General Information

Who is entitled to vote?

Holders of record of C.H. Robinson Worldwide, Inc. Common Stock, par value \$0.10 per share, at the close of business on March 13, 2012, are entitled to vote at our Annual Meeting. March 13, 2012 is referred to as the record date. As of the record date, 163,023,663 shares of Common Stock were outstanding. Each share is entitled to one vote. There is no cumulative voting.

Shares are counted as present at the Annual Meeting if either the shareholder is present and votes in person at the Annual Meeting, or has properly submitted a proxy by mail, by telephone or by internet. In order to achieve a quorum and conduct business at the Annual Meeting, a majority of our issued and outstanding Common Stock as of March 13, 2012 must be present and entitled to vote. If a quorum is not represented at the Annual Meeting, the shareholders and proxies entitled to vote will have the power to adjourn the Annual Meeting until a quorum is represented.

How can I vote?

If you submit your vote before the Annual Meeting using any of the following methods, your shares of Stock will be voted as you have instructed:

By Internet: You can vote your shares by the internet, at www.proxyvote.com. You may access this website 24 hours a day, and voting is available through 11:59 pm Eastern Daylight Time on Wednesday, May 9, 2012. You will need the 12-digit control number that was included in the notice of proxy materials that was mailed to you. The internet voting website has easy to follow instructions and allows you to confirm that the system has properly recorded your votes. If you hold shares in street name, please follow the internet voting instruction in the notice you received from your bank, broker, trustee, or other record holder.

By Telephone: You can vote your shares by telephone. In order to vote your shares by telephone, please go to www.proxyvote.com and log in using the 12-digit control number provided on your notice of proxy materials. At that site, you will be provided with a telephone number for voting. Alternatively, if you request paper copies of the proxy materials, your proxy card, or voting instruction form will have a toll-free telephone number that you may use to vote your shares. Telephone voting is available through 11:59 pm Eastern Daylight Time on Wednesday, May 9, 2012. When you vote by telephone, you will be required to enter your 12-digit control number, so please have it available when you call. As with internet voting, you will be able to confirm that the system has properly recorded your votes.

By Mail: If you choose to receive paper copies of the proxy materials by mail and you are a holder of record, you can vote by marking, dating, and signing your proxy card and returning it by mail in the postage-paid envelope provided to you. If you choose to receive paper copies of the proxy materials by mail, and you hold your shares in street name, you can vote by completing and mailing the voting instruction form provided by your bank, broker, trustee, or holder of record.

Your vote is important, and we encourage you to vote promptly. Internet and telephone voting are available through 11:59 pm Eastern Daylight Time on Wednesday, May 9, 2012, for all shares entitled to vote. If you are a beneficial shareholder (you hold your shares through a nominee, such as a broker), your nominee can advise you whether you will be able to submit voting instructions by telephone or via the internet. Submitting your proxy will not affect your right to vote in person, if you decide to attend the Annual Meeting.

What happens if I return my proxy without voting instructions, or withhold or abstain on a proposal?

If you do not return voting instructions with your proxy, your proxy will be voted:

FOR the election of the nominees for director named in this Proxy Statement;

FOR approval of the compensation of named executive officers;

FOR the recommendation to amend and restate the company's Certificate of Incorporation to eliminate the classification of the Board of Directors;

FOR the ratification of Deloitte & Touche LLP, the member firm of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, Deloitte & Touche) as our independent registered public accounting firm for the fiscal year ending December 31, 2012;

and

Generally, a shareholder who does not vote in person or by proxy on a proposal (including a broker non-vote) is not deemed to be present for the purpose of determining whether a nominee is elected or a proposal has been approved. Brokers cannot vote on their customers' behalf on non-routine proposals without receiving voting instructions from a customer.

What is the effect of an abstention or broker non-vote on each proposal?

With regard to the election of directors, the proposal to amend and restate our certificate of incorporation, and the ratification of Deloitte & Touche:

If you abstain from voting on a nominee or a proposal, your shares will be considered present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the shares present and entitled to vote on these proposals and, accordingly, will have the effect of a vote against the nominee or proposal.

If you do not vote (including a broker non-vote) on a nominee or a proposal, your shares will not be deemed present for the purposes of determining whether a nominee is elected or a proposal is approved; such a failure to vote (including broker non-vote) will have the effect of a vote against the proposal to amend and restate our certificate of incorporation because a vote of 66.66 percent of the outstanding shares of the Common Stock is required to amend the certificate of incorporation.

With regard to the advisory proposals on the compensation of our named executive officers:

If you abstain or do not vote (including a broker non-vote) on this proposal, your vote or failure to vote will not have any impact on the outcome of this proposal.

What is the required vote on each matter?

Pursuant to our bylaws, each of the proposals in this Proxy Statement (other than the advisory votes on the compensation of our named executive officers) requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock present in person or by proxy at the meetings and entitled to vote, provided that a quorum is present at the meeting. Regarding the advisory vote on the compensation of our named executive officers, we will consider shareholders to have approved this proposal if the number of votes cast FOR the proposal exceed the number of votes cast AGAINST the proposal.

How do I revoke my proxy?

You may revoke your proxy and change your vote at any time before the voting closes at the Annual Meeting. You may do this by submitting a properly executed proxy with a later date, or by delivering a written revocation, to the Secretary's attention at the company's address listed above, or in person at the Annual Meeting.

Shareholder Proposals and Other Matters

As of the date of this Proxy Statement, neither the company nor the Board of Directors knows of any other business that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy card will have discretionary authority to vote on such matters and will vote according to their best judgment.

PROPOSAL ONE: ELECTION OF DIRECTORS

The C.H. Robinson Board of Directors is currently divided into three classes. Shareholders elect the members of each class to serve three-year terms with the term of office of each class ending in successive years. David W. MacLennan, James B. Stake, and John P. Wiehoff are directors in the class whose term expires at the 2012 Annual Meeting. On the recommendation of our Governance Committee, the Board of Directors has nominated Messrs. MacLennan, Stake, and Wiehoff for election to the Board of Directors at the Annual Meeting for terms of three years. Each has indicated a willingness to serve.

The other directors will continue in office for their existing terms. ReBecca Koenig Roloff, Michael W. Wickham, and Scott P. Anderson serve in the class of Directors whose term expires in 2013. Robert Ezrilov, Wayne M. Fortun, and Brian P. Short serve in the class whose term expires in 2014.

John P. Wiehoff and Ben G. Campbell will vote the proxies received by them for the election of Messrs. MacLennan, Stake, and Wiehoff, unless otherwise directed. If any nominee becomes unavailable for election at the Annual Meeting, John P. Wiehoff and Ben G. Campbell may vote for a substitute nominee at their discretion as recommended by the Board of Directors.

The Board of Directors has determined that all of the directors, except for John P. Wiehoff, are independent under the current standards for independence established by the NASDAQ Global Market, on which C.H. Robinson's stock is listed. In connection with its evaluation of director independence, the Board of Directors considered two relationships of Mr. Short. Together with a number of his family members, Mr. Short holds a controlling interest in Admiral Merchants Motor Freight, Inc. (AMMF), which purchases services from our subsidiary, T-Chek Systems, Inc. In 2011, AMMF also provided services to C.H. Robinson as a contracted motor carrier. In addition, we receive legal services from Dorsey & Whitney LLP, of which Marianne D. Short, the sister of Mr. Short, is the managing partner. The Board considered these relationships and their significance in determining that Mr. Short is independent. Information concerning the incumbent directors is below.

BOARD VOTING RECOMMENDATION

The Board of Directors recommends a vote **FOR** the election of **David W. MacLennan, James B. Stake, and John P. Wiehoff** as directors of **C.H. Robinson Worldwide, Inc.**

BOARD OF DIRECTORS GOVERNANCE MATTERS

The Board of Directors has a policy that all directors nominated for election at the Annual Meeting are expected to attend the Annual Meeting, and all other directors are encouraged to attend.

During 2011, the Board of Directors held four meetings. Each director holding office during the year attended at least 75 percent of the aggregate of the meetings of the Board of Directors (held during the period for which he or she had been a director) and the meetings of the Committees of the Board on which he or she served (held during the period for which he or she served).

Our Board of Directors has three committees: the Audit Committee, the Compensation Committee, and the Governance Committee. Currently, members and chairs of these committees are:

Independent Directors	Audit Chair	Compensation Chair	Governance Chair
Robert Ezrilov		x	x
Wayne Fortun			
David MacLennan			
ReBecca Roloff	x	x	
Brian Short	x		x
James Stake	x	x	
Michael Wickham			x
Scott Anderson		x	x

Scott P. Anderson was appointed to the Board of Directors effective January 18, 2012 and his appointment to the Compensation and Governance Committees was effective February 9, 2012. Mr. Anderson was identified as a director candidate by a national director search firm retained by the Governance Committee, and his appointment was recommended to the Board of Directors by the Governance Committee.

