FORM 8-K

Item 1.01 Entry into a Material Definitive Agreement.

On March 14, 2012, the Company announced that it reached a settlement with the U.S. Attorney's Office for the Southern District of New York and the City of New York (City) relating to investigations surrounding an automated time and attendance and workforce management system (CityTime) the Company developed and implemented for certain City agencies. In connection with this settlement, the Company entered into a deferred prosecution agreement (DPA) with the U.S. Attorney's Office effective March 14, 2012. Under the DPA, the Company agreed to pay to the United States approximately \$500.4 million, comprised of \$370.4 million in restitution that will be paid to the City by the U.S. Government, and a \$130 million penalty. The City and the Company exchanged mutual releases upon execution of the DPA, releasing each other from all claims arising out of the CityTime contract. The Company's release of the City will terminate the Company's right to collect approximately \$40 million in a receivable the City owed to the Company under the terms of the CityTime contract.

Under the terms of the DPA, the U.S. Attorney's Office will defer prosecution of a single criminal count against the Company, which alleged that the Company, through the conduct of certain managerial employees and others, caused the City to significantly overpay for the CityTime system. If the Company complies with the terms of the DPA, the U.S. Attorney will dismiss the criminal count at the end of a three-year period. Under the DPA, the Company has agreed, among other things, to retain an independent monitor, selected by the U.S. Attorney's Office after consultation with the Company, who will report periodically to the U.S. Attorney's Office and who will have broad authority to monitor and make recommendations on a number of the Company's policies and practices. The DPA provides that the monitor will serve for a period of three years, subject to adjustment under certain circumstances.

With a substantial portion of the Company's business derived from U.S. Government contracts, the Company has been in discussions with its U.S. Government customers regarding the CityTime matter, including the DPA and resolution of the matter with the U.S. Attorney's Office and the City. While the Company does not expect to be terminated on existing government contracts or precluded from bidding on new government contracts, it is working to resolve these matters with these government customers as quickly as possible, but no assurances can be given as to the timing or outcome of these discussions.

The foregoing description of the DPA and its exhibits is not complete and is qualified in its entirety by reference to the full text of such agreement and exhibits, which are filed as Exhibit 10.1 to this report and incorporated herein by this reference.

Item 2.02 Results of Operations and Financial Condition.

In connection with the CityTime settlement, the Company will record a loss provision of \$308.4 million for its fourth quarter ended January 31, 2012 in addition to the \$232 million loss provision previously recorded for its third quarter ended October 31, 2011, for an aggregate loss provision of \$540.4 million. Approximately \$410.4 million of the aggregate loss provision, consisting of the payment of \$370.4 million to be remitted to the City and the cancelation of a \$40 million account receivable from the City, will be reflected as a reduction of revenues. The remaining \$130.0 million of the aggregate loss provision will be reflected as a component of selling, general and administrative expenses.

The impact on the Company's (i) revenues, (ii) selling, general and administrative expenses, (iii) operating income, (iv) provision for income taxes and (v) income from continuing operations for the periods indicated below will be as follows:

\$ in millions	Third Quarter Ended October 31, 2011	Fourth Quarter Ended January 31, 2012	Fiscal Year Ended January 31, 2012*
Decrease in revenues	\$ (52.0)	\$ (358.4)	\$ (410.4)
Increase (decrease) in selling, general & administrative expenses	180.0	(50.0)	130.0
Decrease in operating income	\$ (232.0)	\$ (308.4)	\$ (540.4)
Decrease in provision for income taxes	23.0	41.0	64.0
Decrease in income from continuing operations	\$ (209.0)	\$ (267.4)	\$ (476.4)

* Fiscal year impact represents the sum of the third and fourth quarter loss provision impacts.

The estimated tax benefit above assumes that \$163 million of the loss provision is tax deductible for financial reporting purposes for the fiscal year ended January 31, 2012. The actual amount deductible for tax purposes may be greater or less than assumed above, and the Company expects to reach agreement with the Internal Revenue Service as to tax deductibility of the settlement over the next 12 to 18 months.

The Company will make the \$500.4 million payment to the United States under the DPA during the first quarter ending April 30, 2012.
