The Schedule TO relates to the offer by the Purchaser to purchase all of the outstanding shares of common stock, par value \$0.001 per share, (the Shares) of Monogram Biosciences, Inc., a Delaware corporation (Monogram), at a price of \$4.55 per Share in cash, without interest and subject to applicable withholding of taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated July 1, 2009 (the offer to purchase), a copy of which is attached to the Schedule TO as Exhibit (a)(1)(A), and the related Letter of Transmittal and instructions thereto, a copy of which is attached to the Schedule TO as Exhibit (a)(1)(B), as they may be amended or supplemented from time to time. This Amendment is being filed on behalf of the Purchaser and LabCorp.

The information set forth in the Schedule TO remains unchanged, except that such information is hereby amended and supplemented to the extent specifically provided herein. Capitalized terms used but not defined herein have the meanings ascribed to them in the Schedule TO.

Legal Proceedings. On June 30, 2009, a single plaintiff, Tim Blyemeyer, initiated a putative shareholder class action lawsuit in the Court of Chancery of the State of Delaware against Monogram, LabCorp, the Purchaser, and individual members of Monogram's Board of Directors (the Defendants). The action, styled *Tim Blyemeyer v. Monogram Biosciences, Inc., et al.*, Civil Action No. 4703-CC (Blyemeyer Action), alleges that (i) individual members of Monogram's board of directors violated their fiduciary duties to Monogram's stockholders, including their duties to (a) fully inform themselves of Monogram's market value before taking action, (b) act in the interests of the equity owners, (c) maximize shareholder value, (d) obtain the best financial and other terms when Monogram's existence will be materially altered by the transaction, (e) act in accordance with fundamental duties of loyalty, care and good faith and (f) act independently in the best interest of the corporation and its shareholders, and (ii) LabCorp and Monogram aided and abetted the other defendants in the breaches of their fiduciary duties. Blyemeyer seeks to enjoin the acquisition of Monogram by Purchaser and LabCorp and requests monetary damages in an unspecified amount. On July 6, 2009, Blyemeyer amended his complaint to include allegations stemming from alleged misstatements and omissions in Monogram's Schedule 14D-9. On July 7, 2009, a second complaint was filed in the Court of Chancery of the State of Delaware, styled *Kurt Kvist v. Monogram Biosciences, Inc., et al.*, Civil Action No. 4717-CC (Kvist Action), asserting allegations and claims identical to those set forth in the Blyemeyer Action. On July 9, 2009, the Delaware Chancery Court issued an order consolidating the Blyemeyer and Kvist Actions into an action styled *In re Monogram Biosciences, Inc. Shareholder Litigation*, Civil Action No. 4703-CC (the Delaware Action). On July 9, 2009, the Delaware Chancery Court heard a motion for expedited proceedings submitted by the plaintiffs in the Blyemeyer and Kvist Actions (the Delaware Plaintiffs). On July 13, 2009, the Delaware Plaintiffs submitted a renewed motion for expedited proceedings raising only certain disclosure issues. On July 23, 2009, the Delaware Chancery Court scheduled a preliminary injunction hearing for July 28, 2009 limited to the disclosure issues identified in the renewed motion for expedited proceedings and related letter submissions. On July 23 and 24, 2009, Monogram produced a limited set of documents to Delaware Plaintiffs.

Defendants believe that the Delaware Action is entirely without merit and that they have valid defenses to all claims. Nevertheless, and despite their belief that they ultimately would have prevailed in the defense of Delaware Plaintiffs' claims, to minimize the costs associated with this litigation, on July 27, 2009, Defendants and Delaware Plaintiffs entered into a memorandum of understanding (MOU) contemplating the settlement of all claims in the Delaware Action. Under the MOU, subject to court approval and further definitive documentation, Delaware Plaintiffs and the putative class agreed to settle and release, against Defendants and their affiliates and agents, any and all claims in the Delaware Action and any potential claim related to the Offer and the merger, the fiduciary obligations of the Defendants, the negotiations in connection with the Offer, the merger and the disclosure obligations

