OUTSTANDING STOCK AND VOTING RIGHTS

Only stockholders of record at the close of business on June 17, 2009 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 71,299,210 shares of the Company's common stock, \$.001 par value per share (the common stock), the Company's only class of voting securities. Each share of common stock entitles the holder to one vote on each matter submitted to a vote at the Annual Meeting.

VOTING PROCEDURES

The directors will be elected by the affirmative vote of the holders of a plurality of the shares of common stock present in person or represented by proxy at the Annual Meeting, provided a quorum is present. Therefore, the seven nominees receiving the greatest number of votes cast at the meeting will be elected as directors of the Company. All other matters to be voted upon at the Annual Meeting will be decided by the affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter, provided a quorum is present. A quorum is present if at least a majority of the shares of common stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Votes will be counted and certified by one or more Inspectors of Election who are expected to be one or more employees of the Company's transfer agent. In accordance with Delaware law, abstentions and broker non-votes (*i.e.*, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other person entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting, abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote against a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the subject matter as to which the non-vote is indicated and will, therefore, have no legal effect on the vote on that particular matter.

Proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by a proxy will be voted as instructed. Proxies may be revoked as noted above.

Our Board of Directors, through its nominating/governance committee, has established a process for stockholders to send communications to the Board of Directors. Stockholders may communicate with

the Board of Directors individually or as a group by writing to: The Board of Directors of Iconix Brand Group, Inc. c/o Corporate Secretary, 1450 Broadway, New York, NY 10018. Stockholders should identify their communication as being from a stockholder of the Company. The Corporate Secretary may require reasonable evidence that the communication or other submission is made by a stockholder of the Company before transmitting the communication to the Board of Directors.

Consideration of Director Nominees by the Board

Stockholders of the Company wishing to recommend director candidates to the nominating/governance committee for election to our Board of Directors at the Annual Meeting of Stockholders to be held in 2009 must submit their recommendations in writing to the nominating/governance committee, c/o Corporate Secretary, Iconix Brand Group, Inc., 1450 Broadway, New York, NY 10018.

The nominating/governance committee will consider nominees recommended by the Company's stockholders provided that the recommendation contains sufficient information for the nominating/governance committee to assess the suitability of the candidate, including the candidate's qualifications, name, age, business and residence addresses. Candidates recommended by stockholders that comply with these procedures will receive the same consideration that candidates recommended by the committee receive. The recommendations must also state the name and record address of the stockholder who is submitting the recommendation and the class and number of shares of the Company's common stock beneficially owned by the stockholder. In addition, it must include information regarding the recommended candidate relevant to a determination of whether the recommended candidate would be barred from being considered independent under NASDAQ Marketplace Rule 5605(a)(2), or, alternatively, a statement that the recommended candidate would not be so barred. Each nomination is also required to set forth a representation that the stockholder making the nomination is a holder of record of capital stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons nominated; a description of all arrangements and understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination was made by the stockholder; such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Board of Directors; and the consent of each nominee to serve as a director of the Company if so elected. The qualities and skills sought in prospective members of the Board are determined by the nominating/governance committee. The nominating/governance committee generally requires that director candidates be qualified individuals who, if added to the Board, would provide the mix of director characteristics, experience, perspectives and skills appropriate for the Company. Criteria for selection of candidates will include, but not be limited to: (i) business and financial acumen, as determined by the committee in its discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of our industry, (iv) relevant experience and knowledge of corporate governance practices, and (v) expertise in an area relevant to the Company. The committee also approves grants of equity awards to employees.

Under its charter, the compensation committee may form and delegate authority to subcommittees or individuals, including, but not limited to, a subcommittee composed of one or more members of the Board or an executive to grant and administer stock, option and other equity awards under the Company's equity incentive plans.

Meetings of the Board of Directors and its Committees during the Year Ended December 31, 2008

In addition, during fiscal 2008, the audit committee held four meetings, the nominating/governance committee held two meetings and the compensation committee held six meetings. During the fiscal year ended December 31, 2008, each of the Company's directors attended at least seventy-five percent of the aggregate of: (i) the total number of meetings of the Board of Directors; and (ii) the total number of meetings of all committees of the Board on which they served.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who beneficially own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% owners are required by certain SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by it, we believe that during fiscal 2008, there was compliance with the filing requirements applicable to its officers, directors and 10% common stockholders, except for a Form 4 to report one transaction by Mr. Tarshis that was not timely filed.

Director Compensation

The compensation committee has determined that for each full year of service as a director of our company, each non-employee member of the Board would receive a cash payment of \$40,000, payable 50% on or about each January 1 and 50% on or about each July 1, and 4,000 restricted shares of common stock vesting 100% on July 1 of each year. In addition, the compensation committee determined that the audit committee chair would receive an annual stipend of \$15,000, and the chairs of the compensation committee and nominating and governance committee would receive an annual stipend of \$10,000, each payable each July 1.

The following table sets forth compensation information for 2008 for each member of our Board of Directors who is not also an executive officer. An executive officer who serves on our Board does not receive additional compensation for serving on the Board. See Summary Compensation Table and Grants of Plan-Based Awards Table for disclosures related to our chairman of the board, president and chief executive officer, Neil Cole.

Executive Compensation

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide the information necessary for understanding the compensation philosophy, policies and decisions which are material to the compensation of our principal executive officer, our principal financial officer and our three other most highly compensated executive officers (we refer to these officers as our named executive officers) during 2008. This Compensation Discussion and Analysis will place in context the information contained in the tables and accompanying narratives that follow this discussion.

Philosophy and Objectives

Our compensation philosophy is to offer our executive officers, including our named executive officers, compensation that is fair, reasonable and competitive, and that meets our goals of attracting, retaining and motivating highly skilled management personnel so that we can be in a position to achieve our financial, operational and strategic objectives to create long-term value for our stockholders. We seek to deliver fair, reasonable and competitive compensation for our employees and executives, including our named executive officers, by structuring compensation around one fundamental goal: incentivizing our executives to build stockholder value over the long term. Our ability to attract, motivate and retain employees and executives with the requisite skills and experience to develop, expand and execute business opportunities for us is essential to our growth and success. We believe that we offer attractive career opportunities and challenges for our employees, but remain mindful that the best talent will always have a choice as to where they wish to pursue their careers, and fair and competitive compensation is an important element of job satisfaction.

Our compensation program includes short-term elements, such as annual base salary, and in some cases, an annual incentive cash bonus, and long term elements such as equity-based awards through grants of restricted stock, restricted stock units and stock options. We believe that our compensation program contributes to our employees and named executive officers incentive to execute on our goals and perform their job functions with excellence and integrity. We also take into account the roles played by each of our named executive officers and endeavor to individually customize their compensation packages to align the amount and mix of their compensation to their contributions to, and roles within, our organization. The compensation package for our chief executive officer, Mr. Neil Cole, differs from those of our other named executive officers in light of his distinct role and responsibilities within Iconix. As Mr. Cole makes executive decisions that influence our direction and growth initiatives, his total compensation is intended to be strongly aligned with objective financial measures, including a bonus driven by a formula set forth in his employment agreement based upon our performance.

We enter into employment agreements with senior officers, including our named executive officers, when the compensation committee determines that an employment agreement is in order for us to obtain a degree of certainty as to an executive's continued employment in light of prevailing market conditions and competition for the particular position held by the officer, or where the compensation committee determines that an employment agreement is appropriate to attract an executive in light of market conditions, the prior experience of the executive or practices at our company with respect to other similarly situated executives. Based on these and any other factors then deemed relevant, we have entered into written employment agreements with Messrs. Neil Cole, David Conn, Warren Clamen and Andrew Tarshis and Ms. Deborah Sorell Stehr, all of whom were named executive officers during 2008. We entered into a new employment agreement in January 2008 with our chief executive officer, which was amended in December 2008, and we entered into new employment agreements in November 2008 with Mr. Tarshis, our executive vice president and general counsel and with Mr. Clamen, our executive vice president and chief financial officer. The employment agreements with Mr. Conn and Ms. Stehr have expired by their terms, and they no longer serve as our officers.

Forms of Compensation Paid to Named Executive Officers During 2008

During the last fiscal year, we provided our named executive officers with the following forms of compensation:

Base salary. Base salary represents amounts paid during the fiscal year to named executive officers as direct guaranteed compensation under their employment agreements for their services to us.

Equity-based awards. Awards of restricted stock units, shares of restricted stock and stock options are made under our 2006 Equity Incentive Plan, which was approved by our stockholders in August 2006, or under our other option plans depending upon the amount of equity to be granted under the respective plans. Shares of restricted stock that were issued subject to a vesting schedule cannot be sold until and to the extent the shares have vested. In 2008, we awarded shares of restricted stock to four of our named executive officers. Some of the awards granted in 2008 are subject to stockholder approval of either an increase in the number of shares of common stock available for issuance under our 2006 Equity Incentive Plan or another incentive plan that would cover such awards. While we have not formally adopted any policies with respect to cash versus equity components in the mix of executive compensation, we feel that it is important to provide for a compensation mix that allows for acquisition of a meaningful level of equity ownership by our named executive officers in order to help align their interests with those of our stockholders.

Cash bonuses. Messrs. Cole, Tarshis, Clamen and Conn and Ms. Stehr received cash bonuses in 2008. Mr. Cole received a contractually guaranteed amount of \$500,000 and \$500,000 based upon our achievement of performance goals. In May 2008, our stockholders adopted the Executive Incentive Bonus Plan discussed below.

Perquisites and other personal benefits. During 2008, our named executive officers received, to varying degrees, a limited amount of perquisites and other personal benefits that we paid on their behalf. These included, among other things:

payments of life insurance premiums; and

car allowances.

Objectives of Our Compensation Program

The compensation paid to our named executive officers is primarily structured into two broad categories:

base salary; and

incentive compensation, primarily in the form of equity-based awards under our various equity incentive and stock option plans; to a lesser degree, certain of our named executive officers also have received cash bonuses.

Our overall compensation program with respect to our named executive officers is designed to achieve the following objectives:

to attract, retain and motivate highly qualified executives through both short-term and long-term incentives that reward company and individual performance;

to emphasize equity-based compensation to more closely align the interests of executives with those of our stockholders;

to support and encourage our financial growth and development;

to motivate our named executive officers to continually provide excellent performance throughout the year;

to ensure continuity of services of named executive officers so that they will contribute to, and be a part of, our long-term success; and

to manage fixed compensation costs through the use of performance and equity-based compensation.

Determination of Compensation for Named Executive Officers

Compensation of chief executive officer. During 2008, the compensation of Mr. Cole, our chairman, president and chief executive officer was based on Mr. Cole's employment agreement dated January 28, 2008, as amended on December 24, 2008, which agreement was effective as of January 1, 2008. In determining the salary and other forms of compensation for Mr. Cole, the compensation committee took into consideration Mr. Cole's contribution to our growth over the past several years under his leadership, and his substantial experience and performance in the industry in general and with us in particular. The compensation committee also considered the increased responsibilities of Mr. Cole as a result of our diversification and the substantial growth experienced by our company during his tenure. The compensation committee believes that Mr. Cole's compensation for 2008 as our principal executive officer reflects our performance during 2008 and his significant contributions to that performance.

See "Employment Agreements With Certain Of Our Executive Officers" for further description of Mr. Cole's employment agreement.

