PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Cardium Therapeutics, Inc., a Delaware corporation (the Company, Cardium or we, our, or us), for use at the annual meeting of stockholders to be held on Thursday, June 20, 2008, at 9:00 a.m. Pacific time, at the San Diego Marriott Del Mar, 11966 El Camino Real, San Diego, California 92130, and at any adjournment thereof (the Annual Meeting). We expect to mail this proxy statement and the enclosed proxy card on or about April 28, 2008 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote if you were a stockholder of record as of the close of business on April 10, 2008. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of April 10, 2008, approximately 43,625,291 shares of our common stock, par value \$0.0001 per share, were issued and outstanding.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of April 10, 2008, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A proxy allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow the people named on the proxy card (Christopher J. Reinhard and Tyler M. Dylan) to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by the Internet or by mail. Shares held in street name may be voted by telephone or by the Internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by the Internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You also may send a written notice of revocation to Cardium Therapeutics, Inc., 3611 Valley Centre Drive, Suite 525, San Diego, California 92130, Attention: Tyler M. Dylan, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. An abstention from voting will be used for the purpose of establishing a quorum, and will be considered a vote against a proposal. A broker non-vote will also be used for the purpose of establishing a quorum, but will not otherwise be counted in the voting process. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

How many votes are required to approve each proposal?

For the election of the three Class II directors, a plurality of the votes is required. This means that the three candidates who receive the most votes will be elected to the three available Class II positions on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve the other proposals. See, however, Proposal 3 Effect of Ratification.

As of April 10, 2008, our executive officers and directors held of record or beneficially approximately 7,869,281 shares, or 18.04%, of our issued and outstanding common stock. Our executive officers and directors have indicated their intention to vote FOR the election of each of the nominees for the Class II directors and FOR the other proposals described in this proxy statement.

Who pays for this proxy solicitation?

The Company will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, e-mail or other means. No additional compensation will be paid to these individuals for any such services. We also have engaged Georgeson Inc. to help us solicit proxies in connection with the Annual Meeting. For such solicitation services, we are obligated to pay Georgeson Inc. a base fee of \$10,000, plus an additional \$5.00 per direct telephone solicitation of registered stockholders, and to reimburse Georgeson Inc. for certain costs and expenses incurred by Georgeson Inc. in connection with the solicitation.

Independence

The rules of the American Stock Exchange require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors, following the review and determination of the Nominating Committee, has determined that six of our eight directors are independent based on the definition of independence set forth in Rule 121 of the American Stock Exchange. The members determined to be independent are Messrs. Gabrielson, Hutchison, Leitch, Lewis, Otremba and Simon. In addition, Messrs. Hutchison, Leitch, Lewis and Simon also have been determined by our Board of Directors to meet the independence standards for members of an audit committee set forth in Section 301 of the Sarbanes-Oxley Act of 2002.

Board Meetings

The Board of Directors held five meetings during the fiscal year ended December 31, 2007.

Board Committees

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating Committee. Membership on each committee is limited to independent directors as defined under Rule 121 of the American Stock Exchange. In addition, members of the Audit Committee also must meet the independence standards for audit committee members adopted by the United States Securities and Exchange Commission (SEC). The members of the committees of our Board of Directors are as follows:

Audit Committee

Murray H. Hutchison*
 Andrew M. Leitch*
 Gerald J. Lewis
 Ronald I. Simon (Chairman)*

Compensation Committee

Murray H. Hutchison
 Gerald J. Lewis (Chairman)
 Ronald I. Simon

Nominating Committee

Edward W. Gabrielson
 Murray H. Hutchison (Chairman)
 Lon E. Otremba

* The Board of Directors has determined that Dr. Simon and Messrs. Hutchison and Leitch are each an audit committee financial expert as defined by applicable rules adopted by the SEC.

During the year ended December 31, 2007, the Audit Committee held five meetings, the Compensation Committee held two meetings, and the Nominating Committee held three meetings.

Audit Committee. The Audit Committee operates under a charter originally adopted by the committee in January 2006 and amended in March 2008. A copy of the Audit Committee's charter is available in the corporate governance section of the Company's website at www.cardiumthx.com. The general function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee is responsible for reviewing and recommending matters to the Board of Directors, but has no authority to make final decisions except as set forth in the Audit Committee's charter. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm.

Compensation Committee. The Compensation Committee operates under a charter adopted by the committee in January 2006 and amended in March 2008. A copy of the Compensation Committee's charter is

available in the corporate governance section of the Company's website at www.cardiumthx.com. The primary purpose of the Compensation Committee is to oversee the Company's overall compensation and incentive programs for its executive officers and certain other key personnel. The Compensation Committee is responsible for reviewing and recommending matters to the Board of Directors, which may be based on recommendations from the Company's Chief Executive Officer, but has no authority to make final decisions except with respect to the Company's 2005 Equity Incentive Plan as described below or as otherwise set forth in the committee's charter. Among other things, the Compensation Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation plans as in effect from time to time, retirement and other compensation, and is responsible for evaluating the performance of the Company's Chief Executive Officer and making recommendations to the Board of Directors concerning the compensation for such officer. In addition, the Board of Directors has delegated to the Compensation Committee the authority to administer the Company's 2005 Equity Incentive Plan, including the authority to consider and act upon recommendations from management to grant awards under the plan to employees and consultants of the Company and its subsidiaries, not including officers and directors of the Company. The committee may delegate its authority to subcommittees of the committee or to committees comprised of Company employees when legally permissible and when the committee deems it appropriate or desirable to facilitate the operation or administration of the plans and programs the committee oversees. The Compensation Committee also may engage the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location when the committee deems appropriate. It is anticipated that the committee will engage such independent consultants from time to time to aid the committee in its evaluation of the Company's compensation programs for its executive officers.

Nominating Committee. The Nominating Committee operates under a charter adopted by the committee in January 2006 and amended in March 2008. A copy of the Nominating Committee's charter is available in the corporate governance section of the Company's website at www.cardiumthx.com. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See *Stockholder Communications with Directors* below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets the requirements of the American Stock Exchange and the SEC relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to the Company at 3611 Valley Centre Drive, Suite 525, San Diego, California, 92130, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a Stockholder-Board Communication or Stockholder-Director Communication. All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to the Company's operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practicable. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

In recognition that it may not be possible or practicable, in light of other business commitments of the Company's directors, to attend the Company's annual meetings of stockholders, the members of the Board of Directors are invited, but not required, to attend each of the Company's annual meeting of stockholders. At the Company's last annual meeting of stockholders held on June 6, 2007, two members of the Board of Directors were present.

PROPOSAL 1

ELECTION OF CLASS II DIRECTORS

Members of each class of our Board of Directors are elected to serve for a three-year term. The three-year terms of the members of each class are staggered, so that each year the members of a different class are due to be elected at the annual meeting. The Class II directors currently are serving a term that is due to expire at the Annual Meeting. The Class III directors currently are serving a term that is due to expire at our next annual meeting, and the Class I directors are serving a term that is due to expire at the next annual meeting thereafter.

Nominees

At the Annual Meeting three Class II directors are to be elected, each to serve until the next annual meeting of stockholders held to elect Class II directors and until their respective successor is elected and qualified or until their respective death, resignation or removal. The Board of Directors proposes the election of the nominees named below, who currently are Class II members of our Board of Directors.

