The total cost of the solicitation will be borne directly by Patheon. The Proxy Statement and the form of proxy will be first sent to shareholders on or about February 27, 2012.

All information in this Proxy Statement is as of February 13, 2012, unless otherwise indicated. All currency references are in U.S. dollars, unless otherwise indicated.

PROXY INSTRUCTIONS

A brief summary of the voting process is set out below to address the following questions:

Who can vote?

How to vote?

Different rules apply to registered shareholders and non-registered shareholders. You are a non-registered shareholder if your shares are registered in the name of an intermediary (such as a broker, securities dealer, trust company or a bank).

Who Can Vote?

Registered Shareholders

Registered holders of Patheon's restricted voting shares or Class I Preferred Shares, Series D (the "Special Voting Preferred Shares") as at the close of business on February 16, 2012 will be entitled to vote at the Meeting. Please see "Voting Securities and Principal Shareholders" below for further information.

Table of Contents

Non-Registered Shareholders

If you are a non-registered shareholder, you should receive a package from your intermediary containing either (i) a voting instruction form that must be completed and signed by the non-registered holder in accordance with the directions on the voting instruction form; or (ii) a form of proxy which may be signed by the intermediary and specifies the number of restricted voting shares beneficially owned by you, but is otherwise incomplete.

If you are a non-registered shareholder and have not received such a package, please contact your intermediary.

How to Vote?

Registered Shareholders

Voting In Person

If you are a registered shareholder you have the right to attend and vote in person at the Meeting. Please register your attendance with the scrutineer, Computershare Investor Services Inc., upon arrival at the Meeting.

Voting By Proxy

If you are a registered shareholder and are unable to be present at the Meeting in person, you can vote by using the form of proxy to appoint someone else to vote for you as your proxyholder. **You can choose any individual or company you want to be your proxyholder, including any individual or company who is not a shareholder, by inserting that person's name in the blank space provided in the enclosed form of proxy or by completing another form of proxy. If you leave the space in your enclosed form of proxy blank, the persons designated in the form, who are directors or officers of Patheon, are appointed to act as your proxyholder.**

If you specify on the enclosed form of proxy how you want your shares to be voted on a particular matter, then your proxyholder must vote your shares accordingly.

If you appoint the persons designated in the enclosed form of proxy as your proxyholders, but you do not specify how to vote on a particular matter, then your shares will be voted at the Meeting as follows:

FOR the election as directors of the nominees whose names are set out in this Proxy Statement;

FOR the appointment of Ernst & Young LLP as auditors of Patheon and authorizing the directors to fix their remuneration;

FOR approval of the resolution regarding the advisory (non-binding) vote on executive compensation; and

FOR a vote for three years (as opposed to one year or two years) for the frequency of future advisory (non-binding) shareholder votes on executive compensation.

If amendments are proposed to these matters, or if any other matters are properly brought before the Meeting, your proxyholder will vote in accordance with his or her judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters. As of the date of this Proxy Statement, Patheon's management is not aware of any such amendments or other matters to come before the Meeting.

Table of Contents

Votes Required For Approval

The representation in person or by proxy of persons not less than two in number who hold at least ten percent of the total number of the issued shares of the Company entitled to vote at the meeting is necessary to establish a quorum for the transaction of business. With respect to transaction of business for which the class or series of shares entitled to vote has only one shareholder, that shareholder's presence in person or by proxy constitutes a quorum for such meeting. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

With respect to matters other than the election of directors, a simple majority of votes cast at the Meeting, whether in person, by proxy or otherwise, FOR a particular resolution, will constitute approval of any proposal submitted to a vote, except with respect to the advisory vote on the frequency of the advisory vote on executive compensation, where our Board will consider the option that receives the highest number of votes to be the recommendation of the shareholders.

Each holder of restricted voting shares is entitled to one vote for each share held. Each holder of Special Voting Preferred Shares is entitled to one vote for each share to elect up to three directors of Patheon, but is not entitled to vote in respect of any other matters to be considered at the Meeting. Only votes FOR or AGAINST a matter will be counted towards determining the majority of votes cast on such matter. WITHHOLD or ABSTAIN selections will not be counted for determining whether there is the required majority of votes cast with respect to a particular matter.

Unless the shareholder specifies in the form of proxy that the restricted voting shares represented by such proxy are to be withheld from voting for one or more director nominees, the persons named in the enclosed form of proxy intend to vote FOR such matters, as set forth in more detail below. Unless the shareholder specifies in the form of proxy that the restricted voting shares represented by such proxy are to be voted AGAINST the appointment of the auditors or the resolution on executive compensation or abstains from voting, the persons named in the enclosed form of proxy intend to vote FOR such matters. Unless the shareholder specifies in the form of proxy that the restricted voting shares represented by such proxy are to be voted in favour of holding the advisory vote every ONE or TWO years, or abstains from voting, the persons named in the enclosed form of proxy intend to vote for such advisory vote to be held every THREE years.

For the election of directors by holders of restricted voting shares, provided that the number of nominees is equal to the number of directors required to be elected (six), the chairperson may declare that the persons so nominated are elected by acclamation. If the number of nominees is greater than the number of directors required to be elected, a vote will be conducted by ballot of the holders of Patheon's restricted voting shares represented in person or by proxy at the Meeting. Each shareholder or proxyholder entitled to vote at the Meeting shall be entitled to one vote per share held. The six nominees receiving the greatest number of votes, as determined by the scrutineers, will be elected as directors. WITHHOLD selections will not be considered in determining which nominees have received the greatest number of votes.

For the election of directors by holders of the Special Voting Preferred Shares, provided that the number of nominees is equal to the number of directors required to be elected (three), the chairperson may declare that the persons so nominated are elected by acclamation. If the number of nominees is greater than the number of directors required to be elected, a vote will be conducted by ballot of the holders of the Special Voting Preferred Shares represented in person or by proxy at the Meeting. Only holders of the Special Voting Preferred Shares are entitled to nominate directors to be elected by this class of shareholders. The three nominees receiving the greatest number of votes, as determined by the scrutineers, will be elected as directors. WITHHOLD selections will not be considered in determining which nominees have received the greatest number of votes.

If a registered shareholder does not vote by proxy or in person or by any other permitted fashion, no votes will be cast on behalf of such shareholder on any of the items of business at the Meeting. If a non-registered shareholder does not instruct its bank, broker or intermediary how to vote in the election of directors, appointment of auditors, on the advisory (non-binding) vote on executive compensation or on the advisory (non-binding) vote on the frequency of the advisory vote on executive compensation, no votes will be cast on behalf of such shareholder with respect to such proposal for which no instructions are given (a broker non-vote).

(JLL CoOp), which holds the restricted voting shares directly.

By virtue of his position as managing director of JLL Associates G.P. Audit Committee Report

The Audit Committee is composed of the following members of the Board of Directors of Patheon Inc. (the Company): Brian G. Shaw (Chair), Michel Lagarde and Joaquín B. Viso. The general role of the Audit Committee is to assist the Board in overseeing the Company's accounting and financial reporting processes and the audit of the Company's financial statements.

In the performance of its oversight function, the Audit Committee has met and held discussions with management, who represented to the Audit Committee that the Company's audited consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has reviewed and discussed the audited consolidated financial statements with both management and the independent registered public accounting firm. The Audit Committee also discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and the Audit Committee discussed the independent registered public accounting firm's independence with it. In connection with such review and discussions, the Audit Committee has considered whether the provision of audit and non-audit services (and the aggregate fees billed for these services) to us is compatible with maintaining the independent registered public accounting firm's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Management is responsible for the Company's internal control over financial reporting and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements in accordance with applicable auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes, including the Company's system of internal control over financial reporting and the preparation of the Company's consolidated financial statements, and members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. The Audit Committee also hires and sets the compensation for the independent registered public accounting firm.

The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the audited consolidated financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with applicable auditing standards or that the independent accountants are in fact independent.

Based upon the reviews and discussions described above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee's charter, the Audit Committee recommended to the Company's Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended October 31, 2011 be included in the Company's Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission.

Advisory (Non-Binding) Vote on Executive Compensation

As discussed in the Compensation Discussion and Analysis section of this proxy statement (CD&A), our compensation philosophy is based on pay for performance. We reward our executive officers for delivering superior performance that contributes to our long-term success and the creation of shareholder value. We believe that our compensation policies and procedures reward executive officers for both their performance and our Company's performance and that such compensation policies and procedures create interests for our executive officers that are strongly aligned with the long-term interests of our shareholders.

Table of Contents

As required by Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), we are providing our shareholders with an advisory (non-binding) vote on the compensation of our named executive officers. This proposal, commonly known as a Say-on-Pay proposal, is designed to give our shareholders the opportunity to endorse or not endorse our executive compensation program through the following resolution:

Resolved, that the shareholders approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the other narrative disclosure.

When you cast your vote, we urge you to consider the description of our executive compensation program contained herein, including in the CD&A and the accompanying tables and narrative disclosure.

Because your vote is advisory, it will not be binding upon our Board, it will not overrule any decision by the Board, and it will not create or imply any additional fiduciary duties on our Board or any member thereof. However, our Board will take into account the outcome of the vote when considering future executive compensation arrangements.

Our Board recommends that you vote **FOR** the approval of the resolution regarding the advisory (non-binding) vote on executive compensation.

Advisory (Non-Binding) Vote on the Frequency of Future Advisory (Non-Binding) Shareholder Votes on Executive Compensation

As discussed above, we are providing our shareholders an advisory (non-binding) vote on the compensation of our named executive officers. We are also providing our shareholders with a separate advisory (non-binding) vote regarding the frequency (every one, two or three years) with which we will provide our shareholders with an advisory (non-binding) vote on the compensation of our named executive officers. We will present this proposal to our shareholders at least once every six years.

You may cast your advisory (non-binding) vote on whether the shareholder vote on executive compensation will occur every one, two or three years, or you may abstain from voting on the matter. Because your vote is advisory, it will not be binding upon our Board, will not overrule any decision by our Board and will not create or imply any additional fiduciary duties on our Board or any member thereof. However, our Board will take into account the outcome of the vote when considering matters to be submitted to shareholders in the future. On this matter, you are not voting for or against any proposal or recommendation by our Board but, rather, are voting for the option (every one, two or three years) you believe is the most appropriate.

Our Board recommends that you vote in favor of holding our advisory (non-binding) vote on executive compensation **every three years**. In making this recommendation, our Board considered the relevant merits of the three alternatives. Our Board believes that holding the advisory vote every one or two years would not provide our shareholders sufficient time to focus on the long-term performance objectives of our executive compensation programs or give our Compensation and Human Resources Committee (our CHR Committee) and Board sufficient time to evaluate and respond to shareholder feedback on these programs. Accordingly, our Board believes that an advisory vote on executive compensation that occurs every three years will provide sufficient accountability for our CHR Committee and Board and will allow our compensation programs and practices to be evaluated over a longer term against longer-term corporate and financial performance, as well as against the performance of our peers.

Our Board recommends a vote for **THREE YEARS** (as opposed to one year or two years) for the frequency of future advisory (non-binding) shareholder votes on executive compensation.

Setting Fiscal 2011 Compensation. In making compensation decisions for Fiscal 2011, our CHR Committee took into account a number of factors, including (i) changes in the Company's executive management and the need to attract talented executives, including a new Chief Executive Officer; (ii) our financial performance and achievement of corporate objectives; and (iii) the achievement of individual objectives by each executive officer.

Elements of Compensation. Consistent with our philosophy that executive compensation should incentivize our executive officers to enhance shareholder value, each of our executive officers is compensated with base salary, short-term cash incentives and long-term incentives tied to the value of our restricted voting shares, as well as (to a lesser extent) perquisites and personal benefits, retirement benefits and termination and change of control benefits.

Key Compensation Decisions During Fiscal 2011. Our CHR Committee and our Board made the following key executive compensation decisions for Fiscal 2011:

Approval of compensation and related benefits in connection with the hiring of our CEO

Approval of option grants to our CEO

Approval of 2011 Leadership Incentive Plan (the 2011 Incentive Plan)

Approval of bonus payments to named executive officers

Compensation Philosophy and Objectives

Our compensation philosophy is based on pay for performance. We reward our executive officers for delivering superior performance that contributes to our long-term success and the creation of shareholder value.