Overall compensation program. Compensation of our executive officers, including the named executive officers, has been determined by the Board of Directors pursuant to recommendations made by the chief executive officer and the compensation committee. The compensation committee is responsible for, among other things, reviewing and recommending approval of the compensation of our executive officers; administering our equity incentive and stock option plans; reviewing and making recommendations to the Board of Directors with respect to incentive compensation and equity incentive and stock option plans, evaluating our chief executive officer's performance in light of corporate objectives, and setting our chief executive officer's compensation based on the achievement of corporate objectives.

With respect to the named executive officers, their compensation is based upon what we believe is a competitive base salary in view of our recent change of business strategy and accelerated growth goals. In conjunction with our compensation committee, we have assessed our total compensation program, and its components, and believe that it operates well to serve both our goals and the current, short-term and long-term compensation needs of the executive officers. We have implemented a stockholder approved Executive Incentive Bonus Plan in conformance with Section 162(m) for our named executive officers and other senior executives. In 2008, only Mr. Cole received an award under the Executive Incentive Bonus Plan.

Compensation amounts for named executive officers are determined according to the level of seniority and position of the named executive officer. Relatively greater emphasis is typically placed on the equity-based components of compensation so as to put a greater portion of total pay based on Company and individual performance. We believe the combination of a competitive base compensation, coupled with an opportunity to significantly enhance overall individual compensation if individual and Company performance warrant such enhancement, yields an attractive compensation program that facilitates our recruitment and retention of talented executive personnel.

The total compensation amount for our named executive officers is also established relative to officers at levels above and below them, which we believe rewards them for increased levels of knowledge, experience and responsibility.

Base salary. The base salary of each of our named executive officers is fixed pursuant to the terms of their respective employment agreements with us and, when a contract is up for, or otherwise considered for, renewal, upon a review of the executive's abilities, experience and performance, as well as a review of salaries for executives in the marketplace for comparable positions at corporations which either compete with us in its business or of comparable size and scope of operations. The recommendations to the Board of Directors by the compensation committee with respect to base salary are based primarily on informal judgments reasonably believed to be in our best interests. In determining the base salaries of certain of our executives whose employment agreements were up for, or otherwise considered for, renewal, the compensation committee considered our performance and growth plans. Base salaries are used to reward superior individual performance of each named executive officer on a day-to-day basis during the year, and to encourage them to perform at their highest levels. We also use our base salary as an incentive to attract top quality executives and other management employees from other companies. Moreover, base salary (and increases to base salary) are intended to recognize the overall experience, position within our company, and expected contributions of each named executive officer to us.

The following were contractual increases in the base salaries of our named executive officers from 2007 to 2008 as set forth on the table below:

Named Executive Officer	2007 Base Salary	2008 Base Salary	Change in Base	Percentage of 2007 Base Salary
Neil Cole	\$ 600,000	\$ 1,000,000	\$ 400,000	67%
Warren Clamen	300,000	350,000	50,000	17%
Andrew Tarshis	300,000	350,000	50,000	17%
David Conn ¹	300,000	300,000		0%
Deborah Sorell Stehr ²	230,000	250,000	20,000	9%

¹ Mr. Conn ceased serving as an officer in August 2008.

² Ms. Stehr ceased serving as an officer in February 2009.

Equity-based awards. We currently make equity awards to our named executive officers pursuant to our 2006 Equity Incentive Plan, which provides for awards in the form of stock options, stock appreciation rights, restricted stock, unrestricted stock, stock units including restricted stock units, and performance awards to eligible persons. The mix of cash and equity-based awards, as well as the types of equity-based awards, granted to our named executive officers varies from year to year. Consideration has been given to various factors, such as the relative merits of cash and equity as a device for retaining and motivating the named executive officers, the practices of other companies, individual performance, an individual's pay relative to others, contractual commitments pursuant to employment or other agreements, and the value of already-outstanding grants of equity in determining the size and type of equity-based awards to each named executive officer. As of December 31, 2008, the number of shares remaining for issuance under the 2006 Equity Incentive Plan is 75,965.

In 2008, we continued to utilize restricted stock as a form of equity compensation primarily because of the increased stock-based compensation expense associated with stock options and similar instruments under SFAS 123(R). This accounting standard, which we adopted as of January 1, 2006, requires us to record as compensation expense the grant date fair value of a stock option over the life of the option.

As described above, we provide a substantial portion of named executive officer compensation in the form of equity awards because the compensation committee has determined that such awards serve to encourage our executives to create value for our company over the long-term, which aligns the interests of named executive officers with those of our stockholders.

Generally, we make three types of equity-based grants to our named executive officers:

initial grants when a named executive officer is hired;

annual performance based grants; and

retention grants, which are typically made in connection with new employment agreements or renewals.

An initial grant when an executive officer is hired or otherwise becomes a named executive officer serves to help us to recruit new executives and to reward existing officers upon promotion to higher levels of management. Because these initial grants are structured as an incentive for employment, the amount of these grants may vary from executive to executive depending on the particular circumstances of the named executive officer and are usually recommended by the chief executive officer and approved by the appropriate committee. No initial grants were awarded to any of our named executive officers in 2008. Annual, time-vested grants of equity awards, as well as retention grants made in connection with renewals of employment agreements are designed so as to compensate our named executive officers for their contributions to our long-term performance.

Generally, restricted stock and stock option awards granted to named executive officers as either initial or annual performance grants or in connection with employment agreement renewals vest in equal installments over the term of the agreement, or a period determined by the nominating/governance committee or compensation committee, typically beginning on the first anniversary of the date of grant. Restricted stock grants for 2008 were as follows: Neil Cole 1,496,800 shares of restricted stock (excluding rescinded stock grants), Warren Clamen 5,963 shares of restricted stock, Andrew Tarshis 5,963 shares of restricted stock, Deborah Sorell Stehr 4,994 shares of restricted stock, and David Conn 5,963 shares of restricted stock. These grants vest over a two to five year period.

Cash bonuses. In May 2008 our stockholders approved the Executive Incentive Bonus Plan, referred to as the bonus plan. The purpose of the bonus plan is to promote the achievement of our short-term, targeted business objectives by providing competitive incentive reward opportunities to our executive officers who can significantly impact our performance towards those objectives. Further, the bonus plan enhances our ability to attract, develop and motivate individuals as members of a talented management team. The bonus plan is administered, and can be amended, by the compensation committee. All awards are paid in cash. Awards made under the bonus plan are subject to a participant achieving one or more performance goals established by the compensation committee. The performance goals may be based on our overall performance, and also may recognize business unit, team and/or individual performance. No payment will be made under the bonus plan unless the compensation committee certifies that at least the minimum objective performance measures have been met. Such performance measures may include specific or relative targeted amounts of, or changes in: earnings before interest, taxes, depreciation and amortization, herein referred to as EBITDA; revenues; expenses; net income; operating income; equity, return on equity, assets or capital employed; working capital; stockholder return; production or sales volumes; or certain other objective criteria. In 2008, only our chairman, president and chief executive officer received a bonus under the bonus plan.

The amount of any award under the bonus plan may vary based on the level of actual performance. The amount of any award for a given year is determined for each participant by multiplying the individual participant's actual base salary in effect at the end of that year by a target percentage (from 0% to 200%), related to the attainment of one or more performance goals, determined by the

compensation committee. In the event that an award contains more than one performance goal, participants in the bonus plan will be entitled to receive the portion of the target percentage allocated to the performance goal achieved. In the event that we do not achieve at least the minimum performance goals established, no award payment will be made.

Additionally, cash bonuses are also covered by employment agreements with our executive officers. Under his employment agreement, our chairman, president and chief executive officer received a sign-on cash bonus for 2008 of \$500,000. He also received a cash performance based bonus of \$500,000 pursuant to his employment agreement and the Executive Bonus Plan. The performance target for 2008 was the Company's achievement of approximately \$150 million of EBITDA, which represents 80% of the targeted EBITDA established by the Board of Directors. In addition, in 2008, Messrs. Clamen, Tarshis, and Conn and Ms. Stehr received cash bonuses of \$50,000, \$50,000, \$50,000 and \$41,250, respectively, pursuant to their employment agreements.

Post-termination compensation. We have entered into employment agreements with each of the named executive officers. Ms. Stehr's and Mr. Conn's employment agreements have expired by their respective terms. Each of these agreements had provided for certain payments and other benefits if the executive's employment terminated under certain circumstances, including, in the event of a change in control. See Executive Compensation - Narrative to Summary Compensation Table and Plan-Based Awards Table - Employment Agreements and Executive Compensation - Potential Payments Upon Termination or Change in Control for a description of the severance and change in control benefits.

Perquisites. The perquisites provided to some or all of our executive officers are described below. Perquisites are generally provided, as applicable, in accordance with the executives' employment agreements. Below is a list of material perquisites, personal benefits and other items of compensation we provided to our named executive officers in 2008, the total amount of each such item paid to all named executive officers and an explanation as to why we chose to pay the item.

Perquisite, Other Benefit or Other Item of Compensation (1)	Aggregate Amount of This Perquisite Paid to All Named Executive Officers in 2008	Additional Explanation for Offering Certain Perquisites
Car allowances	\$ 99,344	Serves to defray the cost of owning and operating an automobile often used for business purposes; prevents us from having to own and maintain a fleet of automobiles and is a taxable benefit for the named executive officer.
Life Insurance Premiums	\$ 21,420	Reduces risk to the beneficiaries of executives in the event of the death of the executive.

(1) Perquisites are generally granted as part of our executive recruitment and retention efforts.

Other matters. The compensation committee has not historically engaged consultants with respect to executive compensation matters. However, in 2007 and 2008, the compensation committee engaged an outside consulting firm, James F. Reda & Associates LLC for advice in connection with the negotiation of the employment agreement for our chief executive officer, which agreement was entered into in January 2008 and amended in December 2008. James F. Reda & Associates LLC has provided no other services to us and has no other relationship or engagement with us. Our board of directors has not established a policy for the adjustment of any compensation award or payment if the relevant performance measures on which they are based are restated or adjusted. Our board of directors has not established any security ownership guidelines for executive officers.

Tax Deductibility and Accounting Ramifications

The compensation committee generally takes into account the various tax and accounting ramifications of compensation paid to our executives. When determining amounts of equity-based grants to executives the compensation committee also considers the accounting expense associated with the grants.

Our 2006 Equity Incentive Plan, our 2008 Executive Incentive Bonus Plan and our other plans are intended to allow us to make awards to executive officers that are deductible under Internal Revenue Code of 1986 (Internal Revenue Code or Code) Section 162(m), which otherwise sets limits on the tax deductibility of compensation paid to a company's most highly compensated executive officers. The compensation committee will continue to seek ways to limit the impact of Section 162(m). However, the compensation committee also believes that the tax deduction limitation should not compromise our ability to maintain incentive programs that support the compensation objectives discussed above or compromise our ability to attract and retain executive officers. Achieving these objectives and maintaining flexibility in this regard may therefore result in compensation that is not deductible by Iconix for federal income tax purposes.

Summary

In summary, we believe that our mix of salary, cash incentives for short-term and long-term performance and the potential for additional equity ownership in Iconix motivates our management to produce significant returns for our stockholders. Moreover, we also believe that our compensation program strikes an appropriate balance between our interests and needs in operating and further developing our business and suitable compensation levels that can lead to the enhancement of stockholder value.

