Item 6. Indemnification of Directors and Officers

Section 102(b) of the Delaware General Corporation Law authorizes a corporation to provide in its Certificate of Incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of the director's fiduciary duty. While this statute does not change directors' fiduciary duty, it enables corporations to limit available relief to equitable remedies such as injunction or rescission. The statute has no effect on a director's duty of loyalty or liability for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, illegal payment of dividends or stock redemptions or repurchases, or for any transaction from which the director derives an improper personal benefit. As permitted by statute, the Company has adopted provisions in its Certificate of Incorporation that eliminate to the fullest extent permitted under Delaware law the personal liability of its directors to the Company and its stockholders for monetary damages for breach or alleged breach of their fiduciary duty.

Section 145 of the Delaware General Corporation Law permits the indemnification of officers, directors, employees and agents of a corporation and persons serving at the request of the corporation as directors, officers, employees or agents or another corporation, partnership, joint venture, trust or other enterprise. The Company's Certificate of Incorporation authorizes the Company's indemnification of its directors and officers to the fullest extent permitted under Delaware law. In addition, the Company's Bylaws authorize the Company's indemnification, to the fullest extent permitted under Delaware law, of its directors, officers, employees and agents, persons who are or were serving at the Company's request as directors, officers, managers, partners, trustees, employees or agents of another corporation, partnership, joint venture, trust or other organization or enterprise, and persons who were directors or officers of a corporation that was a predecessor corporation of the Company or another enterprise at the request of such predecessor corporation.

The Company has entered into agreements with its directors and certain of its executive officers that require the Company to indemnify such persons to the fullest extent permitted under Delaware law against expenses, judgments, fines and settlement amounts actually and reasonably incurred in connection with any proceeding (including derivative actions in certain cases), whether actual or threatened, to which any such person may be made a party by reason of the fact that such person was or is a director, officer, employee, agent or fiduciary of the Company or any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person is or was serving at the Company's request. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder.

Policies of insurance are maintained by the Company under which the directors and officers of the Company are insured, within the limits and subject to the limitations of the policies, against certain liabilities that might be imposed as a result of actions, suits or proceedings to which the directors or officers are parties by reason of having been directors or officers of the Company. Such policies of insurance also provide insurance for the directors and officers to cover certain expenses in connection with the defense of any such actions, suits or proceedings.

Item 7. Exemption From Registration Claimed

Item 9. Undertakings

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than

the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
