Important Notice to Fund Shareholders

March 1, 2012

Although we recommend that you read the complete Joint Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Joint Proxy Statement?

A. You are receiving this Joint Proxy Statement in connection with the annual shareholders meeting of the Nuveen closed-end funds listed at the top of the Notice of Annual Meeting of Shareholders (each a Fund and collectively, the Funds). The following proposals will be considered:

(i) the election of board members for each Fund (the list of specific nominees is contained in the enclosed Joint Proxy Statement); and

(ii) the elimination of the current fundamental investment policy and adoption of a new fundamental investment policy regarding each Affected Municipal Fund's (as defined in the Joint Proxy Statement) ability to make loans.

Your Fund's Board of Trustees/Directors (Board), including your Board's independent members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders don't cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Proposal Regarding New Fundamental Investment Policy

Q. Why are the Affected Municipal Funds proposing a change to their fundamental investment policy?

A. The proposal is part of a multi-year effort to ensure that all of Nuveen's municipal bond closed-end funds have a uniform and up-to-date set of investment policies that reflect the evolution and changes in the municipal bond market that have emerged over the past 20 years. The proposed change is part of a more comprehensive "best practices" initiative on behalf of the funds that began more than three years ago. Nuveen's municipal bond closed-end funds have been brought to market at different intervals over the course of more than 20 years, and reflect various policies and investment capabilities prevalent at the time of their creation. The investment policies of older funds generally do not reflect subsequent developments in the municipal market, including new types of securities and investment strategies. Consequently, many of Nuveen's more recently offered municipal bond closed-end funds feature investment capabilities not uniformly enjoyed by older municipal bond closed-end funds. The proposal set forth in the Proxy Statement is designed to provide those funds with the same portfolio management tools currently available to Nuveen's more recently offered funds.

Q. What are the potential benefits of the new fundamental investment policy relating to loans for common shareholders of the Affected Municipal Funds?

A. The proposed new fundamental investment policy would permit each Affected Municipal Fund to make loans to the extent permitted by the securities laws. Among other things,

this change is intended to provide each Affected Municipal Fund the flexibility to make loans in circumstances where a municipal issuer is in distress, if Nuveen Fund Advisors, Inc. believes that doing so would both:

- (i) facilitate a timely workout of the issuer's situation in a manner which benefits that Fund; and
- (ii) be the best choice for reducing the likelihood or severity of loss on the Fund's investment.

Q. Was there a particular catalyst or portfolio concern prompting the loan policy proposal?

- A. This proposal is part of a broader policy initiative undertaken by Nuveen for the past several years. There are currently no identified credit situations within the complex where the use of this greater loan flexibility is intended or targeted. As stated in the Joint Proxy Statement, this policy change proposal reflects the broader intent to provide Nuveen's municipal closed-end funds, including the Affected Municipal Funds, the same portfolio management flexibility already available to other funds with similar investment objectives within the Nuveen complex.

Q. Does the loan policy proposal reflect a growing concern on Nuveen's part over the state of municipal issuers?

- A. Nuveen's portfolio management and research team is actively engaged in monitoring both macro issues impacting the municipal bond market as well as individual credit holdings held by the various Nuveen funds. The team regularly comments on the strength of the municipal bond market as well as provides in-depth research articles. Providing an Affected Municipal Fund with the option of making loans to help facilitate a timely workout of a distressed issuer's situation merely provides the Fund with an additional tool to help preserve shareholder value, and, importantly, should not be viewed as a commentary on the state of the municipal bond market.

Q. Have the Nuveen municipal closed-end funds participated in loans to municipal issuers in the past?

- A. Though such a loan situation in the municipal market is rare, it represents a more common workout practice in the corporate bond market. The most recent situation where a Nuveen fund with the flexibility to do so made a loan to an issuer facing a credit workout situation occurred approximately eight years ago. Since that time, a limited number of funds having a policy permitting the making of loans have considered doing so in particular workout situations, but ultimately determined to take other actions in pursuit of maximizing shareholder value.

Q. Is this proposal in response to any past or current municipal credit litigation?

- A. This proposal is not related to any past or pending litigation.

