NON-GAAP FINANCIAL MEASURES

We report our financial results in accordance with accounting principles generally accepted in the United States (GAAP).

Our top-line measure is Organic Net Revenues, which excludes divestitures, currency and accounting calendar changes. We use Organic Net Revenues and corresponding metrics as non-GAAP financial measures. Management believes Organic Net Revenues better reflects the underlying growth from the ongoing activities of our business and provides improved comparability of results.

We use Operating EPS, which is defined as diluted EPS attributable to us from continuing operations excluding costs related to: the Integration Program; the Restructuring Program; and Spin-Off Costs. We use Operating EPS and corresponding metrics as non-GAAP financial measures. Management believes Operating EPS provides improved comparability of operating results.