Compensation Committee Interlocks and Insider Participation

During the year ended December 31, 2008, none of our named executive officers served on the board of directors or the compensation committee of any other entity that has officers that serve on our Board of Directors or on our compensation committee. In addition, none of the members of our compensation committee were formerly, or during the year ended December 31, 2008, employed by us in the capacity as an officer.

Compensation Committee Report

The compensation committee of the board of directors has reviewed and discussed with management the Compensation Discussion and Analysis for the year ended December 31, 2008. Based on such reviews and discussions, the committee recommended to the board of directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 and this proxy statement for filing with the SEC.

- (1) Mr. Cole was granted 1,181,684 time-vested restricted common stock units, or RSUs, and 571,150 performance-based restricted common stock units, or PSUs, on February 19, 2008 pursuant to his employment agreement with us. On May 21, 2008, Mr. Cole entered into an agreement with us that provided for the rescission of 256,034 of the previously granted 571,150 PSUs, which rescinded PSUs were then added to 216,639 additional PSUs he is entitled to under the employment agreement. This future grant of 216,639 PSUs and the 256,034 rescinded PSUs (a total of 472,673 PSUs) are conditioned upon (i) the grant thereof by the administrator of the 2006 equity incentive plan or any successor plan and (ii) either (x) receipt of stockholder approval of an additional number of shares of our common stock available for awards under the 2006 equity incentive plan or a successor plan or (y) the availability of our common stock under the 2006 equity incentive plan or a successor plan in an amount at least equal to the number of shares of common stock underlying such 472,673 PSUs. The 315,116 PSUs reflected in the table represent the total number of PSUs that remained outstanding after the rescission, and does not include (i) the 256,034 rescinded PSUs, or (ii) the 216,639 PSUs, both of which Mr. Cole is entitled to receive in the future under the terms of his employment agreement, subject to the satisfaction of the conditions specified above.
- (2) On December 24, 2008, Mr. Cole agreed, in an amendment to his employment agreement, to defer the issuance of these 1,181,684 shares of common stock underlying the RSUs until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$500,000 for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either one of two performance

measures specified in the agreement have been satisfied. These 1,181,684 RSUs continue to vest in five substantially equal installments on each December 31st, beginning on December 31, 2008 and subject to Mr. Cole's continuous employment with us, although the delivery of the shares underlying such RSUs has been deferred as described above.

- (3) The fair value is based on the closing stock price of \$20.31 on January 28, 2008, multiplied by (i) the 315,116 PSUs and (ii) 1,181,684 RSUs. This amount does not include the 472,673 PSUs described in footnote 1 above.
- (4) Mr. Conn ceased serving as an officer in August 2008.
- (5) Ms. Stehr ceased serving as an officer in February 2009.

NARRATIVE TO SUMMARY COMPENSATION TABLE AND PLAN-BASED AWARDS TABLE

Employment Agreements

The compensation committee determines the compensation, including related terms of employment agreements with us for those who have them, for each of the named executive officers.

Neil Cole

On January 28, 2008, we entered into a five-year (subject to a one-year extension) employment agreement (the new employment agreement), effective as of January 1, 2008, with Neil Cole, chairman of the board, president and chief executive officer, which replaced his prior employment agreement that expired on December 31, 2007 and is described below. The new employment agreement also superseded and terminated the prior non-competition and non-solicitation agreement between us and Mr. Cole, which, among other things, provided for him to receive 5% of the sale price upon a sale of our Company under certain circumstances.

Consistent with our philosophy on executive compensation, Mr. Cole's new employment agreement reflects a substantial portion of his compensation in the form of long-term equity incentives, including performance stock incentives that vest upon the achievement of specific metrics defined in the agreement, particularly, growth in EBITDA, market capitalization and stock price as measured by targets to be established and certified by the compensation committee.

As described above, in connection with the negotiation of the new employment agreement with Mr. Cole, the compensation committee retained James F. Reda & Associates LLC, as its outside compensation consulting firm to provide advice. In assisting the compensation committee, James F. Reda & Associates LLC performed market research as to compensation levels in similarly capitalized companies in the industry, as well as companies that had achieved similar growth. James F. Reda & Associates LLC also familiarized itself with the circumstances surrounding Mr. Cole's expiring contract and separate non-competition and non-solicitation agreement, which provided Mr. Cole with 5% of the proceeds upon a sale of the Company under certain circumstances. As various aspects of our business, operations and management are unique, the compensation committee utilized the James F. Reda & Associates LLC research as one resource, rather than a stand-alone tool, in assessing the appropriate level of compensation and other terms under Mr. Cole's new employment agreement.

Under his new employment agreement, Mr. Cole is entitled to an annual base salary of \$1,000,000 and received a signing bonus of \$500,000.

Pursuant to the terms of the employment agreement, on February 19, 2008, Mr. Cole was also granted 1,181,684 time-vested restricted common stock, or RSUs, and 571,150 performance-based restricted common stock units, or PSUs, under the 2006 Equity Incentive Plan. On May 21, 2008, Mr. Cole entered into an agreement with us that provides for the rescission of a total of 256,034 of the 571,150 PSUs granted pursuant to the employment agreement. The RSUs will vest in five substantially equal annual installments commencing on December 31, 2008, subject to Mr. Cole's continuous employment with us on the applicable vesting date, and the PSUs will be subject to vesting based on our achievement of the following performance goals: 50% is tied to the achievement of EBITDA growth, 25% is tied to the achievement of market cap growth, and 25% is tied to the achievement of stock price growth. Both grants are subject to forfeiture upon the termination of Mr. Cole's employment under certain circumstances. In addition, Mr. Cole's ability to sell or otherwise transfer the common stock

underlying the RSUs and the PSUs while he is employed by us is subject to certain restrictions. Pursuant to the employment agreement, Mr. Cole is also entitled to a grant of 216,639 additional PSUs and the common stock issuable thereunder. The future issuance of these 216,639 PSUs and the 256,034 PSUs that were the subject of the rescission agreement between Mr. Cole and us (a total of 472,673 PSUs) or any portion thereof, is conditioned upon (i) the grant thereof by the administrator of the 2006 equity incentive plan or any successor plan and (ii) either (x) receipt of stockholder approval of an additional number of shares of our common stock available for awards under the 2006 equity incentive plan or a successor plan or (y) the availability of our common stock under the 2006 equity incentive plan or a successor plan in an amount at least equal to the number of shares of common stock underlying the portion of such 472,673 PSUs.

Additionally, on December 24, 2008, we entered into an agreement with Mr. Cole which amended his employment agreement and the related RSU agreement to provide, among other things for the deferral of the issuance to Mr. Cole of the 1,181,684 shares of our common stock to which he is entitled to receive under the RSUs granted to him under the employment agreement until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the new employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to five hundred thousand dollars (\$500,000) for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either of one of two performance measures specified in the agreement have been satisfied. The two performance measures are as follows: (a) if the percentage determined by dividing our EBITDA by our revenues for the calendar year in question places us in the top 50% of the companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year or (b) if our annual revenue percentage growth for the calendar year in question when compared to the immediately preceding calendar year places us in the top 50% of those companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year.

Mr. Cole is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, air travel and life insurance benefits pursuant to the new employment agreement.

In addition to his salary and benefits, Mr. Cole is eligible to receive an additional annual cash bonus for each completed calendar year, including as a performance goal thereunder the targets specified in the employment agreement. This cash bonus shall not exceed 150% of Mr. Cole's base salary. The bonus shall be a percentage of the base salary determined based on the level of our consolidated earnings before interest, taxes, depreciation and amortization of fixed assets and intangible assets achieved for such year against a target level established for such year by the compensation committee of our board of directors, in the compensation committee's sole discretion, but with prior consultation with Mr. Cole, as follows:

Annual Level of Targeted EBITDA Achieved	% of Base Salary
less than 80%	0%
80% (threshold)	50%
90%	75%
100% (target)	100%
105%	110%
110%	122.5%
115%	135%
120% or more (maximum)	150%

Mr. Cole's annual bonus, if earned, will be paid in a lump sum cash payment in the calendar year following the calendar year for which such bonus is earned.

Under Mr. Cole's new employment agreement, if we terminate Mr. Cole's employment for cause or if Mr. Cole terminates his employment without good reason, he will receive his earned and/or accrued but unpaid compensation, other than any bonus compensation, then due to him and shares of common stock in respect of any of his already vested restricted stock units. If we terminate Mr. Cole's employment without cause or if Mr. Cole terminates his employment for good reason, he will receive, in addition to the foregoing, an amount equal to two times his base salary then in effect plus any previously earned but unpaid annual bonus for a prior fiscal year and a pro-rata portion of the annual bonus for the year of termination, and, if such termination or resignation occurs prior to January 1, 2011, two times the average of the annual bonus amounts he received for the two prior completed fiscal years. In addition, that portion of his performance-based stock units subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 75% of his unvested restricted stock units, will vest. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control, the amount of his base salary-related payment will increase to three times, instead of two times, his base salary then in effect and that portion of his performance-based stock units that would vest in the year of termination or in the future based on performance goals achieved as of the date of the change of control, and all of his unvested restricted stock units, will vest, and if such change in control occurs prior to January 1, 2011, Mr. Cole will also receive three, instead of two, times the average of the annual bonus amounts he received for the three, instead of two, prior completed fiscal years.

If Mr. Cole's employment terminates as a result of his disability or death, he or his estate will be entitled to any previously earned and unpaid compensation then due to him plus any previously earned but unpaid annual bonus for the prior fiscal year and a pro-rata portion of the annual bonus for the year of such termination. In addition, that portion of his performance-based stock units subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 100% (50% in the event of disability) of his unvested restricted stock units, will vest.

The new employment agreement with Mr. Cole also contains certain non-competition and non-solicitation covenants restricting such activities for periods equal to the term of the agreement and any renewal period plus one and two years, respectively, after the agreement is terminated for any reason.

Pursuant to Mr. Cole's prior employment agreement (which expired on December 31, 2007 and was replaced by the new employment agreement described above) with us, Neil Cole, served as our President and Chief Executive Officer at an annualized base salary of \$500,000 in 2005, \$550,000 in 2006 and \$600,000 in 2007. In addition, Mr. Cole's prior employment agreement, Mr. Cole received bonus payments in 2005 and 2007.

Warren Clamen and Andrew Tarshis

On November 11, 2008, we entered into new employment agreements with each of the following executive officers replacing their prior employment agreements with us: (i) Andrew Tarshis, referred to as the Tarshis employment agreement and (ii) Warren Clamen, referred to as the Clamen employment agreement and, together with the Tarshis employment agreement, the Clamen/Tarshis employment agreements and each of Mr. Tarshis and Mr. Clamen are referred to in the description of the Clamen/Tarshis employment agreements below as an executive. The Clamen/Tarshis employment agreements provide for the employment of Mr. Tarshis as our executive vice president and general counsel and Mr. Clamen as our executive vice president and chief financial officer, for three-year terms.

Under the Clamen/Tarshis employment agreements, each executive is entitled to an annual base salary of not less than \$350,000, \$400,000 and \$400,000, during the first, second and third years of the term of his employment agreement. In addition, each executive is entitled to participate in our executive bonus program and is eligible to receive bonuses of up to 100% of his base salary or such maximum amount available under any executive bonus program generally applicable to our senior executives.

Pursuant to the terms of the Clamen/Tarshis employment agreements, each executive will be entitled to receive an award of 70,542 shares of our common stock upon Board and stockholder approval of a stock incentive plan or other plans that cover awards of common stock to the officers. The shares vest in three equal annual installments with the first installment vesting on November 11, 2009, subject to acceleration under certain circumstances set forth in the Clamen/Tarshis employment agreements. Each executive is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, life insurance and medical benefits.

