Material Changes to Annual Incentive Plan. In July 2008, the Company reported that the Board of Directors had adopted the Company's Amended and Restated Executive Incentive Compensation Plan (the *Plan*). The Plan is attached as Exhibit 10.2 to the Company's Current Report on Form 8-K, filed with the Securities and Exchange Commission on August 1, 2008. The Board of Directors, at its February 9, 2009 meeting, adopted an amended and restated Plan effective beginning January 1, 2009 (the *Amended Plan*) and certain changes related to the Plan, including the material changes discussed in this Current Report below. This amendment and these changes were adopted to ensure that the Amended Plan is effective for achieving its retention and incentive objectives. The following material changes are prospective and effective beginning January 1, 2009:

The Amended Plan provides that, instead of being required to establish financial performance goals on an annual basis, the Company will establish financial performance goals for both of its business units on a quarterly, semi-annual or annual basis, at the discretion of the Company, in advance of such performance period(s); and

The portion of each incentive award based on Company and/or business unit achievement of quarterly, semi-annual or annual financial performance goals shall be earned only at the close of such performance period(s).

The foregoing description of the Amended Plan does not purport to be complete, and is qualified in its entirety by the full text of the Amended Plan. The Plan is incorporated herein by reference from Exhibit 10.2 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on August 1, 2008. The Amended Plan is filed with this Current Report as Exhibit 10.2 and is incorporated herein by reference.
