RECENT EVENTS: DEREGISTRATION

The Registration Statement on Form S-3 (Registration No. 333-108919) (the Registration Statement) of Agile Software Corporation, a Delaware corporation (Agile), pertaining to the registration of 1,794,997 shares of common stock of Agile, par value \$0.001 per share (the Agile Common Stock), to which this Post-Effective Amendment No. 1 relates, was filed with the Securities and Exchange Commission on September 18, 2003.

Oracle Corporation, a Delaware corporation (Oracle), Aqua Acquisition Corporation, a Delaware corporation and wholly-owned subsidiary of Oracle (Merger Sub), and Agile entered into an Agreement and Plan of Merger, dated as of May 15, 2007 (the Merger Agreement), pursuant to which, among other things, Merger Sub would be merged with and into Agile, Agile would become a wholly-owned subsidiary of Oracle, and all outstanding shares of Agile Common Stock would be converted into the right to receive \$8.10 in cash (these actions are collectively referred to as the Merger).

On July 12, 2007, Agile held a special meeting of stockholders at which the Agile stockholders adopted the Merger Agreement. The Merger became effective following the filing of Certificate of Merger with the Secretary of State of the State of Delaware on July 16, 2007 (the Effective Time).

As a result of the Merger, Agile has terminated all offerings of Agile Common Stock pursuant to its existing registration statements, including the Registration Statement. In accordance with an undertaking made by Agile in the Registration Statement to remove from registration, by means of a post-effective amendment, any shares of Agile Common Stock which remain unsold at the termination of the offering, Agile hereby removes from registration all shares of Agile Common Stock registered under the Registration Statement which remain unsold as of the Effective Time.
