PROXY STATEMENT
FOR
2007 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 19, 2007

The Board of Directors of Cutera, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2007 Annual Meeting of Stockholders to be held on Tuesday, June 19, 2007, beginning at 10:00 a.m., Pacific Time, which is the local time, at our principal executive offices located at 3240 Bayshore Blvd., Brisbane, California 94005-1021, and at any postponements or adjournments thereof. This proxy statement contains important information regarding the meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

In this proxy statement: the terms *we*, *our*, *Cutera* and the *Company* each refer to Cutera, Inc.; the term *Board* means our Board of Directors; the term *proxy materials* means this proxy statement, the enclosed proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2006, filed with the U.S. Securities and Exchange Commission on March 16, 2007; and the term *Annual Meeting* means our 2007 Annual Meeting of Stockholders.

We are sending these proxy materials on or about May 10, 2007, to all stockholders of record at the close of business on April 20, 2007 (the *Record Date*).

**QUESTIONS AND ANSWERS REGARDING THIS SOLICITATION
AND VOTING AT THE ANNUAL MEETING**

Why am I receiving these proxy materials?

You are receiving these proxy materials from us because you were a stockholder of record at the close of business on the Record Date (which was April 20, 2007). As a stockholder of record, you are invited to attend the meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

What is the purpose of the Annual Meeting?

At our meeting, stockholders of record will vote upon the items of business outlined in the notice of meeting (on the cover page of this proxy statement), each of which is described more fully in this proxy statement. In addition, management will report on the performance of the Company and respond to questions from stockholders.

Who is entitled to attend the meeting?

You are entitled to attend the meeting *only* if you owned our common stock (or were a joint holder) as of the Record Date or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance.

Please also note that if you are not a stockholder of record but hold shares in *street name* (that is, through a broker or nominee), you will need to provide proof of beneficial ownership as of the Record Date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership.

The meeting will begin promptly at 10:00 a.m., local time. Check-in will begin at 9:30 a.m., local time.

Table of Contents

Who is entitled to vote at the meeting?

Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of and to vote at the meeting, and at any postponements or adjournments thereof.

As of the Record Date, 13,549,880 shares of our common stock were outstanding. Each outstanding share of our common stock entitles the holder to one vote on each matter considered at the meeting. Accordingly, there are a maximum of 13,549,880 votes that may be cast at the meeting.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of our common stock representing at least 6,774,940 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

What items of business will be voted on at the meeting?

The items of business scheduled to be voted on at the meeting are as follows:

1. the election of three nominees to serve as Class III directors on our Board; and
2. the ratification of the appointment of our Independent Registered Public Accounting Firm for the 2007 fiscal year.

These proposals are described more fully below in this proxy statement. As of the date of this proxy statement, the only business that our Board intends to present or knows of that others will present at the meeting is as set forth in this proxy statement. If any other matter or matters are properly brought before the meeting, it is the intention of the persons who hold proxies to vote the shares they represent in accordance with their best judgment.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares **FOR** each of the director nominees and **FOR** the ratification of our independent registered public accounting firm for the 2007 fiscal year.

What shares can I vote at the meeting?

You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the *stockholder of record*, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, Inc., you are considered, with respect to those shares, the *stockholder of record*, and these proxy materials are being sent directly to you by us. As the *stockholder of record*, you have the right to grant your voting proxy directly to Cutera or to vote in person at the meeting. We have enclosed a proxy card for your use.

Edgar Filing: CUTERA INC - Form DEF 14A

Beneficial Owner. If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held

Table of Contents

in street name, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the meeting. Please note that since a beneficial owner is not the *stockholder of record*, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares without attending the meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. Stockholders of record of our common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelope. Our stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided by the broker, trustee or nominee and mailing them in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instructions as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.

Can I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Cutera or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to our management.

What vote is required to approve each item and how are votes counted?

The vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors. The three director nominees receiving the highest number of affirmative FOR votes at the meeting (a plurality of votes

Table of Contents

cast) will be elected to serve as Class III directors. You may vote either FOR or WITHHOLD your vote for the director nominees. A properly executed proxy marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Ratification of Independent Registered Public Accounting Firm. For the ratification of the appointment of our independent registered public accounting firm, the affirmative FOR vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. You may vote FOR, AGAINST or ABSTAIN for these items of business. If you ABSTAIN, your abstention has the same effect as a vote AGAINST.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (FOR all of the Company s nominees to the Board and FOR ratification of the independent registered public accounting firm, and in the discretion of the proxy holders on any other matters that may properly come before the meeting).

