Item 2.02. Results of Operations and Financial Condition.

On March 17, 2008, Primus Telecommunications Group, Incorporated (we or us) issued a press release announcing revisions to our financial results for the quarter and year ended December 31, 2007 which were previously announced on February 13, 2008. The text of the March 17, 2008 press release is included as an exhibit to this Form 8-K/A. Pursuant to the rules and regulations of the Securities and Exchange Commission (the Commission), such exhibit and the information set forth therein and herein are deemed to be furnished to, and shall not be deemed to be filed with or incorporated by reference into any filing with the Commission.

Non-GAAP Measures

Our press release and financial tables include the following non-GAAP financial information:

Adjusted EBITDA

Adjusted EBITDA, as defined by us, consists of net income (loss) before interest, taxes, depreciation, amortization, share-based compensation expense, gain (loss) on sale of assets, gain (loss) on disposal of assets, asset impairment expense, gain (loss) on early extinguishment or restructuring of debt, foreign currency transaction gain (loss), extraordinary items, other income (expense), income (loss) from discontinued operations and income (loss) from sale of discontinued operations. Our definition of Adjusted EBITDA may not be similar to Adjusted EBITDA measures presented by other companies, is not a measurement under generally accepted accounting principles in the United States, and should be considered in addition to, but not as a substitute for, the information contained in our statements of operations.

We believe Adjusted EBITDA is an important performance measurement for our investors because it gives them a metric to analyze our results, exclusive of certain non-cash items and items which do not directly correlate to our business of selling and provisioning telecommunications services. We believe Adjusted EBITDA provides further insight into our current performance and is a measure that we use to evaluate our results and performance of our management team.
