income is realized upon the receipt of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received is recognized as ordinary income to the participant in the year of such exercise. Generally, with respect to employees, Hollis-Eden is required to withhold from the payment made on exercise of the stock appreciation right or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, Section 162(m) of the Code and the satisfaction of a reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant.

Stock Purchase Awards and Restricted Stock Awards. Upon receipt of a stock purchase or restricted stock award, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for those shares. Hollis-Eden will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

However, if the shares issued upon the grant of a stock purchase or restricted stock award are unvested and subject to repurchase by Hollis-Eden in the event of the participant's termination of service prior to vesting in those shares, the participant will not recognize any taxable income at the time of issuance, but will have to report as ordinary income, as and when Hollis-Eden's repurchase right lapses, an amount equal to the excess of (i) the fair market value of the shares on the date the repurchase right lapses, over (ii) the purchase price, if any, paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of issuance an amount equal to the excess of (x) the fair market value of the shares on the date of issuance, over (y) the purchase price, if any, paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the repurchase right lapses.

Upon disposition of the stock acquired upon the receipt of a stock purchase or restricted stock award, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon issuance (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

Restricted Stock Unit Awards. No taxable income is recognized upon receipt of a restricted stock unit award. The participant will recognize ordinary income in the year in which the shares subject to that unit are actually issued to the participant in an amount equal to the fair market value of the shares on the date of issuance. The participant and Hollis-Eden will be required to satisfy certain tax withholding requirements applicable to such income. Subject to the requirement of reasonableness, Section 162(m) of the Code and the satisfaction of a tax reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued. In general, the deduction will be allowed for the taxable year in which such ordinary income is recognized by the participant.

Potential Limitation on Company Deductions. Section 162(m) of the Code denies a deduction to any publicly-held corporation for compensation paid to certain covered employees in a taxable year to the extent that compensation to such covered employee exceeds \$1 million. It is possible that compensation attributable to awards, when combined with all other types of compensation received by a covered employee from Hollis-Eden, may cause this limitation to be exceeded in any particular year.

Certain kinds of compensation, including qualified performance-based compensation, are disregarded for purposes of the deduction limitation. In accordance with Treasury Regulations issued under Section 162(m) of the Code, compensation attributable to stock options and stock appreciation rights will qualify as performance-based compensation if such awards are granted by a compensation committee comprised solely of outside directors and the plan contains a per-employee limitation on the number of shares for which such awards may be granted during a specified period, the per-employee limitation is approved by the stockholders, and the exercise or strike price of the award is no less than the fair market value of the stock on the date of grant.

Compensation attributable to stock options or stock appreciation rights with exercise or strike prices less than fair market value on the date of grant, stock purchase awards, restricted stock awards, and restricted stock unit awards will qualify as performance-based compensation, provided that: (i) the award is granted by a compensation committee comprised solely of outside directors, (ii) the award is granted (or exercisable) only upon the achievement of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, (iii) the Compensation Committee certifies in writing prior to the granting (or exercisability) of the award that the performance goal has been satisfied, and (iv) prior to the granting (or exercisability) of the award, stockholders have approved the material terms of the award (including the class of employees eligible for such award, the business criteria on which the performance goal is based, and the maximum amount, or formula used to calculate the amount, payable upon attainment of the performance goal).

New Plan Benefits

As of the date hereof, no options or other stock awards have been granted on the basis of the share increase for which stockholder approval is sought under this Proposal 2. Accordingly, future benefits or amounts received are not determinable.

Proposal 3

APPROVAL OF AN INCREASE TO THE NUMBER OF SHARES RESERVED

FOR ISSUANCE UNDER THE 2005 NON-EMPLOYEE DIRECTORS EQUITY INCENTIVE PLAN

On April 27, 2005, our board of directors adopted the Hollis-Eden Pharmaceuticals, Inc. 2005 Non-Employee Directors Equity Incentive Plan (the 2005 Directors Plan). The 2005 Directors Plan was approved by our stockholders in June 2005. In December 2005, our board of directors amended the 2005 Directors Plan to refine and clarify certain other provisions of the 2005 Directors Plan to the extent necessary to make the 2005 Directors Plan fully effective. On March 18, 2006, our board of directors amended and restated the 2005 Directors Plan to reserve an additional 150,000 shares for issuance which was subsequently approved by our stockholders in June 2006. On April 24, 2007, our board of directors approved the amendment to the 2005 Directors Plan to reserve an additional 150,000 shares for issuance, subject to approval by our stockholders at this annual meeting.

This Proposal 3 seeks to increase the shares of common stock reserved for issuance under the 2005 Directors Plan by 150,000 shares for a total of 450,000 shares reserved for issuance under the 2005 Directors Plan. At March 31, 2007, options covering an aggregate of 258,000 shares had been granted under the 2005 Director s Plan, and 42,000 shares (other than any shares that might in the future be returned to the 2005 Directors Plan as a result of cancellations or expirations of options) remained available for future grant under the 2005 Directors Plan.

The approval of the increase the shares of common stock reserved for issuance under the 2005 Directors Plan will allow Hollis-Eden to continue to grant stock options and other awards at levels determined appropriate by our board of directors. Because of the increasing time commitments and liability exposure resulting from recent Nasdaq and Securities and Exchange Commission rules and regulations, as well as to bring our board compensation more in line with industry standards, our board believes it is important for us to have the ability to grant a sufficient number of stock options to attract and retain the most qualified non-employee directors in the industry. Accordingly, the approval of the amendment to the 2005 Directors Plan will allow us flexibility in attracting and retaining qualified non-employee directors by granting stock options and other awards to non-employee directors at levels determined appropriate by our board and the Compensation Committee.

Stockholders are requested in this Proposal 3 to approve the proposed increase in the total number of shares reserved for issuance under the 2005 Directors Plan. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to approve the increase in the share reserve under the 2005 Directors Plan. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

OUR BOARD OF DIRECTORS RECOMMENDS

A VOTE IN FAVOR OF PROPOSAL 3.

The following is a summary of the principal features of the 2005 Directors Plan. This summary is subject to, and qualified in its entirety by, the full text of the 2005 Directors Plan, a copy of which, as proposed to be amended, is attached as Appendix B to this proxy statement.

General

The 2005 Directors Plan provides for the grant of nonstatutory stock options, stock appreciation rights, stock purchase awards, restricted stock awards, restricted stock unit awards, and other forms of equity compensation (collectively, stock awards). Any stock awards granted under the 2005 Directors Plan will be

granted in the board's discretion. Nonstatutory stock options granted under the 2005 Directors' Plan are not intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code). See Federal Income Tax Information for a discussion of the tax treatment of stock awards.

Purpose

Our board adopted the 2005 Directors' Plan to provide a means to secure and retain the services of non-employee directors eligible to receive stock awards, to provide incentives for such individuals to exert maximum efforts for the success of Hollis-Eden and its affiliates, and to provide a means by which such eligible individuals may be given an opportunity to benefit from increases in the value of Hollis-Eden's common stock through the grant of stock awards.

Administration

Our board administers the 2005 Directors' Plan. Subject to the provisions of the 2005 Directors' Plan, our board has the authority to construe and interpret the 2005 Directors' Plan, to determine the persons to whom and the dates on which stock awards will be granted, the number of shares of common stock to be subject to each stock award, the time or times during the term of each stock award within which all or a portion of the award may be exercised, the exercise, purchase, or strike price of each stock award, the type of consideration permitted to exercise or purchase each stock award, and other terms of the stock awards.

Our board has the authority to delegate some or all of the administration of the 2005 Directors' Plan to a committee or committees. Our board has delegated such administration to the Compensation Committee of our board. In the discretion of our board, a committee may consist solely of two or more non-employee directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended. If administration is delegated to a committee, the committee has the authority to delegate certain administrative powers to a subcommittee of one or more members. As used herein with respect to the 2005 Directors' Plan, our board refers to any committee our board appoints or, if applicable, any subcommittee, as well as to our board itself.

Eligibility

Only non-employee directors of Hollis-Eden are eligible to receive stock awards under the 2005 Directors' Plan.

Stock Subject to the 2005 Directors' Plan

Subject to stockholder approval of this Proposal 3 at the annual meeting, a maximum of 450,000 shares of common stock are available for issuance under the 2005 Directors' Plan, which includes 300,000 shares, previously reserved for issuance under the 2005 Directors' Plan, plus an additional 150,000 shares. If a stock award granted under the 2005 Directors' Plan expires or otherwise terminates without being exercised in full, or if any shares of common stock issued pursuant to a stock award are forfeited to or repurchased by Hollis-Eden, including, but not limited to, any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting of such shares, then the shares of common stock not issued under such stock award, or forfeited to or repurchased by Hollis-Eden shall revert to and again become available for issuance under the 2005 Directors' Plan. If any shares subject to a stock award are not delivered to a participant because such shares are withheld for the payment of taxes or the stock award is exercised through a reduction of shares subject to the stock award (i.e., net exercised), the number of shares that are not delivered shall remain available for issuance under the 2005 Directors' Plan. If the exercise price of any stock award is satisfied by tendering shares of common stock held by the participant, then the number of shares so tendered shall remain available for issuance under the 2005 Directors' Plan.

As of April 13, 2007, the closing price of our common stock as reported on The Nasdaq Global Market was \$2.87 per share.

Terms of Options

Options may be granted under the 2005 Directors' Plan pursuant to stock option agreements. The following is a description of the permissible terms of options under the 2005 Directors' Plan. Individual stock option agreements may be more restrictive as to any or all of the permissible terms described below.

Exercise Price. The exercise price of nonstatutory stock options may not be less than 100% of the fair market value of the stock on the date of grant.

Consideration. The exercise price of options granted under the 2005 Directors' Plan must be paid, to the extent permitted by applicable law and at the discretion of our board, (i) by cash or check, (ii) pursuant to a broker-assisted cashless exercise, (iii) by delivery of other common stock of Hollis-Eden, (iv) pursuant to a net exercise arrangement, or (iv) in any other form of legal consideration acceptable to our board.

Vesting. Options granted under the 2005 Directors' Plan may become exercisable in cumulative increments, or vest, as determined by our board. Vesting typically will occur during the optionholder's continued service with Hollis-Eden or an affiliate, whether such service is performed in the capacity of an employee, consultant or director (collectively, "service") and regardless of any change in the capacity of the service performed. Shares covered by different options granted under the 2005 Directors' Plan may be subject to different vesting terms. The Board has the authority to accelerate the time during which an option may vest or be exercised.

Tax Withholding. To the extent provided by the terms of a stock option agreement, a participant may satisfy any federal, state or local tax withholding obligation relating to the exercise of the option by a cash payment upon exercise, by authorizing Hollis-Eden to withhold a portion of the stock otherwise issuable to the participant, by delivering already-owned common stock of Hollis-Eden, or by a combination of these means.

Term. The maximum term of options granted under the 2005 Directors' Plan is 10 years.

Termination of Service. Options granted under the 2005 Directors' Plan generally terminate three months after termination of the participant's service unless (i) termination is due to the participant's disability, in which case the option may be exercised (to the extent the option was exercisable at the time of the termination of service) at any time within 12 months following termination; (ii) the participant dies before the participant's service has terminated, or within generally three months after termination of service, in which case the option may be exercised (to the extent the option was exercisable at the time of the participant's death) within 18 months following the participant's death by the person or persons to whom the rights to such option have passed; or (iii) the option by its terms specifically provides otherwise. Under the 2005 Directors' Plan, the option term may be extended in the event that exercise of the option following termination of service is prohibited by applicable securities laws. In no event, however, may an option be exercised beyond the expiration of its term.

Restrictions on Transfer. Unless provided otherwise by our board, a participant in the 2005 Directors' Plan may not transfer an option other than by will or by the laws of descent and distribution or pursuant to a domestic relations order and during the lifetime of the participant, only the participant (or the transferee pursuant to a domestic relations order) may exercise an option. A participant may also designate a beneficiary who may exercise an option following the participant's death.