What is a broker non-vote ?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on routine matters. The election of directors and the ratification of the appointment of an independent registered public accounting firm are considered routine matters. Therefore, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares FOR all of the Company s nominees to the Board and FOR ratification of the independent registered public accounting firm. A *broker non-vote* occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

How are broker non-votes counted?

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will *not* be counted in tabulating the voting result for any particular proposal.

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting on all matters, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be voted on any matter at the meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote *AGAINST* a proposal.

What happens if additional matters are presented at the meeting?

Other than the two proposals described in this proxy statement, we are not aware of any other business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holders, Kevin P. Connors (our President and Chief Executive Officer) and Ronald J. Santilli (our Chief Financial Officer) will have the discretion to vote your shares on any additional matters that may be properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the

Table of Contents

persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who will serve as inspector of election?

We expect a representative of Computershare Trust Company, Inc., our transfer agent, to tabulate the votes, and expect our General Counsel to act as inspector of election at the meeting.

What should I do in the event that I receive more than one set of proxy/voting materials?

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each Cutera proxy card and voting instruction card that you receive to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

Your vote is being solicited on behalf of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We may also engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be material.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2007.

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the Annual Meeting to be held in 2008, the written proposal must be received by our corporate Secretary at our principal executive offices no later than January 11, 2008, which is the date 120 calendars days before the anniversary of the mailing date of this Proxy Statement. If the date of next year's Annual Meeting is moved more than 30 days before or after the anniversary date of this year's Annual Meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable time before we begin to print and mail its proxy materials. Such proposals also must comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), and any other applicable rules established by the U.S. Securities and Exchange Commission (the *SEC*). Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the

detailed requirements of applicable securities laws. Proposals should be addressed to:

Secretary

Cutera, Inc.

Nomination of Director Candidates: You may propose director candidates for consideration by our Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Secretary at the address of our principal executive offices set forth above. In addition, our Bylaws permit stockholders to nominate directors for election at an Annual Meeting of stockholders. To nominate a director, the stockholder must provide the information required by our Bylaws, as well as a statement by the nominee consenting to being named as a nominee and to serve as a director if elected. In addition, the stockholder must give timely notice to our corporate Secretary in accordance with the provisions of our Bylaws, which require that the notice be received by our corporate Secretary no later than January 11, 2008.

Copy of Bylaw Provisions: You may contact our corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Table of Contents**STOCK OWNERSHIP****Security Ownership of Certain Beneficial Owners and Management**

The following table provides information relating to the beneficial ownership of our common stock as of the Record Date, by:

each stockholder known by us to own beneficially more than 5% of our common stock;

each of our Named Executive Officers named in the Summary Compensation Table on page 23 (our Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated executive officers);

each of our directors; and

all of our directors and Named Executive Officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officer is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of April 20, 2007 (the Record Date) through the exercise of any stock option or other right. The number and percentage of shares beneficially owned is computed on the basis of 13,549,880 shares of our common stock outstanding as of the Record Date. The information in the following table regarding the beneficial owners of more than 5% of our common stock is based upon information supplied by principal stockholders or Schedules 13D and 13G filed with the SEC.

Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person or entity named in the table has sole voting and disposition power with respect to the shares set forth opposite such person's or entity's name. The address for those persons for which an address is not otherwise provided is c/o Cutera, Inc., 3240 Bayshore Blvd., Brisbane, California 94005-1021.

Meetings Attended by Directors

The Board held five meetings during 2006, the Audit Committee held ten meetings and the Compensation Committee held three meetings. No director attended fewer than 75% of the meetings of the Board or committee(s) on which he or she served during 2006, except for Mr. Lortz who attended two of the three Compensation Committee meetings held in 2006.

The directors of the Company are encouraged to attend the Company's Annual Meeting of Stockholders, and directors Kevin P. Connors and David A. Gollnick attended the meeting in 2006 in person. No other board members attended that meeting, in person or telephonically.

