PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
OF CHROMADEx CORPORATION
TO BE HELD MAY 10, 2011**

INFORMATION ABOUT THE ANNUAL MEETING

This proxy statement contains information related to the annual meeting of stockholders of ChromaDex Corporation, a Delaware corporation (the Company, we, us, or our) which will be held on Tuesday, May 10, 2011 at our headquarters located at 10005 Muirlands Blvd., Suite G, Irvine, California 92618, or at any adjournment or postponement thereof.

What is the purpose of the annual meeting?

At the annual meeting, stockholders will consider and vote upon the following matters:

to elect seven directors to our Board of Directors;

to ratify the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011; and

to transact any other business that may properly come before the annual meeting.

We sent you these proxy materials because our Board of Directors is requesting that you allow your shares of our common stock to be represented at the meeting by the proxyholders named in the enclosed proxy card. This proxy statement contains information that we are required to provide you under the rules of the Securities and Exchange Commission (the SEC), and that is designed to assist you in voting your shares. We began mailing these proxy materials on or about April 14, 2011 to all stockholders of record at the close of business on March 24, 2011.

Who is entitled to vote at the annual meeting?

Holders of record of our common stock at the close of business on March 24, 2011 are entitled to vote at the annual meeting. As of March 24, 2011, there were 64,190,183 shares of our common stock outstanding. Stockholders are entitled to cast one vote per share on each matter presented for consideration and action at the annual meeting.

Your vote is important. Stockholders can vote in person at the annual meeting or by proxy. If you vote by proxy, the individuals named on the proxy card as representatives will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director and whether your shares should be voted For , Against or Abstain with respect to each of the other proposals.

What votes are needed to hold the annual meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the annual meeting. If you have returned a valid proxy or attend the meeting in person, your outstanding shares of common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the annual meeting. Votes cast by proxy or in person at the annual meeting will be tabulated by the inspectors of election appointed for the annual meeting who will also determine whether or not a quorum is present. For purposes of determining whether a quorum is present, abstentions and broker non-votes, if any, will be counted as present.

Table of Contents

How does the Board of Directors recommend that I vote on the proposals?

If no instructions are indicated on your valid proxy, the proxyholders will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote:

FOR each of the nominees for director listed in this proxy statement;

FOR the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

With respect to any other matter that properly comes before the meeting or any adjournment or postponement thereof, the proxyholders will vote as recommended by the Board, or if no recommendation is given, in their own discretion.

If my shares are held in street name by my broker, will my broker vote my shares for me?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have discretion to vote these shares on routine matters but not on non-routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum but are not counted for determining the number of votes cast for or against a proposal.

We expect that your broker will have discretionary authority to vote your shares on the proposal for the ratification of McGladrey & Pullen, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 (Proposal No. 2), based on this proposal being a routine matter, but not on the proposal to elect directors (Proposal No. 1), which is a non-routine matter. Brokers holding shares beneficially owned by their clients no longer have the ability to cast votes with respect to election of directors unless they have received instructions from the beneficial owner of the shares. As a result, if you do not provide specific voting instructions to your record holder, that record holder will not be able to vote on Proposal No. 1. It is therefore important that you provide voting instructions to your broker if your shares are held by a broker so that your vote with respect to directors is counted.

Can I change my vote after I have mailed my signed proxy card?

There are three ways in which you can change your vote before your proxy is voted at the annual meeting. First, you can send our secretary a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy card, dated a later date than the first proxy card. Third, you can attend the annual meeting and vote in person. Your attendance at the annual meeting will not, however, by itself revoke your proxy. If you hold your shares in street name and have instructed your broker, bank or other nominee to vote your shares, you must follow directions received from your broker, bank or other nominee to change those instructions.

What vote is required to approve each proposal?

Directors are elected by a plurality of the votes present in person or represented by proxy. This means that the seven individuals nominated for election to the Board who receive the most votes will be elected. Ratification of McGladrey & Pullen, LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote on the subject matter.

Table of Contents

What is the effect of abstentions and broker non-votes and how may I vote my shares?

Election of Directors. The election of directors is a non-routine matter for brokers that hold their clients' shares in street name. The brokers do not have discretion to vote your shares on a non-routine matter. If a quorum is present and voting, the seven nominees receiving the highest number of votes will be elected to the Board of Directors. Abstentions will not be counted in the election of directors. You may vote For all nominees, Withhold your vote from all nominees, or vote For one or more nominees and Withhold your vote from the other nominees.