Q. If approved, do you know when/if you plan to employ this option?

- A. As stated in the Proxy Statement, this policy is designed to provide each Affected Municipal Fund the flexibility to make loans in circumstances where a municipal issuer is in distress if the adviser believes that doing so would both:

facilitate a timely workout of the issuer's situation in a manner that benefits the Fund; and

is the best choice for reducing the likelihood or severity of loss on the Fund's investment.

Again, there are currently no identified credit situations within the complex where this option is intended or targeted.

Q. Will this option impact how the underlying bonds should be valued?

- A. Each Affected Municipal Fund will value a loan based on several factors that draw upon policies and procedures adopted and approved by the Funds' Board of Trustees/Directors that are able to value instruments issued in these types of situations. As with any investment, risks exist, and if the adviser is wrong, the valuation of a particular loan could be impacted and affect the value of the underlying bond held in the Fund. However, we would not expect that any loans would constitute a meaningful portion of a Fund's total assets.

Q. What actions are required in order to implement the new investment policies?

- A. In order to implement the new investment policies and obtain the potential benefits described above, shareholders are being asked to approve the elimination of an existing fundamental policy and the implementation of a new replacement fundamental policy.

Q. What happens if shareholders do not approve the elimination of the fundamental investment policy and/or do not approve a new investment policy?

- A. The Affected Municipal Fund will not be able to implement a new investment policy as discussed above. The Affected Municipal Fund would likely incur further expenses to solicit additional shareholder participation, and may experience potential disruptions to its investment operations. Each Affected Municipal Fund's Board urges you to vote without delay in order to avoid the potential for higher costs and/or disruptions to portfolio operations.

General

Q. Who do I call if I have questions?

Please have your proxy materials available when you call.

Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

- A. You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy. We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important and in the best interests of the Funds. Once your vote has been registered with the proxy solicitor, your name will be

removed from the solicitor's follow-up contact list.

(1) Variable Rate Demand Preferred Shares for New York Dividend Municipal Income, New York Performance Plus, New York Investment Quality, New York Quality and New York Select, MuniFund Term Preferred Shares for New York Dividend, New York Dividend 2 and New York AMT-Free, and Variable Rate MuniFund Term Preferred Shares for New York Premium are collectively referred to as Preferred Shares.

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the election of the two Board Member nominees by holders of Preferred Shares (with the exception of New York Value, New York Value 2, Core Equity, Equity Premium, Equity Premium Opportunity, Equity Premium Advantage, Equity Premium Income, Global Government, Global Value, Multi-Currency, Tax-Advantaged Dividend, Quality Preferred, Quality Preferred 2, Quality Preferred 3, Real Estate, Diversified Dividend, Tax-Advantaged, Mortgage Opportunity, Mortgage Opportunity 2, Multi-Strategy, Multi-Strategy 2, Dow 30 Premium, Global Income, NASDAQ Premium and Dow 30 Enhanced), 33 1/3% of the Preferred Shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund, except for Dow 30 Premium, Global Income, NASDAQ Premium and Dow 30 Enhanced, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. For each of Dow 30 Premium, Global Income, NASDAQ Premium and Dow 30 Enhanced, the affirmative vote of a majority of the shares outstanding and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members. For purposes of determining the approval of the elimination of the fundamental investment policy and the approval of the new fundamental

investment policy for the Affected Municipal Funds (except for New York Value), a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund's Common Shares and Preferred Shares, voting together as a single class, and by the affirmative vote of a majority of the Fund's outstanding Preferred Shares, voting as a separate class. For purposes of determining the approval of the elimination of the fundamental investment policy and the approval of the new fundamental investment policy for New York Value, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the Fund's outstanding shares. For this purpose, a majority of the outstanding shares means, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), (a) 67% or more of the voting securities present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities are present or represented by proxy; or (b) more than 50% of the outstanding voting securities, whichever is less. For purposes of determining the approval of the elimination of the fundamental investment policy and the approval of the new fundamental investment policy, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

