Item 1.01. Entry into a Material Definitive Agreement.

Effective March 15, 2011, AtriCure, Inc. (the Company) and Silicon Valley Bank (the Bank) entered into a First Loan Modification Agreement (the Loan Modification Agreement) and an Export-Import Bank First Loan Modification Agreement (the Ex-Im Agreement) and, collectively with the Loan Modification Agreement, the Modification Agreements) which set forth certain amendments to the Company's credit facility with the Bank.

The Loan Modification Agreement provides for a new \$7,500,000 term loan. The proceeds of the new term loan will be used to repay the current principal amount of the existing term loan (\$2,527,777.68), to pay interest and certain fees and expenses and for other general corporate purposes. The new term loan has a five-year term and principal payments in the amount of \$125,000, together with accrued interest, are due and payable monthly. The term loan accrues interest at a fixed rate of 6.75% which represents a reduction of 3.25% from the rate applicable to the existing term loan.

The Modification Documents also provide for a two-year extension of the maturity date of the existing revolving credit facility from April 30, 2012 to April 30, 2014. The Company will continue to pay a floating rate of interest on revolving loans based on a margin above the prime rate established based on the Company's current Adjusted Quick Ratio. The applicable margins, however, will be reduced from 1.00% to 2.00% above the prime rate to 0.25% to 0.75% above the prime rate. The amount of the revolving facility will remain at \$10,000,000.

The Company does not have any outstanding borrowings under the revolving loan facility.

The foregoing descriptions of the Modification Agreements are qualified in their entirety by the full text of the Loan Modification Agreement and the Ex-Im Agreement as attached to this Form 8-K as Exhibits 10.1 and 10.2, respectively.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