The objectives of our compensation program are to:

attract and retain qualified and experienced individuals to serve as executive officers;

align the compensation level of each executive officer with his or her level of responsibility;

motivate each executive officer to achieve short and long-term corporate goals;

align the interests of executive officers with those of shareholders; and

reward executive officers for excellent corporate and individual performance.

Process for Determining Executive Compensation

Role of Our CHR Committee and Board

Our CHR Committee and Board share responsibility for determining executive compensation. Our Board's involvement in the executive compensation process reflects its desire to oversee compensation decisions regarding

Table of Contents

our executive officers, particularly our Chief Executive Officer. Accordingly, our CHR Committee makes recommendations regarding, and our Board approves, our executive compensation policies and programs, the compensation of our CEO and the grant of equity awards. Our CHR Committee is solely responsible for approving the compensation of our executive officers other than our CEO and for establishing and approving payments under our annual cash incentive plan and for reporting such decisions to our Board.

Role of Executive Officers

Other than providing input into their individual performance objectives, neither our Chief Executive Officer nor our other executive officers have any role in recommending or setting their own compensation. Our Chief Executive Officer makes recommendations to our CHR Committee regarding the compensation of our other executive officers and provides input regarding executive compensation programs and policies generally.

Role of Compensation Consultants

Although the CHR Committee and the Board sometimes engage outside consultants to advise on executive and director compensation matters, neither engaged any such consultants to advise on Fiscal 2011 executive or director compensation matters.

Elements of Compensation

Our overall executive compensation program includes the following major elements:

Factors Considered in Making Individual Pay Decisions**Compensation Elements**

At this time, we do not target a specific mix of executive compensation by allocating total compensation between cash and noncash pay, between current and long-term pay or among different types of long-term incentive awards. The profile of our executive compensation is driven by decisions made for each component of pay separately, which we intend to be appropriately competitive, as well as the impact of our decisions on total compensation. However, consistent with our compensation philosophy, our CHR Committee believes that a significant portion of each named executive officer's compensation will be at risk.

Role of Company and Individual Performance

Our compensation philosophy is based on pay for performance. We reward our executive officers for delivering superior performance that contributes to our long-term success and the creation of shareholder value. In measuring such performance, we consider the achievement of both corporate and individual goals.

We reward significant contributions by our executive officers through salary increases, payments under our annual cash incentive plans and through long-term equity awards. In particular, our 2011 Incentive Plan was designed to focus our executive officers on the achievement of both corporate and individual performance objectives. The corporate performance objectives under our 2011 Incentive Plan were recommended to our CHR Committee by our current Chief Executive Officer and approved by our CHR Committee.

The individual performance objectives under our 2011 Incentive Plan were determined by our CHR Committee in consultation with our current Chief Executive Officer. Our current Chief Executive Officer submitted individual performance objectives for our executive officers (who themselves had input into the determination of their individual objectives), other than himself, to our CHR Committee. Our CHR Committee reviewed the submitted individual performance objectives and approved them with such changes as it believed appropriate. The CHR Committee reviewed and approved individual performance objectives for our current Chief Executive Officer related to: (i) the achievement of certain strategic goals such as the development of our strategic plan; (ii) filling key executive positions; (iii) improving our performance standard and culture; (iv) improving our financial performance; and (v) the successful conclusion of several key issues under negotiation at the time of his hiring.

Internal Pay Equity

We consider internal pay equity when setting compensation for our executive officers. Although we have not established a policy regarding the ratio of total compensation of the Chief Executive Officer to that of the other executive officers, we do review compensation levels to ensure that appropriate equity exists between our CEO and our other executive officers, as well as among our executive officers (other than the CEO). Differences in compensation among our named executive officers are attributable to differences in levels of experience, performance and market demand for executive talent.

Table of Contents

Fixed Compensation Base Salary

Overview

Base salary is intended to reflect the skills, competencies, experience and performance of each named executive officer. Base salary levels also are targeted to be comparable to salaries offered for positions involving similar responsibilities and complexity at other companies. Competitive base salaries enable us to attract and retain qualified individuals to serve as named executive officers. Base salary also aligns the compensation level of each named executive officer to his or her level of responsibility. Base salaries are adjusted annually where appropriate based on levels of responsibility and sustained performance. Base salary is linked to other elements of compensation such as the annual cash incentive bonus, certain retirement plan benefits and termination and change of control benefits.

Fiscal 2011 Base Salaries

Our CHR Committee chose not to review the salaries of our named executive officers for Fiscal 2011.

The key salary decision made during Fiscal 2011 was the approval of the salary of James C. Mullen, as part of the negotiation and approval of his employment agreement.

Variable Compensation Short-Term and Long-Term Incentives

The variable elements of our compensation include short-term incentives in the form of an annual cash incentive bonus and long-term incentives in the form of stock options. The level of variable compensation offered to our named executive officers is determined, in part, based on an overall assessment of our business performance, including achievement against stated corporate objectives.

Short-Term Incentive Annual Cash Incentive Bonus

Overview

Under our 2011 Incentive Plan, our named executive officers and other members of our senior management may receive cash incentive bonuses based on certain performance criteria, subject to certain prescribed limits. The annual cash incentive bonus is intended to motivate our named executive officers to achieve short-term corporate and individual goals and to ultimately reward them for excellent corporate and individual performance.

2011 Bonus Opportunity

Target awards under our 2011 Incentive Plan are set forth in each named executive officer's employment agreement. All of our named executive officers, other than Mr. Mullen, have a target bonus of 45% of base salary. Mr. Mullen has a target bonus of 100% of base salary, and his bonus for Fiscal 2011 could not have been less than 50% of base salary, pro-rated from February 7, 2011, the effective date of his employment agreement. We believe that maintaining the same target bonuses for each of our named executive officers other than our CEO appropriately rewards their performance, is consistent with principles of pay equity and helps us attract and retain the executives we need to run our business. Since Mr. Wheeler was no longer employed by us at the time we implemented the 2011 Incentive Plan, he never had any bonus opportunity under it. Although Mr. Bigelow was no longer employed by us at the time of payout and therefore was no longer eligible to receive a payout under our 2011 Incentive Plan, pursuant to our Consulting and Separation Agreement with him, if he is still providing consulting services to us on February 28, 2012, he will be entitled to receive an amount equal to the amount he would have received under the 2011 Incentive Plan. Since Mr. Evans was no longer employed by us at the time our CHR Committee approved payments under our 2011 Incentive Plan, he was not eligible to receive a payout thereunder.

For Fiscal 2011, the annual cash incentive bonus for our named executive officers and other members of senior management was based on the achievement of certain specified financial, transactional and individual objectives established by our CHR Committee and CEO. Our CHR Committee approved the various weights allocated to the different financial performance objectives under our 2011 Incentive Plan to incentivize contributions by our named

Table of Contents

executive officers both to our overall corporate performance and to the areas of our business for which they are primarily responsible. In addition, our CHR Committee determined that part of the bonus opportunity should be based on the achievement of individual objectives to focus our named executive officers to execute on projects without an immediately quantifiable financial impact but that would contribute to both our short-term and long-term success.

The following table sets forth the weightings assigned to different performance objectives for each of our named executive officers:

Name and Position	Corporate Adjusted EBITDA	Region/ Division Adjusted EBITDA	PDS New Business	Commercial Awards	Individual Objectives
James C. Mullen Chief Executive Officer (since February 7, 2011)	80%				20%
Mark J. Kontny President, Global PDS and Chief Scientific Officer	20%	60%			20%
Geoffrey M. Glass Executive Vice President, Sales and Marketing	40%		20%	20%	20%
Paul M. Garofolo Executive Vice President, PDS Global Business and Chief Technology Officer	70%				30%
Eric W. Evans Former Chief Financial Officer	80%				20%
Peter T. Bigelow Former President, North American Operations (until October 31, 2011) and (between December 1, 2010 and February 6, 2011) interim Chief Executive Officer <i>Financial Objectives</i>	20%	60%			20%

Corporate Adjusted EBITDA is defined as income (loss) from continuing operations before repositioning expenses, interest expense, foreign exchange losses reclassified from other comprehensive income, refinancing expenses, gains and losses on sale of fixed assets, gain on extinguishment of debt, income taxes, asset impairment charge, depreciation and amortization and other income and expenses, with additional adjustments for foreign currency exchange differences versus budgeted exchange rates and other one-time non-operating expenses, at the discretion of management.

Region/Division Adjusted EBITDA is defined consistent with the definition of Corporate Adjusted EBITDA, except that it is calculated based on the revenues and expenses of a particular region, as applicable. For purposes of our 2011 Incentive Plan, Mr. Bigelow's region was North America, including Puerto Rico, while his division was Commercial. For purposes of our 2011 Incentive Plan, Dr. Kontny's region was Global, while his division was PDS.

Table of Contents

PDS New Business represents the value of sales for new pharmaceutical development business. Commercial Awards represent the value of first, full year revenue from new commercial manufacturing business.

Under our 2011 Incentive Plan, if threshold Corporate Adjusted EBITDA of 90% of target were not met, there would be no payout under the Plan. If the threshold Region/Division Adjusted EBITDA of 90% of target were not met, there would be no payout relating to Region/Division Adjusted EBITDA performance. If threshold PDS New Business of 90% of target were not met, there would be no payout relating to PDS New Business performance. If threshold Commercial Awards of 90% of target were not met, there would be no payout relating to Commercial Awards performance. If performance were to fall between threshold and target or if performance were to fall between target and maximum, payout factors would be interpolated on a straight-line basis.

In setting the financial targets under our 2011 Incentive Plan, our CHR Committee focused on establishing targets for which attainment was not assured and which would require significant effort on the part of our named executive officers. For Fiscal 2011, target Corporate Adjusted EBITDA and Region/Division Adjusted EBITDA were based on our internal operating budget. The target amounts for PDS New Business and Commercial Awards were based on our internal sales goals as established by our sales and marketing division and approved by our Chief Executive Officer and Chief Financial Officer. The following table shows the payout percentages related to the achievement of consolidated corporate financial goals (Corporate Adjusted EBITDA) under our 2011 Incentive Plan:

Corporate Adjusted EBITDA

Individual Objectives

In addition to corporate and/or financial objectives, a component of each named executive officer's bonus eligibility was based on the achievement of individual objectives. The individual goals were weighted in significance, totaling up to 100% of the individual award opportunity for Fiscal 2011. The threshold performance for the individual objectives was 50%, with a payout of 50% of target; target and maximum performance were each 100%, with a payout of 100% of target.

Individual objectives for each named executive officer included individual performance goals specific to such individual or his or her area of responsibility. Individual goals included timely achievement of certain strategic and financial goals, functional financial and budget goals, design and implementation of productivity measures, quality and compliance results, and development of new business opportunities, as follows:

James C. Mullen: (i) Achieve certain strategic goals, including the development of our strategic plan; (ii) fill key executive positions; (iii) improve our performance standard and culture; (iv) improve our financial performance; and (v) successfully resolve certain open issues at the time of hiring.

Mark J. Kontny: (i) Act as project sponsor on certain strategic projects; (ii) ensure the adequacy of resources across the network to deliver increased PDS program capacity; (iii) sponsor the development of an internal scientific forum to spotlight Patheon science and technology; and (iv) design and implement improved standardized project management practices, including an improved method for gathering customer feedback.

Geoff M. Glass: (i) Increase the number of customers in the top tier relationship status; (ii) develop certain higher-value client relationships; (iii) deliver certain marketing campaigns to drive new sales; and (iv) update Patheon positioning and marketing based on the corporate strategy.

Edgar Filing: PATHEON INC - Form DEF 14A

Paul M. Garofolo: (i) Deliver all level 3 projects within budget and on time through the continued delivery of new methodologies tools and controls throughout the Corporate Technology Group; (ii) manage Patheon's global capital expenditures at or below budget, while coordinating with line operations regarding key engineering decisions around both maintaining our sites and supporting client business development

opportunities; (iii) manage the Global IT operations within or below budget; (iv) monitor and report on Global IT operating expenses each quarter and manage globally allocated spending for regional/ global contracts; (v) establish Global IT operating budget for Fiscal 2012.