Board Leadership Structure

Our Board of Directors is led by John P. Wiehoff, who has been our president since 1999 and our chief executive officer since 2002. Mr. Wiehoff joined the Board of Directors in 2001 and was appointed Chairman of the Board in 2007.

As stated in our Corporate Governance Guidelines, the Board believes it is beneficial to have flexibility in allocating the responsibilities of the offices of Chairman and of Chief Executive Officer in the manner the Board determines to be in the best interests of the company. When the Board appointed Mr. Wiehoff as Chairman, the Board considered numerous factors, including the benefits to the decision-making process with a leader who fills both offices, the significant operating experience and qualifications of Mr. Wiehoff, the importance of in-depth C.H. Robinson knowledge to being able to optimize board leadership, the size and complexity of our business, and the significant business experience and tenure of our other directors.

The Board does not have a lead director. However, under our Corporate Governance Guidelines, the Chair of the Governance Committee is expected to preside at the executive sessions of the independent directors,

coordinate and develop the agenda for those executive sessions, act as a liaison between the independent directors and management, and handle responses to stockholder inquiries that are directed to the independent directors. Mr. MacLennan is the current Chair of the Governance Committee.

Our Corporate Governance Guidelines provide that the Chairman, in consultation with other Board members, sets the agenda for regular meetings of the Board, and the chair of each committee sets the agendas for the meetings of the applicable committee. Directors and committee members are encouraged to suggest agenda items and may raise other matters at meetings.

We believe that our leadership structure supports the Board's risk oversight function. While Mr. Wiehoff serves as Chairman and Chief Executive Officer, strong independent directors with significant tenure on the Board chair the Committees most directly involved in the risk oversight function, there is open communication between management and the Board, and all Directors are involved in the risk oversight function.

Risk Oversight

The Board is actively involved in the oversight of risks that could affect the company. This oversight is conducted primarily through the Audit Committee. The Audit Committee Charter establishes that one of the responsibilities of the Audit Committee is to review the risk management of the company on an annual basis. To assist it in this oversight function, the chief risk officer of the company presents a risk management update at each of the quarterly Audit Committee meetings. In addition, management and the internal audit group conduct an annual risk assessment of the company which includes interviews of various key personnel within the company and members of the audit committee. The results of the annual risk assessment are presented to the Audit Committee. The Audit Committee provides periodic risk assessment updates to the Board and solicits input from the Board regarding the company's risk management practices. In addition, the Compensation Committee periodically reviews the company's compensation programs to ensure that they do not encourage excessive risk-taking. Additional review or reports on enterprise risks are conducted as needed by the Board or the Committees.

The Audit Committee

All of our Audit Committee members are independent under applicable NASDAQ listing standards and Securities and Exchange Commission rules and regulations. Our Board of Directors has determined that three members of the Audit Committee, Messrs. Ezrilov, Short, and Stake, meet the definition of an Audit Committee Financial Expert as established by the Securities and Exchange Commission. The Audit Committee assists the Board of Directors in fulfilling their oversight responsibilities relating to the quality and integrity of the financial reports of the company. The Audit Committee has the sole authority to appoint, review and discharge our independent auditors, and has established procedures for the receipt, retention, and response to complaints regarding accounting, internal controls, or audit matters. In addition, among other responsibilities in the Audit Committee Charter, the Audit Committee is responsible for:

- (1) Reviewing the scope, results, timing, and costs of the audit with the company's independent auditors and reviewing the results of the annual audit examination and any accompanying management letters;
- (2) Assessing the independence of the outside auditors on an annual basis, including receipt and review of a written report from the independent auditors regarding their independence consistent with Rule 3526 of the Public Accounting Oversight Board;
- (3) Reviewing and approving in advance the services provided by the independent auditors;
- (4) Overseeing the internal audit function;
- (5) Reviewing the company's significant accounting policies, financial results and earnings releases, and the adequacy of our internal controls and procedures; and
- (6) Reviewing the risk management status of the company.

The Audit Committee held four meetings during 2011. Shareholder Communications with Board

C.H. Robinson shareholders and other interested parties may send written communications to the Board of Directors or to any individual director by mailing it to the C.H. Robinson Worldwide, Inc. Board of Directors, c/o C.H. Robinson Corporate Secretary, 14701 Charlson Road, Eden Prairie, MN 55347. These communications will be compiled by the Secretary and periodically submitted to the Board or individual director.

Nominations

The Governance Committee considers director nominee recommendations from a wide variety of sources, including members of the Board of Directors, business contacts, community leaders, and members of management. The Governance Committee will also consider shareholder recommendations for director nominees. The Governance Committee may also engage search firms to assist in the director recruitment process.

The Governance Committee determines the selection criteria and qualifications of director nominees based upon the needs of the company. The Board of Directors believes that the directors should possess the highest personal and professional ethics and integrity, and be committed to representing the long-term interests of the company's shareholders. Preferred qualifications also include current or recent experience as a chief executive officer or expertise in a particular business discipline. Directors should be able to provide insights and practical wisdom based on their experience and expertise. While the company does not have a policy regarding the consideration of diversity in identifying director nominees, the company's Corporate Governance Guidelines provide, and the Governance Committee believes, that creating a board with a diversity of talent, experience, accomplishments, and perspectives is in the best interests of the company and our shareholders. The company is committed to considering candidates for the Board regardless of gender, ethnicity, and national origin. Any search firm retained to assist the Governance Committee in seeking director candidates will be instructed to consider these commitments.

Shareholders who would like to directly nominate a director candidate must give written notice to the company's Corporate Secretary, either by personal delivery or by United States mail at the following address: 14701 Charlson Road, Eden Prairie, MN 55347. The shareholder's notice must be received by the Secretary not later than (a) 90 days before the anniversary date of the previous year's Annual Meeting, or (b) the close of business on the tenth day following the date on which notice of a special meeting of shareholders for election of directors is first given to shareholders. For each proposed nominee, the shareholder's notice must comply with and include all information that is required to be disclosed under our Bylaws, any applicable Securities and Exchange Commission rules and regulations, and any applicable laws. The written notice must also include a written consent of the proposed nominee, agreeing to stand for election if nominated by the Governance Committee and to serve as a director if elected by the Board of Directors. The shareholder's notice must also include:

- (1) The name and address of the shareholder making the nomination;
- (2) The number of C.H. Robinson shares entitled to vote at the meeting held by the shareholder;
- (3) A representation that the shareholder is a holder of record of C.H. Robinson stock entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person named in the notice; and
- (4) A description of all arrangements or understandings between the shareholder and each nominee.

The Governance Committee initially evaluates a prospective nominee based on his or her resume and other background information that has been provided to the Committee. A member of the Committee will contact for further review those candidates whom the Committee believes are qualified, who may fulfill a specific need of the Board of Directors and who would otherwise best make a contribution to the Board of Directors. Based on the information the Governance Committee learns during this process, it determines which nominee(s) to recommend to the Board of Directors to submit for election. The Governance Committee uses the same process for evaluating all nominees, regardless of the source of the nomination.

No candidates for director nominations were submitted to the Governance Committee by any shareholder for the 2012 Annual Meeting. Any shareholder interested in presenting a nomination for consideration by the Governance Committee prior to the 2013 Annual Meeting should do so as early as possible, to provide adequate time to consider the nominee and comply with our Bylaws.

Compensation of Directors

In 2011, each independent director of C.H. Robinson was paid an annual retainer of \$80,000 and no meeting fees. The Audit Committee chair received an additional annual retainer of \$20,000, and the chairs of the Governance and Compensation Committees each received an additional annual retainer of \$10,000. Other members of the Audit Committee received an additional annual retainer of \$10,000, and other members of the Governance and Compensation Committees received additional annual retainers of \$5,000. Retainers are paid in quarterly installments, at the end of each calendar quarter. Before the retainers are earned, the directors may elect to receive all or a portion of their retainers in cash, stock, or restricted stock units that are immediately vested and are payable to the directors after their service on the Board of Directors has ended.

Directors are required to own a minimum of five times their annual board retainer in company stock no later than five years after joining the Board of Directors. In 2011, the Board of Directors granted each director a fully vested restricted stock unit award valued at \$50,000, deliverable after leaving the Board of Directors. C.H. Robinson also reimburses non-employee directors for reasonable expenses incurred in attending Board of Directors meetings and for expenses incurred in obtaining continuing education related to service on our Board of Directors.

Directors who are also employees of C.H. Robinson are not separately compensated for being a member of the Board of Directors.