Under the Clamen/Tarshis employment agreements, if either of the executive's employment is terminated by us for cause or by the executive without good reason (as defined in the Clamen/Tarshis employment agreements), he will receive his earned and unpaid base salary through the date of termination and shares of common stock in respect of any of his already vested stock awards. If an executive's employment is terminated by us without cause or by the executive for good reason, he will receive, in addition to the foregoing, an amount equal to his applicable base salary for the remaining term of the Clamen/Tarshis employment agreement plus any earned but unpaid annual bonus for a prior year (prior year bonus) and a pro-rata portion of any bonus for the year of termination (pro rata bonus). In addition, any unvested portion of his stock award will vest. If the employment of an executive is terminated by us without cause or by him for good reason within 12 months of a change in control (as defined in the Clamen/Tarshis employment agreements), in addition to the foregoing payments he will also receive an amount equal to \$100 less than three times the executive's annualized includable compensation for the base period (as defined in the Internal Revenue Code). If an executive's employment terminates as a result of his disability or death, the executive or his estate will be entitled to any earned and unpaid base salary, plus any prior year bonus and pro rata bonus. In addition, any unvested portion of his stock award will vest.

Each of the Clamen/Tarshis employment agreements also provide that in the event that stockholder approval of the grant of the stock award is not obtained prior to the earlier of (i) the expiration of the term of the Clamen/Tarshis employment agreements, (ii) a termination of the executive's employment prior to the end of the term due to the executive's death or disability, termination by the executive of his employment for good reason or termination of the executive's employment by us without cause, or (iii) a change in control, then instead of the grant of the award to the executive, we are required to pay to the executive an alternative amount equal to \$750,000.

The Clamen/Tarshis employment agreements also contain certain non-competition and non-solicitation covenants restricting such activities for certain specified periods.

The prior employment agreements between us and each of Messrs. Clamen and Tarshis cover periods prior to November 11, 2008, and are summarized below.

Effective March 9, 2005, we entered into an employment agreement, subsequently amended on October 27, 2006, with Warren Clamen, which, as amended, provided for him to serve as our chief financial officer until October 27, 2008, subject to earlier termination as specified in the agreement (this agreement expired on October 27, 2008). This agreement was superseded by Mr. Clamen's new employment agreement dated November 11, 2008. Mr. Clamen's prior employment agreement provided for him to receive a base salary of \$275,000 per year for the year ending October 27, 2007 and no less than \$300,000 for the year ending October 27, 2008, plus certain fringe benefits. In addition, under the prior employment agreement Mr. Clamen was eligible to participate in any executive bonus program that we had in effect during the term of the employment agreement. Pursuant to this prior employment agreement, in March 2005, we granted Mr. Clamen ten-year stock options to purchase 200,000 shares of our common stock at \$5.06 per share, subject to earlier termination under certain conditions if Mr. Clamen ceased to be employed by us, half of which options vested immediately and the other half vested as of June 1, 2005. Pursuant to the amendment to this prior employment agreement in October 2006, we also issued to Mr. Clamen 10,971 shares of our restricted common stock, which vested in two equal annual installments commencing on October 27, 2007.

On September 22, 2006, we entered into an employment agreement with Andrew Tarshis, which provided for him to serve as our senior vice president and general counsel until September 22, 2009 and provided for him to receive an annual base salary of no less than \$275,000 during the first year of the term and \$300,000 during the second and third years of the term. This agreement was superseded by Mr. Tarshis' new employment agreement dated November 11, 2008. Pursuant to his prior employment agreement, we also issued to Mr. Tarshis 18,461 shares of our restricted common stock, which vest in three equal annual installments commencing on the first year anniversary of the agreement. Under the prior employment agreement, Mr. Tarshis was also eligible for a bonus consistent with other executive officers, as well as customary benefits, including participation in management incentive and benefit plans, a monthly car allowance of \$1,500 and reasonable business related travel and entertainment expenses.

David Conn

On April 17, 2004, we entered into an employment agreement, subsequently amended on December 29, 2005, with David Conn, which, as amended, provided for him to serve as our executive vice president until May 18, 2008, subject to earlier termination as provided in the agreement. The amended agreement provided for Mr. Conn to receive, among other things, an annualized base salary of: (i) \$250,000 during the period December 29, 2005 until May 17, 2006; (ii) \$275,000 during the period May 18, 2006 through May 17, 2007 and (iii) \$300,000 during the period May 18, 2007 through May 17, 2008, as well as a guaranteed bonus of \$25,000 per year, and a car allowance. He was also granted immediately exercisable ten-year stock options to purchase 100,000 shares of our common stock at \$10.19 per share. Mr. Conn's employment agreement expired by its terms on May 18, 2008. On August 13, 2008 we entered into an agreement with Mr. Conn to employ him in a non-executive and part-time capacity from that date through February 28, 2009 at a salary of \$300,000 per annum through August 31, 2008 and \$2,000 per week thereafter.

Deborah Sorell Stehr

On October 28, 2005, we entered into an employment agreement, subsequently amended on September 22, 2006, with Deborah Sorell Stehr, which, as amended, provided for her to serve as our senior vice president-business affairs and licensing until December 31, 2008 and provided for her to receive a base salary for performance based upon a four-day work week, as follows: (a) during the period from January 1, 2006 through December 31, 2006, at the annual rate of not less than \$220,000, (b) during the period from January 1, 2007 through December 31, 2007, at an annual rate of not less than \$230,000, and (c) during the period from January 1, 2008 through December 31, 2008 at the annual rate of not less than \$250,000. Pursuant to her employment agreement, in October 2005, we granted Ms. Stehr immediately exercisable ten-year stock options to purchase 60,000 shares of our common stock at \$8.03 per share, and, pursuant to its amendment, in September 2006 we also issued to Ms. Stehr 9,230 shares of our restricted common stock, which vest in two equal annual installments commencing on December 31, 2007. Under the amended agreement, Ms. Stehr remained eligible for a bonus consistent with other executive officers, as well as customary benefits, including participation in management incentive and benefit plans, a monthly car allowance of \$1,500 and reasonable travel and entertainment expenses. Her employment agreement with us provided that, if, within twelve months of a change in control, Ms. Stehr's employment was terminated by us without cause or Ms. Stehr terminated her employment with us for good reason, as all such terms are defined in her employment agreement, we were obligated to make a lump-sum severance payment to her equal to \$100 less than three times her annualized includable compensation for the base period (as defined in Section 280G of the Internal Revenue Code) reduced to the extent that this payment together with any other payment or benefit payable under the agreement constituted an excess parachute payment (as defined in Section 280G of the Internal Revenue Code). One such benefit would have been the change in vesting of certain of the 12,955 shares of restricted stock awarded to her. Ms. Stehr's employment agreement expired by its terms on December 31, 2008. Ms. Stehr ceased to be an executive officer in February 2009, but continues to be a non-executive employee of the Company.

- (1) Mr. Cole was granted 1,181,684 time-vested restricted common stock units, or RSUs, and 571,150 performance-based restricted common stock units, or PSUs, on February 19, 2008 pursuant to his employment agreement with us. On December 24, 2008, Mr. Cole agreed, in an amendment to his employment agreement, to defer the issuance of 1,181,684 shares of common stock underlying the RSUs until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$500,000 for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending

- with the calendar year from January 1, 2012 through December 31, 2012 if either one of two performance measures specified in the agreement have been satisfied. The 1,181,684 RSUs continue to vest in five substantially equal installments on each December 31st, beginning on December 31, 2008 and subject to Mr. Cole's continuous employment with us, although the delivery of the shares underlying such RSUs has been deferred as described above.
- (2) Mr. Cole was granted 1,181,684 RSUs and 571,150 PSUs on February 19, 2008 pursuant to his employment agreement with us. On May 21, 2008, Mr. Cole entered into an agreement with us that provided for the rescission of 256,034 of the previously granted 571,150 PSUs, which rescinded PSUs were then added to 216,639 additional PSUs he is entitled to under the employment agreement. This future grant of 216,639 PSUs and the 256,034 rescinded PSUs (a total of 472,673 PSUs) are conditioned upon (i) the grant thereof by the administrator of the 2006 equity incentive plan or any successor plan and (ii) either (x) receipt of stockholder approval of an additional number of shares of our common stock available for awards under the 2006 equity incentive plan or a successor plan or (y) the availability of our common stock under the 2006 equity incentive plan or a successor plan in an amount at least equal to the number of shares of common stock underlying such 472,673 PSUs. The 157,558 PSUs reflected in the table represent the unvested portion of the 315,116 PSUs remaining after the rescission, and does not include (i) the 256,034 rescinded PSUs, or (ii) the 216,639 PSUs, both of which Mr. Cole is entitled to receive in the future under the terms of his employment agreement, subject to the satisfaction of the conditions specified above. In February 2009, the Compensation Committee determined that the \$147 million EBITDA target was achieved, and, therefore, Mr. Cole earned 78,779 of 157,558 PSUs that he was eligible to receive for the year ended December 31, 2008. The other performance goals involving market capitalization and share price were not achieved.
- (3) Under his employment agreement, the executive is entitled to receive an award of 70,542 shares of our common stock subject to Board and stockholder approval. The shares vest in three equal annual installments with the first installment vesting on November 11, 2009, subject to acceleration under certain circumstances set forth in the executive's employment agreement. In the event that stockholder approval of the grant of the stock award is not obtained prior to the earlier of (i) the expiration of the term of the executive's employment agreement, (ii) a termination of the executive's employment prior to the end of the term due to the executive's death or disability, termination by the executive of his employment for good reason or termination of the executive's employment by us without cause, or (iii) a change in control, then instead of the grant of the award to the executive, we are required to pay to the executive an alternative amount equal to \$750,000.
- (4) Mr. Conn ceased serving as an officer in August 2008.
- (5) Ms. Stehr ceased serving as an officer in February 2009.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As noted under - Narrative to Summary Compensation Table-and Plan-Based Awards Table - Employment Agreements , we have entered into employment agreements with each of our named executive officers. These agreements provide for certain payments and other benefits if a named executive officer s employment with us is terminated under circumstances specified in his or her respective agreement, including a change in control of the Company. A named executive officer s rights upon the termination of his or her employment will depend upon the circumstances of the termination.

The receipt of the payments and benefits to the named executive officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference and non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described herein will entitle us to injunctive relief restraining the commission or continuance of any such breach, in addition to any other available remedies.

Except as provided in the footnotes below, the following table provides the term of such covenants following the termination of employment as it relates to each named executive officer:

Covenant	Deborah Sorell				
	Neil Cole	Warren Clamen	Andrew Tarshis	David Conn ⁽¹⁾	Stehr ⁽²⁾
Confidentiality	Infinite duration	Infinite duration	Infinite duration	Infinite duration for trade secrets and two years otherwise	None
Non-solicitation	Two Years	Three years ⁽³⁾	Three years ⁽³⁾	Two Years	None
Non-competition	One Year	Two years ⁽³⁾	Two years ⁽³⁾	Two Years	None
Non-interference	(4)	Three years ⁽³⁾	Three years ⁽³⁾	Two Years	None
Non-disparagement	Five years	None	None	None	None

(1) Mr. Conn's employment agreement with us expired on May 18, 2008, however, the covenants referred to above continue beyond the term of Mr. Conn's employment agreement.