Eric W. Evans: (i) Support the execution of key corporate initiatives, including corporate development, cost reduction, achieving sustained growth, cash generation and profitability initiatives; (ii) execute the SEC registration process; (iii) ensure accounting regulatory compliance; (iv) complete conversion to accounting principles generally accepted in the United States in accordance with regulatory requirements; (v) generate additional income and/or cash flow through Finance-led initiatives; (vi) enhance quality and consistency in the accounting, tax, cost accounting and financial planning functions; and drive certain process improvement initiatives.

Peter T. Bigelow: (i) Complete certain product, laboratory and warehouse transfers; (ii) increase revenue through the identification of new business opportunities and development of partnerships with key customers; (iii) enhance competitiveness through the implementation of productivity improvements and strategic capital investments; (iv) roll out the enhanced Operational Excellence initiative and quantify productivity benefits; (v) ensure excellent quality and compliance results at North American facilities; and (vi) ensure excellent execution of strategic development programs by driving improvements into the manufacturing of development materials and strengthening the interface between Patheon's PDS and Operations groups.

2011 Incentive Plan Results

The following table shows the percentage of achievement of the financial objectives applicable to our named executive officers eligible for a bonus for Fiscal 2011:

Financial Objective	Target (\$)	Actual(\$)	Achievement (%)
Corporate Adjusted EBITDA	93.5 MM	84.6 MM	91%
North American (including Puerto Rican) Commercial Adjusted EBITDA	28.7 MM	28.1 MM	98%
Global PDS Adjusted EBITDA	40.1 MM	30.3 MM	74%
PDS New Business	115.0 MM	132.5 MM	115%
Commercial Awards	75.0 MM	36.8 MM	49%

Accordingly, because we exceeded our threshold Corporate Adjusted EBITDA goal of 90%, all of our named executive officers were eligible for payouts under our 2011 Incentive Plan. We exceeded the minimum thresholds for payout under each of our Corporate Adjusted EBITDA and North American Commercial Adjusted EBITDA objectives, resulting in a 55% and 90% payout under them, respectively.

We exceeded the target goal for our PDS New Business objective, resulting in a 160% payout under it. We did not achieve the minimum threshold for payout under either of our Global PDS Adjusted EBITDA or Commercial Awards objectives. Accordingly, no payouts were made in respect of these objectives. In addition, our CHR Committee determined that each of Mr. Mullen and Dr. Kontny met their individual performance objectives for Fiscal 2011 such that they were eligible for a full payout related to achievement of those objectives. Mr. Glass achieved 80% of his individual performance objectives for Fiscal 2011, and therefore he was eligible for an 80% payout related to achievement of those objectives. Mr. Garofolo achieved 98% of his individual performance objectives for Fiscal 2011, and therefore he was eligible for a 98% payout related to achievement of those objectives.

- (1) Mr. Wheeler was not eligible to receive a bonus for Fiscal 2011. See 2011 Bonus Opportunity.
- (2) Represents prorated amount for Fiscal 2011, based on a \$900,000 bonus target for a full year.
- (3) In addition to the amount Mr. Mullen earned under the 2011 Incentive Plan, in light of Mr. Mullen's performance, our CHR committee also approved the payment of an additional discretionary bonus of \$26,493 to provide Mr. Mullen with a total bonus equal to 50% of his annual base salary.
- (4) In addition to the amount Dr. Kontny earned under the 2011 Incentive Plan, our CHR Committee awarded Dr. Kontny a discretionary bonus of \$43,000 to achieve compensation equity with other executive officers. The additional discretionary amount was recommended by our CEO and approved by our CHR Committee because it was felt that the amount of the bonus payable under our 2011 Incentive Plan created an inequitable result for Dr. Kontny, in view of his performance building new business and the overall performance of the PDS division during Fiscal 2011.
- (5) Mr. Evans's employment with the Company ended on November 1, 2011. Since he was not employed with us at the time of payout, he was not eligible to receive an award under our 2011 Incentive Plan. See Termination and Change in Control Benefits.
- (6) Mr. Bigelow's employment with our Company ended on October 31, 2011. Since he was not employed with us at the time of payout, he was not eligible to receive an award under our 2011 Incentive Plan. However, pursuant to the terms of our consulting and separation agreement with him, if he is still providing consulting services to us on February 28, 2012, he will be entitled to receive a payment of \$162,563, an amount equal to the amount which he would have received under the 2011 Incentive Plan.

Long-Term Incentives Incentive Stock Option Plan*Overview*

Long-term incentives are intended to motivate our named executive officers to achieve long-term corporate goals and to ultimately reward them for excellent corporate performance. Long-term incentives do not influence any other element of compensation. Our Incentive Stock Option Plan is designed to grant options to purchase our restricted voting shares to our named executive officers, directors and certain other persons in order to (i) encourage their productivity in furthering our growth and development; (ii) assist us in retaining and attracting executives with experience; and (iii) give us the ability to reward significant performance achievements.

Fiscal 2011 Grants

In connection with his hiring, we granted Mr. Mullen 5,000,000 options to purchase our restricted voting shares. Our CHR Committee believes that this grant was appropriately competitive in the circumstances, while providing a significant incentive for our CEO to increase shareholder value.

Equity Award Grant Practices

Our stock option grant practices provide that we may not issue stock options during a blackout period as defined in our trading policies. Quarterly blackout periods begin two weeks before the end of each fiscal quarter and end at the close of business on the second business day following the public release of our quarterly or annual financial results.

In addition, supplemental blackout periods are imposed to allow the receipt of material information by the market or in certain cases as determined by our CEO or General Counsel.

Table of Contents

Perquisites and Personal Benefits

We provide certain perquisites and personal benefits to recruit and retain our named executive officers. The level of perquisites and personal benefits provided to our named executive officers does not influence any other element of compensation.

Our group benefits are intended to provide competitive and adequate protection in case of sickness, disability or death. We offer health, dental, pension or retirement, life insurance and disability programs to all of our employees on the same basis. In addition, our named executive officers receive certain enhanced benefits for medical, dental, vision, life insurance and disability, including premium waivers and enhanced coverage.

In addition to enhanced health, life insurance and related benefits, during Fiscal 2011, our named executive officers, other than Mr. Mullen, also received automobile allowances (our former CEO, Mr. Wheeler, was provided with a general executive allowance). Certain executives also received relocation benefits and incentives (and related tax gross-ups) to offset the cost of their relocation to our U.S. headquarters. Our former CEO, Mr. Wheeler, and our former CFO, Mr. Evans, also received payments for country club memberships during Fiscal 2011.

Benefits Relating to Termination and Change in Control

Our named executive officers are covered by termination and change in control provisions in their employment agreements. The events that trigger payment under these arrangements were determined through the negotiation of the applicable employment agreement. In addition, our Incentive Stock Option Plan and certain of the award agreements entered into thereunder contain change in control provisions.

Risk Management

Our CHR Committee and our Board endeavor to design our compensation programs to help ensure that these programs do not encourage our executive officers to take unnecessary and excessive risks that could harm our long-term value. We believe that the following components of our executive compensation program, which are discussed more fully above, discourage our executive officers from taking unnecessary or excessive risks:

Base salaries and personal benefits are sufficiently competitive and not subject to performance risk.

We have increased the vesting period of our stock option awards from three years to five years to better align our executives interests with the long-term interests of our shareholders.

We have amended our Incentive Stock Option Plan to reduce the exercise period for options following an employee's termination of employment.

Corporate and individual performance objectives for our executive officers are generally designed to be achievable with sustained and focused effort.

Minimum thresholds apply to all components of our annual incentive plans for both (i) the funding of the plans and (ii) payout levels of performance objectives, including individual performance objectives.

Our annual incentive plans are, subject to applicable regulations, discretionary, and we have documented our reserved right to amend or discontinue our incentive plans at any time with or without notice.

Edgar Filing: PATHEON INC - Form DEF 14A

In order for an employee to receive a payout under one of our annual incentive plans, he or she must be employed at the time of payout, unless our Board determines otherwise.

Table of Contents

In order for an employee to be an eligible participant in one of our annual incentive plans, he or she must have completed at least three months of active employment with us prior to the applicable fiscal year's end.

Tax and Accounting Considerations

Tax and accounting considerations generally do not have a material impact on our compensation decisions. However, our CHR Committee does consider the accounting and cash flow implications of various forms of executive compensation.

In our consolidated financial statements, we record salaries and bonuses as expenses in the amount paid or to be paid to the named executive officers. Accounting rules also require us to record an expense in our consolidated financial statements for stock option awards, even though such awards are not paid as cash to employees. Our CHR Committee believes that the many advantages of equity compensation more than compensate for the non-cash accounting expense associated with it.

Policy with Respect to Short-Term Trading and Short Selling

Under our trading policy, except with prior approval of our Chief Executive Officer or our General Counsel, our directors, officers and certain designated employees may not buy and sell, or sell and buy, our restricted voting shares within a six-month time period. Our directors, officers and certain designated employees are also prohibited from short selling our restricted voting shares.

Compensation Committee Report

The Compensation and Human Resources Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on such review and discussions, recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Compensation Program Risk Assessment

We have conducted a risk assessment of our compensation policies and practices for all of our employees (not just our executive officers). Based on this review, we concluded that risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on us. Our risk assessment included a review of program policies and practices; program analysis to identify risk and risk control related to the programs; and determinations as to the sufficiency of risk identification, the balance of potential risk to potential reward, risk control and the support of the programs and their risks to our strategy. Although we reviewed all compensation programs, we focused on the programs with variability of payout (e.g., short-term and long-term incentive programs), with the ability of a participant to directly affect payout and the controls on participant action and payout. As part of our review, we specifically noted the following factors that reduce the likelihood that excessive risk taking would have a material adverse effect on us: (i) a strong internal control structure, including business, legal and finance review of our customer contracts prior to entry into such contracts; (ii) payment to our employees of competitive base salaries and benefits that are not subject to performance risk; and (iii) a mix between cash and noncash and short-term and long-term compensation.

- (3) The amounts shown in this column represent the aggregate grant date fair value of awards granted during Fiscal 2011 or Fiscal 2010, as applicable, computed in accordance with Financial Accounting Standards Board Accounting Standard Codification Topic 718 and do not reflect the compensation actually received by the named executive officer. These award values have been determined based on certain assumptions, which are described in Note 11 to our consolidated financial statements included in our Annual Report on Form 10-K for Fiscal 2011.
- (4) This column reflects the amounts paid under our 2011 Incentive Plan or 2010 Annual Performance Incentive Plan, as applicable. For Fiscal 2011, Mr. Mullen's employment agreement guaranteed him a minimum bonus of 50% of his prorated base salary, or \$330,865. The amount he was entitled to under the 2011 Incentive Plan, which is reported in this column, exceeded the amount of his guaranteed bonus. Since Mr. Wheeler was not employed with us at the time we adopted our 2011 Incentive Plan, he was not eligible for a payout thereunder. Mr. Wheeler's bonus for Fiscal 2010 was paid pursuant to the terms of his separation agreement with us effective November 30, 2010. See Termination and Change in Control Benefits. Since Messrs. Evans and Bigelow were not employed with us at the time our CHR Committee approved payments under our 2011 Incentive Plan, they were not eligible for payouts thereunder. However, pursuant to the terms of our

Table of Contents

- consulting and separation agreement with Mr. Bigelow, if he is still providing services thereunder to us on February 28, 2012, he will be entitled to receive a payment of \$162,563, an amount equal to the amount which he would have received under the 2011 Incentive Plan.
- (5) The amounts shown in this column represent company matching contributions to the 401(k) retirement plan, the cost of supplemental health and insurance benefits, life insurance premiums, the cost of automobile allowances, relocation expenses, tax gross-ups and other perquisites or personal benefits. Details are provided below in All Other Compensation Table. The amount shown for Mr. Wheeler includes \$1,300,000 in salary continuance paid pursuant to his separation agreement with the Company effective November 30, 2010. Termination and Change in Control Benefits

The following contracts, agreements, plans and arrangements provide for payments to the applicable named executive officers at, following or in connection with either (i) certain terminations of employment or (ii) a change in control of our Company.