2011 COMPENSATION DISCUSSION AND ANALYSIS

I. Compensation Philosophy

Performance-based compensation and alignment of individual, company, and shareholder goals are integral components of C.H. Robinson's company culture and management approach. Within our office network, our sales and operations employees and managers are paid in large part based on the profitability of their office. Approximately 3,300 employees, or 40 percent of our total employees, hold equity they received through our Omnibus Stock Plan, which promotes long-term ownership and aligns them with our company-wide performance goals.

C.H. Robinson, with guidance and oversight from our Compensation Committee, has adopted an executive compensation philosophy that is intended to be consistent with our overall compensation approach and to achieve the following basic goals:

- (1) Provide a level of total compensation necessary to attract, retain, and motivate high quality executives;
- (2) Provide incentive compensation aligned with company earnings at various levels;
- (3) Emphasize team and company performance;
- (4) Balance incentive compensation to achieve both short-term and long-term profitability and growth; and
- (5) Encourage executives to make long-term career commitments to C.H. Robinson and our shareholders.

Compensation decisions regarding individual executives are based on factors including individual performance, level of responsibility, unique skills of the executive, and demands of the position. In addition to the foregoing factors, the Compensation Committee also considers the results of the shareholders' advisory vote on the compensation of named executive officers.

II. Elements of Compensation

Base salary

Annual base salary is designed to compensate our executives for sustained performance as part of a total compensation package necessary to attract, retain, and motivate high quality executives. The base salary is intended to provide a minimum level of fixed compensation. While we strive to provide a fair base salary and benefits, our compensation philosophy allocates a significant portion of compensation to incentive, performance-based compensation.

Base salaries are reviewed annually but are not adjusted frequently. Annual compensation adjustments are more often made through adjustments to incentive compensation, which is variable based on our profitability. The salary column of the Summary Compensation Table below contains the annual base salary earned for 2011 for each of the executive officers named in this proxy. Each named executive officer's 2011 base salary increased \$10,000 to compensate for the elimination of executive perquisites.

Non-Equity Incentive Plan Compensation (incentive compensation)

C.H. Robinson incentive compensation is designed to reward our executives for maintaining and growing C.H. Robinson's earnings. Our annual incentive compensation rewards executives in cash for corporate performance and aligns their interests with those of our shareholders. We reward executives based on our pre-tax earnings. In order to emphasize the importance of company profitability as a measure of executive performance, approximately 60 percent of the total cash compensation earned by our executives in 2011 was non-equity incentive compensation.

Approximately 70 percent of our employees have annual incentive compensation based on the profits of their office or business unit. Consistent with that performance-based approach, and given their broader responsibilities, our chief executive officer's and chief financial officer's annual incentive compensation is based on overall company pre-tax income before deducting the expense of the executive non-equity incentive plan award compensation (adjusted pre-tax income). Annual incentive compensation for the other named executive officers is based on the adjusted pre-tax income of the group of offices they supervise. The Compensation Committee approves an incentive compensation plan award for each named executive officer prior to the beginning of the calendar year. Annual incentive compensation is calculated based on each executive's individual incentive award. Each award pays varying percentages of adjusted pre-tax income based upon either various ranges of adjusted pre-tax income of the company, or the group of branches they supervise. Annual incentive compensation begins with the first dollar of profitability and grows as our profits grow. Our annual incentive compensation program distributes annual incentive compensation across various levels of actual profitability and is not based on achievement of pre-established targets.

While the basic philosophy for calculating annual incentive compensation is the same for all executives, each executive has an individual annual incentive plan compensation award. Annual individual incentive compensation opportunity is determined based on the executive's role, responsibilities, and performance. These compensation awards are reviewed annually. Total compensation is periodically compared to various executive compensation surveys.

The executive annual incentive compensation awards allow executives to receive a portion of their incentive compensation in semi-monthly payments. The maximum annual amount an executive could elect to receive in semi-monthly payments in 2011 was the sum of the executive's 2010 salary plus the amount of their projected 2010 non-equity incentive payout (based on the executive's annual incentive compensation award), multiplied by 60 percent minus the executive's 2011 base salary. Executives were required to make their 2011 semi-monthly payment election before December 31, 2010 and were not allowed to make changes in their elections thereafter. The payments are considered compensation and are not subject to forfeiture, even if the amount is not earned based on the executive's annual compensation award. The Compensation Committee can suspend the semi-monthly payments to an executive during the year. This approach is consistent with branch employee and manager incentive compensation. The annual incentive compensation amounts for 2011 exceeded the semi-monthly payments for all the named executive officers.

In limited circumstances, portions of these incentives may be guaranteed for some periods due to role transition or other subjective factors. The Non-Equity Incentive Plan Compensation column of the Summary Compensation Table below contains the 2011 annual incentive compensation earned for each of the executive officers named in this proxy.

Equity

We use equity awards as our primary tool for aligning our executives with long term shareholder interests, rewarding them for the achievement of overall company performance, and retaining our executives. We believe these awards are an integral component of meeting our compensation goals as outlined in our compensation philosophy above. Our shareholder-approved Omnibus Stock Plan is designed to give us flexibility to achieve these objectives. It allows us to grant stock options, restricted stock, restricted stock units, and other types of equity based compensation. Officers, other employees, trusts for the benefit of employees, directors, consultants, and eligible independent contractors of C.H. Robinson may receive equity awards. The amount of awards is determined based on the participant's role, performance, and total compensation.

Restricted Stock

In 2003, we began periodically issuing performance based restricted stock and restricted stock units as our primary equity awards. We believe these awards are an effective tool for creating long term ownership and

aligning our employees' interests with those of our shareholders. Prior to 2003, we used restricted stock grants occasionally, including a grant in 2000 of 338,984 shares to Mr. Wiehoff that vests in equal annual installments over 15 years.

For most of our restricted stock and unit awards, restricted shares and units are available to vest for up to five calendar years, based on company performance. The vesting percentage for each year is equal to the average of the year-over-year percentage growth in income from operations and diluted net income per share, plus five percent. Therefore, if we average our long term growth goal of 15 percent during that five year period, our restricted stock and units will be fully vested by the end of the fifth year. Any shares or units that are unvested at the end of the five years are forfeited back to the company.

Some restricted stock awards were granted in multi-year cycles. During 2009, management recommended to the Compensation Committee to change to annual equity grants for all recipients. This change aligns the frequency and administration of leader awards with key employee awards and improves our flexibility to annually match award size to role and performance. Our named executive officers and other certain management employees received restricted stock awards in 2003, 2005, 2008, 2009 and 2010, with vesting commencing in 2003, 2006, 2009, 2010, and 2011 respectively. Restricted shares granted to active employees of this group are in the Deferred Compensation Plan, a non-qualified deferred compensation plan.

These shares vested 17 percent in 2011. This calendar year restricted stock vesting percentage information is set forth in the following table:

Vesting

Year	2003 Award	2005 Award	2008 Award	2009 Award	2010 Award	2011 Award
2003	23%					
2004	32%					
2005	45%					
2006		35%				
2007		27%				
2008		17%				
2009		7%	7%			
2010		13%	13%	13%		
2011			17%	17%	17%	
Percentage Vested to Date	100%	99%	37%	30%	17%	0%
Years Left Available to Vest	0	0	2	3	4	5

The equity awards granted to executives and certain managers in December 2011, included a mix of restricted stock and stock options. The vesting criteria is the same as described previously (the annual vesting percentage is the average of the year-over-year percentage growth in income from operations and diluted net income per share plus five percent) and the restricted shares and stock options are available to vest for up to five calendar years, based on company performance.

The stock award column of the Summary Compensation Table contains the fair value for financial reporting purposes of the restricted stock granted for each of the named executive officers. Details regarding these awards for the named executive officers can be found in the Grants of Performance Based Awards table.

For our executives, delivery of the vested shares for the 2003 award, which are held in the non-qualified Deferred Compensation Plan, begins six months after termination of employment, and the shares are delivered in five equal annual installments. For the 2005, 2008, 2009, 2010, and 2011 awards, delivery of the vested shares occurs on the earlier of two years after termination or January 2013, January 2016, January 2017, January 2018, and January 2019 respectively. However, the executives were allowed the option to elect different delivery of the vested shares before vesting begins. The specific choice for delivery was made by the named executive officer before the restricted shares began vesting and can be found in the footnotes to the Grants of Performance Based Awards Table.

Dividends are paid to participants in cash on all restricted shares, vested or unvested, except Mr. Wiehoff's 2000 restricted stock award, which uses the dividends to purchase additional shares. The dividends paid to participants on restricted shares are considered wages by the Internal Revenue Service until the shares are delivered to the participant. Dividends paid on unvested restricted equity awards for the last three years for the named executive officers are in the Dividends Paid on Restricted Shares of Stock footnote below.

