**Section 1 Registrant's Business and Operations**

**Item 1.01. Entry into a Material Definitive Agreement.**

On April 6, 2011, Parametric Technology Corporation ( PTC ) and PTC NS ULC ( Acquireco ), a wholly-owned, indirect subsidiary of PTC, entered into an Arrangement Agreement (the Arrangement Agreement ) with MKS Inc. ( MKS ), an Ontario corporation, to acquire, subject to satisfaction or waiver of the conditions therein, all of the outstanding shares of MKS for approximately CDN\$292.5 million in cash (approximately U.S.\$303.5 million) (the Acquisition ). The Acquisition will be accomplished pursuant to a Plan of Arrangement under the Business Corporations Act (Ontario).

Under the Plan of Arrangement, which has been approved by the boards of directors of PTC and MKS, at the effective time (the Effective Time ) of the Acquisition, all the outstanding common shares of MKS will be automatically transferred to Acquireco in exchange for the consideration described below, and MKS will become a wholly owned subsidiary of Acquireco.

Subject to the exercise of dissenters' rights, each of the approximately 10,389,180 outstanding common shares of MKS will be transferred to Acquireco in exchange for CDN \$26.20 per share, without interest (the Per Share Consideration ). In addition, each of the outstanding vested stock options and restricted stock units of MKS will be cash settled on the basis of the Per Share Consideration, and the unvested stock options will be converted to options to buy PTC common stock.

The Arrangement Agreement contains customary representations, warranties and covenants of MKS and PTC, including, among others, covenants by MKS to convene and hold a meeting of its shareholders to consider and vote on approval of the Acquisition, that, subject to certain exceptions, the Board of Directors of MKS will recommend adoption of the Acquisition by its shareholders, to conduct its business in the ordinary course before the Effective Time, not to engage in certain kinds of transactions during such period, and not to solicit, encourage, or negotiate with third parties in order to obtain an alternative acquisition proposal (subject to certain exceptions for the fiduciary responsibilities of MKS's board of directors).

Pursuant to the Arrangement Agreement, the Acquisition is subject to various customary conditions to closing, including the approval of MKS shareholders, the entry of a final order from the Ontario Superior Court of Justice, and approval of the German competition authority. No vote of the holders of PTC common stock is needed to approve the Acquisition.

The Arrangement Agreement contains certain customary termination rights for both PTC and MKS, and further provides that, upon termination of the Arrangement Agreement under specified circumstances, MKS may be required to pay PTC a termination fee of CDN\$11.55 million.

A copy of the Arrangement Agreement is attached as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Acquisition and the Arrangement Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Arrangement Agreement.

In connection with the Acquisition, members of the Board of Directors and executive officers of MKS holding an aggregate of approximately 2,541,134 MKS common shares entered into a voting agreement with PTC, dated as of April 6, 2011. The voting agreement requires that such securityholders vote their common shares for approval of the Acquisition and the Plan of Arrangement and that they vote against any alternative transaction. A copy of the voting agreement is attached as Exhibit 10.2 and is incorporated herein by reference. The foregoing description of the voting agreement is qualified in its entirety by reference to the full text of the form of voting agreement.
