***Common Units Underwriting Agreement***

On March 26, 2013, Calumet Specialty Products Partners, L.P. (the **Partnership**) and Calumet GP, LLC (the **General Partner**) entered into an Underwriting Agreement (the **Underwriting Agreement**) with Barclays Capital Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Credit Suisse Securities (USA) LLC, J.P. Morgan Securities LLC and RBC Capital Markets, LLC as joint book-running managers and representatives of the several underwriters named therein (collectively, the **Underwriters**), which provides for the issuance and sale by the Partnership, and purchase by the Underwriters, of 5,250,000 common units representing limited partner interests in the Partnership (the **Common Units**) relating to a public offering of such Common Units at \$37.50 per Common Unit. The Underwriters were also granted a 30-day option to purchase up to 787,500 additional Common Units. The material terms of the offering of the Common Units are described in the prospectus supplement, dated March 26, 2013 (the **Prospectus Supplement**), as filed by the Partnership with the Securities and Exchange Commission (the **Commission**). The offer and sale of the Common Units are registered with the Commission pursuant to a Registration Statement on Form S-3 (File No. 333-170390), and the closing with respect to the public offering of such Common Units is expected to occur on April 1, 2013, subject to customary closing conditions.

The Partnership intends to use the net proceeds from the Common Units offering, including a proportionate capital contribution from the General Partner, for general partnership purposes, including working capital, capital expenditures, acquisitions and potentially the redemption or repurchase of outstanding notes.

Certain of the Underwriters and their respective affiliates have provided, and may in the future provide, various financial advisory, sales and trading, commercial and investment banking and other financial and non-financial activities and services to the Partnership and its affiliates, for which they received or will receive customary fees and expenses. Affiliates of certain of the Underwriters are lenders under the Partnership's revolving credit facility. The Partnership has also entered into, in the ordinary course of business, various derivative financial instrument transactions related to its crude oil and natural gas purchases and sales of finished fuel products with affiliates of certain of the Underwriters.

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions.