The fair value of each share-based payment award is established on the date of grant. For grants of restricted shares and restricted units, the fair value is established based on the market price on the date of the grant, discounted for post-vesting holding restrictions. The discount on the restricted share and unit grants, calculated using the Black-Scholes option pricing model, are as follows:

Grant	Discount
Year	Percentage
2003	12%
2005	12%
2008	22%
2009	21%
2010	18%
2011	22%

The determination of the fair value of share-based awards is affected by our stock price and a number of assumptions, including expected volatility, expected life, risk-free interest rate, and expected dividends. The fair value, on the date of grant, of restricted stock and units is expensed as they vest.

Stock Options

C.H. Robinson awarded stock options from 1997 to 2003. After receiving Board or Compensation Committee approval for the grants, the grant date for those awards was based on the date the company finalized the list of recipients and amounts of awards. Our Omnibus Stock Plan allows the grant of both incentive stock options intended to qualify for preferential tax treatment under Section 422 of the Internal Revenue Code of 1986, as amended (the Code), and nonqualified stock options that do not qualify for such treatment. In order to encourage option exercises and share ownership, these grants permitted the exercise of options using shares of our common stock to pay the exercise price and withholding taxes, if any. Upon such exercise, we grant the employee a restoration stock option (commonly referred to as a reload option) for the number of shares surrendered. Restoration options are non-qualified options, exercisable at the then-current market price for the remainder of the original option's term. Additional restoration options are not granted upon the exercise of restoration options. The shareholder-approved 2005 Omnibus Plan amendment eliminated the ability to grant restoration stock options upon the exercise of stock options granted after May 19, 2005 (the effective date of the amendment). Other than restoration options, all employee options granted vested 25 percent annually, beginning on the second anniversary date of the option grant, and are available to be exercised for up to 10 years from the date of grant. Options can only be exercised while the executive officer is an employee or subject to a non-competition agreement.

C.H. Robinson awarded stock options to executives and certain managers in 2011. The exercise price for the 2011 options was based on the closing price on the date such options were approved by the Board. The option awards column of the Summary Compensation Table contains the fair value of the restoration options granted during 2009, 2010, and 2011 to each of the named executive officers. The fair value was calculated as of the grant date using the Black-Scholes option pricing model. The determination of the fair value of share-based

awards is affected by our stock price and a number of assumptions, including expected volatility, expected life, risk-free interest rate, and expected dividends. Details regarding these awards for the named executive officers can be found in the Grants of Performance Based Awards table.

Equity Plan Acceleration and Past Employment Vesting

We do not have a cash separation pay plan for any employee, including executives. The Compensation Committee has the discretion to accelerate vesting of restricted share and unit awards made during 2003 through 2007 in the case of a change-in-control of the company. Vesting of Mr. Wiehoff's 2000 restricted share award explicitly cannot change for any reason, including a change in control. These plan characteristics are intended to align participant interests with shareholder interests.

The 2008, 2009, 2010 and 2011 U.S. Management Restricted Stock agreements include provisions to accelerate vesting for change in control, death, or disability for certain management and executive awardees. Additionally, the 2008, 2009 and 2010 agreements allow for vesting two years post-employment if the employee adheres to their management employee agreement (see Employment Agreements below). For restricted share and option grants in 2011, the following new post employment vesting rules, based on age and tenure with the company, were established:

Sum of Age and Tenure at Termination of Employment	Post Employment Additional Vesting
Less than 50	2 Years
At least 50 but less than 60	3 Years
At least 60 but less than 70	4 Years
70 and greater	5 Years

Post-employment vesting provides protections to the company, and our relationships with our employees, customers, and suppliers. This is the only separation post-termination compensation agreement for managers or executives.

The company's 2008, 2009, 2010 and 2011 restricted stock unit program agreements include the provision for accelerated vesting in the case of death or disability.

Stock Ownership Requirements

In order to ensure alignment with our shareholders, the Compensation Committee has established stock ownership requirements for our executives. The Committee believes that linking a significant portion of the executive officer's personal holdings to the company's success, as reflected in the stock price, provides officers a stake similar to that of our shareholders. Therefore, executive officers are expected to acquire and hold a significant amount of C.H. Robinson stock. The Committee has established stock ownership requirements based on all shares of company stock owned by an executive officer, including vested stock options, stock obtained in the company 401(k) Plan, vested and unvested restricted stock and restricted stock units, and stock beneficially owned by the officer, including owned in a trust, by a spouse, or dependent children for our executive officers. The requirements are:

chief executive officer: ten times base salary

senior vice presidents: seven and a half times base salary

other executive officers: three times base salary

New officers are expected to meet their ownership requirement within five years of being named an executive officer. As of the end of 2011, all the executive officers had met their ownership requirements.

Employment Agreements

C.H. Robinson uses employment agreements to protect us from former employees soliciting our employees, customers, and suppliers. All employees sign agreements acknowledging their understanding of company policies and committing to confidentiality. Additionally, incentive-eligible sales employees sign an agreement with a more specific non-solicitation clause. Certain employees, including all executives, sign a management employment agreement that includes a more restrictive non-competition and non-solicitation covenant. These agreements do not commit to post-termination compensation. The company does not have severance plan commitments to any named executive officers, except for the continued vesting provision listed above in the equity award acceleration section which applies to certain manager and executive 2008, 2009, 2010, and 2011 restricted stock awardees.

Employee 401(k) Retirement Plan

We believe that saving for retirement is important for our employees. C.H. Robinson maintains a 401(k) retirement plan that meets the requirements of an ERISA qualified plan and the Internal Revenue Code. Our U.S. employees are eligible to contribute up to 50 percent of their cash compensation to the 401(k) plan, subject to Internal Revenue Service limitations. To support our compensation objectives, the company currently matches 100 percent of the first 4 percent of eligible compensation that employees contribute to the plan during the year. In addition, the company has historically made a profit sharing contribution to the 401(k) plan for eligible employees, including those who do not contribute to the 401(k) plan. For 2011, the company contributed an additional 4 percent of every eligible employee's cash compensation into his or her account in the plan, for a total of 8 percent for those employees also contributing at least 4 percent of their cash compensation to the plan. Employees control their investment decisions for money in their 401(k) account. Investment in company stock is one of the investment options. There are no requirements to hold any amount of company stock in the 401(k) plan, nor are there any restrictions on changing an investment election from company stock to another investment choice. Employees may not transfer balances from other investments into company stock.

Employees of our U.S. companies who regularly work more than 20 hours per week become eligible for the 401(k) match on the first day of the month following 30 days of employment. Most employees of our U.S. companies become eligible for the profit sharing contribution on the first January 1 or July 1 after one year of continuous service. Eligible employees who are employed at the end of each year are awarded a percentage of their eligible cash compensation. Management determines the contribution percentage based on the company's financial performance. This award is placed into the 401(k) plan as a profit sharing contribution. The Registrant Contributions to Defined Contributions column of the Supplemental All Other Compensation Table lists the company contributions for each of the named executive officers.

Employee Stock Purchase Plan (ESPP)

Because we believe in aligning employee interests with our shareholders and our long-term company performance, C.H. Robinson maintains an employee stock purchase plan (ESPP) that meets the requirements of an ERISA qualified plan and the Internal Revenue Code. At the end of each quarter, dollars contributed to the plan by employees are used to purchase shares of C.H. Robinson stock from the company. The employees pay 85 percent of the closing price for our company's stock on the last day of the quarter. The shares are placed into a brokerage account shortly after the end of each quarter and are available for sale by the employees as soon as the shares are in the account. Eligible employees can set aside up to 10 percent of their compensation but no more than \$10,000 during any calendar year for ESPP purchases. Employees who regularly work more than 20 hours per week become eligible to contribute money to the employee stock purchase plan on the first January 1 or

July 1 after one year of continuous service. Eligible employees can change their contribution election on a quarterly basis. The Discounted Securities Purchases column of the Supplemental All Other Compensation Table lists the company contributions for each of the named executive officers.

Employee Health and Welfare Benefits

To support our goal to provide competitive compensation and benefits, the company sponsors a number of health and welfare benefit plans for our employees: health, dental, vision; flexible medical and dependent care spending; short term disability and long term disability; life insurance; and holiday and vacation time. Where applicable, plans meet the qualified plan requirements of ERISA and Internal Revenue Code.