Ratification of the appointment of McGladrey & Pullen, LLP as independent registered public accounting firm. The ratification of the appointment of an independent registered public accounting firm is a routine matter for brokers that hold their clients' shares in street name. The brokers have discretion to vote your shares on a routine matter. Abstentions will have the same effect as a negative vote. You may vote For , Against or Abstain on the proposal of ratifying our independent registered accounting firm.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members, six of whom are independent within the independence requirements of Marketplace Rule 5605(a)(2) of the NASDAQ Stock Market, Inc. Michael H. Brauser resigned as a director on March 2, 2011 for personal reasons, and Dr. Curtis Lockshin was appointed to the Board of Directors on March 30, 2011 to fill this vacancy. Glenn L. Halpryn was appointed as a director on May 20, 2010 in connection with the private placement transaction conducted by the Company in May 2010 (the 2010 Private Placement). We are proposing to elect all seven existing Board members. Consequently, at the annual meeting, a total of seven directors will be elected to hold office until the 2012 annual meeting of stockholders and until their successors have been elected and qualified.

Unless otherwise instructed, the proxyholders will vote the proxies received by them for the seven nominees named below. If any of our nominees is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee designated by the present Board to fill the vacancy. It is not presently expected that any of the nominees named below will be unable or will decline to serve as a director. If additional persons are nominated for election as directors, the proxyholders intend to vote all proxies received by them in a manner to assure the election of as many of the nominees listed below as possible. In such event, the specific nominees to be voted for will be determined by the proxyholders.

Board of Directors Nominees, Qualifications and Diversity

Pursuant to its charter, the Nominating and Corporate Governance Committee met in March 2011 to consider the knowledge, experience, integrity and judgment of possible candidates for nomination as members of the Board of Directors of the Company. The Committee focused on factors including: broad-based skill-sets and experiences; leadership; proven ability to exercise sound judgment; prominence and reputation in the candidate's profession; global business and social perspective; concern for the long-term interests of the Company's shareholders and personal values. In addition, the Committee considered the potential contribution to the diversity of backgrounds, experience and competencies which the Company and its shareholders desire to have represented on the Board of Directors and the ability of the candidate to devote sufficient time and effort to his duties as a director. The Committee reviews, at least annually, the size, structure and membership of the Board of Directors and its underlying committees. In conducting its review, the Committee considers the contributions of existing directors and the overall needs of the Company. In assessing the abilities necessary to meet the overall needs of the Company, the experience and skill-set of the directors taken as a whole is reviewed to ensure such needs are met. The experiences required to be reflected by the Board as a whole for the Company include financial expertise, an understanding of the industries in which the Company operates, experience as a director of other public companies, marketing and sales experience, scientific expertise, exposure to mergers and acquisitions, international business experience, as well as independence and diversity. Listed below are the biographical summaries and ages as of the date hereof of individuals nominated for election as directors as well as information about each individual's qualification and experience that contributes to the overall needs of the Board as determined by the Nominating and Corporate Governance Committee:

Frank L. Jaksch Jr., 42, is a co-founder of the Company and has served as Chairman of the Board of Directors since 2010 and was Co-Chairman from 2000 to 2010 and has served as Chief Executive Officer since 2000. Mr. Jaksch oversees strategy, operations and marketing for the Company with a focus on scientific products and pharmaceutical and nutraceutical markets. From 1993 to 1999, Mr. Jaksch served as International Subsidiaries Manager of Phenomenex, a life science supply company where he managed the international subsidiary and international business development divisions. Mr. Jaksch earned a B.S. in Chemistry and Biology from Valparaiso University. Frank L. Jaksch Jr. is the brother of Kevin Jaksch, who served on our board of directors until his resignation as a director in May 2010. The Nominating and Corporate Governance Committee believes that Mr. Jaksch's years of experience working in chemistry-related industries, his extensive sales and

marketing background, and his knowledge of international business allow him to bring an understanding of the industries in which the Company operates as well as scientific expertise to the Company and the board of directors.

