Item 1.01. Entry into a Material Definitive Agreement.

Revolving Credit Facility

On November 1, 2012 (the Closing Date), WMG Acquisition Corp. (Warner Music Group or the Issuer) entered into a credit agreement (the Revolving Credit Agreement) for a senior secured revolving credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the Revolving Credit Facility).

General

Warner Music Group is the borrower (the Revolving Borrower) under the Revolving Credit Facility. The Revolving Credit Facility provides for a revolving credit facility in the amount of up to \$150,000,000 (the Commitments) and includes a \$50,000,000 letter of credit sub-facility. Amounts are available under the Revolving Credit Facility in U.S. dollars, euros or pounds Sterling. The Revolving Credit Facility permits loans for general corporate purposes. The Revolving Credit Facility may also be utilized to issue letters of credit on or after the Closing Date.

The final maturity of the Revolving Credit Facility will be five years from the Closing Date.

Interest Rates and Fees

The loans under the Revolving Credit Agreement bear interest at Revolving Borrower's election at a rate equal to (i) the rate for deposits in the currency in which the applicable borrowing is denominated in the London interbank market (adjusted for maximum reserves) for the applicable interest period (Revolving LIBOR Rate), plus 3.50% per annum, or (ii) the base rate, which is the highest of (x) the corporate base rate established by the administrative agent from time to time, (y) the overnight federal funds rate plus 0.50% and (z) the one-month Revolving LIBOR Rate plus 1.0% per annum, plus, in each case, 2.50% per annum.

If there is a payment default at any time, then the interest rate applicable to overdue principal will be the rate otherwise applicable to such loan plus 2.0% per annum. Default interest will also be payable on other overdue amounts at a rate of 2.0% per annum above the amount that would apply to an alternative base rate loan.

The Revolving Credit Facility bears a facility fee equal to 0.50%, payable quarterly in arrears, based on the daily commitments during the preceding quarter. The Revolving Credit Facility bears customary letter of credit fees. Warner Music Group is also required to pay certain upfront fees to lenders and agency fees to the agent under the Revolving Credit Facility, in the amounts and at the times agreed between the relevant parties.

Prepayments

If, at any time, the aggregate amount of outstanding loans (including letters of credit outstanding thereunder) exceeds the Commitments, prepayments of the loans (and after giving effect to such prepayment the cash collateralization of letters of credit) will be required in an amount equal to such excess. The application of proceeds from mandatory prepayments shall not reduce the aggregate amount of then effective commitments under the Revolving Credit Facility and amounts prepaid may be reborrowed, subject to then effective commitments under the Revolving Credit Facility.

Voluntary reductions of the unutilized portion of the Commitments and prepayments of borrowings under the Revolving Credit Facility are permitted at any time, in minimum principal amounts as set forth in the Revolving Credit Facility, without premium or penalty, subject to reimbursement of the lenders' redeployment costs actually incurred in the case of a prepayment of LIBOR-based borrowings other than on the last day of the relevant interest period.

Ranking

The indebtedness incurred under the Revolving Credit Facility constitutes senior secured obligations of the Revolving Borrower, which are secured on an equal and ratable basis with all existing and future indebtedness secured with the same security arrangements as the Revolving Credit Facility. Indebtedness incurred under the Revolving Credit Facility ranks senior in right of payment to the Revolving Borrower's subordinated indebtedness; ranks equally in right of payment with all of the Revolving Borrower's existing and future senior indebtedness, including indebtedness under the Term Loan Credit Agreement (as defined below), the Notes (as defined below) and any future senior secured credit facility; is effectively senior to the Revolving Borrower's unsecured senior indebtedness, including its existing unsecured notes, to the extent of the value of the collateral securing the Revolving Credit Facility; and is structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Revolving Borrower's non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Revolving Borrower or one of its Subsidiary Guarantors (as defined below)).

Guarantee

Certain of the domestic subsidiaries of Warner Music Group entered into a Subsidiary Guaranty, dated as of the Closing Date (the Revolving Subsidiary Guaranty), pursuant to which all obligations under the Revolving Credit Facility are guaranteed by Warner Music Group's existing subsidiaries that guarantee the Notes (as defined below) and each other direct and indirect wholly-owned U.S. subsidiary, other than certain excluded subsidiaries (collectively, the Subsidiary Guarantors).

Covenants, Representations and Warranties

The Revolving Credit Facility contains customary representations and warranties and customary affirmative and negative covenants. The negative covenants are limited to the following: limitations on dividends on, and redemptions and purchases of, equity interests and other restricted payments, limitations on prepayments, redemptions and repurchases of certain debt, limitations on liens, limitations on loans and investments, limitations on debt, guarantees and hedging arrangements, limitations on mergers, acquisitions and asset sales, limitations on transactions with affiliates, limitations on changes in business conducted by the Revolving Borrower and its subsidiaries, limitations on restrictions on ability of subsidiaries to pay dividends or make distributions and limitations on amendments of subordinated debt and unsecured bonds. The negative covenants are subject to customary and other specified exceptions.

