REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors

Independence Realty Trust, Inc.

We have audited the accompanying statement of revenue and certain expenses (the Historical Summary) of a property commonly referred to as Runaway Bay Apartments (the Property) for the year ended December 31, 2011. This Historical Summary is the responsibility of the Property's management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, as established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary, assessing the accounting principles used, and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1 to the Historical Summary, the accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and is not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the revenue and certain expenses for the year ended December 31, 2011 of the Property on the basis of accounting described in Note 1 to the Historical Summary.

RUNAWAY BAY APARTMENTS

NOTES TO STATEMENTS OF REVENUE AND CERTAIN EXPENSES

For the Six Month Periods Ended June 30, 2012 and 2011 and

for the Year Ended December 31, 2011

NOTE 1: ORGANIZATION AND BASIS OF PRESENTATION

The accompanying statements of revenue and certain expenses (the Historical Summary) include the revenue and certain expenses of the following property (hereinafter referred to as the Property):

Property Name	Type	Units	Location	Date Acquired
Runaway Bay Apartments	Multi-family	192	Indianapolis, IN	October 11, 2012

On October 11, 2012 a definitive agreement was entered into for the acquisition of the Property by Independence Realty Trust, Inc. (IRT) for a purchase price equal to \$15.75 million.

The Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenue and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property's revenue and expenses. Items excluded consist of interest on mortgages and depreciation for the property.

The Historical Summary presents the revenue and certain expenses of the Property during the identified periods and may not be comparable to future periods. Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary to present fairly the interim periods results of operations are included. The results of operations for the interim periods presented are not necessarily indicative of the results for the full year.

In the preparation of the accompanying Historical Summary, subsequent events were evaluated through October 29, 2012, the date the financial statements were available to be issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Revenue Recognition

Rental income attributable to residential leases is recorded when due from residents, generally upon the first day of the month. Leases are for periods of up to one year, with rental payments due monthly. Other income results from fees for late payments, cleaning, damages, storage, parking, and laundry facilities and is recorded when earned.

b. Property Management Fees

For the six month periods ended June 30, 2012 and 2011, property management fees were \$47,040 and \$55,974, respectively (unaudited). For the year ended December 31, 2011, property management fees were \$96,870.

c. Bad Debt Expense

The Property recognizes bad debt expense for uncollectible receivables. Management's estimate of bad debt expense is based on expected and inherent risks of collectability for receivables from tenants. For the six month periods ended June 30, 2012 and 2011, bad debt expenses were \$3,333 and \$5,886, respectively (unaudited). For the year ended December 31, 2011, bad debt expenses were \$18,516.

d. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported periods. Actual results could differ from those estimates.

NOTE 3: COMMITMENTS AND CONTINGENCIES

Litigation

The Property may be subject to various claims and legal proceedings that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Property.