Director Nomination Process

Nominations. Our Board does not currently have a nominating committee or other committee performing a similar function nor do we have any formal written policies outlining the factors and process relating to the selection of nominees for consideration for Board membership by the full Board and the stockholders. Our Board has adopted resolutions in accordance with the Nasdaq Marketplace Rules authorizing a majority of its independent members to recommend qualified nominees for consideration by the full Board. Our Board believes that it is appropriate for us to not have a standing nominating committee because of a number of factors, including the number of independent directors who want to participate in consideration of candidates for membership on the Board. Our Board consists of seven members, five of whom are independent. Our Board considered forming a nominating committee consisting of several of the independent members of our Board. Forming a committee consisting of less than all of the independent members was unattractive because it would have omitted the other independent members of our Board who wanted to participate in considering qualified candidates for Board membership. Since our Board desired the participation in the nominations process of all of its independent members, it therefore decided not to form a nominating committee and instead authorized a majority of the independent members of our Board to make and consider nominations for Board membership. The independent members of our Board do not have a nominating committee charter, but act pursuant to Board resolutions as described above. Each of the members of our Board authorized to recommend nominees to the full Board is independent within the meaning of the current independent director standards established by Nasdaq's rules. Our Board intends to review this matter periodically, and may in the future elect to designate a formal nominating committee.

Director Qualifications. While the independent members of our Board have not established specific minimum qualifications for director candidates, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our Code of Ethics. While the independent members of the Board have not formalized specific minimum qualifications they believe must be met by a candidate to be recommended by the independent members, the independent members of the Board believe that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are predominantly independent, (iii) are of high integrity, (iv) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (v) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members.

Stockholder Nominations and Recommendations. As described above in the Question and Answer section of this proxy statement under "What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?", our Bylaws set forth the procedure for the proper submission of stockholder nominations for membership on our Board. In addition, the independent members of our Board may consider properly submitted stockholder recommendations (as opposed to formal nominations) for candidates for membership on the Board. A stockholder may make such a recommendation by submitting the following information to our Secretary at 3240 Bayshore Blvd., Brisbane, California 94005-1021: the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, professional and personal references, information regarding any relationships between the candidate and Cutera within the last three years and evidence of ownership of Cutera stock by the recommending stockholder.

Table of Contents

Identifying and Evaluating Director Nominees. Typically new candidates for nomination to the Board are suggested by existing directors or by our executive officers, although candidates may initially come to our attention through professional search firms, stockholders or other persons. The independent members of the Board shall carefully review the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Board's discretion, include a review solely of information provided to the Board or may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Board deems proper. The Board shall consider the suitability of each candidate, including the current members of the Board, in light of the current size and composition of the Board. In evaluating the qualifications of the candidates, the independent members of the Board considers many factors, including, issues of character, judgment, independence, expertise, diversity of experience, length of service, and other commitments. The Board evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the independent directors using the same criteria as other candidates.

The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. As more fully described in the charter, the purpose of the Audit Committee is to provide general oversight of Cutera's financial reporting, integrity of financial statements, internal controls and internal audit functions. The Audit Committee has authority to retain outside legal, accounting or other advisors as it deems necessary to carry out its duties and to require Cutera to pay for such expenditures.

The Audit Committee monitors Cutera's external audit process, including the scope, fees, auditor independence matters and the extent to which the Independent Registered Public Accounting Firm may be retained to perform non-audit services. The Audit Committee has responsibility for the appointment, compensation, retention and oversight of Cutera's Independent Registered Public Accounting Firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of Cutera's financial, accounting and internal controls over financial reporting. In addition, the Audit Committee generally oversees Cutera's internal compliance programs. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the Independent Registered Public Accounting Firm, nor can the Audit Committee certify that the Independent Registered Public Accounting Firm is "independent" under applicable rules.

The Audit Committee provides advice, counsel and direction to management and the Independent Registered Public Accounting Firm on matters for which it is responsible based on the information it receives from management and the Independent Registered Public Accounting Firm and the experience of its members in business, financial and accounting matters.

Management is responsible for the preparation and integrity of Cutera's financial statements, accounting and financial reporting processes and internal control over financial reporting for compliance with applicable accounting standards, laws and regulations.

Cutera's Independent Registered Public Accounting Firm, PricewaterhouseCoopers LLP, is responsible for performing an independent audit of Cutera's financial statements in accordance with generally accepted auditing standards and expressing an opinion in its report on those financial statements, and for expressing an opinion on management's assessment of the effectiveness of Cutera's internal control over financial reporting.