Unless authorization to do so is withheld, proxies received will be voted **FOR** the nominees named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. PROPOSAL 2

AMENDMENT TO THE COMPANY S CERTIFICATE OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

The Board of Directors proposes that the stockholders of the Company approve an amendment to the Company s Second Amended and Restated Certificate of Incorporation to change the Company s name from Cardium Therapeutics, Inc. to Cardium Group Inc. The Board of Directors believes that the name Cardium Group Inc. more accurately reflects the manner in which the Company s business has been conducted following the acquisition of Innercool Therapies, Inc. in March 2006 and Tissue Repair Company in August 2006, each of which has been operated as a wholly-owned subsidiary of Cardium. If approved, the name change would become effective upon the filing of the amendment with the Delaware Secretary of State. A copy of the proposed Third Amended and Restated Certificate of Incorporation is attached to this proxy statement as Exhibit A.

Our Board of Directors unanimously recommends that you vote FOR Proposal 2.

EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

Our executive compensation programs were designed to attract and retain highly qualified executives and to motivate them to improve long-term stockholder returns by achieving both short- and long-term strategic Company goals. Our compensation programs have sought to link a significant portion of each executive's compensation directly to individual and Company performance and to align the financial interests of our executives with those of our stockholders. There are three basic components to our executive compensation program: salary and benefits, cash bonuses, and long-term incentive compensation in the form of stock options and other equity-based compensation. Each component is addressed in the context of individual and Company performance, competitive conditions and equity among employees. For each of the executive officers, the Compensation Committee periodically evaluates the amount of each executive officer's base salary, cash bonus, if any, and the nature and extent of such officer's participation in the Company's 2005 Equity Incentive Plan, and compares each overall compensation package to those of similar positions within comparable companies, as described further below. As the Company's business units are developing, the Compensation Committee is expected to give further consideration to plans that would seek to further align bonuses and other compensation with successful application of the Company's business model by rewarding executive officers and other key personnel for significant contributions towards the development of our assets and portfolio of medical products and our efforts to monetize the economic value of that portfolio by establishing strategic collaborations, selling businesses or assets, or completing other monetizing transactions at appropriate valuation inflection points.

Salary and Benefits. Our executive salary structure is designed to be competitive, which we believe is important if we are to retain our executives and other key employees and attract highly qualified executives when needed. To determine whether our salary structure is competitive, we periodically review available information about prevailing salaries and compensation programs offered by companies within our geographic area that are similar to us in size and type of business conducted. When the Compensation Committee deems appropriate, we also may retain the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among other factors, industry, size and location. The last such survey was conducted and reviewed by the Compensation Committee in March 2007, at which time certain executive officers received salary adjustments based on the survey results. No salary adjustments have been made since that time. We generally take into account not only the amount of our base salary but also our overall benefits package. Our executive benefits include vacation, medical, dental, term life and disability. An individual executive's salary and benefits package will vary within our framework based on responsibilities, experience, leadership, potential future contribution, and demonstrated individual performance. We historically have not provided a substantial amount of compensation in the form of perquisites.

Bonus. We currently do not have a formal bonus plan. Any bonuses paid have been in the discretion of the Compensation Committee and the Board of Directors. Bonuses paid to executive officers in 2007 were based on an executive officer's then current base salary, the results of the compensation survey noted above, and individual and Company performance. No bonuses have been paid to date in 2008. However, as noted above, as the Company's business units are developing the Compensation Committee is expected to give further consideration to plans that would seek to further align bonuses and other compensation with successful application of the Company's business model by rewarding executive officers and other key personnel for

significant contributions towards the development of our assets and portfolio of medical products and our efforts to monetize the economic value of that portfolio through strategic collaborations, selling businesses or assets, or completing other monetizing transactions at appropriate valuation inflection points.

Long-Term Incentive Compensation. Each executive officer is eligible to participate in our 2005 Equity Incentive Plan (the Plan). Under the Plan, the Compensation Committee, generally based on recommendations from the Chief Executive Officer, may grant incentive and nonqualified stock options, restricted stock, stock appreciation rights, and performance stock and units to executive officers and other personnel, non-employee directors and consultants. As of December 31, 2007, only incentive and nonqualified stock options have been granted under the plan.