Stephen Block, 66, has been a director of ChromaDex since 2007 and Chair of the Compensation Committee, a member of the Audit Committee and a member of the Nominating and Corporate Governance Committee since 2007. Since May 2010, Mr. Block has served as Lead Independent Director to the board of directors. Mr. Block is also a director and Chair of the Nominating and Corporate Governance Committee and a member of the Audit Committee of Senomyx, Inc., a public biotech company. He has served on the board of directors of Senomyx, Inc. since 2005. He also serves as the Chairman of the board of directors of Blue Pacific Flavors and Fragrances, Inc., and as a director of Allylix, Inc., and Masher Media, Inc. of which he was also a co-founder. He has served on the board of directors of these privately held companies since 2007, 2008, and 2009, respectively. Mr. Block retired as Senior Vice President, General Counsel and Secretary of International Flavors and Fragrances Inc., a leading creator, manufacturer and seller of flavors and fragrances (IFF) in December 2003, having been IFF's Chief Legal Officer since 1993. During his eleven years at IFF he also led the company's Regulatory Affairs Department. Prior to 1993, Mr. Block served as Senior Vice President, General Counsel, Secretary and Director of GAF Corporation, a company specializing in specialty chemicals and building materials, and its publicly traded subsidiary International Specialty Products Inc., held various management positions with Celanese Corporation, a company specializing in synthetic fibers, chemicals and plastics, and practiced law with the New York firm of Stroock Stroock & Lavan. Mr. Block currently serves as an industry consultant and as a member of the Executive Committee of Westlake/Santa Barbara Tech Coast Angels, a leading angel investing group, and as a managing director of Venture Farm LLC, an early stage venture capital firm. Mr. Block received his B.A. *cum laude* in Russian Studies from Yale University and his law degree from Harvard Law School. The Nominating and Corporate Governance Committee believes that Mr. Block's experience as the Chief Legal Officer of one of the world's leading flavor and fragrance companies contributes to the board of directors' understanding of the flavor industry, including the board of directors' perspective on the strategic interests of potential collaborators, the regulation of the industry, and the viability of various commercial strategies. In addition, Mr. Block's experience in the area of corporate governance and public company financial reporting is especially valuable to the board of directors in his capacity as a member of both the Audit Committee and the Compensation Committee.

Reid Dabney, 59, has served as a director of ChromaDex and has chaired the Audit Committee since October 2007. Since November 2008, he has also served as a Managing Director of Monarch Bay Associates, LLC. From March 2005 to November 2008, Mr. Dabney served as Cecors, Inc.'s (CEOS.OB) (a Software As A Service (SaaS) technology provider's) Senior Vice President and Chief Financial Officer. From July 2003 to November 2005, Mr. Dabney was engaged by CFO911 as a business and financial consultant. From January 2003 to August 2004, Mr. Dabney served as Vice President of National Securities, a broker-dealer firm specializing in raising equity for private operating businesses that have agreed to become public companies through reverse merger transactions with publicly traded shell companies. From June 2002 to January 2003, Mr. Dabney was the Chief Financial Officer of House Ear Institute in Los Angeles, California. Mr. Dabney received a B.A. from Claremont McKenna College and an M.B.A. in Finance from the University of Pennsylvania's Wharton School. Mr. Dabney also holds Series 7, 24 and 63 licenses from the Financial Industry Regulatory Authority (FINRA). The Nominating and Corporate Governance Committee believes that Mr. Dabney's experience as chief financial officer of a public company and his extensive experience dealing with financial markets qualify him to chair the Audit Committee and that Mr. Dabney brings financial, merger and acquisition experience, and a background working with public marketplaces to the board of directors.

Hugh Dunkerley, 37, has served as a director of ChromaDex since December 2005 and has served on the Compensation Committee since May 2010 and on the Nominating and Governance Committee since 2007. From October 2002 to December 2005, Mr. Dunkerley served as Director of Corporate Development at ChromaDex. Mr. Dunkerley has been Manager of Capital Markets for the FDIC, Division of Resolutions and Receiverships, since February 2009. He was President and Chief Executive Officer of Cecors, Inc. (OTCBB:CEOS.OB), a