There are no financial covenants included in the Revolving Credit Agreement, other than a springing leverage ratio, which will be tested only when there are loans outstanding under the Revolving Credit Facility in excess of \$30,000,000 (excluding (i) letters of credit that have been cash collateralized and (ii) undrawn outstanding letters of credit that have not been cash collateralized not exceeding \$20,000,000).

Events of Default

Events of default under the Revolving Credit Agreement are limited to nonpayment of principal, interest or other amounts, violation of covenants, incorrectness of representations and warranties in any material respect, cross default and cross acceleration of certain material debt, bankruptcy, material judgments, ERISA events, actual or asserted invalidities of the Revolving Credit Agreement, guarantees or security documents and a change of control, in each case subject to customary notice and grace period provisions.

Copies of the Revolving Credit Agreement and the Revolving Subsidiary Guaranty are attached as Exhibits 10.1 and 10.3 hereto and incorporated herein by reference. The foregoing descriptions of the Revolving Credit Agreement and the Revolving Subsidiary Guaranty do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements.

Term Loan Credit Facility

On the Closing Date, Warner Music Group entered into a credit agreement (the Term Loan Credit Agreement) for a senior secured term loan credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the Term Loan Credit Facility and, together with the Revolving Credit Facility, the Senior Credit Facilities).

General

Warner Music Group is the borrower (the Term Loan Borrower) under the Term Loan Credit Facility. The Term Loan Credit Facility provides for term loans thereunder (the Term Loans) in an amount of up to \$600,000,000. The Term Loan Credit Facility also permits the Term Loan Borrower to add one or more incremental term loan facilities of up to \$300,000,000 plus a certain amount depending on a senior secured indebtedness to EBITDA ratio included in the Term Loan Credit Facility (subject to the conditions set forth therein).

The Term Loan Credit Facility will mature on November 1, 2018.

Interest Rates and Fees

The loans under the Term Loan Credit Agreement bear interest at Term Loan Borrower's election at a rate equal to (i) the rate for deposits in U.S. dollars in the London interbank market (adjusted for maximum reserves) for the applicable interest period (Term Loan LIBOR Rate), plus 4.00% per annum, or (ii) the base rate, which is the highest of (x) the corporate base rate established by the administrative agent from time to time, (y) the overnight federal funds rate plus 0.50% and (z) the one-month Term Loan LIBOR Rate plus 1.0% per annum, plus, in each case, 3.00% per annum. The Term Loan LIBOR Rate shall be deemed to be not less than 1.25%.

If there is a payment default at any time, then the interest rate applicable to overdue principal and interest will be the rate otherwise applicable to such loan plus 2.0% per annum. Default interest will also be payable on other overdue amounts at a rate of 2.0% per annum above the amount that would apply to an alternative base rate loan.

Customary fees will be payable in respect of the Term Loan Credit Facility.

Scheduled Amortization

The Term Loans under the Term Loan Credit Facility will amortize in equal quarterly installments in aggregate annual amounts equal to 5.00% of the original principal amount of the Term Loan Credit Facility with the balance payable on maturity date of the Term Loans; provided further that the individual applicable lenders may agree to extend the maturity of their Term Loans upon the Term Loan Borrower's request and without the consent of any other applicable lender.

Prepayments

The Term Loans may be prepaid without premium or penalty, except that, if such Term Loans are prepaid on or prior to the first anniversary of the Closing Date pursuant to a Repricing Transaction (as defined in the Term Loan Credit Agreement), a 1.00% prepayment premium will apply.

Subject to certain exceptions, the Term Loan Credit Facility will be subject to mandatory prepayment in an amount equal to:

- (i) 100% of the net proceeds (other than those that are used to purchase certain assets or to repay certain other indebtedness) of certain asset sales and certain insurance recovery events;
- (ii) 100% of the net proceeds (other than those that are used to repay certain other indebtedness) of indebtedness for borrowed money (other than indebtedness incurred in compliance with the debt covenant of the Term Loan Credit Facility); and
- (iii) 50% of the annual excess cash flow for any fiscal year (as reduced by the repayment of certain indebtedness), such percentage to decrease to 25% and 0% depending on the attainment of certain senior secured debt to EBITDA ratio targets.

In addition, in the event of certain events that constitute a Change of Control (as defined in the Term Loan Credit Agreement), Warner Music Group may offer to prepay the Term Loans at a price equal to 100% of their principal amount, plus accrued and unpaid interest, if any, to the repayment date.