Variable Rate Demand Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Annual Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of Variable Rate Demand Preferred Shares as a class who have voted on the proposal or in the same proportion as the votes cast by all holders of Preferred Shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of Variable Rate Demand Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Variable Rate Demand Preferred Shares or shares of a series of Variable Rate Demand Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Variable Rate Demand Preferred Shares or shares of a series of Variable Rate Demand Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on Wednesday, February 1, 2012 will be entitled to one vote for each share held and a proportionate fractional vote for each fractional vote held. As of February 1, 2012, the shares of the Funds were issued and outstanding as follows:

Fund	Ticker Symbol⁽¹⁾	Common Shares	Preferred Shares
New York Dividend	NAN	9,265,330	5,536,000

Board Leadership Structure and Risk Oversight

The Board of each Fund (collectively, the Board) oversees the operations and management of the Fund, including the duties performed for the Funds by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of directors who serve on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Funds' business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate's particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board's diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme which raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee common policies and procedures which increases the Board's knowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board's influence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for fund management, and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with fund management. Accordingly, the Board Members have elected Robert P. Bremner as the independent Chairman of the Board. Specific responsibilities of the Chairman include: (i) presiding at all meetings of the Board and of the shareholders; (ii) seeing that all orders and resolutions of the Board Members are carried into effect; and (iii) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Funds, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated

matters relating to valuation and compliance to certain committees (as summarized below) as well as certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of a Fund's operations. The Board has established six standing committees: the Executive Committee, the Dividend Committee, the Audit Committee, the Compliance, Risk Management and Regulatory Oversight Committee, the Nominating and Governance Committee and the Closed-End Funds Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

The Executive Committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board. The members of the Executive Committee are Robert P. Bremner, Chair, Judith M. Stockdale and John P. Amboian. The number of Executive Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Dividend Committee is authorized to declare distributions on each Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The members of the Dividend Committee are Jack B. Evans, Chair, Judith M. Stockdale and Terence J. Toth. The number of Dividend Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the New York Stock Exchange, NYSE Amex or NASDAQ Stock Market, LLC, as applicable. The Audit Committee assists the Board in: the oversight and monitoring of the accounting and reporting policies, processes and practices of the Funds, and the audits of the financial statements of the Funds; the quality and integrity of the financial statements of the Funds; the Funds' compliance with legal and regulatory requirements relating to the Funds' financial statements; the independent auditors' qualifications, performance and independence; and the pricing procedures of the Funds and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Funds' portfolios. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Funds' pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the committee, reviews any issues relating to the valuation of the Funds' securities brought to its attention and considers the risks to the Funds in assessing the possible resolutions to these matters. The Audit Committee may also consider any financial risk exposures for the Funds in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Funds and the internal audit group at Nuveen. The Audit Committee also may review in a general manner the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Funds' financial statements. The Audit Committee operates under a written Audit Committee Charter adopted and approved by the Board, which Charter conforms to the listing standards of the

New York Stock Exchange, NYSE Amex or NASDAQ Stock Market, LLC, as applicable. Members of the Audit Committee are independent (as set forth in the Charter) and free of any relationship that, in the opinion of the Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. The members of the Audit Committee are Robert P. Bremner, David J. Kundert, Chair, William J. Schneider, Carole E. Stone and Terence J. Toth, each of whom is an Independent Board Member of the Funds. A copy of the Audit Committee Charter is attached as Appendix D. The number of Audit Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Compliance, Risk Management and Regulatory Oversight Committee (the Compliance Committee) is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Funds that are not otherwise under or within the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Funds' compliance and risk matters. As part of its duties, the Compliance Committee reviews the policies and procedures relating to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Funds arise from time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responses thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to particular issuers, market sectors, or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee's attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Funds in adopting a particular approach or resolution compared to the anticipated benefits to the Funds and their shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Funds' Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Funds and other service providers' compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board. The members of the Compliance Committee are Jack B. Evans, William C. Hunter, William J. Schneider, Judith M. Stockdale, Chair, and Virginia L. Stringer. The number of Compliance Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board. In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members, and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the committee recognizes that as demands on the Board evolve over time (such as through an increase in the number of funds overseen or an increase in the complexity of the issues raised), the committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions, and recommend any modifications thereto or alternative structures or processes that would enhance the Board's governance over the Funds' business.