Table of Contents

Stock Option Awards

Our Incentive Stock Option Plan includes change in control provisions. Under our Incentive Stock Option Plan, a change in control means the occurrence of either of the following: (i) any person, other than JLL, becomes a beneficial owner of more than 30% of the voting power of our then outstanding securities entitled to vote generally in the election of directors (with certain exceptions); or (ii) the consummation of a merger, amalgamation, arrangement, business combination, reorganization or consolidation or sale or other disposition of substantially all of the assets of our Company, with certain exceptions (a Plan Change in Control). In the event of a Plan Change in Control, each option granted and outstanding under our Incentive Stock Option Plan will become immediately exercisable, even if such option is not otherwise vested or exercisable in accordance with its terms. Further, in the event of a Plan Change in Control or potential Plan Change in Control, our Board will have the power, subject to restrictions on amendments for which shareholder approval is required, to change the terms of the options as it considers fair and appropriate in the circumstances.

Under the terms of the options granted in Fiscal 2011, a change in control means the occurrence of any of the following: (i) any person other than JLL becomes a beneficial owner of more than 50% of the voting power of our then outstanding securities entitled to vote generally in the election of directors; (ii) our shareholders' approval of a dissolution or liquidation of our Company; (iii) the consummation of a reorganization, merger, consolidation or amalgamation to which our Company is a party and, as a result of which, persons other than the shareholders of our Company immediately prior to such reorganization, merger, consolidation or amalgamation cease to own at least 50% of the voting power of the then outstanding voting securities of the surviving corporation in such reorganization, merger, consolidate or amalgamation entitled to vote generally in the election of directors; (iv) the sale or other disposition of all or substantially all the assets of our Company; and (v) a majority of the seats of our Board, other than vacant sets, are held by persons who were not directors at the option's grant date and were neither (a) nominated for election by our Board nor (b) appointed by directors so nominated.

Employment Agreements

Our employment agreements with our named executive officers contain certain provisions concerning benefits in the event of their termination generally or their termination after a change in control of our Company. The employment agreements generally provide that upon termination within a certain period of time following a change in control, to the extent not otherwise provided in our Incentive Stock Option Plan or the stock option award agreement, the executive officer's unvested stock options will immediately vest and become exercisable.

Additionally, the employment agreements generally provide that if we terminate an executive officer without Cause (as defined below) or if he or she terminates his or her employment for Good Reason (as defined below), our Affiliated Group (defined as our Company or any entity controlled by, controlling or under common control with our Company) will pay or provide, or cause to be paid or provided, to the executive officer any other amounts or benefits required to be paid or provided or which the executive officer is eligible to receive under any plan, program, policy or practice or contract or agreement of our Affiliated Group, in accordance with the terms of such plan, program, policy or practice or contract or agreement, based on accrued and vested benefits through the date of such termination. Generally, executive officers are only entitled to receive severance benefits under their employment agreements if they execute and do not revoke a waiver and release drafted by us within a prescribed time following termination of employment.

In addition, the employment agreements with each of our named executive officers include requirements related to confidentiality, non-solicitation and noncompetition. The non-solicitation and noncompetition requirements extend for 12 months following each named executive officer's termination of employment (24 months for Mr. Mullen and Mr. Wheeler). These requirements apply to all terminations, except that Mr. Evans's and Mr. Glass's noncompetition provisions do not apply if those executives are terminated other than for Cause (as defined in the applicable agreement).

Additional information regarding the material terms of our employment agreements with each of our named executive officers is described below.

Table of Contents

James C. Mullen

Mr. Mullen's employment agreement provides that if we terminate his employment without Cause, or if he terminates his employment for Good Reason, we are required to pay him severance equal to two years of his then current base salary, payable in 24 equal monthly installments. In addition, with respect to the initial grant to him of 5,000,000 options, if we terminate Mr. Mullen's employment without Cause, for incapacity or for death, or if he terminates his employment for Good Reason, a pro-rata portion of such options in which Mr. Mullen would have become vested on the following anniversary of the effective date of his agreement will become immediately vested and exercisable on the date of his termination; provided, however, that if such termination occurs within six months of the effective date of his agreement, 500,000 of such options will immediately become vested and exercisable as of the date of such termination. If Mr. Mullen is terminated under circumstances entitling him to accelerated vesting of his options, he will be permitted to exercise his vested options within three months after the date of such termination. Mr. Mullen's right to such benefits is contingent upon his continued compliance with the confidentiality, non-disparagement, non-solicitation and non-competition provisions of his agreement.

Mark J. Kontny

Dr. Kontny's employment agreement provides that if we terminate his employment other than for Cause or if he terminates his employment for Good Reason, we are required to pay him severance equal to his annual base salary, plus an amount determined by our Board in its sole discretion to reflect the annual incentive Dr. Kontny would have otherwise earned during the year in which the termination occurs, in 12 equal monthly payments.

Geoffrey M. Glass

Mr. Glass's employment agreement, as amended, provides that if we terminate his employment other than for Cause or if he terminates his employment for Good Reason, we are required to pay him severance equal to his annual base salary, plus an amount determined by our Board in its sole discretion to reflect the annual incentive Mr. Glass would have otherwise earned during the year in which the termination occurs, in 12 equal monthly payments.

Paul M. Garofolo

Mr. Garofolo's employment agreement, as amended, provides that if we terminate his employment other than for Cause or if he terminates his employment for Good Reason, we are required to pay him a lump sum severance payment equal to his annual base salary for one year, plus the average bonus he earned during the previous two years of employment prior to the termination, within 60 days after termination. If such termination occurs at any time within a 12-month period following a Change in Control, Mr. Garofolo will instead be entitled to receive a lump sum severance payment equal to his annual base salary, plus his target annual bonus, within 60 days of the termination date.

Wesley P. Wheeler

Mr. Wheeler's employment agreement, as amended, provided that, during the term of his employment agreement, if we terminated his employment other than for Cause, if he terminated his employment for Good Reason or if his employment terminated as a result of his death or disability, we were required to pay him severance equal to his annual base salary for two years, in 24 equal monthly installments. If such termination of Mr. Wheeler's employment by us or him occurred at any time within a six-month period following a Change in Control (as defined below), Mr. Wheeler would have instead been entitled to receive his annual base salary for two years, plus his target performance bonus for two years, in 24 equal monthly installments.

Mr. Wheeler's employment with us was terminated other than for Cause effective November 30, 2010. In accordance with the terms of his employment agreement, Mr. Wheeler is receiving a total of \$1,300,000 in salary continuance payments, payable in 24 equal monthly installments. Mr. Wheeler was also awarded a bonus of \$460,000 based on the terms of our 2010 Annual Performance Incentive Plan (the "2010 Incentive Plan"), pursuant to the terms of his separation agreement, which provides, in part, that Mr. Wheeler remained eligible for a bonus under the 2010 Incentive Plan payable in accordance with the terms of such plan, as determined in the sole discretion of our Board and in a manner consistent with the method used to determine incentive plan payouts of our other senior executives. In addition, the separation agreement contained the general release referenced under "Employment Agreements," and Mr. Wheeler did not revoke it during the prescribed period.

Eric W. Evans

Mr. Evans's employment agreement provided that if we terminated his employment other than for Cause or if he terminated his employment for Good Reason, we were required to pay him a lump sum severance payment equal to his annual base salary for one year, plus the average bonus he earned during the previous two years of employment prior to the termination, within 30 days after termination. If such termination occurred at any time within a 12-month period following a Change in Control, Mr. Evans would have instead been entitled to receive a lump sum severance payment equal to his annual base salary, plus his target annual bonus, within 60 days of the termination date.

Mr. Evans resigned from his employment with us as of November 1, 2011. In accordance with the terms of his separation agreement, Mr. Evans received \$537,950 in cash in satisfaction of the amounts payable to him under his employment agreement. In addition, the separation agreement with Mr. Evans contained the general release referenced under Employment Agreements, and Mr. Evans did not revoke it during the prescribed period.

Peter T. Bigelow

Mr. Bigelow's employment agreement provided that if we terminated his employment other than for Cause or if he terminated his employment for Good Reason, we were required to pay him severance equal to his annual base salary, plus an amount determined by our Board in its sole discretion to reflect the annual incentive Mr. Bigelow would have otherwise earned during the year in which the termination occurred, in 12 equal monthly installments.

Mr. Bigelow resigned from his employment with us effective as of the close of business on October 31, 2011. In connection with his resignation, Mr. Bigelow entered into a separation and consulting agreement with us that provides that we will pay him \$24,583 per month for consulting services, not to exceed an aggregate amount of \$295,000 until the earlier of October 31, 2012 or the date upon which Mr. Bigelow secures a full-time employment engagement commensurate with his skills and experiences, at which time, in consideration for his execution, non-revocation of and compliance with a release, we will pay him an additional \$70,000. Pursuant to his separation and consulting agreement, if Mr. Bigelow is still providing us consulting services on February 28, 2012, he will be entitled to receive a milestone payment in an amount equal to that which he would have received under our 2011 Incentive Plan had he remained actively employed by us at the time of plan payout. Mr. Bigelow's separation and consulting agreement also contains confidentiality requirements and noncompetition and non-solicitation requirements that extend for 12 months following the end of the applicable consulting period under the agreement.

For purposes of the employment agreements with our named executive officers, the terms below have the following meanings:

Cause means the determination, in good faith, by our Board, after notice to the executive officer and, if curable, a reasonable opportunity to cure, that one or more of the following events have occurred: (i) the executive officer has failed to perform his material duties, and such failure has not been cured after a period of 30 days notice from us; (ii) any reckless or grossly negligent act by the executive officer having the effect of injuring the interests, business or reputation of any member of our Affiliated Group; (iii) the executive officer's commission of any felony (including entry of a nolo contendere plea); (iv) any misappropriation or embezzlement of the property of any member of our Affiliated Group; or (v) breach by the executive officer of any material provision of his employment agreement. Under Mr. Mullen's employment agreement, such breach of a material provision must, if curable, remain uncured for a period of 30 days after receipt by him of written notice from us of such breach, which notice must contain the specific reasonable cure requested, in order to constitute Cause.

Change in Control means any of the following events: (i) any person, other than JLL, becomes a beneficial owner of more than 50% of the voting power of our then outstanding securities entitled to vote generally in the election of directors; (ii) consummation of a merger or consolidation of our Company or any of our direct or indirect subsidiaries with any other company (with certain exceptions); or (iii) shareholder approval of complete liquidation or dissolution of our Company or disposition by us of all or substantially all of our assets.

Table of Contents

Good Reason means the occurrence of any of the following events without the executive officer's consent: (i) a material reduction in the executive officer's duties or responsibilities or the assignment to the executive officer of duties materially inconsistent with his position; or (ii) a material breach by us of the executive officer's employment agreement. Good Reason also included, under Mr. Bigelow's employment agreement, and includes, under Dr. Kontny's employment agreement, requiring Mr. Bigelow and Dr. Kontny, respectively, to work more than 50 miles from his principal office on commencement of his employment. Under Mr. Glass's employment agreement, any future reduction or total elimination of Mr. Glass's global sales and marketing duties or responsibilities by us will not constitute, for the purposes of determining the existence of Good Reason, (i) a material reduction by us of Mr. Glass's duties or responsibilities; (ii) the assignment of duties or responsibilities materially inconsistent with his position; or (iii) a material breach of the employment agreement. A termination of the executive officer's employment by him is not deemed to be for Good Reason unless (i) he gives notice to us of the existence of the event or condition constituting Good Reason within 30 days after such event or condition initially occurs or exists; (ii) we fail to cure such event or condition within 30 days after receiving such notice; and (iii) his separation from service within the meaning of the U.S. Internal Revenue Code of 1986, as amended (the Code), occurs not later than 90 days after such event or condition initially occurs or exists. Under Mr. Mullen's employment agreement, Good Reason also includes removal of him from his position. Mr. Mullen's agreement also provides that no termination for Good Reason is effective unless (i) he gives us written notice within 60 days of becoming aware of the initial occurrence of the event or condition constituting Good Reason and the specific reasonable cure requested by him; (ii) we have failed to cure such event or condition within 30 days of receiving such notice; and (iii) he resigns within 30 days of the initial occurrence. Furthermore, Mr. Mullen may not resign for Good Reason if, on the date of notice to us, (i) grounds exist for his termination by us for Cause or (ii) he has already given us notice of (a) the non-renewal of his agreement at the end of its term or (b) his intention to resign without Good Reason.