Terms of Stock Appreciation Rights

Stock appreciation rights may be granted under the 2005 Directors' Plan pursuant to stock appreciation rights agreements.

Exercise. Each stock appreciation right is denominated in shares of common stock equivalents. Upon exercise of a stock appreciation right, Hollis-Eden will pay the participant an amount equal to the excess of (i) the aggregate fair market value of Hollis-Eden's common stock on the date of exercise, over (ii) the strike price determined by our board on the date of grant.

Settlement of Awards. The appreciation distribution upon exercise of a stock appreciation right may be paid in cash, shares of Hollis-Eden's common stock, or any other form of consideration determined by our board.

Vesting. Stock appreciation rights vest and become exercisable at the rate specified in the stock appreciation right agreement as determined by our board.

Termination of Service. Upon termination of a participant's service, the participant generally may exercise any vested stock appreciation right for three months (or such longer or shorter period specified in the stock appreciation right agreement) after the date such service relationship ends. In no event may a stock appreciation right be exercised beyond the expiration of its term.

Terms of Stock Purchase Awards and Restricted Stock Awards

Stock purchase awards and restricted stock awards may be granted under the 2005 Directors' Plan pursuant to stock purchase award agreements and restricted stock award agreements, respectively.

Purchase Price. The purchase price for stock purchase awards must be at least the par value of Hollis-Eden's common stock.

Consideration. The purchase price for stock purchase awards may be payable either (i) in cash or by check, (ii) by past service rendered to Hollis-Eden, or (iii) in any other form of legal consideration acceptable to our board. The Board may grant restricted stock awards in consideration for past services rendered to Hollis-Eden or in exchange for any other form of legal consideration acceptable to our board, without the payment of a purchase price.

Vesting. Shares of stock acquired under a stock purchase or restricted stock award may, but need not, be subject to a repurchase option in favor of Hollis-Eden or forfeiture to Hollis-Eden in accordance with a vesting schedule as determined by our board. The Board has the authority to accelerate the vesting of stock acquired pursuant to a stock purchase or restricted stock award.

Termination of Service. Upon termination of a participant's service, Hollis-Eden may repurchase or otherwise reacquire any forfeited shares of stock that have not vested as of such termination under the terms of the applicable stock purchase award or restricted stock award agreement.

Restrictions on Transfer. Rights to acquire shares under a stock purchase or restricted stock award may be transferred only upon such terms and conditions as determined by our board.

Terms of Restricted Stock Unit Awards

Restricted stock unit awards may be granted under the 2005 Directors' Plan pursuant to restricted stock unit award agreements.

Consideration. The purchase price, if any, for restricted stock unit awards may be paid in any form of legal consideration acceptable to our board.

Settlement of Awards. A restricted stock unit award may be settled by the delivery of shares of Hollis-Eden's common stock, in cash, or by any combination of these means as determined by our board.

Vesting. Restricted stock unit awards vest at the rate specified in the restricted stock unit award agreement as determined by our board. However, at the time of grant, our board may impose additional restrictions or conditions that delay the delivery of stock or cash subject to the restricted stock unit award after vesting.

Dividend Equivalents. Dividend equivalent rights may be credited with respect to shares covered by a restricted stock unit award. Hollis-Eden does not anticipate paying cash dividends on its common stock for the foreseeable future, however.

Termination of Service. Except as otherwise provided in the applicable award agreement, restricted stock units that have not vested will be forfeited upon the participant's termination of service.

Terms of Other Equity Awards

The board may grant other equity awards that are valued in whole or in part by reference to Hollis-Eden's common stock. Subject to the provisions of the 2005 Directors' Plan, our board has the authority to determine the persons to whom and the dates on which such other equity awards will be granted, the number of shares of common stock (or cash equivalents) to be subject to each award, and other terms and conditions of such awards.

Changes to Capital Structure

If any change is made to the outstanding shares of Hollis-Eden's common stock without Hollis-Eden's receipt of consideration (whether through a stock split or other specified change in the capital structure of Hollis-Eden), appropriate adjustments will be made to: (i) the maximum number and/or class of securities issuable under the 2005 Directors' Plan, and (ii) the number and/or class of securities and the price per share in effect under each outstanding stock award under the 2005 Directors' Plan.

Corporate Transactions; Changes in Control

Under the 2005 Directors' Plan, unless otherwise provided in a written agreement between Hollis-Eden or any affiliate and the holder of the stock award, in the event of a corporate transaction (as defined in the 2005 Directors' Plan), all outstanding stock awards under the 2005 Directors' Plan may be assumed, continued or substituted for by any surviving or acquiring entity (or its parent company). If the surviving or acquiring entity (or its parent company) elects not to assume, continue or substitute for such stock awards, then (i) with respect to any such stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has not terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will be accelerated in full and such awards will terminate if not exercised prior to the effective date of the corporate transaction, and (ii) with respect to any stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will not be accelerated and such awards will terminate if not exercised prior to the effective date of the corporate transaction (except that any reacquisition or repurchase rights held by Hollis-Eden with respect to such stock awards shall not terminate and may continue to be exercised notwithstanding the corporate transaction). In the event a stock award will terminate if not exercised, our board may provide, in its sole discretion, that the holder of such stock award may not exercise such stock award but will receive a payment equal to the excess of the value of the property the holder would have received upon exercise over any exercise price.

Other stock awards, such as stock purchase awards, may have their repurchase or forfeiture rights assigned to the surviving or acquiring entity (or its parent company) in the corporate transaction. If such repurchase or forfeiture rights are not assigned, then such stock awards will become fully vested.

In addition, each stock award under the 2005 Directors' Plan will immediately vest as to all of the shares subject to the stock award upon the occurrence of certain specified change in control transactions, whether or not such stock award is assumed, continued, or substituted by a surviving or acquiring entity in the transaction.

Duration, Termination and Amendment

Our board may suspend or terminate the 2005 Directors' Plan without stockholder approval or ratification at any time. No stock awards may be granted under the 2005 Directors' Plan while the 2005 Directors' Plan is suspended or after it is terminated.

Our board may amend or modify the 2005 Directors' Plan at any time. However, no amendment shall be effective unless approved by the stockholders of Hollis-Eden to the extent stockholder approval is necessary to satisfy applicable law.

Federal Income Tax Information

The following is a summary of the principal United States federal income taxation consequences to employees and Hollis-Eden with respect to participation in the 2005 Directors' Plan. This summary is not intended to be exhaustive, and does not discuss the income tax laws of any city, state or foreign jurisdiction in which a participant may reside.

Nonstatutory Stock Options. No taxable income is recognized by a participant upon the grant of a nonstatutory stock option. Upon exercise of a nonstatutory stock option, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the purchased shares on the exercise date over the exercise price paid for those shares. Generally, Hollis-Eden will be entitled (subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

Stock Appreciation Rights. No taxable income is realized upon the receipt of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received is recognized as ordinary income to the participant in the year of such exercise. Generally, with respect to non-employees, Hollis-Eden is not required to withhold from the payment made on exercise of the stock appreciation right or from other compensation an amount based on the ordinary income recognized. Subject to the requirement of reasonableness and the satisfaction of a reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant.

Stock Purchase Awards and Restricted Stock Awards. Upon receipt of a stock purchase or restricted stock award, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for those shares. Hollis-Eden will be entitled (subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

However, if the shares issued upon the grant of a stock purchase or restricted stock award are unvested and subject to repurchase by Hollis-Eden in the event of the participant's termination of service prior to vesting in those shares, the participant will not recognize any taxable income at the time of issuance, but will have to report as ordinary income, as and when Hollis-Eden's repurchase right lapses, an amount equal to the excess of (i) the fair market value of the shares on the date the repurchase right lapses, over (ii) the purchase price, if any, paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of issuance an amount equal to the excess of (x) the fair market value of the shares on the date of issuance, over (y) the purchase price, if any, paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the repurchase right lapses.

Upon disposition of the stock acquired upon the receipt of a stock purchase or restricted stock award, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon issuance (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

Restricted Stock Unit Awards. No taxable income is recognized upon receipt of a restricted stock unit award. The participant will recognize ordinary income in the year in which the shares subject to that unit are actually issued to the participant in an amount equal to the fair market value of the shares on the date of issuance. Subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued. In general, the deduction will be allowed for the taxable year in which such ordinary income is recognized by the participant.

New Plan Benefits

As of the date hereof, no options or other stock awards have been granted on the basis of the share increase for which stockholder approval is sought under this Proposal 3. Accordingly, future benefits or amounts received are not determinable.

The following table presents certain information with respect to options granted under the 2005 Directors Plan during the year ended December 31, 2006 to all non-employee directors as a group. The dollar value of these options cannot be determined because they depend on the market value of the underlying shares of common stock on the date of exercise.

Name and Position	Number of Shares Underlying Options Granted

The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent registered public accounting firm is engaged to provide each service.

During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This section discusses the principles underlying our executive compensation decisions and the most important factors relevant to an analysis of these decisions. It provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executive officers and places in perspective the data presented in the tables and other quantitative information that follows this section.

Executive compensation philosophy and objectives

The Compensation Committee of our board of directors approves, administers and interprets our executive compensation and benefit policies, including our 2005 Equity Incentive Plan. The compensation of our executive officers is designed to attract highly qualified executives with the ability, skills and potential necessary for Hollis-Eden to achieve its corporate strategies, to reward those individuals adequately and fairly over time, and to retain those individuals who continue to perform at or above our expectations. Our executive officers' compensation has three primary components: base salary, a yearly discretionary cash bonus, and long-term incentive compensation in the form of stock options and restricted stock awards. In addition, our executive officers are provided with benefits that are generally available to all of our salaried employees, including matching contributions, in the form of Company stock, into our executive officers' 401(k) accounts.

Our Compensation Committee views all three components of our executive compensation as related but distinct. Although our Compensation Committee reviews total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. Our Compensation Committee has not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid-out compensation, between cash and non-cash compensation, or among different forms of compensation. This is due in part to the relatively small size of our executive team and the need to tailor each executive officer's award to attract and retain that executive officer. Our Compensation Committee determines the appropriate level for each compensation component based in part, but not exclusively, on our Company's view of internal equity and consistency, individual performance and other information the Compensation Committee deems relevant, such as the survey data referred to below.

Primary components of executive compensation

As described above, the aggregate compensation paid to our executive officers is comprised of three primary components: base salary, a yearly discretionary cash bonus, and long-term incentive compensation in the form of stock options and restricted stock awards. Each component is described below in more detail.

Base salary. Our Compensation Committee fixes the base salary of each of our executive officers at a level it believes enables us to hire and retain these individuals and to reward our executive officers for satisfactory individual performance and a satisfactory level of contribution to our overall business goals. In determining the base salaries of our executive officers, the Compensation Committee also takes into account the base salaries paid to executives in other companies with which we believe we compete for talent, including companies of similar size and stage of development operating in the biotechnology industry, as well as other private and public companies located in our geographical location. For newly hired executive officers, the base salary is initially established through negotiation at the time the executive officer is hired, taking into account such executive officer's qualifications, experience, prior salary and competitive salary information and any unique personal circumstance that motivated the executive officer to leave his or her prior position and join Hollis-Eden. Year-to-year adjustments to each executive officer's base salary, if any, are based upon individual performance for that year, changes in the general level of base salaries of persons in comparable positions within our industry and geographical location, and the average merit salary increase for such year for all of our employees, as well as other factors the Compensation Committee judges to be pertinent during that assessment period. Our

Compensation Committee subscribes to certain executive compensation surveys and other databases, such as, most recently, the Radford Surveys + Consulting Biotechnology Executive Compensation Survey 2005, and reviews them periodically, when making executive hiring decisions and when reviewing executive compensation.

In addition, in late 2004 the Compensation Committee contracted with Mercer Human Resource Consulting, a consulting firm, to review and analyze the compensation packages, including base salary levels, offered by other biotechnology and pharmaceutical companies. Our Compensation Committee realizes that benchmarking the Company's compensation against the compensation earned at comparable companies may not always be appropriate, but believes that engaging in a comparative analysis of the Company's compensation practices is useful at this point in the life cycle of the Company. The Compensation Committee has also historically taken into account input from other sources, including, but not limited to, input from other independent members of our board of directors and publicly available data relating to the compensation practices and policies of other companies within and outside of our industry. Generally, the salaries for our executive officers are adjusted effective January 1 of each year.

Annual discretionary cash bonuses. The annual cash bonus payments to our executive officers are entirely discretionary except that the annual bonus for our Chief Executive Officer, established as part of his employment agreement with us, has a minimum target bonus amount of 50% of his base salary upon his achievement of any of the performance targets mutually agreed to by our board of directors and our Chief Executive Officer annually, in advance of the applicable year. We utilize annual incentive bonuses to compensate our executive officers for achieving Company financial and operational goals. These objectives relate generally to Company-wide goals and performance objectives, as well as other strategic factors such as establishment and maintenance of key strategic relationships, development of our product candidates, identification and advancement of additional product candidates, advancement of scientific research and to financial factors such as raising capital, improving our results of operations and increasing the price per share of our common stock. Our Compensation Committee believes that it is most appropriate and meaningful at this point in the life cycle of the Company to determine discretionary cash bonus amounts, if any, to our executive officers, other than our Chief Executive Officer, based upon our management team's performance and achievement of Company-wide goals as a whole rather than solely upon an individual executive officer's achievement of individual performance objectives and departmental or functional area goals. Bonus payment recommendations for executive officers other than our Chief Executive Officer are initiated by the Chief Executive Officer and submitted to the Compensation Committee for review. Bonus payment recommendations for our Chief Executive Officer are initiated by the Compensation Committee.

Long term equity incentive awards. We use stock options and restricted stock awards to reward long-term performance. These options and restricted stock awards are intended to produce significant value for each executive officer if our performance is positive and if the executive officer has an extended tenure with the Company. To conserve our cash resources, we place special emphasis on equity-based incentives to attract, retain and motivate executive officers as well as other employees. The Compensation Committee provides our executive officers with long-term incentive compensation through grants of stock options and restricted stock awards, generally under the 2005 Equity Incentive Plan. We believe that stock options provide our executive officers with the opportunity to purchase and maintain an equity interest in Hollis-Eden and to share in the potential appreciation of the value of our common stock. We believe that stock options align employee incentives with that of our stockholders because options have value only if our stock price increases over time. The stock options also utilize vesting periods that encourage executive officers to continue in their employment with us. However, because of the evolution of regulatory, tax and accounting treatment of equity incentive programs and because it is important to us to retain our executive officers and key employees, we realize that it is important that we utilize other forms of equity awards as and when we may deem necessary. For example, in 2006, we granted restricted stock awards to our executive officers, as we believed that this was a more efficient way to reward them for and motivate them toward superior performance. The Compensation Committee considers the grant of each option or restricted stock award subjectively, considering factors such as the individual performance of the executive officer and the anticipated contribution of the executive officer to the attainment of

our long-term strategic performance goals. Long-term incentives granted in prior years are also taken into consideration. Grants are made to all employees when hired based on salary level and position. All employees, including executive officers, are eligible for subsequent, discretionary grants, which are generally based on either individual or corporate performance as well as the position held within the Company. All of the option grants and restricted stock awards made to our executive officers in 2006 were made at the fair market value of our common stock on the grant date, determined by the closing market value of our common stock as reported on The Nasdaq Global Market on the date of grant. We do not have any program, plan or obligation that requires us to grant equity compensation to any executive officers on specified dates. The authority to make equity grants to executive officers rests with our Compensation Committee, although, as noted above, the Compensation Committee does consider the recommendations of our Chief Executive Officer in setting the compensation of our other executive officers.

Severance and change in control benefits

Each of Messrs. Hollis and Burgess has a provision in his employment agreement providing for certain severance benefits in the event of termination without cause and each of Messrs. Hollis, Burgess and Loumeau has a provision in his employment agreement providing for the acceleration of his then unvested options in the event of termination without cause following a change in control of the Company. These severance and acceleration provisions are described in the *Employment, Severance and Change of Control Agreements* section below, and certain estimates of these change of control benefits are provided in *Potential Payments Upon Termination or Change of Control* section below.

Other benefits

Our executive officers are eligible to participate in all of our employee benefit plans, such as medical, dental, vision, group life and disability insurance and our 401(k) plan, in each case on the same basis as our other employees. There were no special benefits or significant perquisites provided to any executive officer in 2006.

Material tax and accounting implications of executive compensation policies

We account for the equity compensation expense for our employees under the rules of SFAS 123R, which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued. Unless and until we achieve sustained profitability, the availability to us of a tax deduction for compensation expense is not material to our financial position. We structure discretionary cash bonus compensation so that it is taxable to our employees at the time it becomes available to them. Federal income tax law prohibits publicly held companies from deducting certain compensation paid to a named executive officer that exceeds \$1 million during the tax year. To the extent that compensation is based upon the attainment of performance goals set by the Compensation Committee pursuant to plans approved by our stockholders, such compensation is not included in the computation of this limit. Although the Compensation Committee intends, to the extent feasible and where it believes it is in the best interests of the Company and our stockholders, to attempt to qualify executive compensation as tax deductible, it does not intend to permit this tax provision to dictate the Compensation Committee's development and execution of effective compensation plans.

Executive compensation review process

Our Compensation Committee currently performs an annual strategic review of our executive officers' cash compensation and share and option holdings to determine whether they provide adequate incentives and motivation to our executive officers and whether they adequately compensate our executive officers relative to comparable executive officers in other companies. Our Compensation Committee's most recent review occurred in December 2006. Compensation Committee meetings typically have included, for all or a portion of each meeting, not only the committee members but also our Chief Executive Officer and our Chief Accounting Officer. For compensation decisions, relating to executive officers (other than our Chief Executive Officer)

including, but not limited to, decisions regarding the grant of equity compensation, the Compensation Committee typically considers the recommendations of our Chief Executive Officer.

2006 Executive compensation decisions

February 2006 Compensation Committee meeting. At its February 2006 committee meeting, our Compensation Committee performed a review of our executive officers' cash compensation and share and option holdings in order to determine the compensation for our executive officers for 2006. After completing its review, our Compensation Committee took the following compensation actions at this meeting:

2006 Base salaries: The Compensation Committee determined that, other than increases consistent with the average merit salary increase for 2006 for all of our employees, the base salaries for our executive officers should not be increased from their 2005 levels. The 2006 base salaries for our named executive officers were reflected in the summary compensation table in our proxy statement for last year's annual meeting of stockholders.

2005 Discretionary cash bonuses: At its February 2006 meeting, the Compensation Committee received compensation recommendations as well as a performance assessment from our Chief Executive Officer for our executive officers that outlined our management team's performance as a whole relative to our Company goals and objectives. After reviewing this assessment and the compensation recommendations, the Compensation Committee determined that Mr. Burgess and Drs. Frincke and Reading had each earned a cash bonus amount of \$40,000 for 2005 and Mr. Loumeau had earned a cash bonus amount of \$35,000 for 2005. These bonus amounts were paid in January 2006 and were reflected in the summary compensation table for our named executive officers in our proxy statement for last year's annual meeting of stockholders. In determining the 2005 bonus amount for Mr. Hollis, our Chief Executive Officer, the Compensation Committee again reviewed the Company's overall performance and Mr. Hollis' contribution to our success. The Compensation Committee noted that Mr. Hollis has overall responsibility for the execution of our annual and long-term plans consistent with our strategy. Under Mr. Hollis' leadership, we made significant progress in 2005 toward those goals. After reviewing Mr. Hollis' achievement of performance objectives relative to the Company's overall performance, the Compensation Committee determined that a cash bonus amount of \$250,000 (50% of Mr. Hollis' 2005 base salary) was merited. Mr. Hollis' 2005 bonus was paid in February 2006 and was included in the summary compensation table for our named executive officers contained in our proxy statement for last year's annual meeting of stockholders.

Equity compensation: The Compensation Committee approved the grant of additional stock options as well as the grant of restricted stock awards to our executive officers. The number and value of the shares subject to the February 2006 option grants and restricted stock awards to our executive officers is reflected in the Summary Compensation Table and Grants of Plan-Based Awards tables below.

December 2006 Compensation Committee meeting. At its December 2006 meeting, our Compensation Committee performed a review of our executive officers' cash compensation and share and option holdings in order to determine the compensation for our executive officers for 2007. After completing its review, our Compensation Committee took the following compensation actions at this meeting:

2007 Base salaries: The Compensation Committee determined that, other than increases consistent with the average merit salary increase for 2007 for all of our employees, the base salaries for our executive officers should not be increased from their 2006 levels. The 2007 base salaries for our named executive officers are as follows:

Executive Officer	2007 Base Salary
Richard B. Hollis	\$ 532,480
Chairman of the Board, President and Chief Executive Officer	
Daniel D. Burgess	343,252
Chief Operating Officer and Chief Financial Officer	
James M. Frincke, Ph.D.	298,480
Chief Scientific Officer	
Eric J. Loumeau	271,830
Vice President, Corporate General Counsel	
Christopher L. Reading, Ph.D.	260,104
Executive Vice President, Scientific Development	

2006 Discretionary cash bonuses: In determining the 2006 discretionary cash bonus amounts for our executive officers, other than our Chief Executive Officer, the Compensation Committee reviewed a performance assessments and compensation recommendations made by our Chief Executive Officer. The performance assessment outlined the extent to which our management team as a whole performed relative to our Company goals and objectives. After reviewing the Company's overall performance and achievement of annual goals and objectives and the management team's contribution to this performance and achievement, the Compensation Committee determined that for our executive officers, other than our Chief Executive Officer, a bonus amount equal to 20% of each executive officer's 2006 base salary had been earned for 2006. These bonus amounts were paid in January 2007 and are reflected in the Summary Compensation Table below. In determining the 2006 bonus amount for Mr. Hollis, our Chief Executive Officer, the Compensation Committee noted that under Mr. Hollis' leadership, we made significant progress in 2006 toward those goals. Mr. Hollis continued to focus management on building our platform of product candidates and continuously prioritizing resources among existing and emerging product candidates in order to maximize short and long-term returns given our limited resources. Mr. Hollis led our efforts in responding to the Request for Proposal, or RFP, issued by the U.S. Department of Health and Human Services in late 2005 for therapeutics to treat acute radiation syndrome culminating in the submission of our comprehensive response to the RFP detailing the potential for our product candidate, NEUMUNE®. Mr. Hollis also led our efforts in bringing forward our next-generation product candidates, HE3286, for type 2 diabetes and HE3235, for hormone driven prostate and breast cancer. Mr. Hollis was also responsible for overseeing our efforts to continue to raise necessary funds for ongoing operations and oversaw negotiations with our investors relating to financing terms. Our Compensation Committee also recognized Mr. Hollis' significant contributions in defining and maintaining our corporate culture and collegial, inclusive team-building work environment. After reviewing Mr. Hollis' achievement of individual performance objectives as well the Company's overall performance, the Compensation Committee determined that a bonus amount of \$385,000 (approximately 75% of Mr. Hollis' 2006 base salary) was merited. Mr. Hollis' 2006 bonus was paid in February 2007 and is reflected in the Summary Compensation Table below.

Equity compensation: The Compensation Committee also approved the grant of additional stock options to our executive officers at its December 2006 meeting. The number and value of the shares subject to the December 2006 option grants to our executive officers is reflected in the Summary Compensation Table and Grants of Plan-Based Awards tables below.

The Compensation Committee may in its discretion, and with the approval of the applicable Named Executive Officer, revise, amend or add to these benefits in the future if it deems doing so advisable and in our best interests.

Under Mr. Hollis' employment agreement, if he is terminated without cause or if he terminates his employment for sufficient reason, upon execution by Mr. Hollis of a waiver and release of claims, he shall be entitled to the following: (i) base salary through the date of termination, (ii) annual base salary in effect at the time of termination times five, (iii) an amount equal to the prior calendar year's bonus awarded to Mr. Hollis times five, (iv) immediate vesting of all unvested stock options to purchase shares of our common stock held by Mr. Hollis, and the continuation of the exercise period of all stock options held by Mr. Hollis until the final expiration of the original terms of such stock options, and (v) continued receipt for three years of all employee benefit plans and programs in which Mr. Hollis and his family were entitled to participate immediately prior to the date of termination. Under Mr. Hollis' employment agreement, sufficient reason means any one or more of the following events: (i) the occurrence of a change in control of the Company, (ii) the failure by the Company to comply with any material provision of Mr. Hollis' employment agreement and such failure has continued for a period of ten days after notice of such failure has been given by Mr. Hollis to the Company, (iii) the assignment to Mr. Hollis of any duties materially inconsistent with his status

Additionally, his stock options will continue to vest throughout the severance period, with the ability to exercise such stock options for 90 days following the end of the severance period. Currently, Mr. Burgess' annual base salary is \$343,252. HOUSEHOLDING OF PROXY MATERIALS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders wishing to receive a separate proxy statement and annual report in the future may also direct such a request to our Secretary, either in a written request sent to 4435 Eastgate Mall, Suite 400, San Diego, California 92121 or by telephone at (858) 587-9333.

Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

OTHER MATTERS

Our board of directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

AS AMENDED ON APRIL 24, 2007

1. GENERAL.

(a) **Successor and Continuation of Prior Plan.** The Plan is intended as the successor to and continuation of the Hollis-Eden Pharmaceuticals, Inc. 1997 Incentive Stock Option Plan (the *Prior Plan*). Following the Effective Date of this Plan, no additional stock awards shall be granted under the Prior Plan. Any shares remaining available for issuance pursuant to the exercise of options or settlement of stock awards under the Prior Plan shall be added to the share reserve of this Plan and available for issuance pursuant to Stock Awards granted hereunder. All outstanding stock awards granted under the Prior Plan shall remain subject to the terms of the Prior Plan, except that the Board may elect to extend one or more of the features of the Plan to stock awards granted under the Prior Plan. Any shares subject to outstanding stock awards granted under the Prior Plan that expire or terminate for any reason prior to exercise or settlement shall be added to the share reserve of this Plan and become available for issuance pursuant to Stock Awards granted hereunder. All Stock Awards granted subsequent to the Effective Date of this Plan shall be subject to the terms of this Plan.

(b) **Eligible Stock Award Recipients.** The persons eligible to receive Stock Awards are Employees, Directors and Consultants.

(c) **Available Stock Awards.** The Plan provides for the grant of the following Stock Awards: (i) Incentive Stock Options, (ii) Nonstatutory Stock Options, (iii) Stock Purchase Awards, (iv) Restricted Stock Awards, (v) Stock Appreciation Rights, (vi) Restricted Stock Unit Awards, and (vii) Other Stock Awards.

(d) **General Purpose.** The Company, by means of the Plan, seeks to secure and retain the services of the group of persons eligible to receive Stock Awards as set forth in Section 1(a), to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such eligible recipients may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Stock Awards.

2. DEFINITIONS.

As used in the Plan, the following definitions shall apply to the capitalized terms indicated below:

(a) **Affiliate** means (i) any corporation (other than the Company) in an unbroken ownership chain of corporations ending with the Company, provided each corporation in the unbroken ownership chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such ownership chain, and (ii) any corporation (other than the Company) in an unbroken ownership chain of corporations beginning with the Company, provided each corporation (other than the last corporation) in the unbroken ownership chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such ownership chain. The Board shall have the authority to determine (x) the time or times at which the ownership tests are applied, and (y) whether **Affiliate** includes entities other than corporations within the foregoing definition.

(b) **Board** means the Board of Directors of the Company.

(c) **Capitalization Adjustment** has the meaning ascribed to that term in Section 11(a).

(d) **Cause** means with respect to a Participant, the occurrence of any of the following: (i) such Participant's commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the

laws of the United States or any state thereof; (ii) such Participant's attempted commission of, or participation in, a fraud or act of dishonesty against the Company; (iii) such Participant's intentional, material violation of any contract or agreement between the Participant and the Company or of any statutory duty owed to the Company; (iv) such Participant's unauthorized use or disclosure of the Company's confidential information or trade secrets; or (v) such Participant's gross misconduct. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause shall be made by the Company in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated by reason of dismissal without Cause for the purposes of outstanding Stock Awards held by such Participant shall have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

(e) **Change in Control** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing forty percent (40%) or more of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person from the Company in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities or (B) solely because the level of Ownership held by any Exchange Act Person (the **Subject Person**) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto, as such, do not Own, directly or indirectly, either (A) outstanding voting securities representing more than sixty percent (60%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than sixty percent (60%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) the stockholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur;

(iv) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(v) individuals who, on the date this Plan is adopted by the Board, are members of the Board (the **Incumbent Board**) cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then

still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

The term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

Notwithstanding the foregoing or any other provision of this Plan, the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Stock Awards subject to such agreement; *provided, however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

(k) **Continuous Service** means that the Participant's service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, shall not terminate a Participant's Continuous Service. For example, a change in status from an employee of the Company to a consultant to an Affiliate or to a Director shall not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of any leave of absence approved by that party, including sick leave, military leave or any other personal leave. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company's leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.

(l) **Corporate Transaction** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

3. ADMINISTRATION.

(a) Administration by Board. The Board shall administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in Section 3(c).

(b) Powers of Board. The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time (A) which of the persons eligible under the Plan shall be granted Awards; (B) when and how each Award shall be granted; (C) what type or combination of types of Award shall be granted; (D) the provisions of each Award granted (which need not be identical), including the time or times when a person shall be permitted to receive Common Stock pursuant to a Stock Award; and (E) the number of shares of Common Stock with respect to which a Stock Award shall be granted to each such person.

(ii) To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Stock Award Agreement, in a manner and to the extent it shall deem necessary or expedient to make the Plan or Award fully effective.

(iii) To settle all controversies regarding the Plan and Awards granted under it.

(iv) To accelerate the time at which a Stock Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

(v) To suspend or terminate the Plan at any time. Suspension or termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the affected Participant.

- (vi) To amend the Plan, subject to the limitations, if any, of applicable law. However, except as provided in Section 11(a) relating to Capitalization Adjustments, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy applicable law or applicable exchange listing requirements. Rights under any Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (i) the Company requests the consent of the affected Participant, and (ii) such Participant consents in writing.
- (vii) To submit any amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to Covered Employees.
- (viii) To amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options or to bring the Plan or Incentive Stock Options granted under it into compliance therewith.
- (ix) To amend the terms of any one or more Awards or stock awards granted under the Prior Plan, including, but not limited to, amendments to provide terms more favorable than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; *provided, however*, that the rights under any Award shall not be impaired by any such amendment unless (i) the Company requests the consent of the affected Participant, and (ii) such Participant consents in writing.

(c) Delegation to Committee.

- (i) General. Except as otherwise provided in Section 5(e) herein, the Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated.
- (ii) Section 162(m) and Rule 16b-3 Compliance. In the sole discretion of the Board, the Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3. In addition, the Board or the Committee, in its sole discretion, may (A) delegate to a Committee of Directors who need not be Outside Directors the authority to grant Awards to eligible persons who are either (I) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Stock Award, or (II) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code, or (B) delegate to a Committee of Directors who need not be Non-Employee Directors the authority to grant Stock Awards to eligible persons who are not then subject to Section 16 of the Exchange Act.

(d) Delegation to an Officer. The Board may delegate to one or more Officers the authority to do one or both of the following (i) designate Employees who are not Officers to be recipients of Awards and the terms thereof, and (ii) determine the number of shares of Common Stock to be subject to such Stock Awards granted to such Employees; *provided, however*, that the Board resolutions regarding such delegation shall specify the total number of shares of Common Stock that may be subject to the Stock Awards granted by such Officer and that such Officer may not grant a Stock Award to himself or herself. Notwithstanding anything to the contrary in this Section 3(d), (x) the Board may not delegate to an Officer authority to determine the Fair Market Value of the Common Stock pursuant to Section 2(u)(ii) above, and (y) Awards covering Inducement Shares (as defined in Section 5(e) herein) must be granted either by a majority of the Company's independent directors or a committee comprised of a majority of independent directors.

(e) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

4. SHARES SUBJECT TO THE PLAN.

(a) Share Reserve. Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, the number of shares of Common Stock that may be issued pursuant to Stock Awards shall not exceed, in the aggregate, the sum of (i) the number of shares remaining available for issuance under the Prior Plan as of the Effective Date, including shares subject to outstanding stock awards under the Prior Plan, (ii) an additional three hundred fifty thousand (350,000) shares approved by the stockholders at the 2005 Annual Meeting as part of the approval of this Plan, (iii) an additional five hundred thousand (500,000) shares approved by the stockholders at the 2006 Annual Meeting, (iv) one hundred thousand (100,000) shares of Common Stock that are subject to the limitations contained in Section 5(e) hereof, plus (v) one million five hundred thousand (1,500,000) shares approved by the stockholders at the 2007 Annual Meeting. Shares may be issued in connection with a merger or acquisition as permitted by NASD Rule 4350(i)(1)(A)(iii) or, if applicable, NYSE Listed Company Manual Section 303A(8) and such issuance shall not reduce the number of shares available for issuance under the Plan.

(b) Reversion of Shares to the Share Reserve. If any (i) Stock Award shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, (ii) shares of Common Stock issued to a Participant pursuant to a Stock Award (including the Stock Awards transferred from the Prior Plan on the Effective Date of this Plan) are forfeited to or repurchased by the Company, including any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting of such shares, or (iii) Stock Award is settled in cash, then the shares of Common Stock not issued under such Stock Award, or forfeited to or repurchased by the Company, shall revert to and again become available for issuance under the Plan. If any shares subject to a Stock Award are not delivered to a Participant because the Stock Award is exercised through a reduction of shares subject to the Stock Award (*i.e.*, net exercised), the number of shares that are not delivered to the Participant shall remain available for issuance under the Plan. If any shares subject to a Stock Award are not delivered to a Participant because such shares are withheld in satisfaction of the withholding of taxes incurred in connection with the exercise of an Option, Stock Appreciation Right, or the issuance of shares under a Stock Purchase Award, Restricted Stock Award, or Restricted Stock Unit Award, the number of shares that are not delivered to the Participant shall remain available for subsequent issuance under the Plan. If the exercise price of any Stock Award is satisfied by tendering shares of Common Stock held by the Participant (either by actual delivery or attestation), then the number of shares so tendered shall remain available for subsequent issuance under the Plan. Notwithstanding the foregoing, Inducement Shares (as defined in Section 5(e) herein) that revert to, or remain available for subsequent issuance under, the Plan may only be granted to the persons described in Section 5(e).

(c) Incentive Stock Option Limit. Notwithstanding anything to the contrary in this Section 4(b), subject to the provisions of Section 11(a) relating to Capitalization Adjustments the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options shall be seven million five hundred thousand (7,500,000) shares of Common Stock. Further, Inducement Shares (as defined in Section 5(e) herein) may not be used to grant Awards of Incentive Stock Options.

(d) Source of Shares. The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company.

5. ELIGIBILITY.

(a) Eligibility for Specific Stock Awards. Incentive Stock Options may be granted only to Employees. Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

(b) Ten Percent Stockholders. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

(c) Section 162(m) Limitation on Annual Grants. Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, and except with respect to Awards covering Inducement Shares, at such time as the Company may be subject to the applicable provisions of Section 162(m) of the Code, no Employee shall be eligible to be granted during any calendar year Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least one hundred percent (100%) of the Fair Market Value of the Common Stock on the date the Stock Award is granted covering more than two hundred fifty thousand (250,000) shares of Common Stock.

