BHP Billiton offer for Rio Tinto

Today the Board announced a formal offer by BHP Billiton for Rio Tinto.

We continue to believe that the combination of the two companies would offer an unparalleled strategic fit in terms of asset mix and quality, and unlock significant additional value for all shareholders.

Our announcement today offers each Rio Tinto shareholder 3.4 BHP Billiton shares for every one Rio Tinto share.

The offer represents a compelling value proposition for shareholders of both Rio Tinto and BHP Billiton.

It is imperative that we continue to run our operations and conduct our day to day work in the same safe and professional manner as always.
