**The9 Limited Signed up Nicolas Anelka and Shenhua Liansheng Football Club for Endorsing and Promoting Firefall**

Shanghai, January 15, 2012 The9 Limited (NASDAQ: NCTY) ( The9 ), an online game developer and operator in China, announced today that it has entered into an endorsement agreement with Nicolas Anelka ( Anelka ), a top soccer player in the world, for worldwide endorsement and promotion of Firefall, a highly-anticipated team-based shooter game developed by Red 5 Studios, Inc., one of The9 s subsidiaries.

Under the agreement, Anelka will participate in various promotion and endorsement initiatives for promoting Firefall. Anelka has also granted The9 some certain other rights relating to the promotion activities, including the use of Anelka s name, voice and likeness. The worldwide endorsement agreement is for a term of one year. In consideration for the endorsement services provided by Anelka, The9 agrees to pay Anelka a sum of EUR2.7 million.

The9 has also entered into a cooperative promotion agreement with Shanghai Shenhua Liansheng Football Club Co., Ltd. ( Shenhua ) for endorsing and promoting Firefall for a term of two years. Shenhua is a long-established leading soccer team in the Chinese Super League, the highest tier of professional soccer association in China. Under the agreement, Shenhua players will wear jerseys bearing the name and logo of Firefall in all domestic and international soccer games and also make appearances at press conferences and product promotion and sales initiatives for Firefall and participate in other activities for promoting Firefall. Shenhua will also reserve advertisement space for Firefall at its host auditorium. The9 will pay Shenhua RMB32 million for the promotion services.

Shenhua has signed up Anelka as its player. Because Mr. Zhu Jun, the Chairman and CEO of The9 and a major shareholder of The9, is also a major shareholder of Shenhua, the endorsement and promotion transactions with Anelka and Shenhua would constitute related party transactions. The audit committee of The9 engaged a leading international independent valuation firm to advise it in connection with these transactions. Based on the analysis by the valuation firm, which studied, among other things, the relevant market data for similar transactions, and taking into account the commercial value these endorsement and promotion activities will bring to The9, the audit committees of The9 on behalf of its board of directors approved the endorsement and promotion transactions with Anelka and Shenhua. In light of Mr. Zhu s positions as the Chairman and CEO of The9, Mr. Zhu recused himself from any discussion among the board of directors regarding this matter.

Chris Shen, The9 s VP of Marketing, commented, A big portion of Firefall gamers are also soccer fans, most of whom are male, passionate about sports, and actively followers of entertainment stories of sport stars. We are going to implement the cross-marketing campaigns throughout the year that leverage the popularity of Anelka and Shenhua to enhance the brand awareness of Firefall among the target audiences in both China and the global market. We have successfully promoted our online games via cross-marketing campaigns in the past years and we believe this would be a very innovative and effective way to enhance the Firefall brand and attract more gamers.