(2) Ms. Stehr's employment agreement with us expired by its terms on December 31, 2008.

(3) Covenant runs from the date of the executive's new employment agreement.

(4) Mr. Cole's new employment agreement with us provides that during the term and a period of (i) two years thereafter, Mr. Cole cannot solicit our employees and (ii) one year thereafter, Mr. Cole cannot solicit our customers.

Termination Payments (without a change in control)

The table below includes a description and the amount of estimated payments and benefits that would be provided by us (or our successor) to each of the named executive officers under each employment agreement, assuming that a termination circumstance occurred as of December 31, 2008 and a change in control had not occurred:

Type of Payment	Termination Event	Estimated Amount of Termination Payment to:				
		Neil Cole ⁽¹⁾	Warren Clamen	Andrew Tarshis	David Conn	Deborah Sorell Stehr
Payment of earned but unpaid salary, unreimbursed expense, and accrued but unused vacation time ⁽²⁾	Termination for Cause or by executive without Good Reason	none	none	none	none	none
Earned but unpaid bonuses ⁽²⁾	Termination without Cause or by executive for Good Reason, death or disability	none	none	none	none	none
Lump Sum Severance Payment	Termination without Cause or by executive for Good Reason	\$2,649,000 ⁽³⁾	\$1,101,389 ⁽⁴⁾	\$1,101,389 ⁽⁴⁾		none
Pro rata portion of current year bonuses	Death, termination without Cause, or termination by executive for Good Reason	\$500,000	none ⁽⁵⁾	none ⁽⁵⁾	none	none
Continued coverage under medical, dental, hospitalization and life insurance plans	Death, termination without Cause, or termination by executive for Good Reason	\$40,256	\$1,099	\$34,142	none	none ⁽⁶⁾

- 1 Upon Mr. Cole's termination without cause by us or for good reason by Mr. Cole, 75% of the then remaining unvested restricted stock units shall immediately vest, and the portion of performance based units shall become vested on the achievement of the performance goals through the date of termination.
- 2 At December 31, 2008, each named executive officer is assumed to have received all such payments.
- 3 Payable one half in monthly installments, and half on December 31, 2009.
- 4 These amounts are payable in lump sum within 30 days of termination. Also Mr. Clamen and Mr. Tarshis may be entitled to an additional payment of \$750,000 in the event that stockholder approval has not been obtained for the stock awards they are entitled to receive pursuant to their employment agreements.
- 5 All such bonuses are discretionary.
- 6 Three months of continued health and medical benefits upon termination for Cause or upon death or disability.

Change in Control Payments

In lieu of the lump sum severance payment upon termination without a change of control, Mr. Cole is entitled to a lump sum payment equal to three times his base salary plus three times his average annual bonus for the last three years upon termination following a change in control.

In addition to the payments made upon termination by the Company without cause or termination by the executive for good reason, the employment agreements with Ms. Sorell Stehr, Mr. Tarshis and Mr. Clamen provide that, if, within twelve months of a change in control, their employment is terminated by us without cause or they terminate their employment with us for good reason, as all such terms are defined in each employment agreement, we are obligated to make a lump-sum severance payment to each such named executive officer equal to \$100 less than three times the named executive officer's annualized includable compensation for the base period (as defined in Section 280G of the Internal Revenue Code).

Under the circumstances described above, all of the named executive officers were entitled to an accelerated vesting and payment of stock options and restricted stock awards granted to that named executive officer. However, the sum of any lump sum payments, the value of any accelerated vesting of stock options and restricted stock awards, and the value of any other benefits payable to the named executive officer, with the exception of Mr. Cole, may not equal or exceed an amount that would constitute an excess parachute payment (as defined in Section 280G of the Internal Revenue Code). With respect to Mr. Cole, such payment is due within 60 days of December 31, 2008.

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the named executive officers would have been entitled upon termination of employment if we had terminated their employment without cause within twelve (12) months following a change in control of our Company that (by assumption) occurred on December 31, 2008 and prior to the expiration of any employment agreements.

Name	Cash Severance Payment (\$) ⁽¹⁾	Continuation of Medical/Welfare Benefits (Present Value) (\$)	Present Value of Accelerated Vesting of Equity Awards (\$) ⁽²⁾	Present Value of Accelerated Payment of Bonus (\$)	Total Termination Benefits (\$)

Andrew Tarshis	2,288,198 ⁽⁵⁾⁽⁸⁾	33,705	12,190		2,334,093
Deborah Sorell Stehr ⁽⁷⁾	2,704,609 ⁽⁶⁾		5,584		2,710,193

- (1) Mr. Clamen, Mr. Tarshis and Ms. Sorell Stehr may be entitled to additional payments of \$1,109,043, \$1,147,186 and \$5,485, respectively, to the extent that any portion of those amounts are ascribed to any post-termination obligations set forth in their respective employment agreements that were in effect on December 31, 2008.
- (2) This amount represents the unrealized value of the unvested portion of the respective named executive officer's restricted stock based upon the closing price of our common stock on December 31, 2008.

- (3) Payable within 60 days of termination.
- (4) \$1,101,389 is payable within 30 days of termination. The difference is due within 15 days of termination.
- (5) \$1,147,186 is payable within 30 days of termination. The difference is due within 15 days of termination.
- (6) Payable within 15 days of termination
- (7) Mr. Stehr ceased serving as an officer in February 2009.
- (8) Mr. Clamen and Mr. Tarshis may be entitled to an additional payment of \$750,000 in the event that stockholder approval has not been obtained for the stock awards they are entitled to receive pursuant to their employment agreements.

The new employment agreement with Mr. Cole also contains certain non-competition and non-solicitation covenants restricting such activities for periods equal to the term of the agreement and any renewal period plus one and two years, respectively, after the agreement is terminated for any reason.

VOTING SECURITY OWNERSHIP OF

CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table presents information regarding beneficial ownership of our common stock as of the Record Date by each of our directors and our named executive officers, all of our executive officers and directors, as a group, and each person known by us to beneficially hold five percent or more of our common stock, based on information obtained from such persons.

Unless indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all securities beneficially owned, subject to community property laws where applicable. The shares beneficially owned by a person are determined in accordance with the definition of beneficial ownership set forth in the regulations of the SEC and, accordingly, shares of our common stock underlying options, warrants, restricted stock units and other convertible securities that are exercisable or convertible within 60 days of the Record Date and shares of our common stock underlying restricted stock awards that vest within 60 days of the Record Date are deemed to be beneficially owned by the person holding such securities and to be outstanding for purposes of determining such holder's percentage ownership. Shares of common stock subject to options, warrants, restricted stock units or other convertible securities that are not exercisable or convertible and restricted stock awards that do not vest within 60 days from the Record Date are not included in the table below as beneficially owned. The same securities may be beneficially owned by more than one person.

Percentage ownership is based on 71,299,210 shares of our common stock outstanding as of the Record Date. The address for each beneficial owner, unless otherwise noted, is c/o Iconix Brand Group, Inc. at 1450 Broadway, New York, New York 10018.

Accordingly, through their ownership of voting common shares and the execution of the shareholders voting agreement, members of the Johnson family may be deemed, under the Investment Company Act of 1940, to form a controlling group with respect to FMR LLC. Neither FMR LLC nor Edward C. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to its charter, our audit committee must review and approve, where appropriate, all related party transactions.

On May 1, 2003, we granted Kenneth Cole Productions, Inc. the exclusive worldwide license to design, manufacture, sell, distribute and market footwear under our Bongo brand. The chairman of Kenneth Cole Productions is Kenneth Cole, who is the brother of Neil Cole, our chief executive officer and president. During the Current Quarter and Prior Year Quarter, we earned \$0.2 million and \$0.3 million, respectively, in royalties from Kenneth Cole Productions. During fiscal 2008 and fiscal 2007, we received \$1.1 million and \$0.7 million in royalties from Kenneth Cole Productions, respectively.

The Candie's Foundation, a charitable foundation founded by Neil Cole for the purpose of raising national awareness about the consequences of teenage pregnancy, owed us \$0.5 million and \$0.8 million as of March 31, 2009 and December 31, 2008, respectively. The Candie's Foundation will pay-off the entire borrowing from us during 2009 although additional advances will be made as and when necessary.

We recorded expenses of approximately \$354,000 for fiscal 2008 for the hire and use of aircraft solely for business purposes owned by a company in which our chairman, chief executive officer and president is the sole owner. There were no such expenses in fiscal 2007. Management believes that all transactions were made on terms and conditions no less favorable than those available in the marketplace from unrelated parties.

PROPOSAL II

APPROVAL OF 2009 EQUITY INCENTIVE PLAN

Proposed 2009 Equity Incentive Plan

Subject to stockholder approval, our Board of Directors has approved our 2009 Equity Incentive Plan (the 2009 Plan).

General Description of the 2009 Plan

The 2009 Plan will be administered by the compensation committee of the Board although the 2009 Plan allows for administration of the 2009 Plan by another committee of the Board appointed from among its members as provided in the 2009 Plan composed of independent directors. In the absence of a compensation committee or other such committee the Plan will be administered by the entire Board. For purposes of the discussion under this Proposal I the term compensation committee shall be deemed to refer to the compensation committee of the Board or then other administrator of the 2009 Plan.

Under the 2009 Plan, the committee administering the 2009 Plan is authorized to grant awards to non-employee directors, executive officers and other employees of, and consultants and advisors to, the Company or any of its Subsidiaries (as defined in the 2009 Plan) and to determine the number and types of such awards and the terms, conditions, vesting and other limitations applicable to each such award. In addition, the committee has the power to interpret the 2009 Plan and to adopt such rules and regulations as it considers necessary or appropriate for purposes of administering the 2009 Plan.

The following types of awards or any combination of them may be granted under the 2009 Plan: (i) incentive stock options, (ii) non-qualified stock options, (iii) stock grants, including stock units, and (iv) performance awards.

The aggregate number of shares of common stock to be reserved for awards granted or to be granted under the 2009 Plan is 3,000,000 shares, subject to adjustments for stock splits, recapitalizations and other specified events. Such shares may be treasury shares or authorized but unissued shares. If any outstanding award is cancelled, forfeited, or surrendered to the Company, shares of common stock allocable to such award may again be available for awards under the 2009 Plan. Incentive stock options may be granted only to participants who are executive officers and other employees of the Company or any of its Subsidiaries on the date of the grant, and non-qualified stock options may be granted to any participant in the 2009 Plan. No stock option granted under the 2009 Plan will be exercisable later than ten years after the date it is granted. The maximum number of shares of common stock with respect to which awards may be granted to any individual participant under the 2009 Plan during each of the Company's fiscal years will not exceed 1,500,000 shares, subject to certain adjustments.

Set forth below is a more detailed summary of the principal features of the 2009 Plan. The description of the 2009 Plan contained in this proxy statement is not intended to be complete and is qualified in its entirety by reference to the full text of the 2009 Plan attached to this proxy statement as Annex A. Stockholders should read the 2009 Plan in its entirety.

Reason for the 2009 Plan

The Board of Directors believes that options and other equity awards granted under the Company's existing stock option and incentive plans have contributed significantly to the success of the Company by enabling the Company to attract and retain the services of employees, including executive officers, directors, consultants and advisors of exceptional ability. Because the success of the Company is

largely dependent upon the judgment, interest and special efforts of these employees, directors, consultants and advisors, the Company endeavors to continue to provide stock based incentive awards to recruit, motivate and retain these individuals. In this regard, pursuant to the terms of the employment agreement the Company entered into on January 28, 2008 with its chairman of the board, president and chief executive officer, Neil Cole, on February 19, 2008, Mr. Cole was granted 1,181,684 time-vested restricted common stock units (the RSUs) under the Company's 2006 Equity Incentive Plan (2006 Plan) and 571,150 performance-based restricted common stock units (the PSUs) under the 2006 Plan.

On May 21, 2008, Mr. Cole entered into an agreement with the Company that provides for the rescission of a total of 256,034 of the 571,150 PSUs granted pursuant to his employment agreement. The RSUs vest in five substantially equal annual installments commencing on December 31, 2008, subject to Mr. Cole's continuous employment with us on the applicable vesting date, and the PSUs are subject to vesting based on our achievement of the following performance goals: 50% is tied to the achievement of EBITDA growth, 25% is tied to the achievement of market cap growth and 25% is tied to the achievement of stock price growth. Both grants are subject to forfeiture upon the termination of Mr. Cole's employment under certain circumstances. In addition, Mr. Cole's ability to sell or otherwise transfer the common stock underlying the RSUs and the PSUs while he is employed by the Company is subject to certain restrictions. Pursuant to the employment agreement, Mr. Cole is also entitled to a grant of 216,639 additional PSUs and the common stock issuable thereunder. The future issuance of these 216,639 PSUs and the 256,034 PSUs that were the subject of the rescission agreement between Mr. Cole and the Company (a total of 472,673 PSUs) or any portion thereof, is conditioned upon (i) the grant thereof by the administrator of the 2006 Plan or any successor plan and (ii) either (x) receipt of stockholder approval of an additional number of shares of our common stock available for awards under the 2006 Plan or a successor plan or (y) the availability of our common stock under the 2006 Plan or a successor plan in an amount at least equal to the number of shares of common stock underlying the portion of such 472,673 PSUs. Therefore, Mr. Cole will be granted under the 2009 Plan the 472,673 PSUs referred to above if this proposal to adopt the 2009 Plan is approved. These PSUs will be subject to vesting based on the Company's achievement of designated performance goals and are subject to forfeiture upon the termination of Mr. Cole's as discussed above.

In addition, if this proposal to adopt the 2009 Plan is approved, Messrs. Clamen and Tarshis will each be entitled pursuant to their respective employment agreements to receive an award of 70,542 shares of the Company's common stock upon approval by stockholders of a plan covering the awards. The shares will vest in three equal annual installments with the first installment vesting on November 11, 2009, subject to acceleration under certain circumstances, as set forth in their employment agreements.

The awards described above are set forth in the table below captioned "New Plan Benefits 2009 Equity Incentive Plan" which also sets forth information relating to additional awards to be granted under the 2009 Plan if it is approved at this meeting. In addition, if the 2009 Plan is approved, it would also allow additional awards under the 2009 Plan to be made to officers and other employees, directors, consultants and advisors of the Company and its Subsidiaries.

Summary of the 2009 Plan

Awards

The following types of awards or any combination of them may be granted under the 2009 Plan: (i) Stock Options (both Incentive Stock Options and Non-Qualified Options) to acquire shares of common stock; (ii) Stock Grants which entitle the grantee to acquire shares of common stock which may be subject to certain restrictions such as restrictions on transferability which may include stock units including restricted stock units; and (iii) Performance Awards, which entitle the grantee to receive, without payment, an award following the attainment of performance goals. Awards are evidenced by award agreements in such forms as the Board committee administering the 2009 Plan or the Board, as the case may be, approves from time to time. Each award is subject to such terms and conditions consistent with the 2009 Plan, as determined by the compensation committee and as set forth in the award agreement. The compensation committee shall have the authority to retract any award granted under the 2009 Plan in case of a material restatement of the financial statements of Iconix or if it is otherwise determined by the compensation committee or Board that the previously granted award was not earned by the participant.

Administration of the 2009 Plan

If the 2009 Plan is approved at this meeting, it is anticipated that the 2009 Plan will be administered by the compensation committee of the Board. Under the 2009 Plan, the compensation committee will be authorized to grant awards to outside directors, executive officers, and other employees, and consultants and advisors to, Iconix or any of its Subsidiaries and to determine the number and types of such awards and the terms, conditions, vesting and other limitations applicable to each such award. In addition, the compensation committee has the power to interpret the 2009 Plan and to adopt such rules and regulations as it considers necessary or appropriate for purposes of administering the 2009 Plan.

Eligibility and Participation

All outside directors, executive officers and other employees of, and consultants and advisors to, Iconix or any of its Subsidiaries, who are significantly responsible for the success and future growth and profitability of Iconix, as determined by the compensation committee, will be eligible to be participants in the 2009 Plan. As of the date of this proxy statement, seven directors, two non-director executive officers and approximately 63 non executive-officer employees would be eligible to be participants under the 2009 Plan. We are presently unable to determine the number of consultants or advisors who may be eligible to receive awards under the 2009 Plan. The number of persons covered by the 2009 Plan may increase if we employ additional employees, elect additional directors or retain additional consultants and advisors. A participant's right, if any, to continue to serve Iconix as a director, executive officer or other employee, or otherwise will not be enlarged or otherwise affected by his or her designation as a participant under the 2009 Plan. Participants may receive one or more awards under the 2009 Plan.

Shares Subject to Awards

The aggregate number of shares of Common Stock that will be reserved for awards, including shares underlying stock options, to be granted under the 2009 Plan is 3,000,000 shares, subject to adjustments for stock splits, recapitalizations and other specified events. The maximum number of shares of Common stock with respect to which awards may be granted or measured to any individual participant under the 2009 Plan during any fiscal year may not exceed 1,500,000 shares, subject to certain

adjustments. Such shares may be treasury shares or authorized but unissued shares. If any outstanding award is canceled, forfeited, or surrendered to Iconix for tax withholding purposes, shares of common stock allocable to such award may again be available for awards under the 2009 Plan.

Stock Options

Stock Options granted under the 2009 Plan may be either Incentive Stock Options (within the meaning of Section 422 of the Internal Revenue Code) or Non-Qualified Stock Options that do not qualify as Incentive Stock Options. See U.S. Federal Income Tax Consequences.

The committee administering the 2009 Plan determines the exercise price at which shares underlying a Stock Option may be purchased, whether an Incentive Stock Option or a Non-Qualified Stock Option. However, the exercise price of a Stock Option may not be less than the fair market value of the shares of common stock on the date the Stock Option is granted. No Stock Option will be exercisable later than ten years after the date it is granted. Stock Options granted under the 2009 Plan are exercisable at such times as specified in the 2009 Plan and the award agreement. Except as otherwise provided in the award agreement or by the compensation committee, a participant in the 2009 Plan must pay the option exercise price in cash.

Incentive Stock Options may be granted only to executive officers and other employees of Iconix or any of its Subsidiaries. The aggregate market value (determined as of the date of grant) of common stock with respect to which Incentive Stock Options are exercisable for the first time by a participant during any calendar year may not exceed \$100,000. Furthermore, Incentive Stock Options may not be granted to any participant who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all outstanding classes of stock of Iconix or any of its subsidiaries, unless the exercise price is fixed at not less than 110% of the fair market value of the common stock on the date of grant, and such an Incentive Stock Option cannot be exercised more than five years after the date of grant.

Stock Grants

Stock Grant may be granted to executive officers and other employees of, or consultants or advisors to, Iconix or any of its subsidiaries. Stock Grants may consist of shares of common stock or Stock Units (unfunded and unsecured promises, denominated in shares of common stock, to deliver common stock or cash measured by the value of common stock). A Stock Grant may include restrictions on the vesting, sale or other disposition of the shares or cash covered by the award, and Iconix may have the right to reacquire such shares for no consideration upon termination of the participant's employment within specified periods. The award agreement will specify whether the participant will have, with respect to the shares of common stock subject to a Stock Grant, all of the rights of a holder of shares of common stock, including the right to receive dividends, if any, and to vote the shares.

Performance Awards

Performance Awards may be granted to executive officers and other employees of Iconix or any of its subsidiaries. The compensation committee will set performance targets at its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Awards that will be paid out to the participants and may attach to such Performance Awards one or more restrictions. Performance targets may be based upon company-wide, divisional and/or individual performance.

Payment of earned Performance Awards may be made in shares of common stock or in cash and will be made in accordance with the terms and conditions prescribed or authorized by the compensation

committee. The participant may elect to defer, or the compensation committee may require or permit the deferral of, the receipt of Performance Awards upon such terms as the compensation committee deems appropriate.

Performance-Based Awards

Certain awards made under the 2009 Plan may be granted so that they qualify as performance-based compensation (as this term is used in Section 162(m) of the Code and the regulations thereunder) and are exempt from the deduction limitation imposed by Section 162(m) of the Code (Performance-Based Awards). It is anticipated that any Stock Options to be granted under the 2009 Plan and certain Stock Grants and Performance Awards granted under the 2009 Plan, and the compensation attributable to such awards, are intended to (i) qualify as Performance-Based Awards or (ii) be otherwise exempt from the deduction limitation imposed by Section 162(m) of the Code. Among other criteria, awards qualify as Performance-Based Awards if at the time of grant the compensation committee is comprised solely of two or more outside directors (as this term is used in Section 162(m) of the Code and the regulations thereunder). In making these awards, the compensation committee must establish and apply objective performance goals and may use one or more or a combination of goals including sales; revenues; assets; costs; earnings before or after deduction for all or any portion of interest, taxes, depreciation, or amortization, whether or not on a continuing operations or an aggregate or per share basis; return on equity, investment, capital or assets; one or more operating ratios; borrowing levels, leverage ratios or credit rating; market share; capital expenditures; cash flow; stock price; stockholder return or stockholder value; sales of particular products or services; customer acquisition or retention; safety, health or environmental affairs performance; compliance; acquisitions and divestitures (in whole or in part); joint ventures and strategic alliances; spin-offs, split-ups and the like; reorganizations; or recapitalizations, restructurings, financings (issuance of debt or equity) or refinancings and other similar objective factors.

Effect of Change in Control

The 2009 Plan provides for the acceleration of certain benefits in the event of a Change in Control of Iconix. The meaning of a Change in Control is either defined in 2009 Plan, or, in certain circumstances, as defined in the participant's employment agreement or change-in-control agreement, if one exists. The 2009 Plan definition includes, among other things, such events as the sale of all or substantially all the assets of Iconix, any person becoming the beneficial owner of more than 50% of Iconix voting stock, and a merger of Iconix where Iconix stockholders own less than 51% of the voting stock of the surviving entity.

All unvested awards granted under the 2009 Plan will become fully vested immediately upon the occurrence of the Change in Control and such vested awards will be paid out or settled, as applicable, within 60 days upon the occurrence of the Change in Control, subject to requirements of applicable laws and regulations. The compensation committee may determine that upon the occurrence of a Change in Control, each Stock Option outstanding will terminate and the holder will receive, within 60 days upon the occurrence of the Change in Control, an amount equal to the excess of the fair market value of the shares underlying the award immediately prior to the occurrence of such Change in Control over the exercise price per share of such award. This cash out amount is payable in cash, in one or more kinds of property (including the property, if any, payable in the transaction) or in a combination thereof.