Potential Payments Upon Termination or Change in Control

The following table summarizes the estimated amounts payable to each named executive officer (other than Messrs. Wheeler and Bigelow, whose actual payments paid on their termination are discussed above) in the event of a termination of employment or change in control, or both. These estimates are based on the assumption that the various triggering events occurred on October 31, 2011, the last business day of Fiscal 2011.

We have noted below the other material assumptions used in calculating the estimated payments under each triggering event. The actual amounts that would be paid to a named executive officer upon termination of employment can only be determined at the time an actual triggering event occurs.

- (2) The values shown represent the payments that could have been made to our named executive officers pursuant to their respective employment agreements. See Employment Agreements.
- (3) No value was included in this column for the assumed exercise of any stock options as the exercise prices of the outstanding stock option awards were all above the closing price of our stock on the TSX on October 31, 2011.

Deferred Share Unit Plan

The DSU Plan was first approved by our Board on February 22, 2008 and was amended on March 27, 2008. The purposes of the DSU Plan are to (i) promote a greater alignment of interests between our directors and our shareholders and (ii) provide a compensation system for directors that, together with our other director compensation mechanisms, is reflective of the responsibility, commitment and risk accompanying Board membership and the performance of duties required of the various committees of our Board. Only our directors who are not our employees or employees of any of our affiliates, including any non-executive Chair of our Board (each an [Eligible Director](#)) are eligible to participate in the DSU Plan. The DSU Plan is administered by our CHR Committee.

Under the DSU Plan, each [Eligible Director](#) (other than the Chair of our Board) will receive in DSUs (i) an initial retainer fee for serving as a director payable on initiation of the DSU Plan or on being elected or appointed a director (the [Initial Retainer](#)) and (ii) a base retainer in respect of each fiscal year (the [Base Retainer](#)). In addition, each [Eligible Director](#) may elect to receive an annual retainer for serving as a director (the [Annual Retainer](#)) or an annual chairman's retainer (the [Chair's Retainer](#)), as applicable, in the form of DSUs or cash or any combination thereof.

DSUs allocated to an [Eligible Director](#) pursuant to the DSU Plan are credited to an account maintained by us on the last day of each fiscal quarter in which the remuneration provided in DSUs accrued. The number of DSUs is determined by dividing the remuneration provided in DSUs by the [Market Price](#) on the particular payment day. The [Market Price](#) is defined to mean, in respect of any date, the weighted-average price at which our restricted voting shares have traded on the TSX during the two trading days immediately prior to such date. If any dividends are paid on our restricted voting shares, an [Eligible Director](#) will be credited with dividend equivalents in respect of the DSUs credited to his account as of the record date for payment of dividends, which dividend equivalents will be converted into additional DSUs. DSUs are fully vested upon being credited to an [Eligible Director's](#) account.

Table of Contents

An Eligible Director will be paid the value of the DSUs credited to his account on voluntary resignation or retirement, death or disability, removal from our Board whether by shareholder resolution or failure to be re-elected, and in the case of an Eligible Director who is a U.S. taxpayer, on the date on which he has a separation from service within the meaning of the Code. Each DSU represents the right to receive a payment for such DSU equal to the Market Price on the redemption date applicable to such DSU.

Under the current compensation program, our Board approved the Initial Retainer of \$32,000 (to be paid in DSUs), the Base Retainer of \$32,000 (to be paid in DSUs) and the Annual Retainer of \$35,000 (to be paid in cash or DSUs) for Eligible Directors other than the Chair of our Board. Our Board approved the Chair's Retainer of \$140,000 (\$67,000 of which to be paid in cash or DSUs) for the Chair of our Board.

During Fiscal 2011, a total of 259,231.23 DSUs were credited to Eligible Directors under the DSU Plan. As of October 31, 2011, a total of 742,893.15 DSUs were outstanding.

Equity Compensation Plan Information

The following table sets forth aggregate information regarding our equity compensation plans as of October 31, 2011. The only equity compensation plan that we currently maintain is our Incentive Stock Option Plan, pursuant to which we may grant options to purchase our restricted voting shares to eligible persons.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders (1)	12,628,458	\$ 2.88	2,871,693
Equity compensation plans not approved by security holders			
Total	12,628,458	\$ 2.88	2,871,693

- (1) Before the March 2011 amendments, our Incentive Stock Option Plan provided that the maximum number of restricted voting shares that could be issued upon the exercise of options equaled 7.5% of our total issued and outstanding shares (on a non-diluted basis). Following the March 2011 amendments, our Incentive Stock Option Plan now provides that the maximum number of restricted voting shares that may be issued upon the exercise of options equals 15,500,151 shares.

Our CHR Committee is currently comprised of Mr. Lagarde, Mr. Agroskin and Mr. Viso. During Fiscal 2011, Mr. Taylor also served on our CHR Committee. Other than Mr. Viso, who served as President and Chief Executive Officer of one of our subsidiaries, Patheon P.R., from December 2004 to August 2005, and as Chairman of Patheon P.R., from August 2005 to December 2006, none of the members of our CHR Committee has served as an officer or employee of our Company or any of its subsidiaries. affiliated entity, is the beneficial owner of approximately 56% of our restricted voting shares and 100% of our Series D Preferred Shares. The following is information with respect to related person transactions involving Mr. Viso and our Company and JLL and our Company.

Arrangements with JLL

Our controlling shareholder is JLL Partners, a New York private equity firm that owns its shares through various affiliated entities. As a result of various arrangements with us, some of which are more fully described below, JLL Partners and its affiliates currently have the right to determine three of our nine board seats and the right to approve our entry into certain types of transactions. The following further describes certain of our transactions and relationships with JLL Partners and its affiliates.

Transactions with JLL

In 2007, we entered into a definitive agreement with JLL Partners Fund V L.P., under which its affiliate, JLL Patheon Holdings, purchased our convertible Series C Preferred Shares and special voting Series D Preferred Shares through a private placement with aggregate gross proceeds to us of \$150 million. JLL Patheon Holdings also acquired a number of rights in connection with the private placement, including the right to elect up to three directors to our Board pursuant to the terms of the Series D Preferred Shares. In connection with certain rights under the terms of the Series C Preferred Shares held by JLL Patheon Holdings, we entered into an agreement with JLL Patheon Holdings on September 4, 2008, pursuant to which JLL Patheon Holdings waived its redemption rights under the Series C Preferred Shares in exchange for the issuance of additional restricted voting shares and the right to acquire, through the facilities of the TSX, over a one-year period, up to 1.26 million restricted voting shares.

In 2009, after JLL made an offer to acquire all of our outstanding shares (the JLL Offer), and litigation ensued. Pursuant to an agreement between JLL and our Company, which settled all the legal actions then outstanding in connection with the JLL Offer and related matters, JLL Patheon Holdings converted its 150,000 Series C Preferred Shares into a total of 38,018,538 restricted voting shares, and we entered into the Settlement Agreement with JLL Patheon Holdings in respect of all of legal actions then outstanding in connection with the JLL Offer and related matters. See Settlement Agreement.

As of February 13, 2012, JLL beneficially owned an aggregate of 72,077,781 restricted voting shares, representing approximately 56% of our total restricted voting shares outstanding. Mr. Viso and his wife jointly owned approximately 8.4% of our issued and outstanding restricted voting shares as of February 13, 2012. Our Board currently consists of three nominees of JLL Patheon Holdings.

Series D Preferred Shares

The Series D Preferred Shares provide JLL Patheon Holdings with the right to elect the following number of directors to our Board:

so long as JLL Patheon Holdings holds at least 22,811,123 restricted voting shares, it has the right to elect three members to our Board;

so long as JLL Patheon Holdings holds at least 11,405,561 restricted voting shares, it has the right to elect two members to our Board; and

so long as JLL Patheon Holdings holds at least 5,702,781 restricted voting shares, it has the right to elect one member to our Board.

Investor Agreement

On April 27, 2007, we entered into the Investor Agreement with JLL Patheon Holdings in connection with its purchase of our Series C Preferred Shares and Series D Preferred Shares with aggregate gross proceeds to us of \$150 million. The following is a summary of the key terms of the Investor Agreement:

Special Approval Rights

Provided that JLL Patheon Holdings holds at least 13,306,488 restricted voting shares, the approval of JLL Patheon Holdings is required before we may:

create or issue any shares of capital stock ranking pari passu with or senior to the Series C Preferred Shares, or issue any additional restricted voting shares or other equity securities, or securities convertible for or exchangeable into such securities, other than pursuant to our Incentive Stock Option Plan or any other security-based compensation arrangement consented to by JLL Patheon Holdings;

declare or pay dividends or other distributions (including capital) on our restricted voting shares or other equity securities;

redeem, repurchase or acquire any restricted voting shares or other equity securities;

change our articles of amalgamation;

change the rights of our existing classes of shares;

merge, consolidate or sell all or substantially all of our assets or undertake any similar business combination transaction;

incur any indebtedness for borrowed money in excess of \$20 million, excluding borrowings under our credit facilities;

initiate any insolvency, restructuring or reorganization process, voluntary liquidation, dissolution or winding-up of our Company;

change our Chief Executive Officer; or

change the size of our Board.

Standstill

Unless JLL Patheon Holdings or any of its affiliates makes an offer to acquire all of our outstanding restricted voting shares (or an offer, made in conjunction with the offer to acquire our restricted voting shares, to acquire all of any class or series of convertible securities then outstanding) by way of a take-over bid circular and in compliance with the terms of our shareholder rights plan (if we have such a plan then in effect), JLL Patheon Holdings agreed not to acquire or offer to acquire, directly or indirectly, any restricted voting shares or Series C Preferred Shares or direct or indirect rights or options to acquire any restricted voting shares, without our prior written approval, other than restricted voting shares received through (i) a stock dividend or a recapitalization of Patheon, (ii) any dividend reinvestment plan, (iii) a rights offering to all holders of

Edgar Filing: PATHEON INC - Form DEF 14A

restricted voting shares, (iv) our shareholders rights plan, or (v) conversion of the Series C Preferred Shares. JLL Patheon Holdings also agreed not to act jointly or in concert with any third party to propose or effect any take-over bid, amalgamation, merger, arrangement or other business combination with respect to us or to propose or effect any acquisition or purchase of any of our assets. JLL Patheon Holdings agreed not to solicit votes or proxies to attempt to alter the structure of our Board as it existed on April 27, 2007. Subsequent to the Investor Agreement, we have agreed to provide a limited waiver of these standstill provisions to permit an affiliate of JLL Patheon Holdings to acquire, through the facilities of the TSX, over a one-year period, up to 1,256,929 restricted voting shares (determined on a partially diluted basis, taking into account our restricted voting shares issuable on conversion of the Series C Preferred Shares).

The standstill provisions set forth above will expire on the earliest of (i) April 27, 2012, (ii) the date upon which JLL Patheon Holdings and its wholly owned subsidiary or subsidiaries that hold restricted voting shares or convertible shares (A) cease to own beneficially, directly or indirectly, restricted voting shares and Series C Preferred Shares that represent at least 20% of the number of restricted voting shares then issued and outstanding and (B) no longer have the right to nominate a representative to our Board, and (iii) the date on which our Board approves any of the following actions: (A) the sale of restricted voting shares or Series C Preferred Shares representing more than 35% of the fully diluted shares held by JLL Patheon Holdings to any third party other than a member of JLL Patheon Holdings and its wholly owned subsidiary or subsidiaries that hold restricted voting shares or convertible shares or any person acting jointly or in concert with any member of JLL Patheon Holdings and its wholly owned subsidiary or subsidiaries that hold restricted voting shares or convertible shares and its affiliates; (B) a consolidation, merger, arrangement or amalgamation (statutory or otherwise) of us with any such third party; or (C) the acquisition by any such third party or group of such third parties of restricted voting shares or Series C Preferred Shares representing more than 35% of the fully diluted shares held by JLL Patheon Holdings.