Options to buy shares of our common stock are awarded with an exercise price equal to the fair market value of our common stock on the date of grant. Accordingly, the executive is rewarded only if the market price of our common stock appreciates. Options granted to executive officers also generally have vesting conditions of three to four years in an effort to promote employee retention, and expiration periods of seven to ten years.

Stock options are designed to align the interests of our executive officers with those of our stockholders by encouraging executives to enhance the value of the Company and, thus, the price of our common stock and the stockholders' return.

Directors appointed during a term year may receive a proportional amount of the annual retention fee for that year. Options and other equity awards may be granted to directors on a discretionary basis. Directors are reimbursed for travel and other expenses incurred in connection with attending board and committee meetings. Neither Mr. Reinhard nor Dr. Dylan receive any additional compensation for serving as a director.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and any person who owns more than 10% of our common stock, to file with the SEC initial reports of ownership of our common stock within 10 days of becoming a director, executive officer or greater than 10% stockholder, and reports of changes in ownership of our common stock before the end of the second business day following the day on which a transaction resulting in a change of ownership occurs. Directors, executive officers and greater than 10% stockholders are required by SEC regulations to provide us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on our review of the copies of such reports provided to us and written representations from our directors and executive officers that no other reports were required, during the year ended December 31, 2007, all required Section 16(a) reports applicable to our directors, executive officers and greater than 10% stockholders were timely filed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to the terms of the Audit Committee's charter, the Audit Committee is responsible for reviewing all related party transactions for potential conflict of interest situations on an ongoing basis. The Company may not enter into a related party transaction unless it has been approved by the Audit Committee. A transaction is considered a related party transaction if the transaction would be required to be disclosed pursuant to Item 404 of Regulation S-K. There have been no related party transactions since January 1, 2007, nor are any currently proposed.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the Company's audited financial statements for the year ended December 31, 2007 with the Company's management, and has discussed with Marcum & Kliegman LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (*Communications with Audit Committees*). The Audit Committee has received the written disclosures and the letter from Marcum & Kliegman required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*) and has discussed with Marcum & Kliegman LLP its independence. It is not the duty of the Audit Committee to plan or conduct audits, to determine that the Company's financial statements are presented fairly in all material respects in accordance with accounting principles generally accepted in the United States, to certify the Company's financial statements or to guarantee the report of the Company's independent registered public accounting firm. As the Audit Committee's primary function is oversight, the Audit Committee relies on the expertise, skills and knowledge of management and the Company's independent registered public accounting firm and the accuracy of information provided to the Audit Committee by such persons in carrying out its oversight responsibilities. In giving its recommendation to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K, the Audit Committee relied on (i) certain representations and reports of management concerning the preparation of the financial statements; and (ii) the reports of the Company's independent registered public accounting firm with respect to such financial statements.

CERTIFICATE OF INCORPORATION OF
CARDIUM THERAPEUTICS, INC.**

a Delaware corporation

Cardium Therapeutics, Inc., a corporation organized and existing under the laws of the State of Delaware, hereby certifies as follows:

1. The name of the corporation is Cardium Therapeutics, Inc. (Corporation).
2. The original Certificate of Incorporation of the Corporation was filed with the Secretary of the State of Delaware on December 22, 2003, the Amended and Restated Certificate of Incorporation of the Corporation was filed with the Secretary of the State of Delaware on May 20, 2005, and the Second Amended and Restated Certificate of Incorporation was filed with the Secretary of the State of Delaware on January 13, 2006.
3. This Third Amended and Restated Certificate of Incorporation has been duly proposed by resolutions adopted and declared advisable by the Board of Directors of the Corporation, duly adopted by the stockholders of the Corporation at a meeting duly called, and duly executed and acknowledged by the officers of the Corporation in accordance with the provisions of Sections 103, 222, 242 and 245 of the General Corporation Law of the State of Delaware and restates, integrates and further amends the provisions of the Second Amended and Restated Certificate of Incorporation and, upon filing with the Secretary of State in accordance with Section 103, shall thenceforth supersede the Second Amended and Restated Certificate of Incorporation of the Corporation.
4. The text of the Certificate of Incorporation is hereby amended and restated to read in its entirety as follows:

ARTICLE I.

The name of this Corporation is Cardium Group Inc.

ARTICLE II.

The address of this Corporation's registered office in the State of Delaware is 2711 Centerville Road, Suite 400, City of Wilmington, County of New Castle, State of Delaware 19808. The name of this Corporation's registered agent at such address is Corporation Service Company.

ARTICLE III.

The purpose of this Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of Delaware.

ARTICLE IV.

The total number of shares of stock this Corporation shall have authority to issue is Two Hundred Forty Million (240,000,000), divided into Two Hundred Million (200,000,000) shares of Common Stock, \$0.0001 par value, and Forty Million (40,000,000) shares of Preferred Stock, \$0.0001 par value. There shall be only one (1) class of Common Stock and all holders of Common Stock issued by this corporation shall have equal voting rights per share of Common Stock.

The Board of Directors of this Corporation is authorized, subject to limitations prescribed by law and the provisions of this Certificate of Incorporation, to provide for the issuance of the shares of Preferred Stock in one or more series, and by filing a certificate pursuant to the applicable law of the State of Delaware, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereon including, but not limited to, the determination of dividend, voting, liquidation, redemption and conversion rights, preferences and limitations and any other preferences and relative, participating, optional or other special rights. The Board of Directors is also authorized to increase or decrease the number of shares of any series before or after the issue of that series, but not above the total number of authorized and unissued shares of the class or below the number of shares of such series then outstanding.

ARTICLE V.

The Board of Directors shall consist of three or more members, the number thereof to be determined from time to time by resolution of the Board of Directors, except that no decrease in the number of such directors shall prevent any incumbent director from serving the balance of the term for which he was duly elected or appointed unless he is removed from office in accordance with this Certificate of Incorporation, the Bylaws of the Corporation or applicable law. No director of the Corporation may be removed except for cause, and the affirmative vote of all classes of capital stock of the Corporation entitled to vote generally in the election of directors, considered for this purpose as one class, shall be required to remove a director for cause. Cause for removal shall be deemed to exist only if the director whose removal is proposed has been convicted in a court of competent jurisdiction of a felony or has been adjudged by a court of competent jurisdiction to be liable for gross negligence, breach of fiduciary duty, or misconduct in the performance of the director's obligations to the Corporation, and such conviction or adjudication has become final and nonappealable. All vacancies including those caused by an increase in the number of directors may be filled by a majority of the remaining directors, though less than a quorum. Directors so appointed to fill any vacancy shall serve until their successors are elected and qualified. The directors shall be classified as to the duration of their respective terms, or as to their election by one or more authorized classes or series of shares, in accordance with the terms of the Bylaws of this Corporation.

ARTICLE VI.

Unless and except to the extent the Bylaws of this Corporation shall so require, the election of directors of this Corporation need not be by written ballot.

ARTICLE VII.

Any proposal duly brought before the stockholders of this Corporation that previously has not been approved by a majority of the Board of Directors of this Corporation, must be approved by the affirmative vote of the holders of not less than sixty percent (60%) of the total voting power of all issued and outstanding shares of stock entitled to vote on the matter. Unless otherwise required by law, all such shares shall vote as a single class. Subject to the provisions of Article IX below regarding cumulative voting, any proposal duly brought before the stockholders of this Corporation that previously has been approved by a majority of the Board of Directors of this Corporation and that, under applicable laws of the State of Delaware, requires the affirmative vote of the stockholders entitled to vote thereon, must be approved by the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote on the subject matter at a meeting at which a quorum is present. Unless otherwise required by law, all such shares shall vote as a single class.

ARTICLE VIII.

No action may be taken by written consent of the stockholders.

ARTICLE IX.