The Audit Committee has received written disclosures and a letter from the Independent Registered Public Accounting Firm, PricewaterhouseCoopers LLP, required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee) and has discussed with PricewaterhouseCoopers LLP its independence.

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP as the Independent Registered Public Accounting Firm to perform the audit of the Company's consolidated financial statements for the fiscal year ending December 31, 2007. Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2007.

Audit and Non-Audit Services

The Audit Committee is directly responsible for the appointment, compensation, and oversight of the Company's Independent Registered Public Accounting Firm. In addition to retaining PricewaterhouseCoopers LLP to audit the Company's consolidated financial statements for 2006, the Audit Committee retained PricewaterhouseCoopers LLP to provide other auditing and advisory services in 2006. The Audit Committee understands the need for PricewaterhouseCoopers LLP to maintain objectivity and independence in its audits of the Company's financial statements. The Audit Committee has reviewed all non-audit services provided by PricewaterhouseCoopers LLP in 2006 and has concluded that the provision of such services was compatible with maintaining PricewaterhouseCoopers LLP's independence in the conduct of its auditing functions.

To help ensure the independence of the Independent Registered Public Accounting Firm, the Audit Committee has adopted a policy for the pre-approval of all audit and non-audit services to be performed for the Company by its Independent Registered Public Accounting Firm. Pursuant to this policy, all audit and non-audit services to be performed by the Independent Registered Public Accounting Firm must be approved in advance by the Audit Committee. The Audit Committee may delegate to one or more of its members the authority to grant the required approvals, provided that any exercise of such authority is presented to the full Audit Committee at its next regularly scheduled meeting.

The aggregate fees incurred by the Company for audit and non-audit services in 2006 and 2005 were as follows:

Service Category	2006	2005
Audit Fees	\$ 900,000	\$ 437,000
Audit Related Fees		
Tax Fees	28,000	18,000
All Other Fees	2,000	2,000
Total	\$ 930,000	\$ 457,000

Table of Contents

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees for professional services for the audit of a company's financial statements and internal control over financial reporting included in the annual report on Form 10-K, for the review of a company's financial statements included in the quarterly reports on Form 10-Q; "audit-related fees" are fees for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are a subscription fee for a PricewaterhouseCoopers LLP online service used for accounting research purposes. Included in audit fees are fees that were billed and unbilled for services rendered during the year ended December 31, 2006.

Compensation Discussion and Analysis**Overview**

The primary objectives of our compensation programs are

that they be fair, objective and consistent across the employee population,

that compensation be directly and substantially linked to measurable corporate and individual performance, and

that compensation remains competitive, so that we can attract and retain the key employees necessary for our success.

We seek to foster a culture where individual performance is aligned with organizational objectives. We evaluate and reward our Named Executive Officers based on the comparable market compensation for their respective positions in the company and an evaluation of their contributions to the achievement of short- and longer term organizational goals. Executive compensation is reviewed annually, and adjustments are made to reflect performance-based factors and competitive conditions. Generally, compensation for our Named Executive

Table of Contents

Officers is adjusted effective June 1 of each year, except that the sales commission plans for our VP of North American Sales and our VP of International are adjusted annually, effective January 1.

Role of Our Compensation Committee

The Compensation Committee, together with our Board, establishes compensation for our Chief Executive Officer, Chief Financial Officer and the other Named Executive Officers, and administers the 1998 Stock Plan, the 2004 Equity Incentive Plan and the 2004 Employee Stock Purchase Plan. The Compensation Committee has a written charter, which was adopted by our Board in January 2004, and was amended in April 2007. A copy of this charter, as amended, can be found on our website, which is www.cutera.com.

The members of our Compensation Committee are appointed by our Board. The members of that committee as of the Record Date were Dr. David B. Apfelberg (chairman), Mr. Jerry P. Widman and Ms. Annette J. Campbell-White. Ms. Campbell-White replaced W. Mark Lortz as a member of the Compensation Committee on April 13, 2007. Each member of the Compensation Committee is an outside director for purposes of Section 162(m) of the Internal Revenue Code, a non-employee director for purposes of Rule 16b-3 under the Exchange Act and satisfies the independence requirements imposed by Nasdaq.

