**Item 1.01 Entry into a Material Definitive Agreement.**

On May 24, 2007, Fiserv, Inc. (the Company) signed definitive agreements to sell its Fiserv Investment Support Services operations in two separate transactions. The transactions, which are subject to customary conditions and antitrust and federal and state banking regulatory approvals, are expected to close by the end of the year, or earlier, depending on the timing of regulatory approvals.

In one transaction, TD AMERITRADE Online Holdings Corp. (TD AMERITRADE) has agreed to acquire Fiserv Trust Company and the accounts of the Company's institutional retirement plan and advisor services operations for \$225 million in cash at closing plus contingent cash consideration of up to \$100 million based on the achievement of revenue targets over the twelve months subsequent to closing. In addition, the Company will be reimbursed by TD AMERITRADE for the net capital included in the business of approximately \$50 million at closing, and the Company will withdraw its additional excess capital of approximately \$30 million. As part of the transaction, the Company's registered investment advisor and retirement plan administrator clients will transition post-closing to TD AMERITRADE. The Company will enter into a transition services agreement with TD AMERITRADE, under which it will provide services to the business for a period of up to six months after the closing, in order to facilitate an orderly transition of the business.

In a separate transaction, Robert Beriault Holdings, Inc., an entity controlled by Robert Beriault, who is currently group president for Fiserv Investor Support Services, has agreed to acquire the remaining accounts and net capital of the investment support services business, including the investment administration services business which provides back office and custody services for individual retirement accounts, for approximately \$50 million in cash. The Company will retain a preferred share minority interest in this business.

The Company expects to reflect the Fiserv Investment Support Services operations in discontinued operations beginning with the announcement of its financial results for its second quarter.

A copy of the press release announcing the Company's entry into the agreements is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.