Table of Contents

Transfer of Series D Preferred Shares

The Series D Preferred Shares are not transferable, except to an affiliate of JLL Patheon Holdings.

Registration Rights

JLL Patheon Holdings may request us to effect a qualification under Canadian securities laws (or, if we are eligible to use Form F-10 and JLL Patheon Holdings so requests, under the Securities Act of 1933 (the "Securities Act")) of the distribution to the public in any or all of the provinces of Canada (or in the United States, if applicable) of all or part of the Series C Preferred Shares (or restricted voting shares received on conversion) held by JLL Patheon Holdings (a "Demand Registration"), subject to a maximum of two Demand Registrations. In addition, each time we elect to proceed with the preparation and filing of a prospectus under any Canadian securities laws in connection with a proposed distribution of any of our securities for cash, JLL Patheon Holdings will be entitled to request that we cause any or all of the shares held by JLL Patheon Holdings to be included in such prospectus (an "Incidental Registration"). We will bear all registration expenses, excluding underwriting or placement discounts and commissions. The Demand Registration rights terminate when JLL Patheon Holdings and its affiliates no longer beneficially own Series C Preferred Shares (or restricted voting shares received on conversion) representing at least 12,500,000 fully diluted restricted voting shares, and the Incidental Registration rights terminate when JLL Patheon Holdings and its affiliates no longer beneficially own Series C Preferred Shares (or restricted voting shares received on conversion) representing at least 6,250,000 fully diluted restricted voting shares.

The Investor Agreement also contains other customary provisions such as, among other things, general indemnification provisions by which we indemnify JLL Patheon Holdings and JLL Patheon Holdings indemnifies us.

Board Representation

In furtherance of the right to elect directors to our Board pursuant to the terms of the Series D Preferred Shares, the Investor Agreement provides that our Board will consist of up to nine members and that JLL Patheon Holdings has the right to designate nominees for election or appointment to our Board (the "JLL Representatives") as follows:

so long as JLL Patheon Holdings holds at least 22,811,123 restricted voting shares, it has the right to designate three JLL Representatives;

so long as JLL Patheon Holdings holds at least 11,405,561 restricted voting shares, it has the right to designate two JLL Representatives; and

so long as JLL Patheon Holdings holds at least 5,702,781 restricted voting shares, it will be entitled to designate one JLL Representative.

We have agreed to cause the JLL Representatives to be included as nominees proposed by our Board to the shareholders at future meetings and to use reasonable commercial efforts to cause the election of the JLL Representatives and solicit proxies in favor of their election.

In the event that JLL Patheon Holdings no longer holds any Series D Preferred Shares and is therefore not entitled to elect directors to our Board pursuant to the terms thereof, the board representation provisions of the Investor Agreement will be controlling.

Settlement Agreement

On November 30, 2009, we entered into the Settlement Agreement with JLL Patheon Holdings to settle all claims filed by us against JLL Patheon Holdings and by JLL Patheon Holdings against us in connection with the JLL Offer and related matters. The Settlement Agreement provides, among other things, that:

Edgar Filing: PATHEON INC - Form DEF 14A

Upon the effective date of the Settlement Agreement, our Board would be modified to consist of (i) three nominees of JLL Patheon Holdings, (ii) one additional director selected by JLL Patheon Holdings, (iii) Roy T. Graydon and Derek J. Watchorn (the Board Nominees), (iv) Brian G. Shaw (the

Table of Contents

Third Independent Nominee and, collectively with the Board Nominees, the Independent Directors), (v) our Chief Executive Officer (who, at the time, was Wesley P. Wheeler and who is now James C. Mullen) and (vi) Joaquín B. Viso. At each meeting of shareholders held prior to March 1, 2011 at which directors were to be elected, JLL Patheon Holdings would vote all of its shares in favor of the re-election of, and would otherwise use its reasonable commercial efforts to re-elect, each of the Independent Directors and, at any requisitioned meeting called for the purpose of removing directors, JLL Patheon Holdings would vote all of its shares against the removal of any of the directors specified above. If either of the Board Nominees did not stand for re-election or vacated his office, a replacement nominee would be selected by our Board with the unanimous approval of the Independent Directors then in office, and JLL Patheon Holdings would vote all of its shares in favor of the election of, and would otherwise use its reasonable commercial efforts to elect or cause to be appointed, such replacement nominee as a director of our Company. If the Third Independent Nominee did not stand for re-election or vacated his office, JLL Patheon Holdings would identify a replacement nominee who would be a qualifying independent director. At each meeting of shareholders held after March 1, 2011 and prior to March 1, 2012, JLL Patheon Holdings will vote all of its shares in favor of the election of, and against the removal of, and will otherwise use its reasonable commercial efforts to elect, at least three persons (who may or may not be one or more of the Independent Directors then in office) to our Board who would be qualifying independent directors. For these purposes, a qualifying independent director means a person who would be an independent director under the definition in the TSX Company Manual; provided, however, that the Third Independent Nominee will not be disqualified as an independent director under the definition in the TSX Company Manual solely by virtue of the fact that he or she has been identified by JLL Patheon Holdings. If any such Independent Director vacates his or her office, a replacement nominee will be selected by our Board with the unanimous approval of the Independent Directors then in office, and JLL Patheon Holdings will vote all of its shares in favor of the election of, and will otherwise use its reasonable commercial efforts to elect or cause to be appointed, such replacement nominee as a director of our Company.

JLL Patheon Holdings agreed not to acquire any additional restricted voting shares of Patheon for a one-year period, which expired on November 29, 2010. Thereafter, and until April 27, 2012, JLL Patheon Holdings will not acquire any additional restricted voting shares unless, among other things, the acquisition complies with the standstill provisions of the Investor Agreement, and (i) if the acquisition is to be effected by means of a merger, consolidation, amalgamation or similar transaction requiring a vote of shareholders, the acquisition is approved by a majority vote of the holders of the outstanding restricted voting shares not already held by JLL Patheon Holdings or its associates, affiliates and/or joint actors and (ii) if the acquisition is to be effected by means of a takeover bid, the bid is subject to an irrevocable condition requiring the valid tender to the bid of at least a majority of the outstanding restricted voting shares not already held by JLL Patheon Holdings or its associates, affiliates and/or joint actors.

Until April 27, 2012, certain transactions by us, including certain rights offerings, issuer bids and related party transactions, would require approval by a majority of the independent directors.

Unless approved in advance by a majority of the independent directors, until April 27, 2012, JLL Patheon Holdings will not enter into, or agree to, any oral or written agreement, arrangement or understanding, formal or informal, direct or indirect, with any of our other shareholders, in respect of the acquisition of any of our securities or in respect of any merger, consolidation, amalgamation or similar transaction involving us.

We agreed to pay JLL Patheon Holdings \$1.5 million in connection with the settlement.

Relationships with Alara Pharmaceutical Corporation

On January 1, 2002, Patheon P.R. entered into a commercial manufacturing agreement with Alara. Alara is wholly owned by Joaquín B. Viso, a member of our board and who, together with his wife, owned approximately 8.4% of our outstanding restricted voting shares as of February 13, 2012. This agreement pertains to a significant product for Patheon P.R., and under this agreement, Patheon P.R. has the right to manufacture 85% of the worldwide

Table of Contents

requirements of Alara for such product. The approximate dollar amount of value derived from this agreement during Fiscal 2011 was \$13.6 million. The right to place orders for such product has been assigned to a third party who purchases this product directly from Patheon P.R.; however, the new drug application for this product remains the property of Alara. This agreement was amended in 2002 and 2004 and expires in 2019. We believe that terms of this agreement are standard for agreements of this nature.

Relationship with Patheon Puerto Rico, Inc.

On December 23, 2004, we acquired MOVA Pharmaceutical Corporation, which is now known as Patheon Puerto Rico, Inc. (Patheon P.R.), from Joaquín B. Viso and his wife and the other Patheon P.R. shareholders. Patheon P.R. is now our wholly owned subsidiary. Mr. Viso, one of our current directors, was the founder and, together with his wife, an 83.18% owner of Patheon P.R. Mr. Viso served as the President of Chief Executive Officer of Patheon P.R. from December 2004 to August 2005 and as its Chairman from August 2005 to December 2006. The stock purchase agreement and a related escrow agreement pursuant to which we acquired Patheon P.R. allocated responsibility for the payment of certain amounts owed by Patheon P.R. to the Puerto Rico Industrial Development Company (PRIDCO). Following our acquisition of Patheon P.R., a dispute arose among Patheon P.R., the selling shareholders, including Mr. Viso, who acted as the sellers' representative, and us regarding certain amounts owed by Patheon P.R. to PRIDCO. The parties agreed to settle the dispute pursuant to a letter agreement dated September 28, 2006, which provided that (i) the former Patheon P.R. shareholders (including Mr. Viso and his wife) were responsible for two payments to PRIDCO in 2006, each in the amount of \$1,193,549; (ii) Patheon P.R. was responsible for nine quarterly payments to PRIDCO beginning in March 2007, each in the amount of \$265,233; and Patheon P.R. agreed to make quarterly royalty payments to selling shareholders in the amount of 1% of all revenue received by Patheon P.R. in respect of the manufacture by Patheon P.R. of certain products. The calculation of the quarterly royalty payments is based on the revenues received by Patheon P.R. during each calendar quarter from the manufacture of those products, beginning with the quarter ended June 30, 2009, and will continue until the aggregate amount of royalty payments made has reached \$2,387,098.88. As of the end of Fiscal 2011, Patheon P.R. has paid the selling shareholders \$290,172, of which \$129,082 has been paid since the beginning of Fiscal 2011.

CORPORATE GOVERNANCE

The Board of Directors

Composition of the Board

Patheon's articles of amalgamation provide that the Board will consist of a minimum of three directors and a maximum of 12 directors. At the annual and special meeting of shareholders held on March 10, 2011, Patheon's shareholders approved, by a special 2/3 majority vote, a resolution to amend our articles to permit the Board to appoint one or more additional directors in between meetings of shareholders, who will hold office for a term expiring not later than the close of the next annual meeting of shareholders, so long as the total number of directors so appointed does not exceed one-third of the number of directors elected at the previous annual meeting of shareholders. Notwithstanding the approval of the foregoing special resolution, the Board may revoke this special resolution without any further shareholder approval at any time prior to the issuance of the articles of amendment relating to it. Articles of amendment have not been issued. The Investor Agreement further provides that the Board will consist of up to nine members and that JLL Patheon Holdings must approve any change in the size of the Board. As Patheon is not listed on a U.S. national securities exchange or an inter-dealer quotation system that has requirements that a majority of the board of directors be independent, the Board uses the definition of independence of the NASDAQ Capital Market (NASDAQ) to determine whether Patheon's directors are independent for purposes of U.S. securities laws. The Board has determined that Derek J. Watchorn, Brian G. Shaw, Joaquín B. Viso and David E. Sutin are independent directors as defined by NASDAQ Rule 5605(a)(2). The Board has also determined that Roy T. Graydon, who resigned as a director on March 10, 2011, was an independent director as defined by NASDAQ Rule 5605(a)(2).

Table of Contents

Patheon's securities are listed on the Toronto Stock Exchange, and Patheon is a Canadian reporting issuer. Canadian securities laws employ a different definition of independence than NASDAQ. As prescribed in National Instrument 58-101 *Disclosure of Corporate Governance Practices*, in all Canadian jurisdictions other than British Columbia, independence is determined by Section 1.4 of National Instrument 52-110 *Audit Committees* (NI 52-110). Under NI 52-110, a director is generally considered to be independent unless in the view of the Board, a director has a direct or indirect material relationship with Patheon that could be reasonably expected to interfere with the exercise of the director's independent judgment. The Board has determined that Derek J. Watchorn, Brian G. Shaw, Joaquín B. Viso and David E. Sutin are independent under the Canadian securities laws.

The Board has determined that the following five directors are not independent under either the NASDAQ rules or Canadian securities laws: Paul S. Levy, Michel Lagarde and Daniel Agroskin (each a Managing Director of JLL Partners); Nicholas O'Leary (a Senior Associate of JLL Partners); and James C. Mullen, the Chief Executive Officer. The Board has also determined that Ramsey A. Frank, who resigned as a director February 13, 2012, and Thomas S. Taylor, who resigned as a director December 15, 2011, were not independent under either the NASDAQ rules or Canadian securities laws. Specifically, the Board has determined that under NI 52-110, Messrs. Frank and Taylor were not and Messrs. Levy, Lagarde, Agroskin and O'Leary are not independent directors because of their positions with JLL Patheon Holdings and/or its affiliates and the degree of control that JLL Patheon Holdings exercises over Patheon, and that under NASDAQ Rule 5605(a)(2), these directors are not independent directors because of their positions with JLL Patheon Holdings and/or its affiliates and the fact that JLL Patheon Holdings owns or controls a majority of Patheon's outstanding voting securities. Mr. Mullen is not independent because he is a member of Patheon's management. As a result, a majority of the Company's directors are not independent. Our Board relies on the independent directors to facilitate the Board's exercise of independent judgment in carrying out its responsibilities. Our Board believes that it is comprised of a number of independent directors that is reflective of the share ownership of Patheon and in accordance with Patheon's contractual and other legal obligations.

Other Directorships

Certain of Patheon's directors are also presently directors of other issuers that are reporting issuers (or the equivalent) in Canada or elsewhere. Information as to such directorships is set out below.

Mr. Levy	Builders FirstSource, Inc. PGT, Inc.
Mr. Mullen	Perkin Elmer, Inc.
Mr. Agroskin	PGT, Inc.
Mr. Watchorn	Timbercreek Mortgage Investment Corporation

Board Leadership and Risk Oversight

Since 1996, the office of Chair of the Board has been separate from that of the CEO. It is anticipated that after the election of directors at the meeting of shareholders, the office of the Chair of the Board will continue to be separate from that of the CEO and will continue to be held by an individual who is not a member of management. Our Board believes that separating the Chair of the Board and CEO roles promotes greater accountability and more effective decision-making and is appropriate to effectively manage the affairs of the Company and the best interests of its shareholders.

Ramsey Frank served as Chair of the Board during Fiscal 2011 and until his resignation on February 13, 2012. Mr. Frank was not considered an independent director within the meaning of NI 52-110 or NASDAQ Rule 5605(a)(2). Following Mr. Frank's resignation, Paul Levy was appointed as Chair of the Board on February 13, 2012. Mr. Levy is not considered an independent director within the meaning of NI 52-110 or NASDAQ Rule 5605(a)(2), and therefore the current Chair of the Board is not independent. Our Board believes that Mr. Levy is able to exercise the impartial judgment necessary for fulfillment of his responsibilities as Chair and that his appointment is in the best interests of our Company and our shareholders. An independent lead director has not been appointed. To provide

Table of Contents

leadership for its independent directors, the Board provides for the independent directors to hold at least one meeting per year at which non-independent directors and members of management are not in attendance. Accordingly, we do not believe there is a need to designate a lead independent director at this time.

As described in Item 1A of our Annual Report on Form 10-K for Fiscal 2011, as filed with the SEC on December 19, 2011, we operate in a complex environment and are subject to a number of significant risks. Our Board works with our senior management to manage the various risks we face. The role of our Board is one of oversight of our risk management processes and procedures; the role of our management is to implement those processes and procedures on a daily basis and to identify, manage and mitigate the myriad risks that we face. As part of its oversight role, our Board regularly discusses, both with and without management present, our risk profile and how our business strategy effectively manages and leverages the risks that we face. Our Board believes that its leadership structure is appropriate to carry out its risk oversight responsibilities.

Attendance at Meetings of the Directors

We do not have a stated policy regarding director attendance at annual shareholder meetings, but strongly encourage our directors to attend each such meeting. At our 2011 Annual and Special Meeting of Shareholders, held on March 10, 2011, six of our directors as of that date were present. In addition to the Board, Patheon has three standing committees of the Board which meet on a regular basis: the Audit Committee, the Corporate Governance Committee (our CG Committee) and the CHR Committee. Attendance at Board and committee meetings during Fiscal 2011 was as follows:

	Board	Audit Committee	CG Committee	CHR Committee
Mr. Agroskin	7/7			7/7
Mr. Frank ⁽¹⁾	7/7		3/3	
Mr. Levy	6/7			
Mr. Shaw	6/7	5/6		
Mr. Taylor ⁽²⁾	6/7	5/6	3/3	6/7
Mr. Viso	7/7	6/6	3/3	7/7
Mr. Watchorn	7/7			
Mr. Wheeler ⁽³⁾	0/7			
Mr. Graydon ⁽⁴⁾	3/7			
Mr. Mullen ⁽⁵⁾	4/7			
Mr. Sutin ⁽⁶⁾	4/7			

(1) Mr. Frank resigned from the Board effective February 13, 2012.

(2) Mr. Taylor resigned from the Board effective December 15, 2011.

(3) Mr. Wheeler's employment with the Company was terminated effective November 30, 2010, at which point one meeting of the Board was held but he did not attend.

(4) Mr. Graydon resigned from the Board effective March 10, 2011, at which point four meetings of the Board were held during Fiscal 2011.

(5) Mr. Mullen was appointed to the Board effective February 7, 2011, following which four meetings of the Board were held during Fiscal 2011.

(6) Mr. Sutin was appointed to the Board effective March 10, 2011, following which four meetings of the Board were held during Fiscal 2011.

Meetings of the Independent Directors

During 2011, the independent directors held one meeting at which non-independent directors and members of management were not in attendance. In accordance with the Charter of the Board, the independent directors are expected to hold at least one meeting per year at which non-independent directors and members of management are not in attendance. This is intended to facilitate open and candid discussion among the Board's independent directors.

Board Charter

The Charter of the Board was reviewed and reaffirmed by the Board on September 8, 2011 and is attached as Appendix A of this Proxy Statement.

Board Committees

Patheon has three standing committees of the Board: the Audit Committee, the CG Committee and the CHR Committee.

Audit Committee

Composition

The Audit Committee is currently comprised of the following three members: Mr. Shaw (Chairman), Mr. Viso and Mr. Lagarde. Mr. Taylor also served on the Audit Committee during Fiscal 2011. Mr. Shaw and Mr. Viso are considered to be independent within the meaning of NI 52-110 and NASDAQ Rule 5605(c)(2), the Canadian and NASDAQ rules concerning Audit Committee independence, respectively. Mr. Lagarde is not, and Mr. Taylor was not, considered to be independent because of his positions with JLL Patheon Holdings and/or its affiliates. Each of the members of the Audit Committee is financially literate within the meaning of NI 52-110. The Board has determined that Mr. Shaw is an audit committee financial expert under SEC rules.

For the purposes of compliance with audit committee composition requirements under NI 52-110, we are relying on the exemption found in section 3.3(2) (Controlled Companies) thereunder from the requirement that every audit committee member be independent. Sections 3.3(2) and 3.7 of NI 52-110 permit us, in certain circumstances, to have a non-independent director serve on our Audit Committee, as long as a majority of our Audit Committee members (in our case, two out of three) are independent. For purposes of reliance on this exemption, our Board has determined in its reasonable judgment that Mr. Lagarde is able to exercise the impartial judgment necessary for fulfillment of his responsibilities as an Audit Committee member and his appointment is in the best interests of us and our shareholders.

Charter and Responsibilities

The Charter of the Audit Committee was reviewed and reaffirmed by the Board on September 8, 2011, is available at www.patheon.com and is also attached as Appendix B of this Proxy Statement. The Charter of the Audit Committee establishes its (i) objectives; (ii) constitution; and (iii) responsibilities relating to, among other things, the external auditor, pre-approval and non-audit services, review of financial statements and MD&A, review of public disclosure of financial information, submission systems and treatment of complaints, hiring policies and internal controls and management information systems.

With respect to its corporate governance responsibilities, the Audit Committee is responsible for assisting the Board in fulfilling its oversight responsibilities with respect to (i) the quality and integrity of Patheon's financial statements and internal accounting and financial controls, (ii) all audit, review and attest services relating to Patheon's financial statements and internal controls, including the appointment, compensation, retention and oversight of the work of the independent auditors engaged to provide audit services to Patheon and (iii) Patheon's compliance with legal and regulatory requirements. In addition, the Audit Committee is charged with conducting appropriate review and oversight of any related person transactions.

Table of Contents

Policies and Procedures Regarding Review, Approval or Ratification of Related Person Transactions

In December 2010, Patheon's Board adopted written policies and procedures for the review and approval or ratification of any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which Patheon was or is to be a participant, the amount involved exceeds \$120,000, and an officer, director, director nominee or 5% shareholder of Patheon (or their immediate family members), each of whom Patheon refers to as a related person, had or will have a direct or indirect material interest.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction. As appropriate for the circumstances, the Audit Committee will review and consider:

the related person's interest in the related person transaction;

the approximate dollar value of the amount involved in the related person transactions;

the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of Patheon's business;

whether the terms of the transaction are no less favorable to Patheon than terms that could have been reached with an unrelated third party;

the purpose of, and the potential benefits to Patheon of, the transaction; and

any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transactions.

The Audit Committee may approve or ratify the transaction only if the committee determines that, under all of the circumstances, the transaction is in, or is not in conflict with, Patheon's best interests. The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to transactions that are excluded by the instructions to the SEC's related person transaction disclosure rule, Patheon's Board has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy:

interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity), that is a participant in the transaction, where (i) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (ii) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction, and (iii) the amount involved in the transaction equals less than the greater of \$200,000 or 5% of the annual gross revenues of the company receiving payment under the transaction; and

Edgar Filing: PATHEON INC - Form DEF 14A

a transaction that is specifically contemplated by provisions of Patheon's charter and bylaws.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by our CHR Committee in the manner specified in its charter.

The policy provides that any related person transaction previously approved by the Audit Committee or otherwise already existing that is ongoing in nature shall be reviewed by the Audit Committee annually. Since the Board adopted the policy in the middle of Fiscal 2011, the Audit Committee did not review ongoing related person transactions entered into before the beginning of Fiscal 2011, but must do so on an annual basis going forward.

Corporate Governance Committee

Composition

The CG Committee is currently comprised of the following three members: Mr. Lagarde (Chairman), Mr. Agroskin and Mr. Viso. Messrs. Frank and Taylor also served on the CG Committee during Fiscal 2011. Mr. Lagarde and Mr. Agroskin are considered, and Messrs. Frank and Taylor were considered, not to be independent because of their positions with JLL Patheon Holdings and/or its affiliates. As a result, the CG Committee, which serves as the Board's nominating committee, is not composed entirely of independent directors.

Charter and Responsibilities

The Charter of the CG Committee was reviewed and reaffirmed by the Board on September 8, 2011 and is published on Patheon's website, www.patheon.com. The Charter of the CG Committee establishes its (i) objectives; (ii) constitution; and (iii) responsibilities relating principally to corporate governance and nominations.

With respect to its corporate governance responsibilities, the CG Committee is responsible for developing and monitoring Patheon's approach to corporate governance and making recommendations to the Board concerning the corporate governance of Patheon, including:

the effectiveness of Patheon's system of corporate governance, including methods for assessing the effectiveness and contribution of the Board as a whole, each of the committees of the Board and each of the individual directors;

communication processes between the Board and management;

the mandates/charters, composition and membership of each committee of the Board;

position descriptions for individual directors, the Chair of the Board, the Chair of each committee of the Board and the CEO;

an appropriate orientation program for new members of the Board and continuing education opportunities for all directors;

procedures to enable directors or committees of the Board to engage outside counsel and any other external advisors at the expense of Patheon in appropriate circumstances;

reviewing the disclosure about Patheon's governance practices and considering any differences of Patheon's governance practices, if any, from the guidelines of applicable regulatory authorities or stock exchanges;

reviewing Patheon's Code of Business Conduct and making recommendations to the Board concerning compliance; and

reviewing Patheon's trading policies.