Ranking

The indebtedness incurred under the Term Loan Credit Facility constitutes senior secured obligations of the Term Loan Borrower, which are secured on an equal and ratable basis with all existing and future indebtedness secured with the same security arrangements as the Term Loan Credit Facility. Indebtedness incurred under the Term Loan Credit Facility ranks senior in right of payment to the Term Loan Borrower's subordinated indebtedness; ranks equally in right of payment with all of the Term Loan Borrower's existing and future senior indebtedness, including indebtedness under the Revolving Credit Agreement, the Notes and any future senior secured credit facility; is effectively senior to the Term Loan Borrower's unsecured senior indebtedness, including its existing unsecured notes, to the extent of the value of the collateral securing the Term Loan Credit Facility; and is structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Term Loan Borrower's non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Term Loan Borrower or one of its Subsidiary Guarantors).

Guarantee

The Subsidiary Guarantors entered into a Guarantee Agreement, dated as of the Closing Date (the Term Loan Guarantee Agreement), pursuant to which all obligations under the Term Loan Credit Facility are guaranteed by the Subsidiary Guarantors.

Covenants, Representations and Warranties

The Term Loan Credit Facility contains customary representations and warranties and customary affirmative and negative covenants. The Term Loan Credit Facility contains negative covenants limiting, among other things, Warner Music Group's ability and the ability of most of its subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends on or make distributions in respect of its capital stock or make investments or other restricted payments; create restrictions on the ability of its restricted subsidiaries to pay dividends to it or make certain other intercompany transfers; sell certain assets; create liens; consolidate, merge, sell or otherwise dispose of all or substantially all of its assets; repurchase or repay certain indebtedness following a change of control; and enter into certain transactions with its affiliates.

Events of Default

Events of default under the Term Loan Credit Agreement are limited to nonpayment of principal, interest or other amounts, violation of covenants, incorrectness of representations and warranties in any material respect, cross default and cross acceleration of certain material debt, bankruptcy, material judgments, ERISA events, actual or asserted invalidities of the security documents and a change of control (subject to the Term Loan Borrower's ability to make an offer to prepay the Term Loans), in each case subject to customary notice and grace period provisions.

Copies of the Term Loan Credit Agreement and the Term Loan Guarantee Agreement are attached as Exhibits 10.2 and 10.4 hereto and incorporated herein by reference. The foregoing descriptions of the Term Loan Credit Agreement and the Term Loan Guarantee Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements.

(Holdings), the Subsidiary Guarantors, Credit Suisse AG, as collateral agent (the Collateral Agent), term loan authorized representative (the Term Loan Authorized Representative), revolving authorized representative (the Revolving Authorized Representative), and notes authorized representative (the Notes Authorized Representative) entered into a Security Agreement (the Security Agreement).

Pursuant to the terms of Security Agreement, all obligations of the Warner Music Group, as Revolving Borrower, Term Loan Borrower and Issuer (as defined below), and all obligations of each Subsidiary Guarantor are secured by (i) in the case of the Warner Music Group and the Subsidiary Guarantors, substantially all assets of the Warner Music Group and each Subsidiary Guarantor, including a perfected pledge of all the equity interests any Subsidiary Guarantor and certain intellectual property and (ii) in the case of Holdings, a perfected pledge of all the equity interests of Warner Music Group, in each case, to the extent required therein (collectively, the Collateral). The Security Agreement also contains intercreditor provisions regarding the administration of the security interest in the Collateral by the Collateral Agent on behalf of the Term Loan Authorized Representative, the Revolving Authorized Representative and the Notes Authorized Representative.

A copy of the Security Agreement is attached as Exhibit 4.9 hereto and incorporated herein by reference. The foregoing description of the Security Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement.

IP Security Agreements

In connection with the Security Agreement, Warner Music Group and certain Subsidiary Guarantors entered into a Copyright Security Agreement, a Trademark Security Agreement and a Patent Security Agreement in favor of the Collateral Agent, in each case for recording the security interest granted under the Security Agreement to the Collateral agent in certain Intellectual Property Collateral (as defined in the Security Agreement) with the U.S. Patent and Trademark Office or the U.S. Copyright Office, as applicable.

Ranking

The Notes are the Issuer's senior secured obligations and are secured on an equal and ratable basis with all existing and future indebtedness secured with the same security arrangements as the Notes. The Notes rank senior in right of payment to the Issuer's subordinated indebtedness; rank equally in right of payment with all of the Issuer's existing and future senior indebtedness, including indebtedness under the Senior Credit Facilities and any future senior secured credit facility; are effectively senior to the Issuer's unsecured senior indebtedness, including its existing unsecured notes, to the extent of the value of the collateral securing the Notes; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Issuer's non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors (as such term is defined below)).