Officer-Only Benefit Plans

C.H. Robinson places a high value on all roles throughout our company and on consistency of culture and management approach. For that reason, we only provide our executives and managers with unique perquisites and compensation plans when it is essential to our goal to attract and retain high quality executives and managers. The only executive specific perquisites in 2011 were:

- (1) Eligibility for Non-Qualified Deferred Compensation Plan. This plan allowed officers to defer salary or incentive cash awards into the plan. The deferral and distribution elections are designed to meet the requirements of Internal Revenue Code Section 409A so as to defer taxation to the executive until the assets are transferred from the plan to the officer. These deferrals were discontinued in 2010. In addition, this plan holds restricted stock awards made to officers and certain other managers of the company. The restricted shares remain in this plan until delivered to the recipient. Dividends on undelivered performance based restricted awards are paid to the participants through our company's payroll system. Dividends on Mr. Wiehoff's time based restricted award are paid into this plan and used to purchase fully vested shares of company stock which are delivered after termination of employment.
- (2) Effective December, 2008, the company allows personal use of the corporate aircraft by the chief executive officer for up to 30 hours per year. During 2011, Mr. Wiehoff had 4.3 hours of personal use of the corporate aircraft. The value of this benefit was treated as ordinary income and included on Mr. Wiehoff's 2011 W2.

The Supplemental All Other Compensation table contains information about each of the officer-only benefits for each of the executive officers named in this proxy statement.

III. Compensation Process

The Compensation Committee

The Compensation Committee is responsible for assisting the Board of Directors in:

- (1) Reviewing the performance of the chief executive officer;
- (2) Determining the compensation and benefits for the chief executive officer, chief financial officer, and other named executive officers of the company;
- (3) Reviewing and approving the company's compensation policies and practice; and
- (4) Ensuring appropriate design and administration of the company's incentive compensation, benefit, and stock plans.

The Compensation Committee held four meetings during 2011. The Compensation Committee report on executive compensation is found on page 32 of this Proxy Statement.

Cash Compensation

Prior to the beginning of each calendar year, our chief executive officer presents to the Compensation Committee his recommendations on cash compensation for the company's executive officers reporting to him, including each of the other named executive officers. Mr. Wiehoff does not make a recommendation on his own compensation. The Compensation Committee determines the chairman and chief executive officer's compensation, as well as approves the compensation for the other named executive officers. Periodically, as part of the compensation design process, the Compensation Committee consults independent experts. In 2005 and 2007, the Compensation Committee engaged a nationally recognized and reputable executive compensation consulting firm, to present various compensation surveys to the Compensation Committee in preparation for executive compensation decisions. The surveys included the compensation elements of salary, incentive compensation, and equity compensation, both separately and combined. The report included general industry surveys, surveys of transportation companies done by many compensation consulting firms, and proxy data from trucking, transportation, services, and Minnesota-based companies. Since there is not an evident group of peer companies, these surveys were averaged to determine reference points. The consulting firm provided the survey data and explained the data and reports to the Committee. The data was used to determine the market reference points for our chief executive officer, chief financial officer, and other executive officers, for consideration when determining their total cash and total direct compensation. In 2010 the Compensation Committee conduct a similar survey where it considered how to set 2011 compensation. We believe that conducting the study every two or three years is sufficient given the compensation philosophy which weighs other factors such as performance, responsibilities, position tenure, and experience more heavily than market comparisons when setting compensation plans.

Equity Compensation

C.H. Robinson has consistently issued equity compensation awards since its initial public offering in October of 1997. Prior to November 2003, the company awarded stock options. In 2003 we moved to performance based restricted share and unit awards. In 2011 executives and certain managers were awarded performance based restricted shares and performance based stock options.

Our chief executive officer presents equity recommendations to the Compensation Committee for our executive officers, excluding himself. The Compensation Committee determines the chairman and chief executive officer's equity award. The Compensation Committee approves the award levels for each of the executive officers and approves the equity to be granted to all other recipients through the Non-Executive Stock Award Committee. The grant date of awards for all employees, including the executive officers, is the date of Compensation Committee approval. For grants of restricted shares and restricted units, the fair value is established based on the closing market price on the date of the grant, discounted for post-vesting holding restrictions. For stock options, the fair value is established based on the Black Scholes valuation formula.

IV. Named Executive Compensation

Chairman and Chief Executive Officer Performance Evaluation and Compensation

John P. Wiehoff, President and Chief Executive Officer

The Compensation Committee annually conducts an evaluation of the chairman and chief executive officer's performance. Based on this evaluation, the Compensation Committee determines base salary, incentive compensation, and equity compensation of the chairman and chief executive officer.

The Compensation Committee set John P. Wiehoff's base salary at \$410,000 in 2011 and at \$400,000 in 2008, 2009, and 2010 (as described above, base salaries are reviewed but not necessarily adjusted annually). In 2011, Mr. Wiehoff earned non-equity incentive compensation of \$1,532,657 which was paid in cash on January 31, 2012. The amount was calculated based on his annual incentive compensation award, as described in

Section II above. Mr. Wiehoff's annual incentive compensation payment awarded compensation for achieving adjusted earnings in certain ranges. The growth in 2011 incentive compensation compared to 2010 was primarily the result of an increase of approximately 11 percent in our company's adjusted pre-tax income in 2011 compared to 2010. The table below shows how Mr. Wiehoff's non-equity incentive compensation would have varied at other levels of 2011 adjusted pre-tax income growth or decline compared to 2010.

Incentive Compensation and Adjusted Pre-Tax Income Variance: John P. Wiehoff

Year-over-year change in adjusted pre-tax income	-20%	-15%	-10%	-5%	0%	5%	10%	15%	20%
Non-equity incentive compensation	\$ 1,206,621	\$ 1,257,035	\$ 1,297,155	\$ 1,328,664	\$ 1,390,345	\$ 1,453,362	\$ 1,516,379	\$ 1,564,578	\$ 1,612,414

Mr. Wiehoff was granted 27,470 restricted shares during 2009, 29,170 restricted shares during 2010, and 18,600 restricted shares during 2011 pursuant to the Omnibus Stock Plan. Mr. Wiehoff was also granted 63,380 stock options during 2011 pursuant to the Omnibus Stock Plan. The grant value of the 2010 award which began vesting in 2011, was 53% greater than the 2009 award value. The increase recognizes performance, aligns total direct compensation closer to peer benchmarks while remaining consistent with performance based reward practices and shareholder interests. Restricted shares granted in 2009, 2010, and 2011 are in the Deferred Compensation Plan and are available to vest over five calendar years, beginning in 2010, 2011, and 2012 respectively. As described in Section II above, the vesting percentage for each year is equal to the average of the year-over-year percentage growth in income from operations and diluted net income per share, plus five percent. Any shares that are unvested at the end of the five years are forfeited back to the company. Restricted shares granted in 2009 vested 13 percent in 2010 and 17 percent in 2011 based on this formula. Restricted shares granted in 2010 vested 17 percent in 2011 based on this formula.

Other Named Executive Officers Performance Evaluation and Compensation

Each of the other named executive officers is paid the same types of compensation elements as the chairman and chief executive officer. The determination of the other named executive officers' 2011 base salary, incentive compensation award, and equity compensation followed the policies explained above for executive compensation. Each member of this group is evaluated and their compensation is based on a number of different factors including, but not limited to, the following:

- (1) Title, role, and relative experience;
- (2) Tenure in their position;
- (3) Individual performance;
- (4) Financial performance of the company as a whole;
- (5) Financial performance of the branches supervised, where applicable.

Chad M. Lindbloom, Senior Vice President and Chief Financial Officer

Chad M. Lindbloom's base salary was \$270,000 in 2011 and at \$260,000 during 2008, 2009, and 2010 (as described above, base salaries are reviewed periodically but not necessarily adjusted annually). Mr. Lindbloom elected to receive semi-monthly payments during 2011. He earned non-equity annual incentive compensation of \$451,139 for 2011; \$120,000 was paid in semi-monthly payments and the balance was paid in cash on January 31, 2012. Mr. Lindbloom's annual incentive compensation award compensated him for the company achieving adjusted pre-tax earnings in certain ranges. The growth in 2011 incentive compensation compared to 2010 was primarily the result of an increase of approximately 11 percent in our company's adjusted pre-tax income in 2011 compared to 2010. The table below shows how Mr. Lindbloom's non-equity incentive compensation would have varied at other levels of 2011 adjusted pre-tax income growth or decline compared to 2010.

Incentive Compensation and Adjusted Pre-Tax Income Variance: Chad M. Lindbloom

Year-over-year change in

adjusted pre-tax income	-20%	-15%	-10%	-5%	0%	5%	10%	15%	20%

Mr. Lindbloom was granted 10,360 restricted shares during 2009, 8,920 in 2010 and 5,580 in 2011 pursuant to the Omnibus Stock Plan. Mr. Lindbloom was also granted 19,020 stock options during 2011 pursuant to the Omnibus Stock Plan.