Our Compensation Committee reviews and makes recommendations for approval by the independent members of our Board with regard to compensation for our Named Executive Officers to ensure consistency with market compensation rates for similar positions, our compensation philosophy and corporate governance guidelines and is responsible for assessing the executive compensation packages offered to our Named Executive Officers. Ultimately, compensation matters are approved by our full Board, excluding Messrs. Kevin Connors and David Gollnick, so that the decisions are made only by the directors who are outside directors for purposes of Section 162(m) of the Internal Revenue Code and non-employee directors for purposes of Rule 16b-3 under the Exchange Act.

Since 2005, we have been working with a third-party compensation consulting group to assist us in setting executive compensation. In past years, management took a more active role in engaging the consulting group and in preparing recommendations of executive compensation for review by the Compensation Committee, and ultimately, the Board. With the SEC's recent reforms relating to executive compensation disclosure, in 2007, our Compensation Committee has assumed a more active role.

For 2007, our Compensation Committee has engaged the third-party compensation consulting group directly, and is actively working with the consultant to produce a report and recommendations of executive compensation for the Board's consideration. Because certain components of executive compensation such as sales commissions and bonus targets are driven by operational priorities, as to which management has greater insight than the Board or the Compensation Committee, the Compensation Committee has directed management to interface with the Committee and the third-party compensation consultant to establish appropriate targets. In the future, we may decide not to hire a compensation consultant each year, but rather once every three years or so. This decision shall be evaluated regularly and will be based on the Compensation Committee's evaluation of whether the prior report obtained, along with increased disclosures of other public companies from our industry peer group relating to executive compensation disclosure, is sufficient to allow them to make informed and reasonable decisions with regard to executive-compensation matters.

Role of our Executives in Setting Compensation

On occasion, the Compensation Committee may meet with members of our management team to obtain recommendations with respect to Company compensation programs, practices and packages for executives, other employees and directors. Management may make recommendations to the Compensation Committee on all components of compensation. The Compensation Committee considers, but is not bound to and does not always accept, management's recommendations with respect to these matters. The Compensation Committee and our Board has the ultimate authority to make decisions with respect to the compensation of our Named Executive Officers and does not delegate any of its compensation functions to others.

Table of Contents

Compensation Components

Our Named Executive Officers are compensated with cash, equity and non-equity incentives, and other customary employee benefits.

Cash Compensation. Cash compensation consists of base salary, participation in a discretionary bonus program and, for our VP of North American Sales and our VP of International, participation in a sales commission plan. The sales commission plan contributes to a majority of the cash compensation earned by our VP of North American Sales, which helps more closely align his incentives with those of stockholders. For the quarter ended December 31, 2006, our VP of International earned a guaranteed sales commission of \$20,000. Our compensation consultant assists us in analyzing peer public companies to help guide our determination of appropriate cash compensation for our Named Executive Officers. Our cash compensation goals for our Named Executive Officers are based upon the following principals:

Pay should be set at or above the median of our peer group companies with which we compete for employees;

Pay should be positioned to reflect each individual's experience, performance and potential;

A significant portion of cash compensation should be at risk; and

The amount of discretionary bonus payable in any quarter is based on revenue growth, compared with the same quarter in the prior year, and the operating profit before stock-based compensation and non-operational expenses, or Adjusted Operating Profit. Further, discretionary bonuses are payable only if we have an Adjusted Operating Profit for that quarter.

Base Salary and Total Target Cash Compensation. In 2006, as a result of the work performed by our compensation consultant, we found that our executive cash compensation levels were below competitive norms, while company performance had generally exceeded that of our peer companies. We also found that our cash and total direct compensation levels were significantly below our target pay positioning. As a consequence, we increased the base salary for our five Named Executive Officers to better align with the market 50th percentile, both for base salary and for total target cash compensation.

Discretionary Bonus Program. In addition to base salary compensation, we have a discretionary bonus program for our Named Executive Officers and other personnel pursuant to which cash payments may be made quarterly. The Board, upon the review and recommendation by the Compensation Committee, effective as of June 1, 2006, set the annual target bonus levels as a percentage of base salary for the Named Executive Officers. Target bonuses are calculated based upon a matrix of revenue growth and Adjusted Operating Profit. For example, at 10% revenue growth and 10% Adjusted Operating Profit, an individual would receive 100% of his or her target bonus. At 50% revenue growth and 25% Adjusted Operating Profit, an individual would receive 375% of his or her target bonus. The actual bonus earned by each of our Named Executive Officers in 2006 was equal to approximately 265% of his or her respective target bonus.