Software As A Service (SaaS) technology provider, from October 31, 2007 to February 17, 2009. He had served as Cedor's Chief Operating Officer from June 2007 to October 31, 2007 and as Vice President of Corporate Finance from June 2006 to June 2007. From January 2006 to July 2006, Mr. Dunkerley served as Vice President of Small-Mid Cap Equities at Hunter Wise Financial Group, LLC, specializing in investment banking advisory services to US and EU companies. Mr. Dunkerley received his undergraduate degree from the University of Westminster, London and earned a MBA from South Bank University, London. Mr. Dunkerley also holds Series 7 and 66 licenses from FINRA. The Nominating and Corporate Governance Committee believe that Mr. Dunkerley's experience as CEO of a public company and his extensive financial market experience qualify him to sit on the Nominating and Corporate Governance Committee and the Compensation Committee and that Mr. Dunkerley brings financial and mergers and acquisitions experience, and experience with public marketplaces and regulatory oversight to the board of directors. His previous experience as an employee of the Company also allows him to provide a unique perspective of and extensive knowledge on the industries in which the Company operates.

Mark S. Germain, 60, is a co-founder of the Company and has served on the Nominating and Corporate Governance since May 2010. He served on the Audit Committee from October 2007 to May 2010, and as Co-Chairman of the board of directors from 2000 to 2010. Mr. Germain has extensive experience as a merchant banker in the biotech and life sciences industries. He has been involved as a founder, director, Chairman of the board of directors of, and/or investor in over twenty companies in the biotech field, and assisted many of them in arranging corporate partnerships, acquiring technology, entering into mergers and acquisitions, and executing financings and going public transactions. He graduated from New York University School of Law, Order of the Coif, in 1975 and was a partner in a New York law firm practicing corporate and securities law before entering the private sector in 1986. Between 1986 and 1991, he served businesses in senior executive capacities, including as president of a public company sold in 1991. Mr. Germain is currently a director of the following publicly traded companies: Omnimmune Holdings, Inc. (OTCBB: OMMHE.OB), a biotechnology company, Stem Cell Innovations, Inc. (OTC:SCLL.PK), a cell biology company, Collexis Holdings, Inc. (OTC:CLXS.PK), a developer of semantic search and knowledge discovery software, and Pluristem Therapeutics, Inc. (NASDAQ:PSTI), a bio-therapeutics company. During the past five years, Mr. Germain also served as a board member of two publicly traded companies, Reis, Inc. (NASDAQ: REIS), a commercial real estate market information provider, and Intellect Neurosciences, Inc. (OTCBB: ILNS.OB), a biopharmaceutical company. He is also a co-founder and director of a number of private companies in the biotechnology field. The Nominating and Corporate Governance Committee believes that Mr. Germain's past experience as the president of a public company and as the board member of other public companies bring financial expertise, industry knowledge, and merger and acquisition experience to the board of directors.

Glenn L. Halpryn, 50, has served as Chair of the Nominating and Corporate Governance Committee and has served on the Audit Committee since May 2010. Mr. Halpryn has been the Chief Executive Officer and a director of Transworld Investment Corporation, a private investment company, since June 2001. CORPORATE GOVERNANCE

Director Independence

Under the NASDAQ Stock Market Marketplace Rules, a director will only qualify as an independent director if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that each of Stephen Block, Reid Dabney, Hugh Dunkerley, Mark S. Germain, Glenn L. Halpryn and Curtis Lockshin has no material relationship with our Company and is independent within the independence requirements of Marketplace Rule 5605(a)(2) of the NASDAQ Stock Market, Inc. Frank L. Jaksch Jr. does not meet the aforementioned independence standards because he is the Chief Executive Officer of our Company.

Board Committees

The Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Other committees may be established by the Board from time to time. The following is a description of each of the committees and their composition.

Audit Committee. Our Audit Committee currently consists of three directors: Messrs. Reid Dabney (Chairman), Stephen Block and Glenn L. Halpryn. The Board of Directors has determined that:

Mr. Dabney qualifies as an audit committee financial expert, as defined by the SEC in Item 407(d)(5) of Regulation S-K; and

all members of the Audit Committee (i) are independent under the independence requirements of Marketplace Rule 5605(a)(2) of the NASDAQ Stock Market, Inc., (ii) meet the criteria for independence as set forth in the Exchange Act, (iii) have not participated in the preparation of our financial statements at any time during the past three years and (iv) are financially literate and have accounting and finance experience.

The Audit Committee is governed by a charter, which was adopted by the Board and is available on our website at www.chromadex.com/ir/corpgov.html. Among other things, the charter calls upon the Audit Committee to:

oversee our auditing, accounting and control functions, including having primary responsibility for our financial reporting process;

monitor the integrity of our financial statements to ensure the balance, transparency and integrity of published financial information;

monitor our outside auditors' independence, qualifications and performance;

monitor our compliance with legal and regulatory requirements; and

monitor the effectiveness of our internal controls and risk management system.

It is not the duty of the Audit Committee to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Our management is responsible for preparing our financial statements, and our independent registered public accounting firm is responsible for auditing those financial statements. Our Audit Committee does, however, consult with management and our independent registered public accounting firm prior to the presentation of financial statements to stockholders and, as appropriate, initiates inquiries into various aspects of our financial affairs. In addition, the Audit Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of our independent registered public accounting firm and approving professional services provided by them. The Audit Committee held four meetings during 2010.

Table of Contents

Compensation Committee. Our Compensation Committee consists of three members: Messrs. Stephen Block (Chairman), Hugh Dunkerley and Curtis Lockshin. Michael H. Brauser resigned as a director and a member of Compensation Committee on March 2, 2011. On March 30, 2011, Dr. Curtis Lockshin was appointed as a director and as a member of the Compensation Committee to fill this vacancy. The Board has determined that:

all members of the Compensation Committee qualify as independent under the independence requirements of Marketplace Rule 5605(a)(2) of the NASDAQ Stock Market, Inc.;

all members of the Compensation Committee qualify as non-employee directors under Exchange Act Rule 16b-3; and

all members of the Compensation Committee qualify as outside directors under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

The Compensation Committee is governed by a charter, which was adopted by the Board and is available on our website at www.chromadex.com/ir/corpgov.html. Among other things, our Compensation Committee determines the compensation of the Chief Executive Officer, reviews and approves compensation for all other executive officers as presented by the Chief Executive Officer, reviews and makes recommendations with respect to incentive compensation plans and equity-based plans, and provides oversight and guidance for compensation and benefit programs for all of our employees. The Compensation Committee may delegate authority to a subcommittee when appropriate. The Compensation Committee does not use the services of any external consultant in determining either executive or director compensation. The Compensation Committee held three meetings during 2010.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of three members: Messrs. Glenn L. Halpryn (Chairman), Hugh Dunkerley and Mark Germain. The Board has determined that all members of the Nominating and Corporate Governance Committee qualify as independent under the independence requirements of Marketplace Rule 5605(a)(2) of the NASDAQ Stock Market, Inc. The Nominating and Corporate Governance Committee is governed by a charter that was adopted by the Board and is available on our website at www.chromadex.com/ir/corpgov.html. The Nominating and Corporate Governance Committee met twice during 2010.

Code of Conduct

The Board has established a corporate Code of Conduct which qualifies as a code of ethics as defined by Item 406 of Regulation S-K of the Exchange Act. Among other matters, the Code of Conduct is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the Code of Conduct to appropriate persons identified in the code; and

accountability for adherence to the Code of Conduct.

Director Attendance

The Board held eight meetings during 2010. Each director attended at least 75% of Board meetings and meetings of the committees on which he served.

Board Qualification and Selection Process

The Nominating and Corporate Governance Committee does not have a specific written policy or process regarding the nominations of directors, nor does it maintain minimum standards for director nominees. However, the Nominating and Corporate Governance Committee does consider the knowledge, experience, integrity and judgment of potential candidates for nominations to the Board. The Nominating and Corporate Governance Committee will consider persons recommended by stockholders for nomination for election as directors. The Nominating and Corporate Governance Committee will consider and evaluate a director candidate recommended by a stockholder in the same manner as a committee-recommended nominee. Stockholders wishing to recommend director candidates must follow the prior notice requirements as described under Stockholder Proposals, below.