The CG Committee may retain, at Patheon's expense, such consultants or advisors as it may require to assist it and may invite directors, officers and employees of Patheon or any other person to attend meetings of the CG Committee to assist in the discussion and examination of the matters under consideration by the CG Committee.

Nomination Process

Edgar Filing: PATHEON INC - Form DEF 14A

Except where we are legally required by contract, bylaw or otherwise to provide third parties with the right to nominate directors, the CG Committee is responsible for identifying individuals qualified to become members of the Board and making recommendations to the Board as it may consider appropriate from time to time concerning the nomination of individuals for election or appointment to the Board, including recommendations relating to:

the size and composition of the Board and the competencies and skills required for nomination, re-election or appointment of any individual to the Board; and

Table of Contents

those individuals to be nominated for election, to stand for re-election or for appointment to the Board. In making its recommendations with respect to the nomination of individuals for election or appointment to the Board, the CG Committee considers the following:

the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess;

the competencies and skills that the Board considers each director to possess;

the competencies and skills that each individual will bring to the Board; and

whether or not each individual can devote sufficient time and resources to his or her duties as a Board member.

While the CG Committee does not have a formal or informal diversity policy, it recognizes the value of a diverse Board and considers diversity, among the other factors indicated above, when assessing potential candidates for our Board. The CG Committee considers diversity to include cultural, gender and ethnic diversity, as well as diversity of experience, viewpoints and education.

Pursuant to the terms of the Special Voting Preferred Shares, JLL designates up to three directors depending on the number of restricted voting shares owned by JLL. JLL is currently entitled to designate three directors. The CG Committee must recommend each such JLL nominee to the Board unless it reasonably determines that the nominee lacks the business experience, stature and character appropriate for service on the Board. Upon the resignation of Mr. Taylor from our Board on December 15, 2011, JLL designated, the CG Committee recommended and the Board appointed Michel Lagarde to replace him. Upon the resignation of Mr. Frank as a director and Chair of our Board on February 13, 2012, JLL designated, the CG Committee recommended and the Board appointed Nicholas O Leary to replace him. The Board appointed Paul Levy to replace Mr. Frank as Chair of our Board.

Patheon will consider director nominations of shareholders proposed by (i) any person eligible to make a shareholder proposal, including nominations for the election of directors, if the proposal is signed by one or more holders of shares representing in the aggregate, not less than five percent of the shares or five percent of the shares of a class of shares of the Company entitled to vote at the meeting to which the proposal is to be presented and is otherwise properly submitted; and (ii) shareholders or their appointed proxyholders who properly make nominations at a meeting of shareholders. See Shareholder Proposals.

The Board then considers the recommendations of the CG Committee with respect to nominations and with respect to the size and composition of the Board and nominates individuals for election as directors by the shareholders. In selecting individuals for nomination as directors, the Board considers what competencies and skills the Board, as a whole, should possess and assesses what competencies and skills each existing director possesses.

As the CG Committee is not composed entirely of independent directors, to encourage an objective nomination process, the Board will generally consider the views of the directors relating to nominations.

Compensation and Human Resources Committee

Composition

The CHR Committee is currently comprised of the following three members: Mr. Lagarde (Chairman), Mr. Agroskin and Mr. Viso. Mr. Taylor also served on the CHR Committee during Fiscal 2011. Mr. Lagarde and Mr. Agroskin are considered, and Mr. Taylor was considered, not to be independent because of their positions with JLL Patheon Holdings and/or its affiliates. As a result, the CHR Committee, which serves as the Board's compensation committee, is not composed entirely of independent directors.

Table of Contents

Charter and Responsibilities

The Charter of the CHR Committee was reviewed and reaffirmed by the Board on September 8, 2011 and is published on Patheon's website at www.patheon.com. The Charter of the CHR Committee establishes its (i) objectives; (ii) constitution; and (iii) responsibilities relating principally to compensation and succession planning.

The functions and responsibilities of the CHR Committee include the following:

reviewing management proposals regarding compensation policies and compensation programs for the members of the Board and the CEO;

reviewing Patheon's executive and management compensation policies and programs;

reviewing the fees and other compensation arrangements in place for members of the Board;

reviewing and recommending to the Board, as appropriate, any employment contract between Patheon and the CEO;

recommending to the Board an appropriate overall compensation package for the CEO;

reviewing and, if appropriate, approving, the CEO's recommendation with respect to the compensation of the CEO's direct reports and reporting to the Board thereon;

reviewing and, if appropriate, approving matters relating to annual cash incentive plans (and any other discretionary annual cash incentive payments) for the executive officers (including the CEO) and senior management of Patheon and reporting to the Board thereon;

assuring itself that Patheon's executive and director compensation programs have been administered in accordance with their terms;

reviewing, discussing with management and recommending to the Board, all executive compensation disclosure in particular, Patheon's Compensation Discussion and Analysis and any reports related thereto;

administering each compensation plan, designating eligible persons under such plans and recommending to the Board for approval the grant of options and/or units to such eligible persons; and

reviewing the succession plans for the CEO and other senior executives of Patheon and providing any recommendations to the Board as appropriate.

The CHR Committee may retain, at Patheon's expense, such consultants or advisors as it may require to assist it, and may invite directors, officers and employees of Patheon or any other person to attend meetings of the CHR Committee to assist in the discussion and examination of the matters under consideration by the CHR Committee. In particular, Patheon has retained outside advisors from time to time to advise the CHR Committee on Patheon's compensation policies and programs. Additionally, the CHR Committee may delegate its authority to individual members or to subcommittees of the CHR Committee.

Compensation Process

Each year, the CHR Committee generally reviews compensation matters for the CEO, the other executive officers and certain members of senior management. The CHR Committee reviews information it receives from the CEO and management, as well as advice it receives from outside advisors, if any. The CHR Committee then makes recommendations to the Board about the CEO's compensation and, if appropriate, approves any annual cash incentive for the CEO. The CHR Committee also, if appropriate, approves the CEO's recommendations with respect to the compensation of other executive officers and senior management of the Corporation, including any annual cash incentive for such persons and reports to the Board thereon. The CHR Committee also, if appropriate, recommends to the Board for approval the grant of options and/or units under Patheon's compensation plans.

Table of Contents

As the CHR Committee is not composed entirely of independent directors, to ensure an objective process for determining compensation, the Board provides for the engagement of outside advisors to obtain advice on compensation matters. The Company did not engage any outside advisors to advise on director or executive compensation for Fiscal 2011.

Position Descriptions

The Board has adopted a position description for the Chair of the Board which defines the Chair's responsibilities. Among other things, the Chair is required to fulfill responsibilities relating to board management, meetings, adequate and timely information, liaising with management and monitoring director performance.

The Board has also adopted a position description from the Chairs of its committees and for its directors. Among other things, the Chair of each committee is required to fulfill responsibilities relating to meetings, leadership and organization of the applicable committee. Among other things, directors are required to fulfill certain responsibilities and legal requirements, possess appropriate competencies and skills and meet specific standards for effective contribution to the Board.

The Board has adopted a position description for the CEO which defines the CEO's responsibilities. Among other things, the CEO is required to fulfill responsibilities relating to planning, management, ethics, culture, policy and public representation, and communications with the Board.

The CG Committee is responsible for making recommendations to the Board on these position descriptions.

Orientation and Continuing Education

The CG Committee is responsible for making recommendations to the Board regarding an appropriate orientation program for new members of the Board and continuing education opportunities for all directors.

In order to orient new directors regarding the role of the Board, its committees and directors, including the business and operations of Patheon, all potential new directors are given the opportunity to meet with the CEO, the Chair of the Board and other directors to ask questions and become familiar with Patheon prior to being elected or appointed as a director. New directors are also presented with information packages prepared by management which include incorporation documents, by-laws, the Board and committee charters, position descriptions for the Chair of the Board, for the Chairs of committees, and for the CEO, the policies of Patheon, and summaries on the existing operations of Patheon, the industries it is serving and its ongoing strategic and other plans.

With respect to continuing education for directors, management regularly makes presentations to the Board on the pharmaceutical industry generally, and provides reports on Patheon's business and affairs specifically. Management also keeps the Board apprised of new developments in the pharmaceutical industry. Management also prepares information summaries and conducts presentations to the Board regarding legislative changes and requirements pertaining to securities laws and public company obligations. From time to time, when convenient, directors are invited to visit Patheon's facilities in various jurisdictions.

Code of Business Conduct and Ethics

The Board has approved a Code of Business Conduct (Code) applicable to directors, officers, consultants, employees and agents. Revisions to the Code were approved by the Board on December 16, 2010. A copy of the revised Code was filed on SEDAR at www.sedar.com on January 24, 2011 and is also published on Patheon's website at www.patheon.com.

The Code is designed to promote integrity, respect, and excellence, and to deter wrongdoing. The Code addresses each of the following issues, among others:

compliance with laws, including those relating to insider trading, conflicts of interest, corporate opportunities and business gifts and payments;

responsibility to shareholders, including making public statements and shareholder value;

Table of Contents

commitment to clients, including confidentiality of client information and good faith dealings;

commitment to employees, including equality of opportunity, freedom from discrimination or harassment, substance abuse and privacy;

proper use and protection of corporate assets, including signing authority, confidentiality of Patheon information, inventions and discoveries, capital expenditures, building security, and business records;

community relations, including community participation and political participation and contributions; and

reporting of any violation of the Code, including any illegal or unethical conduct.

The Board has delegated the monitoring of compliance with the Code to the Audit Committee. The Audit Committee is responsible for this and for reviewing the reports of management concerning compliance with the Code and, if appropriate, reporting and making recommendations to the Board with respect to these matters.

Patheon uses EthicsPoint, Inc. as a service provider with respect to a confidential whistleblower program that employees may use in connection with violations, or any activities they suspect may be in violation, of the Code, including matters relating to accounting, internal accounting controls and auditing. The program is both telephone- and web-based. The EthicsPoint reporting system is available to Patheon employees in all jurisdictions except Italy and France, where certain laws preclude Patheon from offering an anonymous reporting service to its employees, and where, instead, employees may report violations to management only on a non-anonymous basis.

Patheon has no undisclosed contracts or other arrangements in place in which any of its directors or officers have a material interest. If such arrangements arise, they must be considered and approved by the Board. In considering transactions and agreements where a director or officer has a material interest, that individual is expected to give notice of that interest and abstain from voting with respect to that matter.

Board Assessments

The CG Committee is responsible for recommending to the Board methods to properly assess the effectiveness and contribution of the Board as a whole, each of the committees of the Board and each of the individual directors, and has determined that the Chair of the Board should make such assessments and report to the CG Committee following his review.

Shareholder Communications with the Board

We have implemented a process by which our shareholders may send written communications to the Board's attention. Any shareholder wishing to communicate with the Board, any of its committees or one or more of its individual directors regarding our Company may do so by sending a letter addressed to the Board, the particular committee or the individual director(s), c/o Patheon Inc., c/o Patheon Pharmaceuticals Services Inc., 4721 Emperor Boulevard, Suite 200, Durham, North Carolina 277030. We have instructed Patheon's Corporate Secretary to promptly forward all communications so received directly to the full Board, the committee or the individual Board member(s) specifically addressed in the communication.

AVAILABILITY OF DOCUMENTS

Section 16(a) of the Exchange Act requires our executive officers, directors and 10% beneficial owners to file reports of ownership and changes in ownership with the SEC. Based solely on a review of the report forms that were filed and written representations from our executive officers and directors, we believe that during Fiscal 2011 our officers, directors and 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them.

SHAREHOLDER PROPOSALS

Rule 14a-8 promulgated under the Exchange Act provides that proposals from eligible shareholders intended to be presented at the 2013 annual and special meeting of shareholders (the 2013 Meeting) must be received by Patheon's Corporate Secretary at Patheon's registered office, 2100 Syntex Court, Mississauga, Ontario L5N 7K9, on or before October 30, 2012 for inclusion in the proxy statement and information circular relating to the 2013 Meeting.
