Forward

Looking

Statements:

This presentation contains certain forward-looking statements which are based on certain assumptions and describe future plans, strategies and expectations of the Company. These forward-looking statements are generally identified by use of the words believe , expect , intend , anticipate , estimate , project , or similar expressions. The Company s ability to predict results or the actual effect of future plans or strategies is inherently uncertain. Factors which could have a material adverse effect on the operations of the Company and the subsidiaries include, but are not limited to, changes in interest rates, general economic conditions, legislative/regulatory changes, monetary and fiscal policies of the U.S. Government,

including

policies

of

the

U.S.

Treasury

the

Board

of

Governors

of

the

Federal

Reserve

System,

the

quality or composition of the loan or investment portfolios, demand for loan products, deposit flows, competition, demand for financial services in the Company s market area and accounting principles and guidelines. These risks and uncertainties should be considered in evaluating forward-looking statements

and

undue

reliance

should

not

be

placed

on

such

statements.

The

Company

does

not

undertake

and

specifically disclaims any obligation

to publicly release the result of any revisions which may be made to

any forward-looking statements to reflect events or circumstances after the date of such statements or to

reflect the occurrence of anticipated or unanticipated events.