of the Defendants in connection with the Offer and the merger, the alleged aiding and abetting of any breach of fiduciary duty, any alleged conflict of interest of any remuneration or employment benefits to any individual made in connection with the Offer and the merger and all other allegations in the Delaware Action. Pursuant to the terms of the MOU, Monogram agreed to provide additional supplemental disclosures to its Schedule 14D-9 (which disclosures are included above). Defendants have also agreed not to oppose any fee application by Plaintiffs' counsel that does not exceed \$215,000. The settlement is contingent upon, among other things, approval of the fee award by the Chancery Court and the merger becoming effective under Delaware law.

On June 26, 2009, a single plaintiff, Andrei Pevgonen, initiated a putative shareholder class action in Superior Court of the State of California, San Francisco County, against the Defendants. The action, styled *Andrei Pevgonen v. William Young, et al.*, Case No. CGC-09-489866 (1st SF Action), alleged that (i) individual members of Monogram's board of directors violated their fiduciary duties to Monogram's stockholders, including their duties of loyalty, good faith, independence and candor, and allegedly failed to maximize value for Monogram's stockholders by conducting an unfair sales process and entering into the merger agreement, and (ii) LabCorp and Monogram aided and abetted the other defendants in the breach of their fiduciary duties. Pevgonen sought to enjoin the acquisition of Monogram by Purchaser and LabCorp and requested monetary damages in an unspecified amount. On July 2, 2009, Pevgonen filed an amended complaint, which added allegations and a breach of fiduciary duty claim stemming from alleged misstatements and omissions in Monogram's Schedule 14D-9, which was filed with the SEC on July 1, 2009. On July 2, 2009, a second putative class action was initiated in Superior Court of the State of California, San Francisco County, styled *Charulata Patel v. Monogram Biosciences, Inc., et al.*, Case No. CGC-09-490059 (2nd SF Action). The complaint in the 2nd SF Action alleged similar claims to those made in the 1st SF Action. Both actions were voluntarily dismissed by plaintiffs on July 10 and July 7, 2009, respectively. On July 7, 2009, Andrei Pevgonen filed a complaint in Superior Court of California, San Mateo County (the Court), styled *Andrei Pevgonen v. William Young, et al.*, Case No. Civ. 485636 (the California Action), asserting the same allegations and claims that he made in the 1st SF Action. On July 8, 2009, Pevgonen filed an amended complaint, adding named plaintiffs Charulata Patel and Rebecca Jordan (collectively California Plaintiffs). On July 14, 2009, the San Mateo Superior Court stayed the California Action for ninety (90) days because a similar, parallel action was proceeding in Delaware (the Stay). On July 23, 2009, California Plaintiffs filed a Notice of Case Update, requesting a status conference to discuss whether the Stay should be lifted (the Request). Defendants opposed and, on July 24, 2009, the Court denied California Plaintiffs' Request. On July 28, 2009, Defendants and California Plaintiffs entered into a memorandum of understanding, pursuant to which California Plaintiffs agreed to request the Court to enter an Order to dismiss the California Action with prejudice and to release, against Defendants, and their affiliates and agents, any and all claims in the California Action and any potential claim related to the Offer and the merger, the fiduciary obligations of the Defendants, the negotiations in connection with the Offer and the merger, the disclosure obligations of the Defendants in connection with the Offer and the merger, the alleged aiding and abetting of any breach of fiduciary duty, any alleged conflict of interest of any remuneration or employment benefits to any individual made in connection with the Offer and the merger, and all other allegations in the California Action. Defendants agreed not to oppose any fee application to be submitted by California Plaintiffs' counsel that does not exceed \$65,000.

The information set forth in Item 11 of the Schedule TO is hereby amended and supplemented by incorporation by reference herein of Exhibit (a)(5)(G) hereto, which is a joint press release issued on July 28, 2009, by LabCorp and Monogram announcing, among other things, the settlement of the California and Delaware actions.

Item 12. Exhibits.

Item 12 of the Schedule TO is hereby amended and supplemented by adding the following to the list of exhibits:
