EXPLANATORY NOTE

On May 27, 2011, Rock-Tenn Company (the **Company**) completed its acquisition of Smurfit-Stone Container Corporation (**Smurfit-Stone**) through the merger (the **Merger**) of Smurfit-Stone with and into Sam Acquisition, LLC (**Merger Sub**), a wholly owned limited liability company subsidiary of RockTenn. As a result of the Merger, the separate corporate existence of Smurfit-Stone ceased and Merger Sub is continuing as the surviving entity of the Merger and a wholly owned subsidiary of the Company under the name RockTenn CP, LLC. The Merger was effected pursuant to an Agreement and Plan of Merger, dated as of January 23, 2011, by and among the Company, Smurfit-Stone and Merger Sub (the **Merger Agreement**). In connection with the Merger, the Company assumed, as of the effective time of the Merger, all rights and obligations under the Smurfit-Stone Equity Incentive Plan, as amended by the First Amendment, dated May 27, 2011, which has been re-named the Rock-Tenn Company (SSCC) Equity Incentive Plan (the **Plan**).

At the effective time of the Merger, each outstanding option to purchase Smurfit-Stone common stock under the Plan was assumed by RockTenn and converted into an option to purchase a number of shares of RockTenn common stock determined in accordance with the terms of the Merger Agreement (the **Converted Options**). Each such assumed stock option is subject to the same terms and conditions as were applicable to the corresponding option to purchase Smurfit-Stone common stock immediately prior to the effective time of the Merger; provided, that each outstanding option granted prior to the date of the Merger Agreement vested and became exercisable as of the effective time of the Merger as contemplated by the Plan.

In addition, at the effective time of the Merger, certain Smurfit-Stone restricted stock unit awards that were outstanding immediately prior to the effective time of the Merger and that were granted on or after the date of the Merger Agreement were converted in accordance with the terms of the Merger Agreement into a restricted stock unit award in respect of Rock-Tenn common stock, on the same terms and conditions applicable to such Smurfit-Stone restricted stock unit award immediately prior to the effective time of the Merger (including applicable vesting requirements) (the **Converted RSU Awards**).

This Registration Statement on Form S-8 relates to the registration under the Securities Act of 1933 of 3,970,137 shares of the Company's common stock issuable upon the exercise of the Converted Options, the vesting of the Converted RSU Awards and shares available for grant under the Plan (as appropriately adjusted to reflect the terms of the Merger).

Item 4. Description of Securities

Inapplicable.

Item 5. Interests of Named Experts and Counsel

The validity of the shares of Common Stock covered by this Registration Statement has been passed upon for the Company by Robert B. McIntosh, executive vice president, general counsel and secretary of the Company. As of May 27, 2011, Mr. McIntosh beneficially owned

Edgar Filing: Rock-Tenn CO - Form S-8

139,560 shares of Common Stock of the Company, which includes 77,260 shares of Common Stock, options to purchase an aggregate of 45,500 shares of Common Stock, and 16,800 restricted shares of Common Stock.

Item 6. Indemnification of Directors and Officers

The Company's restated and amended articles of incorporation eliminate, to the fullest extent permitted by applicable law, the personal liability of the Company's directors to the Company or its shareholders for monetary damages for breach of duty of care or any other duty owed to the Company as a director. The Georgia Business Corporation Code, or the Code, currently provides that such provision shall not eliminate or limit the liability of a director (a) for any appropriation, in violation of his duties, of any business opportunity of the Company, (b) for acts or omissions that involve intentional misconduct or a knowing violation of law, (c) for unlawful corporate distributions or (d) for any transaction from which the director received an improper personal benefit.

Under Article VI of the Company's bylaws, and certain agreements entered into by the Company and its directors, the Company is required to indemnify its directors, officers, employees or agents against the obligation to pay any judgment, settlement, penalty or fine, and against expenses (including attorney's fees and expenses), incurred in connection with any action, suit or proceeding brought against such person because he was a director, officer, employee or agent of the Company, without regard to any limitations in the Code; provided, however, that the Company shall have no obligation to indemnify any such person in connection with any such proceeding if such person is adjudged liable to the Company or is subjected to injunctive relief in favor of the Company (a) for any appropriation, in violation of such person's duties, of any business opportunity of the Company, (b) for acts or omissions that involve intentional misconduct or a knowing violation of law, (c) for unlawful corporate distributions or (d) for any transaction from which such person received an improper personal benefit. The Company's directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

The Company has entered into indemnification agreements with each of its directors. The indemnification agreements require, among other things, that the Company indemnify its directors to the fullest extent permitted by law, and advance to directors all related expenses, subject to reimbursement if it is subsequently determined the indemnification is not permitted. The Company is also required to indemnify in advance all expenses incurred by directors seeking to enforce their rights under the indemnification agreements and to cover directors under its directors' and officers' liability insurance. Although the form of indemnification agreement offers substantially the same scope of coverage afforded by provisions in the Company's restated and amended articles of incorporation and bylaws, it provides greater assurance to directors that indemnification will be available, because, as a contract, it may not be modified to eliminate the rights it provides unilaterally by the Company's board of directors or shareholders in the future.

The Company's directors and executive officers are insured against damages from actions and claims incurred in the course of performing their duties, and the Company is insured against expenses incurred in defending lawsuits arising from certain alleged acts against directors and executive officers.

Item 7. Exemption from Registration Claimed

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