Board Leadership Structure and Risk Oversight

The leadership of the Board is structured so that it is led by a single chairperson, Frank L. Jaksch Jr., who is also the Company's Chief Executive Officer. The Board of Directors believes that it is in the best interest of the Company to combine the office of Chairman and Chief Executive Officer given the complexities of the industries in which the Company operates. The Board of Directors also recognized it to be appropriate, because of the fact that the positions of Chairman and Chief Executive Officer are combined, to have a lead independent director to the Board. On May 20, 2010, the Board of Directors appointed Stephen Block as Lead Independent Director. The Lead Independent Director acts as Chair of meetings of independent directors of the Board and works to promote an independent and active Board by coordinating input from the independent directors, helping to identify issues that should be addressed by the Board, and providing independent oversight and advice to the executive officers of the Company.

The entire Board of Directors is responsible for oversight of our Company's risk management process. Management furnishes information regarding risk to the Board as requested. The Audit Committee discusses risk management with the Company's management and independent public accountants as set forth in the Committee's charter. The Compensation Committee reviews the compensation programs of the Company to make sure economic incentives are tied to the long-term interests of the shareholders. The Company believes that innovation and the building of long-term shareholder value are impossible without taking risks. We recognize that imprudent acceptance of risk and the failure to identify risks could be a detriment to shareholder value. The executive officers of the Company are responsible for assessing these risks on a day-to-day basis and for how to best identify, manage and mitigate large risks that the Company may face.

Employment and Consulting Agreements

The material terms of employment agreements with the named executive officers previously entered into by the Company are described below.

Employment Agreement with Frank L. Jaksch Jr.

On April 19, 2010, the Company entered into an Amended and Restated Employment Agreement (the Amended Jaksch Agreement) with Frank L. Jaksch Jr. The Amended Jaksch Agreement has a three year term, beginning on the date of the Agreement, that automatically renews unless the Amended Jaksch Agreement has been terminated in accordance with its terms. The Amended Jaksch Agreement provides for a base salary of \$225,000 (subject to an increase of \$50,000 in the event the Company's common stock is listed on a stock exchange), and provides for an annual cash bonus (based on performance targets) of up to 40% of his base salary, and two option grants of 800,000 shares of Common Stock in aggregate. The option grants were awarded on May 20, 2010.

The severance terms of the Amended Jaksch Agreement provide that in the event Mr. Jaksch's employment with the Company is terminated voluntarily by Mr. Jaksch, he will be entitled to any accrued but unpaid base salary, any stock vested through the date of his termination and a pro rated portion of 40% of his salary (40% of his salary being the Maximum Annual Bonus) for the year of termination. In addition, if Mr. Jaksch leaves the Company for Good Reason he will also be entitled to severance equal to the Maximum Annual Bonus, and he will be deemed to have been employed for the entirety of such year. Good Reason means any of the following: (A) the assignment of duties materially inconsistent with those of other employees in similar employment positions, and Mr. Jaksch provides written notice to the Company within 60 days of such assignment that such duties are materially inconsistent with those duties of such similarly-situated employees and the Company fails to release Mr. Jaksch from his obligation to perform such inconsistent duties and to re-assign Mr. Jaksch to his customary duties within 20 business days after the Company's receipt of such notice; or (B) if, without the consent of Mr. Jaksch, Mr. Jaksch's normal place of work is or becomes situated more than 50 linear miles from Mr. Jaksch's personal residence as of the effective date of the Amended Jaksch Agreement, or (C) a failure by the Company to comply with any other material provision of the Amended Jaksch Agreement which has not been cured within 60 days after notice of such noncompliance has been given by Mr. Jaksch to the Company, or if such failure is not capable of being cured in such time, a cure shall not have been diligently pursued by the

Company within such 60 day period. Severance will then consist of 16 weeks of paid salary, unless Mr. Jaksch signs a release, in which case he will receive compensation equal to the lesser of the remainder of the term of the agreement, or up to 12 months paid salary.

In the event Mr. Jaksch's employment terminates as a result of his death or disability, he, or his estate, as the case may be, will be entitled to his accrued but unpaid base salary, stock vested through the date of his termination and, notwithstanding any policy of the Company to the contrary, any annual bonus that would be due to him for the fiscal year in which termination pursuant to death or disability took place in an amount no less than the prorated portion of his Maximum Annual Bonus. At the option of the Board, Mr. Jaksch's bonus will be either prorated or paid in full to him, or his estate, as the case may be, at the time he would have received such bonus had he remained an employee of the Company.