James P. Lemke, Senior Vice President

James P. Lemke's base salary was \$210,000 in 2011 and at \$200,000 in 2009, and 2010. Mr. Lemke elected to receive semi-monthly payments during 2011. He earned non-equity incentive compensation of \$481,241 in 2011; \$195,000 was paid in semi-monthly payments and the balance was paid in cash on January 31, 2012. Mr. Lemke's non-equity incentive compensation was based on the adjusted earnings of the branches he supervised. The decline in 2011 incentive compensation compared to 2010 was primarily the result of a decline of approximately four percent in the adjusted earnings of the branches he supervised in 2011 compared to 2010. The table below shows how Mr. Lemke's non-equity incentive compensation would have varied at other levels of 2011 adjusted pre-tax income growth or decline of the branches he supervised compared to 2010.

Incentive Compensation and Adjusted Pre-Tax Income Variance: James P. Lemke

Year-over-year change in

adjusted pre-tax income	-20%	-15%	-10%	-5%	0%	5%	10%	15%	20%

Mr. Lemke was granted 10,360 restricted shares during 2009, 8,110 during 2010, and 5,350 in 2011 pursuant to the Omnibus Stock Plan. Mr. Lemke was also granted 18,220 stock options during 2011 pursuant to the Omnibus Stock Plan.

James E. Butts, Scott A. Satterlee, and Mark A. Walker, Senior Vice Presidents

The base salaries of James E. Butts, Scott A. Satterlee, and Mark A. Walker, each were \$210,000 in 2011, and \$200,000 in 2009 and 2010. They each also earned non-equity annual incentive compensation for 2011 of \$561,530. Mr. Butts and Mr. Satterlee elected to receive a portion of their incentive compensation award as semi-monthly payments during 2011 and each received \$205,800 in semi-monthly payments with the balance paid in cash on January 31, 2012. Mr. Walker received his entire incentive compensation award in cash on January 31, 2012. The executives' 2011 non-equity incentive compensation was awarded for achieving adjusted earnings in certain ranges. The 2011 non-equity incentive compensation awards exceeded the 2010 awards because of the growth in adjusted earnings for the group of branches they supervise. Messrs. Butts, Satterlee, and Walker's incentive agreements awarded compensation for achieving adjusted earnings of the branches they supervised in certain ranges. The growth in 2011 incentive compensation compared to 2010 was primarily the result of an increase of approximately 15 percent in the adjusted earnings of the branches they supervised in 2011 compared to 2010. The table below shows how each of their non-equity incentive compensation would have varied at other levels of 2011 adjusted pre-tax income growth or decline of the branches they supervise compared to 2010.

Each of these three named executive officers was granted 10,360 restricted shares during 2009. In 2010, Mr. Butts and Mr. Walker each received 8,110 restricted shares, while Mr. Satterlee received 10,540 restricted shares, each such grant pursuant to the Omnibus Stock Plan. The grant value of Mr. Satterlee's 2010 award, which began vesting in 2011, was 48% greater than the 2009 award value. The increase recognizes performance, role expansion and aligns total direct compensation closer to peer benchmarks while remaining consistent with performance based reward practices and shareholder interests. In 2011, Mr. Butts and Mr. Walker each received 4,650 restricted shares, while Mr. Satterlee received 6,980 restricted shares, each such grant pursuant to the Omnibus Stock Plan. Mr. Butts and Mr. Walker were each also granted 15,850 stock options during 2011 pursuant to the Omnibus Stock Plan. Mr. Satterlee was also granted 23,770 stock options during 2011 pursuant to the Omnibus Stock Plan.

Section 162(m) Disclosure

Section 162(m) of the Internal Revenue Code generally limits the corporate deduction for compensation paid to executive officers to \$1.0 million, unless the compensation qualifies as performance-based compensation under the Code. The Committee reviewed the potential consequences for the company of Section 162(m) and believes that this provision did not affect the deductibility of compensation paid to our executive officers in 2011. The adoption by the shareholders at the 2010 Annual Meeting of the 2010 Non-Equity Incentive Plan and the amended and restated Omnibus Stock Plan permits the company to issue compensation that qualifies as performance-based compensation.

- (1) The 2009, 2010 and 2011 restricted stock grants which begin vesting in 2010, 2011 and 2012, respectively, are available to vest over a five year period based on the financial performance of the company. The actual vesting percentage for each year is determined by the following formula: year-over-year growth rates in income from operations and diluted net income per share are averaged, and then five percentage points are added to that number. Any shares unvested after five years are forfeited back to the company. The actual vesting percentage was 7% in 2009, 13% in 2010 and 17% in 2011.
- (2) Includes the expense related to the grant of restoration options granted during the year, as well as a new grant in 2011.
- (3) The dollar amount in this column represents the amount the named executive earned during the respective year under their individual non-equity incentive plan. The amount earned is paid out as cash compensation early in the following year.

- (1) The non-equity incentive awards made during 2011 for 2012 are based on the adjusted pre-tax income of the Company. Because the formula pays out percentages of the pre-tax income over certain ranges, the awards do not have specific payout based on a threshold, target or maximum. As a result, no amounts are listed in these three columns. For a more detailed description of this plan, please see the Named Executive Compensation section of the proxy.
- (2) These performance based restricted shares and stock options are available to vest over five calendar years beginning in 2012. The actual vesting percentage for each year is determined by the following: year-over-year growth rates in income from operations and diluted net income per share are averaged, and then five percentage points are added to that number. Because the shares vest based on a formula of growth rates, the awards do not have a specific payout based on a target or a threshold. Once vested, the participant may exercise the options at any time within ten years from the grant date. Vested restricted shares are delivered to the participant based on an election they made before the award begins to vest. Any restricted shares or stock options unvested after five years are forfeited back to the company.
- (3) The amounts in this column represent the grant date fair value for the respective awards. The performance based restricted shares, vested and unvested, earn dividends at the same rate as Common Stock. Because these dividends are considered compensation under the Internal Revenue Code, the dividends are paid to each named executive officer through the Company's payroll system.

RELATED PARTY TRANSACTIONS

One of our directors, Brian P. Short, is the president, chief executive officer and, with a number of his family members, holds a controlling interest in Admiral Merchants Motor Freight, Inc. (AMMF), a privately held trucking and transportation services company. In 2011, C.H. Robinson engaged AMMF as a carrier to haul approximately 611 truckloads. The company paid approximately \$1,092,000 to AMMF for these services, which represented approximately one percent of AMMF's revenues for 2011. In addition, during 2011, AMMF used T-Chek services for its truck drivers. The total fees paid to T-Chek by AMMF were approximately \$207,000 during 2011 or approximately 0.4 percent of T-Chek's total revenue for the year.

In 2011, C.H. Robinson purchased legal services from Dorsey & Whitney LLP (Dorsey) in the amount of approximately \$375,000. Marianne Short and Stephen Lucke are partners at Dorsey, and Marianne Short currently serves as the firm's managing partner. Marianne Short is Mr. Short's sister and Stephen Lucke is Mr. Short's brother-in-law. Dorsey has represented that the fees it received from C.H. Robinson in 2011 were not a material portion of its gross revenues.

C.H. Robinson's transactions with AMMF and Dorsey were reviewed by our Audit Committee consistent with our Related Party Transaction policy. Mr. Short abstained from the Committee's review of these matters. Management reported to the Committee that the prices paid for the trucking services provided by AMMF were negotiated by fifty-eight separate branch offices and were consistent with similar loads carried by other third party vendors using comparable equipment. Since T-Chek's services are fee-based, the company's management confirmed that the fees paid by AMMF to T-Chek were comparable to the fees paid to T-Chek by other similar customers. Management also confirmed that the legal fees paid to Dorsey were consistent with the fees charged to C.H. Robinson by other firms for similar services. The Audit Committee considered C.H. Robinson's transactions with AMMF and Dorsey in light of the factors listed in its Related Party Transactions policy. Based on its review, the Committee unanimously determined that the company's transactions conducted with AMMF and Dorsey were fair and reasonable to the company and on terms no less favorable to C.H. Robinson than could be obtained in a comparable arm's length transaction with an unrelated third party. In approving these transactions, the Committee also unanimously determined that they were in the best interests of C.H. Robinson.

The Board of Directors and the Governance Committee also considered C.H. Robinson's transactions with AMMF and Dorsey in its assessment of Mr. Short's independence.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis section with C.H. Robinson management and concurs that it accurately represents the compensation philosophy of the company. Based on its review and discussion with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement. The Compensation Committee charter is posted on the Investor Relations page of the C.H. Robinson Worldwide website at www.chrobinson.com.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the company's executive officers and directors and persons who beneficially own more than ten percent of the company's Common Stock to file initial reports of ownership and reports of changes in ownership with the Commission. Such executive officers, directors, and greater than ten percent beneficial owners are required by the regulations of the Commission to furnish the company with copies of all Section 16(a) reports they file.

