Item 8.01. Other Events.

On July 15, 2010, Spectra Energy entered into a definitive agreement to purchase the Bobcat Gas Storage assets and development project (Bobcat) from Haddington Energy Partners III LP and GE Energy Financial Services for \$540 million. In addition to the purchase price, Spectra Energy expects to invest an additional \$400 to \$450 million to fully develop the facility by the end of 2015. Once fully operational, the high-deliverability salt dome storage caverns in southeastern Louisiana will have a total working gas storage capacity of 46 billion cubic feet (Bcf). Completion of the transaction is subject to approval under the Hart-Scott-Rodino Antitrust Improvements Act, and other customary closing conditions. The transaction is expected to close before year-end 2010. A copy of the press release is filed as Exhibit 99.1 to this report on Form 8-K and is incorporated herein by reference.