Payments under this bonus program are made quarterly and only in the event that we have an Adjusted Operating Profit in that then-preceding quarter. For 2006, our Named Executive Officers' bonuses were based entirely on the achievement of company goals.

We have sometimes issued cash bonuses to our Named Executive Officers that were not tied to specific target bonus levels. For instance, in February 2007, following a recommendation by our Compensation Committee, our Board approved a one-time discretionary cash bonus of \$20,000 gross for our VP of North American Sales for his outstanding performance during 2006.

Long-Term Incentive Program. We believe that equity-based compensation promotes and encourages long-term successful performance by our Named Executive Officers that is aligned with the organization's goals and the generation of stockholder value. Our equity compensation goals for our Named Executive Officers and others are based upon the following principals:

Stockholder and executive interests should be aligned;

Key and high-performing employees, who have a demonstrable impact on our performance and /or stockholder value, should be provided this benefit;

The program should be structured to provide meaningful retention incentives to participants;

The equity grants should reflect each individual's experience, performance, potential and comparable to what our peer public companies grant for the respective position; and

Actual awards should be tailored to reflect individual performance and attraction/retention goals.

Under our 2004 Equity Incentive Plan, we are permitted to grant stock options, stock appreciation rights, restricted shares, restricted stock units, performance shares, and other stock-based awards. Under that Plan, we grant options to our officers, directors and employees to purchase shares of our common stock at an exercise price equal to the fair market value of such stock on the date of grant. The grant date for stock options to our Named Executive Officers is typically the date of a regularly scheduled board meeting, of which we have four per year, or, for annual merit grants, on or around June 1 of each year. Our outside directors are granted options annually on the date of our annual general meeting of stockholders. We have no program, plan or practice to select option grant dates (or set board meeting and annual general meeting of stockholders dates) to correspond with the release of material non-public information.

In 2005, we issued performance unit awards (otherwise commonly referred to as restricted stock units) pursuant to, and as provided under, the 2004 Equity Incentive Plan. Each recipient of an award entered into a performance unit award agreement (or Award Agreement). These awards vest annually at the rate of 25% of the units per year, for four years, provided the recipient continues to provide us with service. Pursuant to the Award Agreements, following each annual vesting date, the award is settled in stock, net of stock withheld for the payment of employee taxes. Under the terms of the 2004 Equity Incentive Plan and the Award Agreements, each unit has an initial value equal to the fair market value of our common stock on the date of grant. On its vesting date, the unit has a value equal to the fair market value of our common stock on the date of vesting.

We also have a 2004 Employee Stock Purchase Plan that provides eligible employees with the opportunity to purchase shares of our common stock at a 15% discounted price to the lower of the fair market value at either the beginning or the end of the applicable offering period. Except for our Chief Executive Officer, all of our other Named Executive Officers participate in this plan.

Benefits. We provide the following benefits to our Named Executive Officers generally on the same basis as the benefits provided to all employees:

Health, dental and vision insurance;

Life insurance;

Short-and long-term disability;

401(k) plan; and

Flexible Spending Accounts.

These benefits are consistent with those offered by other companies and specifically with those companies with which we compete for employees.

Table of Contents**Internal Revenue Code Section 162(m) and Limitations on Executive Compensation**

Section 162(m) of the United States Internal Revenue Code of 1986, as amended, may limit our ability to deduct for United States federal income tax purposes compensation paid to either our Chief Executive Officer or to any four other highest paid executive officers in any one fiscal year that is, for each such person, in excess of \$1,000,000. None of our executive officers received any such compensation in excess of this limit during 2006, or any prior year.

Grants under the 2004 Equity Incentive Plan are not subject to the deduction limitation; however, to preserve our ability to deduct the compensation income associated with options granted to such executive officers pursuant to Section 162(m) of the Code, our 2004 Equity Incentive Plan provides that no optionee may be granted option(s) to purchase more than 500,000 shares of our common stock in any one fiscal year. However, in the fiscal year in which the optionee is hired, an optionee may be granted an option to purchase up to 1,000,000 shares of our common stock.