Adjustments to Awards Due to Changes in Iconix's Capital Structure

In the event of any change in the shares of common stock by reason of a merger, consolidation, reorganization, recapitalization, stock split, stock dividend, exchange of shares, or other similar change in the corporate structure or distribution to stockholders, each outstanding Stock Option will be adjusted. The adjustments will make each award exercisable thereafter for the securities, cash and/or other property

as would have been received in respect of the common stock subject to such award had the Stock Option been exercised in full immediately prior to the change or distribution. Furthermore, in the event of any such change or distribution, in order to prevent dilution or enlargement of participants' rights under the 2009 Plan, the compensation committee has the authority to make equitable adjustments to, among other things, the number and kind of shares subject to outstanding awards and exercise price of outstanding awards.

Termination of Employment

If a participant's employment is terminated due to death or disability, then the participant's unvested Stock Grants and unexercisable Stock Options become vested or exercisable, as applicable, immediately as of the date of the termination of the participant's employment. All Stock Options that were or became exercisable as of the date of the participant's death or termination of employment, will remain exercisable until the earlier of (i) the end of the one-year period following the date of the participant's death or following the date of the termination of his or her employment, as the case may be, or (ii) the date the Stock Option would otherwise expire. All unearned or unvested Performance Awards held by the participant on the date of the participant's death or the date of the termination of his or her employment, as the case may be, will immediately become earned or vested as of such date and will be paid out or settled within 60 days following such termination based on the participant's performance immediately prior to the date of the participant's death or the date of the termination of his or her employment on a pro-rated basis with a minimum of at least one year into a performance period.

Other than as set forth in an employment or other agreement, the award agreement or other written agreement, a participant whose employment is voluntarily terminated by the participant, or whose employment is terminated for cause, as defined in the 2009 Plan, forfeits all awards granted to the participant under the 2009 Plan, whether or not vested, exercisable or earned, held by the participant on the date of such termination. A participant whose employment is terminated for any reason, other than for cause, death or disability, including, without limitation, retirement, forfeits all unvested, unexercisable and unearned awards granted to the participant. All exercisable Stock Options held by the participant on the date of the termination of his or her employment for any reason other than for voluntary termination, cause, death or disability will remain exercisable until the earlier of (i) the end of the 90-day period following the date of the termination of the participant's employment, or (ii) the date the Stock Option would otherwise expire. The 2009 Plan's provisions relating to termination of employment may be modified in the discretion of the compensation committee.

Transferability

Each award granted under the 2009 Plan to a participant who is subject to restrictions on transferability and/or exercisability is not transferable otherwise than by will or the laws of descent and distribution, and/or is exercisable, during the participant's lifetime, only by the participant. The compensation committee may allow a Stock Option to be exercisable during a period after the death of the participant by the executor or administrator of the estate of the deceased participant or the person or persons to whom the deceased participant's rights under the Stock Option will pass by will or the laws of descent and distribution. The compensation committee also may permit an award (other than an Incentive Stock Option) to be transferred by a participant solely to members of the participant's immediate family or trusts or family partnerships for the benefit of such persons, subject to any restriction included in the award agreement.

Amendment of Awards

The terms and conditions applicable to any award may be amended or modified by mutual agreement between Iconix and the participant or any other persons as may then have an interest in the award. Also, by mutual agreement between Iconix and a participant under the 2009 Plan or under any other present or future plan of Iconix, awards may be granted to a participant in substitution and exchange for, and in cancellation of, any awards previously granted to a participant under the 2009 Plan or any other present or future plan of Iconix.

Term and Amendment of the 2009 Plan

If the 2009 Plan is approved at this meeting it will terminate on August 13, 2019, unless terminated sooner by the Board or the compensation committee. Subject to the provisions of the 2009 Plan, the Board or the compensation committee may amend the 2009 Plan from time to time, and suspend or terminate the 2009 Plan at any time. Without stockholder approval, no amendment may (i) increase the total number of shares which may be issued under the 2009 Plan or the maximum number of shares with respect to which Stock Options and other awards that may be granted to any individual under the 2009 Plan; (ii) modify the requirements as to eligibility for awards under the 2009 Plan; (iii) disqualify any Incentive Stock Options granted under the 2009 Plan; or (iv) effect the repricing of Stock Options.

U.S. Federal Income Tax Consequences

The following information summarizes the material U.S. federal income tax consequences upon participants and the Company with respect to the grant and exercise of stock options under the 2009 Plan. It does not purport to be complete, and does not discuss the tax consequences of a participant's death or the provisions of the income tax laws of any municipality, state or foreign country in which the participant may reside. This summary is qualified in its entirety by reference to the applicable provisions of the Code and the regulations adopted under the Code, each as in effect on the date hereof.

Participants are encouraged to consult their own tax advisors regarding the municipal, state, U.S. federal and foreign income tax consequences in their particular circumstances and with respect to their particular awards. The provisions of the Code described in this section include current U.S. federal income tax law only and do not reflect any proposals to revise current tax law. The U.S. federal income tax consequences applicable to officers, directors, and other persons who are subject to potential liability under Section 16(b) of the Exchange Act may be different than the U.S. federal income tax consequences applicable to persons who are not subject to Section 16(b).

To ensure compliance with IRS Circular 230, stockholders are hereby notified that: (a) any discussion of federal tax issues contained or referred to herein is not intended or written to be used, and cannot be used by a stockholder, for the purpose of avoiding penalties that may be imposed on the stockholder under the Code, (b) such discussion is written in connection with this proxy statement and the matters addressed herein, and (c) a stockholder should seek advice based on his, her or its particular circumstances from an independent tax advisor.

Incentive Stock Options

Generally, under the Code, an optionee will not realize taxable income by reason of the grant or exercise of an Incentive Stock Option granted pursuant to the 2009 Plan (see, however, discussion of alternative minimum tax below). If an optionee exercises an Incentive Stock Option and does not dispose of the shares until the later of (i) two years from the date the option was granted and (ii) one year from the date of exercise, the entire gain, if any, realized upon disposition of such shares will be taxable to the optionee as long-term capital gain, and Iconix will not be entitled to any deduction. If an optionee disposes of the shares within the period of two years from the date of grant or one year from the date of exercise (a disqualifying disposition), the optionee generally will realize ordinary income in the year of

disposition and Iconix will receive a corresponding deduction in an amount equal to the excess of (i) the lesser of (a) the amount, if any, realized on the disposition and (b) the fair market value of the shares on the date the option was exercised over (ii) the option price. Any additional gain realized on the disposition will be short-term or long-term capital gain and any loss will be long-term or short-term capital loss. The optionee will be considered to have disposed of a share if he or she sells, exchanges, makes a gift of or transfers legal title to the share (except transfers, among others, by pledge, on death or to a spouse). If the disposition is by sale or exchange, the optionee's tax basis will equal the amount paid for the shares plus any ordinary income realized as a result of the disqualifying disposition.

The exercise of an Incentive Stock Option may subject the optionee to the so-called alternative minimum tax (AMT). The amount by which the fair market value of the shares purchased at the time of the exercise exceeds the option exercise price is an adjustment for purposes of computing the AMT. In the event of a disqualifying disposition of the shares in the same taxable year as exercise of the Incentive Stock Option, no adjustment is then required for purposes of the AMT, but regular income tax, as described above, may result from such disqualifying disposition.

An optionee who surrenders shares as payment of the exercise price of his or her Incentive Stock Option generally will not recognize gain or loss on his or her surrender of such shares. The surrender of shares previously acquired upon exercise of an Incentive Stock Option in payment of the exercise price of another Incentive Stock Option, is, however, a disposition of such stock. If the Incentive Stock Option holding period requirements described above have not been satisfied with respect to such stock, such disposition will be a disqualifying disposition that may cause the optionee to recognize ordinary income as discussed above.

Under the Code, all of the shares received by an optionee upon exercise of an Incentive Stock Option by surrendering shares will be subject to the Incentive Stock Option holding period requirements. Of those shares, a number of shares (the Exchange Shares) equal to the number of shares surrendered by the optionee will have the same tax basis for capital gains purposes (increased by any ordinary income recognized as a result of a disqualifying disposition of the surrendered shares if they were Incentive Stock Option shares) and the same capital gains holding period as the shares surrendered.

For purposes of determining ordinary income upon a subsequent disqualifying disposition of the Exchange Shares, the amount paid for such shares will be deemed to be the fair market value of the shares surrendered. The balance of the shares received by the optionee will have a tax basis (and a deemed purchase price) of zero and a capital gains holding period beginning on the date of exercise. The Incentive Stock Option holding period for all shares will be the same as if the option had been exercised for cash.

Non-Qualified Stock Options

Generally, there will be no U.S. federal income tax consequences to either the optionee or Iconix on the grant of Non-Qualified Stock Options pursuant to the 2009 Plan. On the exercise of a Non-Qualified Stock Option, the optionee has taxable ordinary income equal to the excess of the fair market value of the shares acquired on the exercise date over the option price of the shares. Iconix will be entitled to a U.S. federal income tax deduction (subject to the limitations contained in Code Section 162(m)) in an amount equal to such excess, provided that Iconix complies with applicable reporting rules.

Upon the sale of stock acquired by exercise of a Non-Qualified Stock Option, optionees will realize long-term or short-term capital gain or loss depending upon their holding period for such stock. For individuals, capital losses are deductible only to the extent of capital gains for the year plus \$3,000. An optionee who surrenders shares in payment of the exercise price of a Non-Qualified Stock Option will not recognize gain or loss with respect to the shares so delivered unless such shares were acquired

pursuant to the exercise of an Incentive Stock Option and the delivery of such shares is a disqualifying disposition. See Incentive Stock Options. The optionee will recognize ordinary income on the exercise of the Non-Qualified Stock Option as described above. Of the shares received in such an exchange, that number of shares equal to the number of shares surrendered have the same tax basis and capital gains holding period as the shares surrendered. The balance of shares received will have a tax basis equal to their fair market value on the date of exercise and the capital gains holding period will begin on the date of exercise.

Stock Grants

The taxability of a Stock Grant to a participant is dependent upon the extent to which the award is restricted on the date of grant. If a Stock Grant is either transferable or not subject to a substantial risk of forfeiture, a participant will recognize taxable ordinary income on the date of grant. If a Stock Grant is both non-transferable and subject to a substantial risk of forfeiture on the date of grant, then unless an election is made as described below, a participant will not recognize taxable ordinary income on the date of grant, but will at such time or times as the Stock Grant becomes either transferable or not subject to a substantial risk of forfeiture in an amount equal to the fair market value of such shares at that time. Within thirty days of receipt of a Stock Grant that is not transferable and subject to a substantial risk of forfeiture, a participant may file an election with the Internal Revenue Service to include as taxable ordinary income in the year of receipt an amount equal to the fair market value of the shares subject to the award at the time of receipt. In such event, any subsequent appreciation in the value of such shares will not be taxable as compensation to a participant upon the vesting of shares subject to the award. However, if shares subject to the award are forfeited subsequent to such election, a participant will not be entitled to a tax deduction. For purposes of determining the amount of taxable gain or loss upon a subsequent disposition of shares issued pursuant to such an award, the amount recognized as ordinary income to a participant will be treated as the cost basis for such shares. Shares which are held for more than one year after vesting (or in the event of an election as described above, the date of receipt) generally will qualify for long-term capital gain treatment.

