Embarcadero Technologies, Inc. (the Company) is filing this Notification of Late Filing on Form 12b-25 with respect to the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2007 (the Form 10-Q). The Company is unable, without unreasonable effort and expense, to file the Form 10-Q on a timely basis because of the previously announced restatement of the Company's historical financial statements. As previously disclosed by the Company, a Special Committee of the Board of Directors has conducted a review of the Company's historical stock option grant practices and related accounting and the Company anticipates that this review will result in the restatement of certain of the Company's historical financial statements (the Restatement). The Company is also currently evaluating the impact of the Restatement on its report on internal control over financial reporting, which may result in the determination that a material weakness exists. The Company is in the process of completing the Restatement, and such efforts have impacted the Company's ability to complete and file the Form 10-Q in a timely manner. The Company plans to file the Form 10-Q as soon as practicable, but does not expect that the Form 10-Q will be filed on or before the fifth calendar day following the required filing date as prescribed in Rule 12b-25.
