Pursuant to the Merger Agreement, upon consummation of the Merger, Merger Sub merged with and into the Company, with the Company as the surviving corporation, and each issued and outstanding share of common stock of the Company was converted into the right to receive a purchase price of \$90 per share in cash. As a result of the Merger, the issued and outstanding shares of non-voting common stock and the non-voting preferred stock of the Company (together, the Non-Voting Stock) are owned by entities affiliated with the Sponsors and certain co-investors and by members of management and the issued and outstanding shares of Voting Common Stock are owned by Holdings. Holdings obtained the funds used to make the purchase of such common stock from Merger Sub from capital contributions from its Members. Upon consummation of the Merger, each share of common stock of Merger Sub became a share of Voting Common Stock of the Company.

The information set forth in Items 2 and 3 is hereby incorporated herein by reference.
