Explanatory Note

On December 21, 2009, American Greetings Corporation (American Greetings, we, our, or us) filed a Current Report on Form 8-K (the Original Form 8-K) reporting the sale of certain assets, equipment and processes used in the manufacturing and distribution of party goods (the Transaction) to Amscan Holdings, Inc. (Amscan), which resulted in our decision to wind down and close our party goods operations at our manufacturing and distribution facility in Kalamazoo, Michigan (the Kalamazoo Facility). At the time the Original Form 8-K was filed, American Greetings estimated the amount of the employee termination costs associated with the separation of the non-union employees as a result of closing the Kalamazoo Facility; however at that time we were not able to estimate employee termination costs associated with the separation of the bargaining unit employees at the Kalamazoo Facility. American Greetings is filing this amendment on Form 8-K/A (this Form 8-K/A) to amend the Original Form 8-K to provide updated information regarding the exit and disposal activities, including that we expect to incur approximately \$1.5 million in additional employee termination costs associated with the separation of the bargaining unit employees at the Kalamazoo Facility. The disclosure contained in Item 2.05 of the Original Form 8-K is hereby replaced in its entirety by the disclosure contained in Item 2.05 of this Form 8-K/A.

Item 2.05 Cost Associated with Exit or Disposal Activities.

(a) In connection with the Transaction, on December 21, 2009, we made the decision to wind down and close our Kalamazoo Facility. The decision to close the Kalamazoo Facility was the result of a comprehensive review of alternatives designed to improve the efficiency of our party goods business and enhance our product offering, while continuing to serve our customers. We believe that our strategic alliance with Amscan will help us accomplish this goal.

We expect that manufacturing at the Kalamazoo Facility will begin to phase out in early March 2010 and will be completed on or before the end of May 2010. The exact timing of when we will close our distribution activities at the Kalamazoo Facility is currently unknown, but we expect that our distribution operations at the Kalamazoo Facility will be closed by the end of the third quarter of the fiscal year ending February 28, 2011 (Fiscal 2011).

(b) We estimate that we will incur approximately \$3.0 million in employee termination costs associated with the separation of employees as a result of the closing of the Kalamazoo Facility. We also estimate that we will incur approximately \$10 million to \$15 million in asset impairment costs, primarily relating to the impairment of the facility, in connection with closing the Kalamazoo Facility. The conclusion to impair assets was made as a result of the Transaction on December 21, 2009.

(c) We estimate that we will incur a total of approximately \$13 million to \$18 million in costs (as itemized above), in connection with closing the Kalamazoo Facility. We expect to incur the impairment costs and employee termination costs of approximately \$1.5 million associated with the separation of the non-union employees during the fourth quarter of the fiscal year ending February 28, 2010 (Fiscal 2010). We expect to incur employee termination costs of approximately \$1.5 million associated with the separation of the bargaining unit employees at the Kalamazoo Facility by the end of Fiscal 2011, some or all of which may be incurred as early as the fourth quarter of Fiscal 2010.

(d) We estimate that approximately \$3 million of the estimated total costs will result in future cash expenditures, none of which is expected to be the result of the asset impairment.
