Nexstar Broadcasting intends to use the net proceeds from the proposed offering to repurchase any and all of its outstanding 2014 Notes and 2014 PIK Notes, refinance a portion of its borrowings outstanding under the Existing Nexstar Credit Facilities and pay related fees and expenses. In connection with the proposed notes offering, Nexstar Broadcasting intends to commence a cash tender offer and related consent solicitation for any and all of its outstanding 2014 Notes and 2014 PIK Notes. Consummation of the tender offer and related consent solicitation is contingent upon, among other things, Nexstar Broadcasting obtaining the proceeds from the proposed notes offering on terms satisfactory to Nexstar Broadcasting. Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of the federal securities laws and is intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally can be identified by the use of the forward-looking terminology such as assumptions, target, guidance, outlook, plans, projection, will, would, expect, intend, estimate, anticipate, believe, potential, continue, (or the negative of other derivatives of each of these) similar terminology. The forward-looking statements include, without limitation, statements regarding our acquisition of the Newport Assets and Nexstar Broadcasting's issuance of the notes and the entry into new senior secured bank facilities. These statements are based on management's estimates and assumptions with respect to future events, which include uncertainty as to our ability to consummate the offering of the notes, failure to realize the anticipated benefits of the acquisition of the Newport Assets, including as a result of a delay in completing the acquisition of the Newport Assets or a delay or difficulty in integrating the Newport Assets, the expected amount and timing of cost savings and operating synergies, current capital and debt market conditions, the Company's ability to obtain new debt financing on acceptable terms, the anticipated terms of the notes, and the anticipated use of proceeds from the proposed offering, which estimates are believed to be reasonable, though are inherently uncertain and difficult to predict. Actual results could differ materially from those projected as a result of certain factors. A discussion of factors that could cause actual results to vary is included in the Company's Annual Report on Form 10-K, as amended, and other periodic reports filed with the Securities and Exchange Commission.