Based solely on a review of the copies of such reports furnished to the company and written representations from the executive officers and directors, we believe that all Section 16(a) filing requirements applicable to our executive officers and directors and greater than ten percent beneficial owners were complied with in 2011.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter can be found on the Investor Relations page of the C.H. Robinson website at www.chrobinson.com. The Audit Committee of the company's Board of Directors is comprised of the following independent directors: Robert Ezrilov, ReBecca Koenig Roloff, Brian P. Short, and James B. Stake. The Board of Directors has reviewed the status of each of the members of its Audit Committee and has confirmed that each meets the independence requirements of the current NASDAQ listing standards that apply to Audit Committee members, and that Mr. Ezrilov, Mr. Short, and Mr. Stake each qualifies as an Audit Committee Financial Expert, as defined by the Securities and Exchange Commission.

Management is responsible for the company's internal controls and the financial reporting process. C.H. Robinson's independent registered public accounting firm is responsible for performing an independent audit of our financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to hire, monitor, and oversee the independent auditors.

In this context, the Audit Committee has met and held discussions with management and Deloitte & Touche LLP, the company's independent accountants for the fiscal year ending December 31, 2011. Management represented to the Audit Committee that the company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by *Statement on Auditing Standards No. 61 (Communications with Audit Committees)*.

Our independent accountants also provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding our independent accountants' communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent accountants the independent accountant's independence. The Audit Committee also considered whether the provision of any non-audit services was compatible with maintaining the independence of Deloitte & Touche LLP as the company's independent auditors.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2011, filed with the Securities and Exchange Commission.

PROPOSAL TWO: ADVISORY VOTE ON THE COMPENSATION OF NAMED EXECUTIVE OFFICERS (SAY-ON-PAY)

C.H. Robinson is providing its shareholders the opportunity to cast a non-binding advisory vote on the compensation of its named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion in this Proxy Statement. This advisory vote is provided as required by section 14A of the Securities Exchange Act (15 U.S.C. 78n-1). C.H. Robinson, with guidance and oversight from our Compensation Committee, has adopted an executive compensation philosophy that is intended to be consistent with our overall compensation approach and to achieve the following goals:

- 1) Provide a level of total compensation necessary to attract, retain, and motivate high quality executives;
- 2) Provide incentive compensation aligned with company earnings at various levels;
- 3) Emphasize team and company performance;
- 4) Balance incentive compensation to achieve both short-term and long-term profitability and growth; and
- 5) Encourage executives to make long-term career commitments to C.H. Robinson and our shareholders.

We believe our executive compensation program is aligned with the long-term interest of our shareholders. In considering this proposal we encourage you to review the Compensation Discussion and Analysis section of this Proxy Statement beginning on page 14. It provides detailed information on our executive compensation, including our compensation philosophy and objectives and the 2011 compensation of our named executive officers.

C.H. Robinson annually requests shareholder approval of the compensation of our named executive officers. Our compensation disclosures, including our Compensation Discussion and Analysis, compensation tables and discussion in this Proxy Statement, are done in accordance with the Securities and Exchange Commission's compensation disclosure rules.

As an advisory vote, this Proposal is non-binding. However, the Board of Directors and the Compensation Committee value the opinions of our shareholders and will consider the results of the vote when making future compensation decisions for our named executive officers.

BOARD VOTING RECOMMENDATION:

The Board of Directors recommends a vote FOR the approval of the compensation of our named executive officers.

PROPOSAL THREE: VOTE TO AMEND AND RESTATE THE COMPANY S CERTIFICATE OF INCORPORATION TO ELIMINATE THE CLASSIFICATION OF THE BOARD OF DIRECTORS

On February 9, 2012, the Board of Directors unanimously approved, upon the recommendation of the Governance Committee, an amended and restated version of our Certificate of Incorporation, reflecting amendments that would declassify our Board of Directors and provide for the annual election of all of our directors. This change is subject to obtaining approval of the amendments from our shareholders at our 2012 Annual Meeting.

Our Certificate of Incorporation currently divides our directors into three classes, with each class serving a three-year term. Under the proposed amendments to our Certificate of Incorporation, the classified board structure would be eliminated in a manner that does not affect the unexpired terms of the previously elected directors. Commencing with the elections at our 2013 Annual Meeting, our directors would be elected for one-year terms rather than three-year terms as follows:

- (i) the directors elected at our 2010 Annual Meeting will serve out their current three-year term and will next stand for election at our 2013 Annual Meeting, for a one-year term;
- (ii) the directors elected at our 2011 Annual Meeting will serve out their current three-year term and will next stand for election at our 2014 Annual Meeting, for a one-year term; and
- (iii) the directors elected at the 2012 Annual Meeting will serve for a three-year term and will next stand for election at our 2015 Annual Meeting, for a one-year term.

The Governance Committee and our Board of Directors regularly evaluate all of our corporate governance practices to ensure that such practices, including the mechanism for the election of directors, remain in the best interests of C.H. Robinson and our shareholders. The classification of directors historically has been widely viewed as benefiting shareholders by, among other things, promoting continuity and stability in the management of the business and affairs of a company and encouraging persons considering unsolicited tender offers, or other unilateral takeover actions, to negotiate with the target company s board of directors rather than pursue non-negotiated takeover attempts. While our Board of Directors believes these are important benefits, the Board also recognizes the benefit of providing shareholders an annual opportunity to express in a meaningful way their views on the performance of our directors. The Board also has considered the level of support shown for the shareholder proposal included in our 2011 proxy statement requesting declassification of the Board. Accordingly the Board has determined, upon the recommendation of the Governance Committee, to propose that our certificate of incorporation be changed so that in the future all of our directors be elected to one-year terms on the schedule described in the preceding paragraph.

In connection with this proposal, our Board of Directors also approved certain other conforming amendments to our Certificate of Incorporation, subject to shareholder approval. These conforming amendments include an amendment to permit the removal of directors, with or without cause, by a majority vote of the holders of shares then entitled to vote at an election of directors. This provision is required under the Delaware General Corporation Law for corporations that do not have classified boards or cumulative voting for directors. In light of these conforming amendments, we are proposing to amend and restate the Certificate of Incorporation in its entirety, to include previously approved and adopted amendments thereto and the amendments being proposed at this meeting. All of the proposed amendments are reflected in the proposed form of Restated Certificate of Incorporation attached to this proxy statement as Appendix A. For your convenience, the attached form of Restated Certificate of Incorporation is marked to indicate the proposed amendments.

If the amendment and restatement of our Certificate of Incorporation is not approved, the Board of Directors will remain classified.

At least 66.66% of our outstanding shares of Common Stock must vote yes to approve this proposal to amend and restate our Certificate of Incorporation to declassify the Board and provide for the annual election of all directors.

BOARD VOTING RECOMMENDATION:

The Board of Directors recommends a vote FOR the approval to amend and restate the company s certificate of incorporation to eliminate the classification of the Board of Directors.

PROPOSAL FOUR: SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has selected Deloitte & Touche LLP as independent public accountants for C.H. Robinson for the fiscal year ending December 31, 2012. Representatives of Deloitte & Touche LLP will be present at our Annual Meeting, will have an opportunity to make a statement if they desire to do so, and will be available to answer shareholder questions. If the appointment of Deloitte & Touche LLP is not ratified by the shareholders, the Audit Committee is not obligated to appoint other accountants, but the Audit Committee will give consideration to such unfavorable vote.

Independent Auditors Fees

The following table summarizes the total fees for audit services provided by the independent auditor for the audit of our annual consolidated financial statements for the year ended December 31, 2011, and December 31, 2010. The table also includes fees billed for other services provided by the independent auditor during the same periods.

Fees	2011	2010
Audit Fees (a)	\$ 1,194,005	\$ 1,082,112
Audit-Related Fees (b)	50,452	34,050
Tax Fees (c)	150,477	362,566
Total	\$ 1,394,934	\$ 1,478,728

(a) Fees for audit services billed or expected to be billed relating to 2011 and 2010 consisted of:

Audit of the company's annual financial statements

Reviews of the company's quarterly financial statements

Statutory and regulatory audits, consents, and other services related to Securities and Exchange Commission matters

(b) Fees for audit-related services billed or expected to be billed consisted of:

Employee benefit plan audit in 2011 and 2010

(c) Fees for tax services billed for tax compliance and tax planning and advice:

Fees for tax compliance services totaled \$136,411 and \$324,945 in 2011 and 2010, respectively. Tax compliance services are services provided based upon facts already in existence or transactions that have already occurred to document, compute, and obtain government approval for amounts to be included in tax filings.

Fees for tax planning and advice services totaled \$14,066 and \$37,621 in 2011 and 2010, respectively. Tax planning and advice are services provided for proposed transactions or that alter a transaction to obtain a particular tax result.

In considering the nature of the services provided by the independent auditor, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the independent auditor and our management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the Securities

Edgar Filing: C H ROBINSON WORLDWIDE INC - Form PRER14A

and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants. All services provided by the independent auditor during 2011 and 2010 were pre-approved following the policies and procedures of the Audit Committee.

Pre-Approval Policy

This company policy describes the permitted audit, audit-related, tax, and other services (collectively, the Disclosure Categories) that the independent auditor may perform. The policy requires that before work begins, a description of the services (the Service List) expected to be performed by the independent auditor, in each of the Disclosure Categories, be presented to the Audit Committee for approval.

Any requests for audit, audit-related, tax, and other services not included on the Service List must be submitted to the Audit Committee for specific pre-approval and cannot begin until approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the chairman of the Audit Committee. The chairman must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval.

In addition, although not required by the rules and regulations of the Securities and Exchange Commission, the Audit Committee generally requests a range of fees associated with each proposed service on the Service List and any services that were not originally included on the Service List. Providing a range of fees for a service incorporates appropriate oversight and control of the independent auditor relationship, while permitting the company to receive immediate assistance from the independent auditor when time is of the essence.

The Audit Committee reviews the status of services and fees incurred year-to-date against the original Service List and the forecast of remaining services and fees.

The policy contains a *de minimis* provision that enables retroactive approval for permissible non-audit services under certain circumstances. The provision allows for the pre-approval requirement to be waived if all of the following criteria are met:

1. The service is not an audit, review, or other attest service;
2. The total amount of all such services provided under this provision does not exceed the lesser of \$20,000 or five percent of total fees paid to the independent auditor in a given fiscal year;
3. The services were not recognized at the time of the engagement to be non-audit services;
4. The services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or its designee; and
5. The service and fee are specifically disclosed in the Proxy Statement as meeting the *de minimis* requirements of Regulation S-X of the Securities Exchange Act of 1934, as amended.

BOARD VOTING RECOMMENDATION

The Board of Directors recommends a vote FOR ratification of the selection of Deloitte & Touche LLP as the company's independent auditors.

ARTICLE III

The purpose of the corporation is to engage in any lawful act or activity for which corporations may now or hereafter be organized under the Delaware General Corporation Law, as amended from time to time (Delaware Law).

Exhibit A

The authority of the board of directors with respect to each series shall include, but not be limited to, determination of the following:

All shares of Common Stock shall be identical and shall entitle the holders thereof to the same rights and privileges. When and as dividends are declared on the Common Stock, whether payable in cash, in property or in securities of the corporation, the holders of the Common Stock shall be entitled to share equally, share for share, in such dividends. Upon any liquidation, dissolution or winding-up of the corporation, whether voluntary or involuntary, after the payment in full of all amounts to which the holders of the Preferred Stock shall be entitled, the remaining assets of the corporation to be distributed to the holders of the stock of the corporation shall be distributed ratably among the holders of the shares of Common Stock. The holders of shares of the Common Stock shall be entitled to vote on all matters to be voted on by the stockholders of the corporation. On all matters to be voted on by the holders of Common Stock, the holders shall be entitled to one vote for each share thereof held of record. Without the affirmative vote of the holders of record of 66-2/3% of all of the shares of the Common Stock outstanding and the approval of 66-2/3% of all of the directors of the corporation (with any fractional number of directors resulting from application of such percentage rounded up to the nearest whole number):

time convey, transfer, lease or otherwise dispose of all or any of its properties and assets to the corporation or any wholly owned subsidiary of the corporation.

(c) The corporation shall not amend or otherwise modify or repeal any of the provisions of this Certificate of Incorporation.

The holders of Common Stock shall have no preemptive rights to subscribe to any or all additional issues of Common Stock or any securities of the corporation convertible into Common Stock.

ARTICLE V

The number of directors to constitute the whole board of directors shall be such number (not less than six nor more than twelve) as shall be fixed from time to time by resolution of the board of directors adopted by such vote as may be required in the by-laws. Commencing with the 2013 annual meeting of stockholders of the corporation, the directors whose terms expire at that meeting and at all subsequent annual meetings of the corporation's stockholders shall be elected annually for terms expiring at the next succeeding annual meeting of stockholders. Notwithstanding the foregoing, the directors elected at the 2011 annual meeting of the stockholders (and their successors) and the directors elected at the 2012 annual meeting (and their successors) shall continue to serve until their terms would otherwise expire. In case of any vacancies, by reason of an increase in the number of directors or otherwise, each additional director may be elected by a majority of the directors then in office, even though less than a quorum of the board of directors, to serve until his successor shall have been elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

ARTICLE VI

All actions required or permitted to be taken by the stockholders of the corporation must be effected at a duly called annual or special meeting of stockholders of the corporation and may not be effected by any consent in writing of such stockholders.

ARTICLE VIII

The corporation reserves the right to amend this Certificate of Incorporation in any manner provided herein or permitted by Delaware Law and all rights and powers conferred herein on stockholders, directors and officers, if any, are subject to this reserved power.

ARTICLE IX

A director of the corporation shall not be liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, (iii) under Section 174 of Delaware Law, or (iv) for any transaction from which the director derived an improper personal benefit.

Exhibit A

If the Delaware Law is hereafter amended to further eliminate or limit the liability of a director of a corporation, then a director of the corporation, in addition to the circumstances set forth herein, shall have no liability as a director (or such liability shall be limited) to the fullest extent permitted by the Delaware Law as so amended. No repeal or modification of the foregoing provisions of this Article IX nor, to the fullest extent permitted by law, any modification of law, shall adversely affect any right or protection of a director of the corporation existing at the time of such repeal or modification.

ARTICLE X

The corporation shall, to the full extent permitted by Delaware Law, indemnify each officer and director of the corporation and may, but shall not be obligated to, indemnify any employee or agent of the corporation who is not an officer or director of the corporation as follows:

(a) Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a proceeding), by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an indemnitee), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall or may, as applicable, be indemnified and held harmless by the corporation to the fullest extent authorized by Delaware Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the corporation to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith and such indemnification shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators; provided, however, that, except as provided in Paragraph (c) hereof with respect to proceedings to enforce rights to indemnification, the corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors of the corporation.

(b) Right to Advancement of Expenses. The right to indemnification conferred in Paragraph (a) of this Article X shall include the right to be paid by the corporation the expenses incurred in defending any proceeding for which such right to indemnification is applicable in advance of its final disposition (hereinafter an advancement of expenses); provided, however, if Delaware Law so requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the corporation of an undertaking (hereinafter an undertaking), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a final adjudication) that such indemnitee is not entitled to be indemnified for such expenses under this Article X or otherwise.

(c) Right of Indemnitee to Bring Suit. The rights to indemnification and to the advancement of expenses conferred in Paragraphs (a) and (b) of this Article X shall be contract rights. If a claim under Paragraph (a) or (b) of this Article X is not paid in full by the corporation within sixty days after a written claim has been received by the corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be twenty days, the indemnitee may at any time thereafter bring suit against the corporation to recover the unpaid amount of the claim. If successful in whole or in part in any

Exhibit A

such suit, or in a suit brought by the corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (i) any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense for the corporation that, and (ii) in any suit by the corporation to recover an advancement of expenses pursuant to the terms of an undertaking the corporation shall be entitled to recover such expenses upon a final adjudication that, the indemnitee has not met any applicable standard for indemnification set forth in Delaware Law. Neither the failure of the corporation (including its board of directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that the indemnitee has met the applicable standard of conduct set forth in Delaware Law and that indemnification of the indemnitee is therefore proper in the circumstances, nor an actual determination by the corporation (including its board of directors, independent legal counsel, or its stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense of the corporation to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article X or otherwise shall be on the corporation.

(d) Non-Exclusivity of Rights. The rights to indemnification and to the advancement of expenses conferred in this Article X shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, this Certificate of Incorporation, by-law, agreement, vote of stockholders or of disinterested directors or otherwise.

(e) Insurance. The corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of status as such, whether or not the corporation would have the power to indemnify such person against such liability under the provisions of Delaware Law.

In witness whereof, C.H. Robinson Worldwide, Inc. has caused this Restated Certificate of Incorporation to be signed by _____, its _____, this ____ day of _____, 2012.