In addition, the Nominating and Governance Committee, among other things, makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen, 333 West Wacker Drive, Chicago, IL 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated using the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Member at the time of consideration of the nominees. All candidates, however, must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Info/Shareholder/, and is composed entirely of Independent Board Members who are also independent as defined by New York Stock Exchange, NYSE Amex or NASDAQ Stock Market, LLC listing standards, as applicable. Accordingly, the members of the Nominating and Governance Committee are

Robert P. Bremner, Chair, Jack B. Evans, William C. Hunter, David J. Kundert, William J. Schneider, Judith M. Stockdale, Carole E. Stone, Virginia L. Stringer and Terence J. Toth. The number of Nominating and Governance Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

Effective January 1, 2012, the Board approved the creation of the Closed-End Funds Committee. The Closed-End Funds Committee is responsible for assisting the Board in the oversight and monitoring of the Nuveen Funds that are registered as closed-end investment companies (Closed-End Funds). The committee may review and evaluate matters related to the formation and the initial presentation to the Board of any new Closed-End Fund and may review and evaluate any matters relating to any existing Closed-End Fund. The committee operates under a written charter adopted and approved by the Board. The members of the Closed-End Funds Committee are Robert P. Bremner, Jack B. Evans, William C. Hunter, William J. Schneider, Chair, and Carole E. Stone.

The number of regular quarterly meetings and special meetings held by the Board of each Fund during the Fund's last fiscal year is shown in Appendix C. During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds' website at www.nuveen.com/CEF/Info/Shareholder/.

Board Diversification and Board Member Qualifications. In determining that a particular Board member was qualified to serve on the Board, the Board considers each Board Member's background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member satisfies this standard. An effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and or/other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should continue to serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out the Board or any Board Member as having any special expertise or experience and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

2. Approval of the Elimination of the Fundamental Investment Policy and Approval of the New Fundamental Investment Policy for each Affected Municipal Fund.

Each Affected Municipal Fund has adopted a fundamental investment policy relating to the Fund's ability to make loans (together, the Current Fundamental Policies, and each, a Current Fundamental Policy), that can be changed only by shareholder vote. The Current Fundamental Policy adopted by each Affected Municipal Fund reflects industry and other market conditions present at the time of the inception of each such Fund.

As a general matter, Nuveen's municipal closed-end funds are seeking to adopt a uniform set of investment policies (together, the New Investment Policies, and each, a New Investment Policy). Investment policies currently vary across otherwise-similar Nuveen municipal closed-end funds, reflecting evolving markets and guidelines as the different funds were launched over the past 20 years. As part of a continuing broader "best practices" initiative begun approximately three years ago, all Nuveen municipal closed-end funds, including the Affected Municipal Funds, are seeking to adopt a uniform set of investment policies that reflect municipal market and regulatory developments over time.

The proposed New Investment Policy with respect to loans would permit the Affected Municipal Funds to make loans to the extent permitted by securities laws. Among other things, this change is intended to provide each Affected Municipal Fund with the flexibility to make loans in circumstances where a municipal issuer is in distress, if the Adviser believes that doing so would both:

facilitate a timely workout of the issuer's situation in a manner that benefits the Fund; and

be or represent the best choice for reducing the likelihood or severity of loss on the Fund's investment.

Conforming and updating these investment policies is intended to benefit common shareholders by increasing portfolio manager efficiency and flexibility to take advantage of a wide range of appropriate opportunities in the municipal bond markets in pursuit of the Affected Municipal Funds' investment objectives. Providing an Affected Municipal Fund with the option of making loans to help facilitate a timely workout of a distressed issuer's situation merely provides the Fund with an additional tool to help preserve shareholder value and should not be viewed as a commentary on the state of the municipal bond market or as indicative of an immediate need or desire to make a loan to an issuer facing a credit workout situation. Loans to issuers in distress; however, involve risks. It is possible a Fund could lose its entire investment with an issuer as well as the amount loaned.