Notwithstanding the provisions of Article VII above and Article XIV below, the stockholders of this Corporation shall not have the right to cumulative voting unless an amendment to this Article IX permitting such cumulative voting is approved by the affirmative vote of not less than sixty percent (60%) of the directors of this Corporation, and duly adopted by the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote on the subject matter at a meeting at which a quorum is present. Unless otherwise required by law, all such shares shall vote as a single class.

ARTICLE X.

A. In addition to any affirmative vote required or permitted by law or this Certificate of Incorporation or the Bylaws of the Corporation, and except as otherwise expressly provided in A(i) and A(ii) of this Article X, the Corporation shall not effect, directly or indirectly, any Stock Repurchase from an Interested Stockholder unless said Stock Repurchase is authorized by the affirmative vote of the holders of not less than sixty percent (60%) of the total voting power of all issued and outstanding shares of stock of the Corporation entitled to vote generally in the election of directors (Voting Stock), voting together as a single class, which shares are Beneficially Owned by Persons other than such Interested Stockholder.

The preceding provisions of this Article X shall not be applicable to any Stock Repurchase from an Interested Stockholder if such Stock Repurchase is effected by the Corporation pursuant to:

- (i) a tender offer or exchange offer by the Corporation for some or all of the outstanding shares of any or all classes of stock of the Corporation made on the same terms to all holders of such shares; or
- (ii) an open market stock purchase program approved by a majority of those members of the Board who were duly elected and acting members of the Board prior to the time such person became an Interested Stockholder.

B. For purposes of this Article X:

(i) The following terms shall be defined by reference to the Securities Exchange Act of 1934 and the rules in effect thereunder on the date of this Second Amended and Restated Certificate of Incorporation: Affiliate, Associate and Subsidiary shall have the respective meanings set forth in Rule 12b-2 under the Securities Exchange Act of 1934, and Beneficial Owner or Beneficially Owned shall have the meaning set forth in Rule 13d-3 under the Securities Exchange Act of 1934.

(ii) Interested Stockholder shall mean a Person (other than any Subsidiary of the Corporation, any profit-sharing, employee stock ownership or other employee benefit plan of the Corporation or any Subsidiary of the Corporation, or any trustee of or a fiduciary with respect to any such plan when acting in such capacity) who: (a) has been a Beneficial Owner for a period of less than two years immediately prior to the Determination Date of five percent or more of the issued and outstanding shares of Voting Stock (including any Voting Stock which such Person or any of its Affiliates or Associates has (1) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (2) the right to vote pursuant to any agreement, arrangement, or understanding); or (b) is an Affiliate of the Corporation who became the Beneficial Owner of five percent or more of the issued and outstanding shares of Voting Stock at any time within the two-year period immediately prior to the Determination Date; or (c) is an assignee of or has otherwise succeeded to any shares of Voting Stock which were Beneficially Owned by any Interested Stockholder at any time within the

two-year period immediately prior to the Determination Date, if such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933, as amended.

(iii) **Stock Repurchase** shall mean any direct or indirect purchase by the Corporation or any Subsidiary of the Corporation of any shares of the stock of the Corporation at a price greater than the Market Price of such shares, or any direct or indirect purchase of such shares for any consideration other than cash.

(iv) **Market Price** shall mean the closing sale price on the trading day immediately preceding the Determination Date of a share of the Corporation's stock on the principal United States securities exchange on which such stock is listed, or, if such stock is not listed on any such exchange, the closing bid quotation with respect to a share of such stock on the last trading day immediately preceding the Determination Date on the National Association of Securities Dealers, Inc. automated quotations system or any similar system then in use, or if no such quotations are available, the fair market value on the Determination Date of a share of such stock as determined in good faith by a majority of the Board.

(v) **Determination Date** shall mean the date upon which the determination of Market Price is made by the Board.

(vi) **Person** shall mean any individual, firm, corporation or other entity and shall include any group comprising any person and any other person with whom such person or any Affiliate or Associate of such person has any agreement, arrangement or understanding, directly or indirectly, for the purpose of acquiring, holding, voting or disposing of stock.

C. Nothing contained in this Article X shall be construed to relieve any Interested Stockholder from any fiduciary obligation imposed by law.

D. The Board shall have the power and duty to determine for the purposes of this Article X on the basis of information known to its members after reasonable inquiry, (i) whether a Person is, and if so, when such Person became, an Interested Stockholder, (ii) the number of shares of stock of the Corporation or other securities of which any Person is a Beneficial Owner and the number of votes entitled to be cast by such person, (iii) whether a Person is an Affiliate or Associate or another, and (iv) whether the price proposed to be paid for any shares of stock of the Corporation is in excess of the Market Price of such shares. Any such determination made in good faith shall be binding on and conclusive for all parties.

For the purposes of determining whether a Person is an Interested Stockholder pursuant to Section B(ii) of this Article X, the shares of the stock of the Corporation deemed to be outstanding shall include shares deemed Beneficially Owned by such Person, but shall not include any other shares of stock of the Corporation that may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

ARTICLE XI.

A director of this Corporation shall not be liable to this Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except as provided below in this Article XI and except to the extent such exemption from liability or limitation thereof is not permitted under the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of this Corporation hereunder in respect of any act or omission occurring before the time of such amendment, modification or repeal.

The foregoing provision, however, shall not eliminate or limit liability (i) for any breach of the director's duty of loyalty to this Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct, fraud or a knowing violation of law, (iii) for the payment of dividends in violation of the

General Corporation Law of the State of Delaware, or (iv) for any transaction from which the director derived an improper personal benefit. In the event that the law of the State of Delaware is amended after approval of this Article XI so as to authorize corporate action further eliminating or limiting the liability of directors, the liability of a director of this Corporation shall thereupon be eliminated or limited to the fullest extent permitted by the General Corporation Law of the State of Delaware, as so amended from time to time. The provisions of this Article XI shall not be deemed to limit or preclude indemnification of a director by this Corporation for any liability of a director which has not been eliminated by the provisions of this Article XI.

ARTICLE XII.

This Corporation is authorized to indemnify the directors, officers, employees and agents of this Corporation to the fullest extent permissible under Delaware law through provisions in the Bylaws of this Corporation, indemnification agreements with such persons, resolutions of the Board of Directors, or otherwise as permitted by applicable law. Notwithstanding the foregoing authorization, nothing herein shall be deemed to require this Corporation to indemnify any director, officer, employee or agent in excess of the indemnification expressly required by applicable Delaware law. Any amendment, modification or repeal of the foregoing shall not adversely affect any right of a person hereunder in respect of any matter occurring before the time of such amendment, modification or repeal.

ARTICLE XIII.

This Corporation shall have perpetual existence.

ARTICLE XIV.

Any amendment, alteration, change or repeal of any provisions contained in this Certificate of Incorporation duly brought before the stockholders of this Corporation that previously has not been approved by a majority of the Board of Directors of this Corporation, must be approved by the affirmative vote of the holders of not less than sixty percent (60%) of the total voting power of all issued and outstanding shares of stock entitled to vote on the matter. Unless otherwise required by law, all such shares shall vote as a single class. Subject to the provisions of Article IX above regarding cumulative voting, any proposal duly brought before the stockholders of this Corporation that previously has been approved by a majority of the Board of Directors of this Corporation and that, under applicable laws of the State of Delaware, requires the affirmative vote of the stockholders entitled to vote thereon, must be approved by the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote on the subject matter at a meeting at which a quorum is present. Unless otherwise required by law, all such shares shall vote as a single class.

I, the undersigned, for the purpose of amending and restating the Corporation's Certificate of Incorporation, do make, file and record this Third Amended and Restated Certificate of Incorporation, and do certify that the facts herein stated are true, and I have accordingly hereunto set my hand this 6th day of June, 2008.