In the event that Mr. Jaksch is terminated by the Company for Cause, (as defined in the Amended Jaksch Agreement) he will only be entitled to his accrued but unpaid base salary, and any stock vested through the date of his termination.

In the event that Mr. Jaksch is terminated due to Cessation of Business, (as defined in the Amended Jaksch Agreement) Mr. Jaksch will be entitled to a lump sum payment of base salary and an amount equal to the Maximum Annual Bonus, and continuation of health benefits until the earlier of the last to occur of the term or renewal term of the agreement or 12 months from the date of termination.

In the event the Company terminates Mr. Jaksch's employment without Cause, Mr. Jaksch will be entitled to severance in the form of any stock vested through the date of his termination and continuation of his base salary for a period of eight weeks, or, if Mr. Jaksch enters into a standard separation agreement, Mr. Jaksch will receive continuation of base salary and health benefits, together with applicable fringe benefits as provided to other executive employees until the last to occur of the expiration of the term or renewal term then in effect or 24 months from the date of termination (the Severance Period), and he will receive his Maximum Annual Bonus if the Severance Period is equal to 24 months or a pro rata portion thereof if less, as well as the full vesting of any otherwise unvested stock.

Employment Agreement with William F. Spengler

On October 27, 2010, the Company entered into an Employment Agreement, which was amended on March 14, 2011, (the Spengler Agreement) with Mr. Spengler. The Spengler Agreement provides that Mr. Spengler will receive a base salary of \$220,000 and will be eligible for certain annual cash bonuses of up to 100% of his base salary (in aggregate) based upon the achievement of Company-wide and individual performance targets established by the Compensation Committee of the Company's Board of Directors.

Mr. Spengler was also granted options to purchase a total of 2,000,000 shares of the Company's common stock, with half of such shares to vest over a four-year vesting period and half to vest conditioned upon the achievement of performance targets established by the Compensation Committee of the Company's Board of Directors. The Spengler Agreement also provided for the issuance of 1,000,000 shares of restricted Company common stock to be issued to Mr. Spengler at a purchase price of \$0.001 per share, the stock's par value. These restricted shares are subject to repurchase by the Company and will vest in full on November 15, 2013, subject to Mr. Spengler being continuously employed by the Company through such date and the fair market value of the Company's common stock at any time prior to November 15, 2013 having increased by at least three times. The vesting of the stock options and restricted shares are subject to acceleration in the event of a change of control resulting in the termination of Mr. Spengler's employment. In addition, the Spengler Employment Agreement provides for adjustments to the target price and vesting of the restricted shares, under certain circumstances, in the event of termination without Cause (as defined in the Spengler Agreement).

Table of Contents

The severance terms of the Spengler Agreement provide that if Mr. Spengler is terminated by the Company for Cause or leaves without Good Reason (as defined in the Spengler Agreement), he will only be entitled to his accrued and unpaid base salary. If Mr. Spengler is terminated by the Company without Cause or terminates for Good Reason (as defined in the Spengler Agreement), Mr. Spengler is entitled to severance in the form of the continuation of his base salary for a period of two weeks for each completed year of service, or, if Mr. Spengler enters into a standard separation agreement, Mr. Spengler will receive continuation of his base salary and health benefits, together with applicable fringe benefits as provided to other executive employees, for 12 months from the date of termination.

In the event Mr. Spengler is terminated as a result of his death or disability, he will be entitled to his accrued and unpaid base salary and, notwithstanding any policy of the Company to the contrary, the prorated amount of any annual bonus that would be due to him for the fiscal year in which termination pursuant to death or disability took place. If Mr. Spengler is terminated due to a Cessation of Business (as defined in the Spengler Agreement), Mr. Spengler will be entitled to a lump-sum payment equal to 12 months of base salary.

Our independent registered public accounting firm is responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management our audited consolidated financial statements for the fiscal year ended January 1, 2011 (our 2010 fiscal year) and the notes thereto. It has discussed with McGladrey & Pullen LLP, our independent registered public accounting firm for the 2010 fiscal year, the matters required to be discussed by Statement of Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Based on such review and discussions, the Audit Committee recommended to the Board that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 1, 2011 and be filed with the SEC.