In order to implement the New Investment Policy, each Affected Municipal Fund must change its Current Fundamental Policy, which change requires your approval. In particular, shareholders must first approve the elimination of their Affected Municipal Fund's Current Fundamental Policy as well as the implementation of the New Investment Policy.

The primary purposes of these changes are to provide the Affected Municipal Funds with increased flexibility in diversifying portfolio risks and optimizing returns on current investments in order to pursue the preservation of and possible growth of capital which, if successful, will help to sustain and build net asset value, and to create consistent investment policies for all Nuveen municipal bond funds to promote operational efficiencies.

The Board has unanimously approved, and unanimously recommends, the approval by shareholders of each Affected Municipal Fund, the elimination of the Current Fundamental Policy of each Affected Municipal Fund and the New Investment Policy, described below.

For each Affected Municipal Fund:

(a) Elimination of Fundamental Policy Relating to Making Loans (each Affected Municipal Fund): The Current Fundamental Policy with respect to making loans, and which is proposed to be eliminated, provides that the respective Affected Municipal Fund shall not: Make loans, other than by entering into repurchase agreements and through the purchase of [Municipal Obligations/municipal bonds] or [temporary/short-term] investments in accordance with its investment objectives, policies and limitations.

(b) Approval of New Investment Policy Relating to Making Loans: It is proposed that each Affected Municipal Fund adopt a New Investment Policy with respect to making loans. The adoption of the following New Investment Policy for each Affected Municipal Fund is contingent on shareholder approval of the elimination of that Fund's Current Fundamental Policy with respect to making loans, as reflected in (a) above. The proposed New Investment Policy provides that each Affected Municipal Fund shall not: Make loans, except as permitted by the Investment Company Act of 1940, as amended, and exemptive orders granted under the Investment Company Act of 1940, as amended.

Board Recommendation

The Board believes that eliminating the Current Fundamental Policies and adopting the New Investment Policies gives the Adviser flexibility to rapidly respond to continuing developments in the municipal market and would enhance the portfolio managers' ability to meet each Affected Municipal Fund's investment objective. In addition, the Board believes that the proposed changes will create consistent investment policies for all Nuveen municipal bond funds and will help to promote operational efficiencies.

The Board recommends that shareholders of each Affected Municipal Fund vote to approve the elimination of each Current Fundamental Policy and vote to approve each New Fundamental Policy.

Audit Committee Report

The Audit Committee of each Board is responsible for the oversight and monitoring of (1) the accounting and reporting policies, processes and practices, and the audit of the financial statements, of each Fund, (2) the quality and integrity of the Funds' financial statements and (3) the independent registered public accounting firm's qualifications, performance and independence. In its oversight capacity, the committee reviews each Fund's annual financial statements with both management and the independent registered public accounting firm and the committee meets periodically with the independent registered public accounting firm and internal auditors to consider their evaluation of each Fund's financial and internal controls. The Committee also selects, retains, evaluates and may replace each Fund's independent registered public accounting firm. The Committee is currently composed of five Independent

Board Members and operates under a written charter adopted and approved by each Board. Each Committee member meets the independence and experience requirements, as applicable, of the New York Stock Exchange, NYSE Amex, NASDAQ Stock Market, LLC, Section 10A of the 1934 Act and the rules and regulations of the SEC.

The Committee, in discharging its duties, has met with and held discussions with management and each Fund's independent registered public accounting firm. The Committee has also reviewed and discussed the audited financial statements with management. Management has represented to the independent registered public accounting firm that each Fund's financial statements were prepared in accordance with generally accepted accounting principles. The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards (SAS) No. 114, (The Auditor's Communication With Those Charged With Governance), which supersedes SAS No. 61 (Communication with Audit Committees). Each Fund's independent registered public accounting firm provided to the committee the written disclosure required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence), and the committee discussed with representatives of the independent registered public accounting firm their firm's independence. As provided in the Audit Committee Charter, it is not the committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that each Fund's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Committee's review and discussions with management and the independent registered public accounting firm, the representations of management and the report of the independent registered public accounting firm to the Committee, the Committee has recommended that the audited financial statements be included in each Fund's Annual Report.

The current members of the Committee are:
