**Item 1.01. Entry into a Material Definitive Agreement.**

On April 16, 2013, Identive Group, Inc. (the Company) entered into a purchase agreement (the Purchase Agreement) with Lincoln Park Capital Fund, LLC (LPC), pursuant to which the Company has the right to sell to LPC up to \$20,000,000 in shares of the Company's common stock, par value \$0.001 per share (Common Stock), subject to certain limitations and conditions set forth in the Purchase Agreement.

Pursuant to the Purchase Agreement, upon the satisfaction of all of the conditions to the Company's right to commence sales under the Purchase Agreement (the Commencement), LPC is initially purchasing \$2,000,000 in shares of Common Stock at \$1.14 per share. Thereafter, on any business day and as often as every other business day over the 36-month term of the Purchase Agreement, and up to an aggregate amount of an additional \$18,000,000 (subject to certain limitations) in shares of Common Stock, the Company has the right, from time to time, at its sole discretion and subject to certain conditions to direct LPC to purchase up to 100,000 shares of Common Stock. The purchase price of shares of Common Stock pursuant to the Purchase Agreement will be based on prevailing market prices of Common Stock at the time of sales without any fixed discount, and the Company will control the timing and amount of any sales of Common Stock to LPC, but in no event will shares be sold to LPC on a day the Common Stock closing price is less than \$0.50 per share, subject to adjustment. In addition, the Company may direct LPC to purchase additional amounts as accelerated purchases if on the date of a regular purchase the closing sale price of the Common Stock is not below \$0.75 per share.

The Company intends to use the net proceeds from this offering for working capital and other general corporate purposes.

All shares of Common Stock to be issued and sold to LPC under the Purchase Agreement will be issued pursuant to the Company's effective shelf registration statement on Form S-3 (Registration No. 333-173576), filed with the Securities and Exchange Commission in accordance with the provisions of the Securities Act of 1933, as amended, and declared effective on May 3, 2011, and the prospectus supplement thereto dated April 16, 2013.

The Purchase Agreement contains customary representations, warranties and agreements of the Company and LPC, limitations and conditions to completing future sale transactions, indemnification rights and other obligations of the parties. There is no upper limit on the price per share that LPC could be obligated to pay for Common Stock under the Purchase Agreement. The Company has the right to terminate the Purchase Agreement at any time, at no cost or penalty. Actual sales of shares of Common Stock to LPC under the Purchase Agreement will depend on a variety of factors to be determined by the Company from time to time, including (among others) market conditions, the trading price of the Common Stock and determinations by the Company as to available and appropriate sources of funding for the Company and its operations. As consideration for entering into the Purchase Agreement, the Company has agreed to issue to LPC 251,799 shares of Common Stock and is required to issue up to 323,741 additional shares of Common Stock pro rata as the Company requires LPC to purchase the Company's shares under the Purchase Agreement over the term of the agreement. The Company will not receive any cash proceeds from the issuance of these 251,799 shares or the 323,741 shares that may be issued if subsequent funding is received by the Company.

This current report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any shares of Common Stock, nor shall there be any sale of shares of Common Stock in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

The Purchase Agreement is included as Exhibit 10.1 to this current report on Form 8-K and incorporated herein by reference. The foregoing descriptions of such agreement and the transactions contemplated thereby are qualified in their entirety by reference to such exhibit. In addition, the Purchase Agreement has been included to provide investors with information regarding its terms. The Purchase Agreement is not intended to provide any other factual information about the Company. The Purchase Agreement contains representations and warranties that the Company has made to LPC. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the Company has provided to LPC in connection with signing the Purchase Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Purchase Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.
