Item 1.01 Entry Into a Material Definitive Agreement.

On July 26, 2012, Lincoln Electric Holdings, Inc. (the Company), The Lincoln Electric Company, Lincoln Electric International Holding Company, J.W. Harris Co., Inc., and other domestic subsidiaries (collectively, with the Company, the Borrowers) obtained a \$300 million revolving credit facility (the Credit Facility) to be used for general corporate purposes pursuant to the terms and conditions of an Amended and Restated Credit Agreement, dated as of July 26, 2012 (the Credit Agreement), entered into by and among the Borrowers and the Lenders (as defined in the Credit Agreement), with KeyBank National Association as Letter of Credit Issuer and Administrative Agent for the Lenders. The Credit Facility has a five-year term and may be increased, subject to certain conditions, by an additional amount up to \$100 million. The interest rate on borrowings under the Credit Agreement is based on either LIBOR or the prime rate, plus a spread based on the Company's leverage ratio, at the Company's election.

The Credit Agreement contains customary affirmative, negative and financial covenants for credit facilities of this type, including limitations on the Company and its subsidiaries with respect to liens, investments, distributions, mergers and acquisitions, dispositions of assets, transactions with affiliates and a fixed charges coverage ratio and total leverage ratio.

The Credit Agreement amends and restates the Company's existing \$150 million revolving credit facility that was entered into on November 18, 2009 and had a maturity date in November 2012 (the Old Credit Facility). The Company had no outstanding borrowings under the Old Credit Facility and was in compliance with all applicable financial covenants and other restrictions as of the effective date of this amendment and restatement. As of the date of this report, the Company had no borrowings under the Credit Facility and was in compliance with all applicable financial covenants and other restrictions under the Credit Agreement.

The foregoing is merely a summary of the terms and conditions of the Credit Agreement and not a complete discussion of the document. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Credit Agreement attached to this Form 8-K as Exhibit 10.1, which is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of the Registrant.

The disclosure set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