(d) Consultants. A Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act (*Form S-8*) is not available to register either the offer or the sale of the Company's securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, because the Consultant is not a natural person, or because of any other rule governing the use of Form S-8.

(e) Inducement Shares. This Section 5(e) shall apply with respect to the One hundred thousand (100,000) shares of Common Stock reserved under this Plan by action of the Board on December 1, 2005 (the *Inducement Shares*). An Award covering Inducement Shares may be granted only to an Employee not previously an Employee or Director of the Company, or following a *bona fide* period of non-employment, as an inducement material to the individual's entering into employment with the Company within the meaning of Rule 4350(i)(1)(A) of the NASD Marketplace Rules. In addition, notwithstanding any other provision of the Plan to the contrary, all such Awards covering Inducement Shares must be granted either by a majority of the Company's independent directors or a committee comprised of a majority of independent directors.

6. OPTION PROVISIONS.

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, then the Option shall be a Nonstatutory Stock Option. The provisions of separate Options need not be identical; *provided, however*, that each Option Agreement shall include (through incorporation of provisions hereof by reference in the Option Agreement or otherwise) the substance of each of the following provisions:

(a) Term. Subject to the provisions of Section 5(b), no Option shall be exercisable after the expiration of ten (10) years from the date of its grant.

(b) Exercise Price of an Incentive Stock Option. Subject to the provisions of Section 5(b) regarding Ten Percent Stockholders, the exercise price of each Incentive Stock Option shall be not less than one hundred

percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

(c) Exercise Price of a Nonstatutory Stock Option. The exercise price of each Nonstatutory Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an exercise price lower than one hundred percent (100%) of the Fair Market Value of the Common Stock if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

(d) Consideration. The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The methods of payment permitted by this Section 6(d) are:

(i) by cash or check;

(ii) bank draft or money order payable to the Company;

(iii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of Common Stock, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iv) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(v) by a net exercise arrangement pursuant to which the Company will reduce the number of shares of Common Stock issued upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however*, that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares; *provided, further*, that shares of Common Stock will no longer be outstanding under an Option and will not be exercisable thereafter to the extent that (A) shares are used to pay the exercise price pursuant to the net exercise, (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or

(vi) in any other form of legal consideration that may be acceptable to the Board; *provided, however*, that such form of consideration may not include deferred payment through the use of a promissory note.

(e) Transferability of Options. The Board may, in its sole discretion, impose such limitations on the transferability of Options as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options shall apply:

(i) Restrictions on Transfer. An Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder; provided, however, that the Board may, in its sole discretion, permit transfer of the Option upon the Optionholder's request, provided that such transfer is in compliance with applicable tax and securities laws.

(ii) Domestic Relations Orders. Notwithstanding the foregoing, an Option may be transferred pursuant to a domestic relations order.

(iii) Beneficiary Designation. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

(f) Vesting Generally. The total number of shares of Common Stock subject to an Option may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(f) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

(g) Termination of Continuous Service. In the event that an Optionholder's Continuous Service terminates (other than for Cause or upon the Optionholder's death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder's Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(h) Extension of Termination Date. An Optionholder's Option Agreement may provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service (other than for Cause or upon the Optionholder's death or Disability or upon a Change in Control) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of a period of three (3) months after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements, or (ii) the expiration of the term of the Option as set forth in the Option Agreement.

(i) Disability of Optionholder. In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(j) Death of Optionholder. In the event that (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death, or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death, but only within the period ending on the earlier of (i) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of such Option as set forth in the Option Agreement. If, after the Optionholder's death, the Option is not exercised within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(k) Termination for Cause. Except as explicitly provided otherwise in an Optionholder's Option Agreement, in the event that an Optionholder's Continuous Service is terminated for Cause, the Option shall terminate upon the termination date of such Optionholder's Continuous Service, and the Optionholder shall be prohibited from exercising his or her Option from and after the time of such termination of Continuous Service.

7. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS.

(a) Stock Purchase Awards. Each Stock Purchase Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Stock Purchase Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Stock Purchase Award Agreements may change from time to time, and the terms and conditions of separate Stock Purchase Award Agreements need not be identical, *provided, however*, that each Stock Purchase Award Agreement shall include (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Purchase Price. At the time of the grant of a Stock Purchase Award, the Board will determine the price to be paid by the Participant for each share subject to the Stock Purchase Award. To the extent required by applicable law, the price to be paid by the Participant for each share of the Stock Purchase Award will not be less than the par value of a share of Common Stock.

(ii) Consideration. At the time of the grant of a Stock Purchase Award, the Board will determine the consideration permissible for the payment of the purchase price of the Stock Purchase Award. The purchase price of Common Stock acquired pursuant to the Stock Purchase Award shall be paid either: (A) in cash or by check at the time of purchase, (B) by past or future services actually rendered to the Company or an Affiliate, or (C) in any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(iii) Vesting. Shares of Common Stock acquired under a Stock Purchase Award may be subject to a share repurchase right or option in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(iv) Termination of Participant's Continuous Service. In the event that a Participant's Continuous Service terminates, the Company shall have the right, but not the obligation, to repurchase or otherwise reacquire, any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Stock Purchase Award Agreement. At the Board's election, the price paid for all shares of Common Stock so repurchased or reacquired by the Company may be at the lesser of: (A) the Fair Market Value on the relevant date, or (B) the Participant's original cost for such shares. The Company shall not be required to exercise its repurchase or reacquisition option until at least six (6) months (or such longer or shorter period of time necessary to avoid a charge to earnings for financial accounting purposes) have elapsed following the Participant's purchase of the shares of Common Stock acquired pursuant to the Stock Purchase Award unless otherwise determined by the Board or provided in the Stock Purchase Award Agreement.

(v) Transferability. Rights to purchase or receive shares of Common Stock granted under a Stock Purchase Award shall be transferable by the Participant only upon such terms and conditions as are set forth in the Stock Purchase Award Agreement, as the Board shall determine in its sole discretion, and so long as Common Stock awarded under the Stock Purchase Award remains subject to the terms of the Stock Purchase Award Agreement.

(b) Restricted Stock Awards. Each Restricted Stock Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical, *provided, however*, that each Restricted Stock Award Agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Restricted Stock Award may be awarded in consideration for (A) past or future services actually rendered to the Company or an Affiliate, or (B) any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) Vesting. Shares of Common Stock awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

(iii) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company may receive via a forfeiture condition, any or all of the shares of Common Stock held by the Participant which have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement.

(iv) Transferability. Rights to acquire shares of Common Stock under the Restricted Stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award Agreement, as the Board shall determine in its sole discretion, so long as Common Stock awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

(c) Restricted Stock Unit Awards. Each Restricted Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical, *provided, however*, that each Restricted Stock Unit Award Agreement shall include (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Common Stock subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) Payment. A Restricted Stock Unit Award may be settled by the delivery of shares of Common Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

(iv) Additional Restrictions. At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Restricted Stock Unit Award after the vesting of such Restricted Stock Unit Award.

(v) Dividend Equivalents. Dividend equivalents may be credited in respect of shares of Common Stock covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional shares of Common Stock covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Restricted Stock Unit Award credited by reason of such dividend equivalents will be subject to all the terms and conditions of the underlying Restricted Stock Unit Award Agreement to which they relate.

(vi) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(vii) Compliance with Section 409A of the Code. Notwithstanding anything to the contrary set forth herein, any Restricted Stock Unit Award granted under the Plan that is not exempt from the requirements of

Section 409A of the Code shall contain such provisions so that such Restricted Stock Unit Award will comply with the requirements of Section 409A of the Code. Such restrictions, if any, shall be determined by the Board and contained in the Restricted Stock Unit Award Agreement evidencing such Restricted Stock Unit Award. For example, such restrictions may include, without limitation, a requirement that any Common Stock that is to be issued in a year following the year in which the Restricted Stock Unit Award vests must be issued in accordance with a fixed pre-determined schedule.

(d) Stock Appreciation Rights. Each Stock Appreciation Right Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. Stock Appreciation Rights may be granted as stand-alone Stock Awards or in tandem with other Stock Awards. The terms and conditions of Stock Appreciation Right Agreements may change from time to time, and the terms and conditions of separate Stock Appreciation Right Agreements need not be identical; *provided, however*, that each Stock Appreciation Right Agreement shall include (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Term. No Stock Appreciation Right shall be exercisable after the expiration of ten (10) years from the date of its grant.

(ii) Strike Price. Each Stock Appreciation Right will be denominated in shares of Common Stock equivalents. The strike price of each Stock Appreciation Right granted as a stand-alone or tandem Stock Award shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock equivalents subject to the Stock Appreciation Right on the date of grant.

(iii) Calculation of Appreciation. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of share of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right, and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) the strike price that will be determined by the Board at the time of grant of the Stock Appreciation Right.

(iv) Vesting. At the time of the grant of a Stock Appreciation Right, the Board may impose such restrictions or conditions to the vesting of such Stock Appreciation Right as it, in its sole discretion, deems appropriate.

(v) Exercise. To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(vi) Payment. The appreciation distribution in respect to a Stock Appreciation Right may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(vii) Termination of Continuous Service. In the event that a Participant's Continuous Service terminates (other than for Cause), the Participant may exercise his or her Stock Appreciation Right (to the extent that the Participant was entitled to exercise such Stock Appreciation Right as of the date of termination) but only within such period of time ending on the earlier of (A) the date three (3) months following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the Stock Appreciation Right Agreement), or (B) the expiration of the term of the Stock Appreciation Right as set forth in the Stock Appreciation Right Agreement. If, after termination, the Participant does not exercise his or her Stock Appreciation Right within the time specified herein or in the Stock Appreciation Right Agreement (as applicable), the Stock Appreciation Right shall terminate.

(viii) Termination for Cause. Except as explicitly provided otherwise in an Participant's Stock Appreciation Right Agreement, in the event that a Participant's Continuous Service is terminated for Cause,

the Stock Appreciation Right shall terminate upon the termination date of such Participant's Continuous Service, and the Participant shall be prohibited from exercising his or her Stock Appreciation Right from and after the time of such termination of Continuous Service.

(ix) Compliance with Section 409A of the Code. Notwithstanding anything to the contrary set forth herein, any Stock Appreciation Rights granted under the Plan that are not exempt from the requirements of Section 409A of the Code shall contain such provisions so that such Stock Appreciation Rights will comply with the requirements of Section 409A of the Code. Such restrictions, if any, shall be determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right. For example, such restrictions may include, without limitation, a requirement that a Stock Appreciation Right that is to be paid wholly or partly in cash must be exercised and paid in accordance with a fixed pre-determined schedule.

(e) Other Stock Awards. Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Common Stock may be granted either alone or in addition to Stock Awards provided for under Section 6 and the preceding provisions of this Section 7. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

8. COVENANTS OF THE COMPANY.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; *provided, however*, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained.

9. USE OF PROCEEDS FROM SALES OF COMMON STOCK.

Proceeds from the sale of shares of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

10. MISCELLANEOUS.

(a) Corporate Action Constituting Grant of Stock Awards. Corporate action constituting an offer by the Company of Common Stock to any Participant under the terms of a Stock Award shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is actually received or accepted by the Participant.

(b) Stockholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms.

(c) No Employment or Other Service Rights. Nothing in the Plan, any Stock Award Agreement or other instrument executed thereunder or in connection with any Award granted pursuant to the Plan shall confer upon

any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(d) Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(e) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (x) the issuance of the shares upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (y) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(f) Withholding Obligations. To the extent provided by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Stock Award; or (iii) by such other method as may be set forth in the Stock Award Agreement.

(g) Electronic Delivery. Any reference herein to a written agreement or document shall include any agreement or document delivered electronically or posted on the Company's intranet.

(h) Performance Stock Awards. A Performance Stock Award is a Stock Award that may be granted, may vest, or may be exercised based upon the attainment during a Performance Period of certain Performance Goals. A Performance Stock Award may, but need not, require the completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee in its sole discretion. The maximum benefit to be received by any Participant in any calendar year attributable to Stock Awards described in this Section 10(h) shall not exceed the value of two hundred fifty thousand (250,000) shares of Common Stock.

11. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.

(a) Capitalization Adjustments. If any change is made in, or other events occur with respect to, the Common Stock subject to the Plan or subject to any Stock Award after the Effective Date without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company (each a **Capitalization Adjustment**)), the Board shall appropriately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 4(a), (ii) the class(es) and maximum number of securities that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 4(b), (iii) the class(es) and maximum number of securities that may be awarded to any person pursuant to Section 5(c) and 10(h), and (iv) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. (Notwithstanding the foregoing, the conversion of any convertible securities of the Company shall not be treated as a transaction without receipt of consideration by the Company.)

(b) Dissolution or Liquidation. In the event of a dissolution or liquidation of the Company, all outstanding Options and Stock Appreciation Rights shall terminate immediately prior to the completion of such dissolution or liquidation.

(c) Corporate Transaction. The following provisions shall apply to Stock Awards in the event of a Corporate Transaction unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the holder of the Stock Award or unless otherwise expressly provided by the Board at the time of grant of a Stock Award.

(i) Stock Awards May Be Assumed. In the event of a Corporate Transaction, any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue any or all Stock Awards outstanding under the Plan or may substitute similar stock awards for Stock Awards outstanding under the Plan (including but not limited to, awards to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Stock Awards may be assigned by the Company to the successor of the Company (or the successor's parent company, if any), in connection with such Corporate Transaction. A surviving corporation or acquiring corporation (or its parent) may choose to assume or continue only a portion of a Stock Award or substitute a similar stock award for only a portion of a Stock Award. The terms of any assumption, continuation or substitution shall be set by the Board in accordance with the provisions of Section 3.

(ii) Stock Awards Held by Current Participants. In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction (referred to as the **Current Participants**), the vesting of such Stock Awards (and, if applicable, the time at which such Stock Awards may be exercised) shall (contingent upon the effectiveness of the Corporate Transaction) be accelerated in full to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective time of the Corporate Transaction), and such Stock Awards shall terminate if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Stock Awards shall lapse (contingent upon the effectiveness of the Corporate Transaction).

(iii) Stock Awards Held by Persons other than Current Participants. In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Stock Awards or substitute similar stock awards for such outstanding

Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted and that are held by persons other than Current Participants, the vesting of such Stock Awards (and, if applicable, the time at which such Stock Award may be exercised) shall not be accelerated and such Stock Awards (other than a Stock Award consisting of vested and outstanding shares of Common Stock not subject to the Company's right of repurchase) shall terminate if not exercised (if applicable) prior to the effective time of the Corporate Transaction; *provided, however*, that any reacquisition or repurchase rights held by the Company with respect to such Stock Awards shall not terminate and may continue to be exercised notwithstanding the Corporate Transaction.

(iv) Payment for Stock Awards in Lieu of Exercise. Notwithstanding the foregoing, in the event a Stock Award will terminate if not exercised prior to the effective time of a Corporate Transaction, the Board may provide, in its sole discretion, that the holder of such Stock Award may not exercise such Stock Award but will receive a payment, in such form as may be determined by the Board, equal in value to the excess, if any, of (A) the value of the property the holder of the Stock Award would have received upon the exercise of the Stock Award, over (B) any exercise price payable by such holder in connection with such exercise.

(d) Change in Control. Notwithstanding anything to the contrary contained in Section 11(c) of the Plan, upon a Change in Control event described in Section 2(e)(i), 2(e)(ii), 2(e)(iii) or 2(e)(iv), each Stock Award held by a Participant whose Continuous Service has not terminated as of the date immediately prior to the effective date of such Change in Control shall automatically become fully vested (and any reacquisition or repurchase rights held by the Company with respect to the shares of Common Stock subject to such acceleration shall lapse in full, as appropriate) and, if applicable, each such Stock Award shall become immediately exercisable in full. In addition, a Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control described in Section 2(e)(v) as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration shall occur.

(e) Parachute Payments.

(i) If the acceleration of the vesting and exercisability of Stock Awards provided for in Sections 11(c) and 11(d), together with payments and other benefits of a Participant (collectively, the **Payment**) (i) constitute a parachute payment within the meaning of Section 280G of the Code, or any comparable successor provisions, and (ii) but for this Section 11(e) would be subject to the excise tax imposed by Section 4999 of the Code, or any comparable successor provisions (the **Excise Tax**), then such Payment shall be either (1) provided to such Participant in full, or (2) provided to such Participant as to such lesser extent that would result in no portion of such Payment being subject to the Excise Tax, whichever of the foregoing amounts, when taking into account applicable federal, state, local and foreign income and employment taxes, the Excise Tax, and any other applicable taxes, results in the receipt by such Participant, on an after-tax basis, of the greatest amount of the Payment, notwithstanding that all or some portion of the Payment may be subject to the Excise Tax.

(ii) The Company shall appoint a nationally recognized independent accounting firm (the **Accountant**) to make the determinations required hereunder, which accounting firm shall not then be serving as accountant or auditor for the individual, entity or group that effected the Change in Control. The Company shall bear all costs and expenses with respect to the determinations the Accountant may reasonably incur in connection with any calculations contemplated by this Section 11(e).

(iii) Unless the Company and such Participant otherwise agree in writing, any determination required under this Section 11(e) shall be made in writing in good faith by the Accountant. If a reduction in the Payment is to be made as provided above, reductions shall occur in the following order unless the Participant elects in writing a different order (*provided, however*, that such election shall be subject to Company approval if made on or after the date that triggers the Payment or a portion thereof): (A) reduction of cash payments; (B) cancellation of accelerated vesting of Options and other Stock Awards; and (C) reduction of other benefits paid to the Participant. If acceleration of vesting of Stock Awards is to be

reduced, such acceleration of vesting shall be cancelled in the reverse order of date of grant of the Stock Awards (*i.e.*, the earliest granted Stock Award cancelled last) unless the Participant elects in writing a different order for cancellation.

(iv) For purposes of making the calculations required by this Section 11(e), the Accountant may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of the Code and other applicable legal authority. The Company and the Participant shall furnish to the Accountant such information and documents as the Accountant may reasonably request in order to make such a determination.

(v) If, notwithstanding any reduction described above, the Internal Revenue Service (the **IRS**) determines that the Participant is liable for the Excise Tax as a result of the Payment, then the Participant shall be obligated to pay back to the Company, within thirty (30) days after a final IRS determination or, in the event that the Participant challenges the final IRS determination, a final judicial determination, a portion of the Payment (the **Repayment Amount**). The Repayment Amount with respect to the Payment shall be the smallest such amount, if any, as shall be required to be paid to the Company so that the Participant's net after-tax proceeds with respect to the Payment (after taking into account the payment of the Excise Tax and all other applicable taxes imposed on the Payment) shall be maximized. The Repayment Amount with respect to the Payment shall be zero if a Repayment Amount of more than zero would not result in the Participant's net after-tax proceeds with respect to the Payment being maximized. If the Excise Tax is not eliminated pursuant to this paragraph, the Optionholder shall pay the Excise Tax.

(vi) Notwithstanding any other provision of this Section 11(e), if (A) there is a reduction in the Payment as described above, (B) the IRS later determines that the Participant is liable for the Excise Tax, the payment of which would result in the maximization of the Participant's net after-tax proceeds of the Payment (calculated as if the Payment had not previously been reduced), and (C) the Participant the Excise Tax, then the Company shall pay or otherwise provide to the Participant that portion of the Payment that was reduced pursuant to this Section 11(e) contemporaneously or as soon as administratively possible after the Optionholder pays the Excise Tax so that the Participant's net after-tax proceeds with respect to the Payment are maximized.

(vii) If the Participant either (A) brings any action to enforce rights pursuant to this Section 11(e), or (B) defends any legal challenge to his or her rights under this Section 11(e), the Participant shall be entitled to recover attorneys' fees and costs incurred in connection with such action, regardless of the outcome of such action; *provided, however*, that if such action is commenced by the Participant, the court finds that the action was brought in good faith.

12. TERMINATION OR SUSPENSION OF THE PLAN.

(a) **Plan Term.** Unless sooner terminated by the Board pursuant to Section 3, the Plan shall automatically terminate on the day before the tenth (10th) anniversary of the date the Plan is adopted by the Board or approved by the stockholders of the Company, whichever is earlier. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) **No Impairment of Rights.** Termination of the Plan shall not impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant.

13. EFFECTIVE DATE OF PLAN.

This Plan shall become effective on the Effective Date.

14. CHOICE OF LAW.

The law of the State of California shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.

HOLLIS-EDEN PHARMACEUTICALS, INC.

2005 NON-EMPLOYEE DIRECTORS EQUITY INCENTIVE PLAN

AS AMENDED ON APRIL 24, 2007

1. GENERAL.

- (a) Eligible Stock Award Recipients. The persons eligible to receive Stock Awards are the Non-Employee Directors of the Company.
- (b) Available Stock Awards. The Plan provides for the grant of the following Stock Awards: (i) Nonstatutory Stock Options, (ii) Stock Purchase Awards, (iii) Restricted Stock Awards, (iv) Stock Appreciation Rights, (v) Restricted Stock Unit Awards, and (vi) Other Stock Awards.
- (c) General Purpose. The Company, by means of the Plan, seeks to retain the services of its Non-Employee Directors, to secure and retain the services of new Non-Employee Directors and to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such persons may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Stock Awards.

2. DEFINITIONS.

As used in the Plan, the following definitions shall apply to the capitalized terms indicated below:

- (a) **Affiliate** means (i) any corporation (other than the Company) in an unbroken ownership chain of corporations ending with the Company, provided each corporation in the unbroken ownership chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such ownership chain, and (ii) any corporation (other than the Company) in an unbroken ownership chain of corporations beginning with the Company, provided each corporation (other than the last corporation) in the unbroken ownership chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such ownership chain. The Board shall have the authority to determine (x) the time or times at which the ownership tests are applied, and (y) whether Affiliate includes entities other than corporations within the foregoing definition.
- (b) **Board** means the Board of Directors of the Company.
- (c) **Capitalization Adjustment** has the meaning ascribed to that term in Section 11(a).
- (d) **Cause** means, with respect to a Participant, the occurrence of any of the following: (i) such Participant's commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the laws of the United States or any state thereof; (ii) such Participant's attempted commission of, or participation in, a fraud or act of dishonesty against the Company; (iii) such Participant's intentional, material violation of any contract or agreement between the Participant and the Company or of any statutory duty owed to the Company; (iv) such Participant's unauthorized use or disclosure of the Company's confidential information or trade secrets; or (v) such Participant's gross misconduct. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause shall be made by the Company in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated by reason of dismissal without Cause for the purposes of outstanding Stock Awards held by such Participant shall have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

(e) **Change in Control** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing forty percent (40%) or more of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person from the Company in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities or (B) solely because the level of Ownership held by any Exchange Act Person (the **Subject Person**) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto, as such, do not Own, directly or indirectly, either (A) outstanding voting securities representing more than sixty percent (60%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than sixty percent (60%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) the stockholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur;

(iv) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(v) individuals who, on the date this Plan is adopted by the Board, are members of the Board (the **Incumbent Board**) cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

The term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

Notwithstanding the foregoing or any other provision of this Plan, the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Stock Awards subject to such agreement; *provided, however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

- (f) **Code** means the Internal Revenue Code of 1986, as amended.
- (g) **Committee** means a committee of one (1) or more Directors to whom authority has been delegated by the Board in accordance with Section 3(c).

- (i) **Company** means Hollis-Eden Pharmaceuticals, Inc., a Delaware corporation.
- (j) **Consultant** means any person, including an advisor, who is (i) engaged by the Company or an Affiliate to render consulting or advisory services and is compensated for such services, or (ii) serving as a member of the board of directors of an Affiliate and is compensated for such services. However, service solely as a Director, or payment of a fee for such service, shall not cause a Director to be considered a Consultant for purposes of the Plan.
- (k) **Continuous Service** means that the Participant's service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, shall not terminate a Participant's Continuous Service. For example, a change in status from a Non-Employee Director of the Company to a Consultant of an Affiliate or an Employee of the Company will not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of any leave of absence approved by that party, including sick leave, military leave or any other personal leave. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company's leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.
- (l) **Corporate Transaction** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:
- (i) a sale or other disposition of all or substantially all, as determined by the Board in its sole discretion, of the consolidated assets of the Company and its Subsidiaries;
 - (ii) a sale or other disposition of at least ninety percent (90%) of the outstanding securities of the Company;
 - (iii) the consummation of a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or
 - (iv) the consummation of a merger, consolidation or similar transaction following which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.

- (o) **Disability** means the permanent and total disability of a person within the meaning of Section 22(e)(3) of the Code.

- (p) **Effective Date** means the effective date of this Plan document, which is the date that this Plan is first approved by the Company's stockholders.
- (q) **Eligible Committee Director** means a Director who either (i) is not a current Employee or officer of the Company or an Affiliate, does not receive compensation, either directly or indirectly, from the Company or an Affiliate for services rendered as a Consultant or in any capacity other than as a Director (except for an amount as to which disclosure would not be required under Item 404(a) of Regulation S-K promulgated pursuant to the Securities Act (**Regulation S-K**)), does not possess an interest in any other transaction for which disclosure would be required under Item 404(a) of Regulation S-K, and is not engaged in a business relationship for which disclosure would be required pursuant to Item 404(b) of Regulation S-K; or (ii) is otherwise considered a non-employee director for purposes of Rule 16b-3.

(iii) To settle all controversies regarding the Plan and Stock Awards granted under it.

(vi) To amend the Plan, subject to the limitations, if any, of applicable law. However, except as provided in Section 11(a) relating to Capitalization Adjustments, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy

If any shares subject to a Stock Award are not delivered to a Participant because the Stock Award

is exercised through a reduction of shares subject to the Stock Award (*i.e.*, net exercised), the number of shares that are not delivered to the Participant shall remain available for issuance under the Plan. If any shares subject to a Stock Award are not delivered to a Participant because such shares are withheld in satisfaction of the withholding of taxes incurred in connection with the exercise of an Option, Stock Appreciation Right, or the issuance of shares under a Stock Purchase Award, Restricted Stock Award, or Restricted Stock Unit Award, the number of shares that are not delivered to the Participant shall remain available for subsequent issuance under the Plan. If the exercise price of any Stock Award is satisfied by tendering shares of Common Stock held by the Participant (either by actual delivery or attestation), then the number of shares so tendered shall remain available for subsequent issuance under the Plan.

(c) **Source of Shares.** The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company.

(a) **Term.** No Option shall be exercisable after the expiration of ten (10) years from the date of its grant.

(b) **Exercise Price.** The exercise price of each Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted.

(c) **Consideration.** The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The methods of payment permitted by this Section 6(c) are:

(i) by cash or check;

(ii) bank draft or money order payable to the Company;

(iii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of Common Stock, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iv) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(v) by a net exercise arrangement pursuant to which the Company will reduce the number of shares of Common Stock issued upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however*, that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares; *provided, further*, that shares of Common Stock will no longer be outstanding under an Option and will not be exercisable thereafter to the extent that (A) shares are used to pay the exercise price pursuant to the net exercise, (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or

(vi) in any other form of legal consideration that may be acceptable to the Board; *provided, however*, that such form of consideration may not include deferred payment through the use of a promissory note.

(d) **Transferability of Options.** The Board may, in its sole discretion, impose such limitations on the transferability of Options as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options shall apply:

(i) **Restrictions on Transfer.** An Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder; provided, however, that the Board may, in its sole discretion, permit transfer of the Option upon the Optionholder's request, provided that such transfer is in compliance with applicable tax and securities laws.

(ii) **Domestic Relations Orders.** Notwithstanding the foregoing, an Option may be transferred pursuant to a domestic relations order.

(iii) **Beneficiary Designation.** Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

(e) **Vesting Generally.** The total number of shares of Common Stock subject to an Option may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option may be subject to such other terms and conditions on the time or times when it may or may not be exercised as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(e) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

(f) **Termination of Continuous Service.** In the event that an Optionholder's Continuous Service terminates (other than for Cause or upon the Optionholder's death or Disability or as of, or within twelve (12) months following a Change in Control), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder's Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(g) **Extension of Termination Date.** An Optionholder's Option Agreement may provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service (other than for Cause or upon the Optionholder's death or Disability or upon a Change in Control) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of a period of three (3) months after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements, or (ii) the expiration of the term of the Option as set forth in the Option Agreement.

(h) **Disability of Optionholder.** In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(i) **Death of Optionholder.** In the event that (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death, or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death, but only within the period ending on the earlier of (i) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of such Option as set forth in the Option Agreement. If, after the Optionholder's death, the Option is not exercised within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(j) **Termination for Cause.** Except as explicitly provided otherwise in an Optionholder's Option Agreement, in the event that an Optionholder's Continuous Service is terminated for Cause, the Option shall terminate upon the termination date of such Optionholder's Continuous Service, and the Optionholder shall be prohibited from exercising his or her Option from and after the time of such termination of Continuous Service.

(k) **Termination Upon or Following a Change in Control.** In the event that an Optionholder's Continuous Service terminates as of, or within twelve (12) months following a Change in Control, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service) within such period of time ending on the earlier of (i) the date twelve (12) months following the effective date of the Change in Control (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

7. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS.

(a) **Stock Purchase Awards.** Each Stock Purchase Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Stock Purchase Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Stock Purchase Award Agreements may change from time to time, and the terms and conditions of separate Stock Purchase Award Agreements need not be identical, *provided, however*, that each Stock Purchase Award Agreement shall include (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) **Purchase Price.** At the time of the grant of a Stock Purchase Award, the Board will determine the price to be paid by the Participant for each share subject to the Stock Purchase Award. To the extent required by applicable law, the price to be paid by the Participant for each share of the Stock Purchase Award will not be less than the par value of a share of Common Stock.

(ii) **Consideration.** At the time of the grant of a Stock Purchase Award, the Board will determine the consideration permissible for the payment of the purchase price of the Stock Purchase Award. The purchase price of Common Stock acquired pursuant to the Stock Purchase Award shall be paid either: (A) in cash or by check at the time of purchase, (B) by past or future services actually rendered to the Company or an Affiliate, or (C) in any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(iii) **Vesting.** Shares of Common Stock acquired under a Stock Purchase Award may be subject to a share repurchase right or option in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(iv) **Termination of Participant's Continuous Service.** In the event that a Participant's Continuous Service terminates, the Company shall have the right, but not the obligation, to repurchase or otherwise reacquire, any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Stock Purchase Award Agreement. At the Board's election, the price paid for all shares of Common Stock so repurchased or reacquired by the Company may be at the lesser of: (A) the Fair Market Value on the relevant date, or (B) the Participant's original cost for such shares. The Company shall not be required to exercise its repurchase or reacquisition option until at least six (6) months (or such longer or shorter period of time necessary to avoid a charge to earnings for financial accounting purposes) have elapsed following the Participant's purchase of the shares of Common Stock acquired pursuant to the Stock Purchase Award unless otherwise determined by the Board or provided in the Stock Purchase Award Agreement.

(v) **Transferability.** Rights to purchase or receive shares of Common Stock granted under a Stock Purchase Award shall be transferable by the Participant only upon such terms and conditions as are set forth in the Stock Purchase Award Agreement, as the Board shall determine in its sole discretion, and so long as Common Stock awarded under the Stock Purchase Award remains subject to the terms of the Stock Purchase Award Agreement.

(b) **Restricted Stock Awards.** Each Restricted Stock Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical, *provided, however*, that each Restricted Stock Award Agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) **Consideration.** A Restricted Stock Award may be awarded in consideration for (A) past or future services actually rendered to the Company or an Affiliate, or (B) any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) **Vesting.** Shares of Common Stock awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

(iii) **Termination of Participant's Continuous Service.** In the event a Participant's Continuous Service terminates, the Company may receive via a forfeiture condition, any or all of the shares of Common Stock held by the Participant which have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement.

(iv) **Transferability.** Rights to acquire shares of Common Stock under the Restricted Stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award Agreement, as the Board shall determine in its sole discretion, so long as Common Stock awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

(c) **Restricted Stock Unit Awards.** Each Restricted Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical, *provided, however*, that each Restricted Stock Unit Award Agreement shall include (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) **Consideration.** At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of

Common Stock subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) **Vesting.** At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) **Payment.** A Restricted Stock Unit Award may be settled by the delivery of shares of Common Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

(iv) **Additional Restrictions.** At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Restricted Stock Unit Award after the vesting of such Restricted Stock Unit Award.

(v) **Dividend Equivalents.** Dividend equivalents may be credited in respect of shares of Common Stock covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional shares of Common Stock covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Restricted Stock Unit Award credited by reason of such dividend equivalents will be subject to all the terms and conditions of the underlying Restricted Stock Unit Award Agreement to which they relate.

(vi) **Termination of Participant's Continuous Service.** Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(vii) **Compliance with Section 409A of the Code.** Notwithstanding anything to the contrary set forth herein, any Restricted Stock Unit Award granted under the Plan that is not exempt from the requirements of Section 409A of the Code shall contain such provisions so that such Restricted Stock Unit Award will comply with the requirements of Section 409A of the Code. Such restrictions, if any, shall be determined by the Board and contained in the Restricted Stock Unit Award Agreement evidencing such Restricted Stock Unit Award. For example, such restrictions may include, without limitation, a requirement that any Common Stock that is to be issued in a year following the year in which the Restricted Stock Unit Award vests must be issued in accordance with a fixed pre-determined schedule.

(d) **Stock Appreciation Rights.** Each Stock Appreciation Right Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. Stock Appreciation Rights may be granted as stand-alone Stock Awards or in tandem with other Stock Awards. The terms and conditions of Stock Appreciation Right Agreements may change from time to time, and the terms and conditions of separate Stock Appreciation Right Agreements need not be identical; *provided, however*, that each Stock Appreciation Right Agreement shall include (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) **Term.** No Stock Appreciation Right shall be exercisable after the expiration of ten (10) years from the date of its grant.

(ii) **Strike Price.** Each Stock Appreciation Right will be denominated in shares of Common Stock equivalents. The strike price of each Stock Appreciation Right granted as a stand-alone or tandem Stock Award shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock equivalents subject to the Stock Appreciation Right on the date of grant.

(iii) **Calculation of Appreciation.** The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock

equal to the number of share of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right, and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) the strike price that will be determined by the Board at the time of grant of the Stock Appreciation Right.

(iv) **Vesting.** At the time of the grant of a Stock Appreciation Right, the Board may impose such restrictions or conditions to the vesting of such Stock Appreciation Right as it, in its sole discretion, deems appropriate.

(v) **Exercise.** To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(vi) **Payment.** The appreciation distribution in respect to a Stock Appreciation Right may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(vii) **Termination of Continuous Service.** In the event that a Participant's Continuous Service terminates (other than for Cause or as of or within twelve (12) months following a Change in Control), the Participant may exercise his or her Stock Appreciation Right (to the extent that the Participant was entitled to exercise such Stock Appreciation Right as of the date of termination) but only within such period of time ending on the earlier of (A) the date three (3) months following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the Stock Appreciation Right Agreement), or (B) the expiration of the term of the Stock Appreciation Right as set forth in the Stock Appreciation Right Agreement. If, after termination, the Participant does not exercise his or her Stock Appreciation Right within the time specified herein or in the Stock Appreciation Right Agreement (as applicable), the Stock Appreciation Right shall terminate.