McGladrey & Pullen LLP (McGladrey & Pullen) has been engaged by the Audit Committee to act in such capacity for the fiscal year ending December 31, 2011. Although it is not required to do so, the Board of Directors is asking stockholders to ratify the Audit Committee's selection of McGladrey & Pullen. If stockholders do not ratify the selection of McGladrey & Pullen, another independent registered public accounting firm will be considered by the Audit Committee. Even if the selection is ratified by stockholders, the Audit Committee may in its discretion change the appointment at any time during the year, if it determines that such a change would be in the best interests of the Company and its stockholders. Representatives of McGladrey & Pullen are expected to be available via telephone for, but not present at, the annual meeting. During each of the fiscal years in the two year period ended January 1, 2011 and January 2, 2010, McGladrey & Pullen was the Company's independent registered public accounting firm. There were no disagreements between the Company and McGladrey & Pullen on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of McGladrey & Pullen, would have caused McGladrey & Pullen to make reference to the subject matter of the disagreements in connection with its reports on the financial statements for such years. There were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K during either of the Company's fiscal years ended January 1, 2011 and January 2, 2010. OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Exchange Act requires our executive officers, directors and persons who own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC and to furnish us with copies of such reports. Based solely on our review of the copies of such forms furnished to us and written representations from these officers and directors, we believe that all Section 16(a) filing requirements for our executive officers, directors and 10% stockholders were met during the year ended January 1, 2011 except as follows: Frank L. Jaksch was late filing one report for one transaction and Stephen Block amended one report to reflect 5,000 additional stock options that were not reported on the original report.

Expenses of Proxy Solicitation

Brokerage firms and other custodians, nominees and fiduciaries will be requested to forward the soliciting material to beneficial owners and to obtain authorization for the execution of proxies, and we will reimburse such brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy materials to beneficial owners of our common stock. Our directors, officers and employees may solicit proxies by telephone or in person (but will receive no additional compensation for such solicitation). We will bear the expense of this proxy solicitation.

Annual Report on Form 10-K

A copy of our Annual Report on Form 10-K filed with the SEC for the year ended January 1, 2011 accompanies this notice of annual meeting and proxy statement. No portion of the Annual Report is incorporated herein or is to be considered proxy soliciting material. Additional copies of the Annual Report on Form 10-K for the fiscal year ended January 1, 2011, will be provided, without charge, upon the written request of any stockholder. This request should be directed to ChromaDex Corporation, 10005 Muirlands Blvd., Suite G, Irvine, California 92618; Attn: Chief Financial Officer. Our latest quarterly report on Form 10-Q is available from our Chief Financial Officer at the foregoing address. Our Annual Report on Form 10-K and our other periodic filings are available on the SEC's website at www.sec.gov as well as through our Company's website at www.chromadex.com under Investor Relations, SEC Filings.

Stockholder Proposals

In accordance with SEC rules, if a stockholder wishes to have a proposal printed in the proxy statement to be used in connection with our next annual meeting of stockholders, such proposal must be received by Thomas C. Varvaro, Secretary, at the address above prior to December 12, 2011 in order to be included in our proxy statement and form of proxy relating to that meeting. For any proposal that is not submitted for inclusion in next year's proxy statement (as described in the preceding sentence) but is instead sought to be presented directly at next year's annual meeting, SEC rules permit management to vote proxies in its discretion if (a) we receive notice of the proposal before the close of business on February 27, 2012 and advise stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on the matter, or (b) does not receive notice of the proposal prior the close of business on February 27, 2012.

In addition, stockholders may present proposals, which are proper subjects for consideration at an Annual Meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the stockholder must comply with the procedures specified in our Bylaws. Our Bylaws require that, for other business to be properly brought before an annual meeting by a stockholder, we must have received written notice thereof not less than 60 nor more than 90 days prior to the annual meeting (or, if less than 70 days notice or other public disclosure of the date of the annual meeting is given, not later than 10 days after the earlier of the date notice was mailed or public disclosure of the date was made). The notice must set forth (a) a brief description of

the business proposed to be brought before the annual meeting, (b) the stockholder's name and address, (c) the number of shares beneficially owned by such stockholder as of the date of the stockholder's notice, and (d) any financial interest of such stockholder in the proposal. Similar information is required with respect to any other stockholder, known by the stockholder giving notice, supporting the proposal. Any proposals we do not receive in accordance with the above standards may not be presented at the 2012 Annual Meeting of stockholders.