Performance Awards

The tax consequences of a performance award depend upon the nature of the underlying award and if and when the performance goals are achieved. If a performance award consists of a promise to deliver common stock at a future date based upon the satisfaction of certain targets, such awards will be subject to U.S. federal income taxation as ordinary income based upon the fair market value of the common stock on the date such performance awards are earned by a participant by satisfying the performance targets, provided that such awards are not then subject to a substantial risk of forfeiture.

Application of Code Section 409A to Deferred Compensation Arrangements

The 2009 Plan provides that, under certain circumstances, the receipt of a benefit resulting from an award under the 2009 Plan may be electively deferred by the participant (or the compensation committee, as applicable) to a time that is later than the year in which such benefit becomes vested. To the extent that a participant makes such a deferral election, Section 409A of the Code, which was enacted as part of the American Jobs Creation Act of 2004 (the Jobs Act), subjects the deferral arrangement to certain substantive requirements including (among other items) deferral election and payment timing requirements. In the event that a deferral arrangement fails to comply with Code Section 409A in form or operation, a participant may become subject to: (i) the imposition of U.S. federal income tax (and potentially state and local income tax) on all amounts deferred in the tax year in which the amounts are deferred (or, if later, in the tax year when the receipt of the benefits are no longer subject to a substantial risk of forfeiture); (ii) a penalty tax of 20 percent of the includable amount (in addition to the regular

income tax at ordinary income rates); and (iii) interest at the underpayment rate plus 1 percent from the time the amount was first deferred (or, if later, the tax year when the benefits are no longer subject to a substantial risk of forfeiture) until the time the amount is included in income. Code Section 409A may require significant changes to existing nonqualified deferred compensation plans no later than December 31, 2008. The 2009 Plan specifically provides that any awards in connection therewith shall be structured in a manner (as determined by the Board) that is intended to comply with the requirements of Section 409A, and that any deferrals of payments under the 2009 Plan (whether requested by the participant or otherwise required by the compensation committee) with respect to Awards under this Plan shall not be allowed except to the extent that such deferrals would not (in the judgment of the Board) cause the payments to fail to satisfy the requirements for nonqualified deferred compensation plans described in Section 409A of the Code. Generally speaking, Section 409A of the Code does not apply to incentive stock options and nonqualified stock options granted at fair market value if no deferral is provided beyond exercise, or to restricted stock. Although Iconix will institute a review of the 2009 Plan with respect to the requirements of Code Section 409A, because the tax consequences to any participant in the 2009 Plan may depend upon such person's situation, as well as the uncertain application of Code Section 409A, each participant in the 2009 Plan should consult his or her tax advisor as to the federal, state and local and other tax consequences with respect to the grant or exercise of an option or any other award granted under the 2009 Plan.

Withholdings of Tax; Company Deduction

Generally, whenever a participant realizes ordinary income under the 2009 Plan, a corresponding deduction is available to Iconix provided Iconix complies with certain reporting requirements. Under Code Section 162(m), however, Iconix will be denied a deduction for certain compensation if it exceeds \$1,000,000 paid, excluding (among other things) certain performance-based compensation.

Iconix is entitled to withhold, or secure payment from a participant in lieu of withholding, the amount of any tax required by law to be withheld or paid by Iconix with respect to any amount payable or shares issuable under a participant's award

On June 25, 2009, the last sale price of the common stock was \$14.67 per share as reported on the Nasdaq Global Market.

Awards to be made under the 2009 Plan

The Summary Compensation Table above contains information on shares of common stock awarded to the Company's named executive officers in 2008, all of which were awarded under the 2006 Plan. No other awards were granted to the Company's named executive officers in 2008. As noted above, certain RSUs and PSUs were awarded in February 2008 to the Company's chief executive officer, Neil Cole, under the terms of his new employment agreement. Mr. Cole is also currently entitled to an award of 472,673 additional PSUs under that agreement and Messrs. Clamen and Tarshis are each currently entitled to receive an award of 70,542 shares of common stock, in each case subject to stockholder approval of this proposal to adopt the 2009 Plan. The following table sets forth information regarding the stock-based awards that the Company currently expects to grant in 2009 under the 2009 Plan, subject to stockholder approval of the 2009 Plan.

The number of PSUs to be awarded under Mr. Cole's employment agreement was based upon a 10-day average price of \$20.31 per share determined in accordance with the terms of his new employment agreement. Based on closing price of \$14.67 on June 25, 2009, the value of the common stock underlying the PSUs is \$6,934,113.
- (3) The grant of 472,673 PSUs and the common stock issuable thereunder is subject to stockholder approval of the 2009 Plan (pursuant to this Proposal II), an amendment to increase the number of shares under the 2006 Plan, or approval of another incentive plan that would cover such grants.
- (4) Based on closing price of \$14.67 on June 25, 2009, the value of the common stock underlying these shares is \$1,034,851.
- (5) Based on closing price of \$14.67 on June 25, 2009, the value of the common stock underlying these shares is \$9,003,815.
- (6) The dollar value of the restricted shares of common stock awards to be granted to non-employee members of the Board depends on the value of a share of common stock of the Company on the date of grant.
- (7) Represents grant of 4,000 restricted shares of common stock anticipated to be awarded by the Company to each of the non-employee members of the Board on or about January 1, 2010.
- (8) Based on closing price of \$14.67 on June 25, 2009, the value of the common stock underlying these shares is \$1,576,673.
- There are two reasons for seeking stockholder approval of Proposal II. One is to satisfy a Nasdaq Stock Market requirement that requires companies whose shares are reported on the Nasdaq Global Market to obtain stockholder approval of stock plans for directors, officers or key employees. The second

reason is to satisfy requirements of the Code which require stockholder approval of the stock plan in order for options granted under the 2009 Plan to qualify as incentive stock options to the extent so designated and for the 2009 Plan to satisfy one of the conditions of Section 162(m) of the Code applicable to performance-based compensation.

ICONIX BRAND GROUP, INC.**2009 EQUITY INCENTIVE PLAN****1. Purpose**

The 2009 Iconix Brand Group, Inc. Equity Incentive Plan (the **Plan**) is intended to provide incentives which will attract, retain, motivate and reward highly competent persons as non-employee directors, executive officers and other employees of, or consultants and advisors to, Iconix Brand Group, Inc. (the **Company**) or any of its subsidiary corporations, limited liability companies or other forms of business entities now existing or hereafter formed or acquired (**Subsidiaries**), by providing them opportunities to acquire shares of common stock, par value \$.001 per share, of the Company (**Common Stock** or **Stock**) or to receive other Awards (as defined in Section 4 below) described herein. Furthermore, the Plan is intended to assist in further aligning the interests of such non-employee directors, executive officers and other employees, consultants and advisors, with those of the stockholders of the Company.

2. Administration

a. The Plan generally shall be administered by a committee (the **Committee**) which shall be the Compensation Committee of the Board of Directors of the Company (the **Board**) or another committee appointed by the Board from among its members. In the absence of such Committee, the Board shall administer the Plan. The use of the term **Committee** shall be deemed to mean the Board if no Committee has been appointed by the Board. Unless the Board determines otherwise, the Committee shall be comprised solely of not less than two members who each shall qualify as a (i) **Non-Employee Director** within the meaning of Rule 16b-3(b)(3) (or any successor rule) under the Securities Exchange Act of 1934, as amended (the **Exchange Act**) and (ii) an **outside director** within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**), and the regulations thereunder. In addition, all Committee members shall be **independent directors** as defined in the applicable rules of the principal exchange or quotation system on which the Company's common equity is listed for trading. The Committee is authorized, subject to the provisions of the Plan, to establish such rules and regulations as it deems necessary for the proper administration of the Plan and to make such determinations and interpretations and to take such action in connection with the Plan and any Awards granted hereunder as it deems necessary or advisable. All determinations and interpretations made by the Committee shall be binding and conclusive on all persons and entities, including participants and their legal representatives.

b. No member of the Board, no member of the Committee and no agent of the Committee who is an employee of the Company shall be liable for any act or failure to act hereunder, except in circumstances involving his or her bad faith, gross negligence or willful misconduct, or for any act or failure to act hereunder by any other member or employee or by any agent to whom duties in connection with the administration of this Plan have been delegated. The Company shall indemnify members of the Board, members of the Committee and any agent of the Committee who is an employee of the Company against any and all liabilities or expenses to which they may be subjected by reason of any act or failure to act with respect to their duties on behalf of the Plan, except in circumstances involving such person's bad faith, gross negligence or willful misconduct.

c. The Committee shall have the authority to grant Awards to non-employee directors, executive officers and other employees of, or consultants and advisors to, the Company or any of its Subsidiaries. Notwithstanding the foregoing, subject to any prohibition under applicable law, including any applicable exchange or trading market requirements, the Committee may delegate (i) to one or more of its members such of its duties, powers and responsibilities as it may determine (other than the

allocation of Awards to the executive officers of the Company, persons who are officers of the Company within the meaning of Section 16 of the Exchange Act and the rules promulgated thereunder (Section 16 officers), or the directors of the Company); (ii) to one or more officers of the Company the authority to allocate Awards among such persons (other than to the executive officers of the Company or Section 16 officers or the directors of the Company) eligible to receive Awards under the Plan as such delegated officer or officers determine consistent with such delegation; *provided*, that with respect to any delegation described in this clause (ii) the Committee (or a properly delegated member or members of the Committee) shall (x) have authorized the issuance of a specified number of shares of Common Stock under such Awards and (y) shall have specified the consideration, if any, to be paid therefor; and (iii) to such employees or other persons as it determines such administrative duties as it may deem advisable. The Committee, or any person to whom it has delegated duties as aforesaid, may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. The Committee may employ such legal or other counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion or computation received from any such counsel, consultant or agent. Expenses incurred by the Committee in the engagement of such counsel, consultant or agent shall be paid by the Company or any of its Subsidiaries whose employees have benefited from the Plan, as determined by the Committee.

3. Participants

Participants shall consist of such non-employee directors, executive officers and other employees of, or consultants and advisors to, the Company or any of its Subsidiaries and outside contractors who the Committee in its sole discretion determines to be significantly responsible for the success and future growth and profitability of the Company and who the Committee may designate from time to time to receive Awards under the Plan. Designation as a participant in any year shall not require the Committee to designate such person to receive an Award in any other year or, once designated, to receive the same type or amount of Award as granted to the participant in any other year. The Committee shall consider such factors as it deems pertinent in selecting participants and in determining the type, amount and other terms of Awards.

4. Types of Awards and Vesting Restrictions

Awards under the Plan may be granted in any one or a combination of (1) Stock Options, (2) Stock Grants, which for purposes of this Plan shall include (i) grants of Common Stock, (ii) unfunded and unsecured promises, denominated in shares of Stock, to deliver Stock or cash measured by the value of Stock (Stock Units) including Stock Units that are, or as to which the delivery of Stock or cash in lieu of Stock, is subject to the satisfaction of specific performance or other vesting conditions and (4) Performance Awards (individually an Award, and collectively, Awards). Stock Grants and Performance Awards may, as determined by the Committee, in its discretion, constitute Performance-Based Awards, as described in Section 9 below. Awards shall be evidenced by Award agreements (which need not be identical) in such forms as the Committee may from time to time approve; provided, however, that in the event of any conflict between the provisions of the Plan and any such agreements, the provisions of the Plan shall prevail.

The vesting restrictions above and any other restrictions placed on an Award, as determined by the Committee, shall not be waived by the Company, except in the case of the death, disability, or retirement of a Participant in receipt of Awards containing such restrictions, or in the event of a Change of Control as provided herein.