(viii) **Termination for Cause.** Except as explicitly provided otherwise in an Participant's Stock Appreciation Right Agreement, in the event that a Participant's Continuous Service is terminated for Cause, the Stock Appreciation Right shall terminate upon the termination date of such Participant's Continuous Service, and the Participant shall be prohibited from exercising his or her Stock Appreciation Right from and after the time of such termination of Continuous Service.

(ix) **Termination Upon Change in Control.** In the event that a Participant's Continuous Service terminates as of, or within twelve (12) months following a Change in Control, the Participant may exercise his or her Stock Appreciation Right (to the extent that the Participant was entitled to exercise such Stock Appreciation Right as of the date of termination of Continuous Service) within such period of time ending on the earlier of (i) the date twelve (12) months following the effective date of the Change in Control (or such longer or shorter period specified in the Stock Appreciation Right Agreement), or (ii) the expiration of the term of the Stock Appreciation Right as set forth in the Stock Appreciation Right Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Stock Appreciation Right within the time specified herein or in the Stock Appreciation Right Agreement (as applicable), the Stock Appreciation Right shall terminate.

(x) **Compliance with Section 409A of the Code.** Notwithstanding anything to the contrary set forth herein, any Stock Appreciation Rights granted under the Plan that are not exempt from the requirements of Section 409A of the Code shall contain such provisions so that such Stock Appreciation Rights will comply with the requirements of Section 409A of the Code. Such restrictions, if any, shall be determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right. For example, such restrictions may include, without limitation, a requirement that a Stock Appreciation Right that is to be paid wholly or partly in cash must be exercised and paid in accordance with a fixed pre-determined schedule.

(e) **Other Stock Awards.** Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Common Stock may be granted either alone or in addition to Stock Awards provided for under Section 6 and the preceding provisions of this Section 7. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

8. COVENANTS OF THE COMPANY.

(a) **Availability of Shares.** During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) **Securities Law Compliance.** The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; *provided, however,* that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained.

9. USE OF PROCEEDS FROM SALES OF COMMON STOCK.

Proceeds from the sale of shares of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

10. MISCELLANEOUS.

(a) **Corporate Action Constituting Grant of Stock Awards.** Corporate action constituting an offer by the Company of Common Stock to any Participant under the terms of a Stock Award shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is actually received or accepted by the Participant.

(b) **Stockholder Rights.** No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms.

(c) **No Service Rights.** Nothing in the Plan, any Stock Award Agreement or other instrument executed thereunder or in connection with any Stock Award granted pursuant to the Plan shall confer upon any Participant any right to continue to serve the Company or an Affiliate as a Non-Employee Director or shall affect the right of the Company or an Affiliate to terminate the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(d) **Investment Assurances.** The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's

own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (x) the issuance of the shares upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (y) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(e) **Withholding Obligations.** To the extent provided by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Stock Award; or (iii) by such other method as may be set forth in the Stock Award Agreement.

(f) **Electronic Delivery.** Any reference herein to a written agreement or document shall include any agreement or document delivered electronically or posted on the Company's intranet.

11. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.

(a) **Capitalization Adjustments.** If any change is made in, or other events occur with respect to, the Common Stock subject to the Plan or subject to any Stock Award after the Effective Date without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company (each a *Capitalization Adjustment*)), the Board shall appropriately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 4(a), and (ii) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. (Notwithstanding the foregoing, the conversion of any convertible securities of the Company shall not be treated as a transaction without receipt of consideration by the Company.)

(b) **Dissolution or Liquidation.** In the event of a dissolution or liquidation of the Company, all outstanding Options and Stock Appreciation Rights shall terminate immediately prior to the completion of such dissolution or liquidation.

(c) **Corporate Transaction.** The following provisions shall apply to Stock Awards in the event of a Corporate Transaction unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the holder of the Stock Award or unless otherwise expressly provided by the Board at the time of grant of a Stock Award.

(i) **Stock Awards May Be Assumed.** In the event of a Corporate Transaction, any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue any or all Stock Awards outstanding under the Plan or may substitute similar stock awards for Stock Awards outstanding under the Plan (including but not limited to, awards to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Stock Awards may be assigned by the Company to the successor of the Company (or the successor's parent company, if any), in connection with such Corporate Transaction. A surviving corporation or acquiring

corporation (or its parent) may choose to assume or continue only a portion of a Stock Award or substitute a similar stock award for only a portion of a Stock Award. The terms of any assumption, continuation or substitution shall be set by the Board in accordance with the provisions of Section 3.

(ii) **Stock Awards Held by Current Participants.** In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction (referred to as the **Current Participants**), the vesting of such Stock Awards (and, if applicable, the time at which such Stock Awards may be exercised) shall (contingent upon the effectiveness of the Corporate Transaction) be accelerated in full to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective time of the Corporate Transaction), and such Stock Awards shall terminate if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Stock Awards shall lapse (contingent upon the effectiveness of the Corporate Transaction).

(iii) **Stock Awards Held by Persons other than Current Participants.** In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted and that are held by persons other than Current Participants, the vesting of such Stock Awards (and, if applicable, the time at which such Stock Award may be exercised) shall not be accelerated and such Stock Awards (other than a Stock Award consisting of vested and outstanding shares of Common Stock not subject to the Company's right of repurchase) shall terminate if not exercised (if applicable) prior to the effective time of the Corporate Transaction; *provided, however*, that any reacquisition or repurchase rights held by the Company with respect to such Stock Awards shall not terminate and may continue to be exercised notwithstanding the Corporate Transaction.

(iv) **Payment for Stock Awards in Lieu of Exercise.** Notwithstanding the foregoing, in the event a Stock Award will terminate if not exercised prior to the effective time of a Corporate Transaction, the Board may provide, in its sole discretion, that the holder of such Stock Award may not exercise such Stock Award but will receive a payment, in such form as may be determined by the Board, equal in value to the excess, if any, of (A) the value of the property the holder of the Stock Award would have received upon the exercise of the Stock Award, over (B) any exercise price payable by such holder in connection with such exercise.

(d) **Change in Control.** Notwithstanding anything to the contrary contained in Section 11(c) of the Plan, in the event that a Non-Employee Director is required to resign his or her position as a Non-Employee Director as a condition of a Change in Control, the outstanding Stock Awards of such Participant shall become fully vested and exercisable immediately prior to the effectiveness of such resignation (and contingent upon the effectiveness of the Change in Control). In addition, upon a Change in Control event described in Section 2(e)(i), 2(e)(ii), 2(e)(iii) or 2(e)(iv), each Stock Award held by a Participant whose Continuous Service has not terminated as of the date immediately prior to the effective date of such Change in Control shall automatically become fully vested (and any reacquisition or repurchase rights held by the Company with respect to the shares of Common Stock subject to such acceleration shall lapse in full, as appropriate) and, if applicable, each such Stock Award shall become immediately exercisable in full. In addition, a Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control described in Section 2(e)(v) as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration shall occur.

(e) Parachute Payments.

(i) If the acceleration of the vesting and exercisability of Stock Awards provided for in Sections 11(c) and 11(d), together with payments and other benefits of a Participant (collectively, the **Payment**) (i) constitute a parachute payment within the meaning of Section 280G of the Code, or any comparable successor provisions, and (ii) but for this Section 11(e) would be subject to the excise tax imposed by Section 4999 of the Code, or any comparable successor provisions (the **Excise Tax**), then such Payment shall be either (1) provided to such Participant in full, or (2) provided to such Participant as to such lesser extent that would result in no portion of such Payment being subject to the Excise Tax, whichever of the foregoing amounts, when taking into account applicable federal, state, local and foreign income and employment taxes, the Excise Tax, and any other applicable taxes, results in the receipt by such Participant, on an after-tax basis, of the greatest amount of the Payment, notwithstanding that all or some portion of the Payment may be subject to the Excise Tax.

(ii) The Company shall appoint a nationally recognized independent accounting firm (the **Accountant**) to make the determinations required hereunder, which accounting firm shall not then be serving as accountant or auditor for the individual, entity or group that effected the Change in Control. The Company shall bear all costs and expenses with respect to the determinations the Accountant may reasonably incur in connection with any calculations contemplated by this Section 11(e).

(iii) Unless the Company and such Participant otherwise agree in writing, any determination required under this Section 11(e) shall be made in writing in good faith by the Accountant. If a reduction in the Payment is to be made as provided above, reductions shall occur in the following order unless the Participant elects in writing a different order (*provided, however*, that such election shall be subject to Company approval if made on or after the date that triggers the Payment or a portion thereof): (A) reduction of cash payments; (B) cancellation of accelerated vesting of Options and other Stock Awards; and (C) reduction of other benefits paid to the Participant. If acceleration of vesting of Stock Awards is to be reduced, such acceleration of vesting shall be cancelled in the reverse order of date of grant of the Stock Awards (*i.e.*, the earliest granted Stock Award cancelled last) unless the Participant elects in writing a different order for cancellation.

(iv) For purposes of making the calculations required by this Section 11(e), the Accountant may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of the Code and other applicable legal authority. The Company and the Participant shall furnish to the Accountant such information and documents as the Accountant may reasonably request in order to make such a determination.

(v) If, notwithstanding any reduction described above, the Internal Revenue Service (the **IRS**) determines that the Participant is liable for the Excise Tax as a result of the Payment, then the Participant shall be obligated to pay back to the Company, within thirty (30) days after a final IRS determination or, in the event that the Participant challenges the final IRS determination, a final judicial determination, a portion of the Payment (the **Repayment Amount**). The Repayment Amount with respect to the Payment shall be the smallest such amount, if any, as shall be required to be paid to the Company so that the Participant's net after-tax proceeds with respect to the Payment (after taking into account the payment of the Excise Tax and all other applicable taxes imposed on the Payment) shall be maximized. The Repayment Amount with respect to the Payment shall be zero if a Repayment Amount of more than zero would not result in the Participant's net after-tax proceeds with respect to the Payment being maximized. If the Excise Tax is not eliminated pursuant to this paragraph, the Optionholder shall pay the Excise Tax.

(vi) Notwithstanding any other provision of this Section 11(e), if (A) there is a reduction in the Payment as described above, (B) the IRS later determines that the Participant is liable for the Excise Tax, the payment of which would result in the maximization of the Participant's net after-tax proceeds of the Payment (calculated as if the Payment had not previously been reduced), and (C) the Participant the Excise Tax, then the Company shall pay or otherwise provide to the Participant that portion of the Payment that

was reduced pursuant to this Section 11(e) contemporaneously or as soon as administratively possible after

the Optionholder pays the Excise Tax so that the Participant's net after-tax proceeds with respect to the Payment are maximized.

(vii) If the Participant either (A) brings any action to enforce rights pursuant to this Section 11(e), or (B) defends any legal challenge to his or her rights under this Section 11(e), the Participant shall be entitled to recover attorneys' fees and costs incurred in connection with such action, regardless of the outcome of such action; *provided, however*, that if such action is commenced by the Participant, the court finds that the action was brought in good faith.

12. TERMINATION OR SUSPENSION OF THE PLAN.

(a) **Plan Term.** Unless sooner terminated by the Board pursuant to Section 3, the Plan shall automatically terminate on the day before the tenth (10th) anniversary of the date the Plan is adopted by the Board or approved by the stockholders of the Company, whichever is earlier. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) **No Impairment of Rights.** Termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the affected Participant.

13. EFFECTIVE DATE OF PLAN.

This Plan shall become effective on the Effective Date.

14. CHOICE OF LAW.

The law of the State of California shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.
