Amendment and Restatement of Certificate of Incorporation

On May 21, 2013, the Company filed an amended and restated certificate of incorporation (the *Restated Certificate*) with the Secretary of State of the State of Delaware in connection with the closing of the Company's initial public offering of shares of its common stock. The Company's board of directors and stockholders previously approved the Restated Certificate effective as of and contingent upon the closing of the Company's initial public offering. The Restated Certificate amends and restates in its entirety the Company's amended and restated certificate of incorporation, as amended, to, among other things:

permit the board of directors to issue up to 10,000,000 shares of preferred stock, with any rights, preferences and privileges as they may designate (including the right to approve an acquisition or other change of control);

provide that the authorized number of directors may be changed only by resolution of the board of directors;

provide that all vacancies, including newly created directorships, may, except as otherwise required by law, be filled by the affirmative vote of a majority of directors then in office, even if less than a quorum;

divide the board of directors into three classes;

permit the Company's board of directors to adopt, amend or repeal the bylaws without obtaining stockholder approval;

require the approval of at least 66 2/3% of the shares entitled to vote at an election of directors to adopt, amend or repeal the bylaws or certain provisions of the Restated Certificate;

prohibit the removal of directors without cause, subject to the rights of any series of preferred stock to elect additional directors under specified circumstances;

require the approval of at least 66 2/3% of the shares entitled to vote at an election of directors to remove directors with cause;

prohibit stockholder action by written consent in lieu of a meeting, thereby requiring all stockholder actions to be taken at a meeting of the Company's stockholders; and

require advance notice of stockholder nominations for election to the Company's board of directors and of business to be brought by stockholders before any meeting of the Company's stockholders.

The foregoing description is qualified in its entirety by reference to the Restated Certificate, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

Amendment and Restatement of Bylaws

Effective as of May 21, 2013, the Company adopted amended and restated bylaws (the **Restated Bylaws**) in connection with the closing of the Company's initial public offering of shares of its common stock. The Company's board of directors and stockholders previously approved the Restated Bylaws effective as of and contingent upon the closing of the Company's initial public offering. The Restated Bylaws, among other things:

provide that special meetings of stockholders may be called only by (i) the chairman of the board of directors, (ii) the chief executive officer or (iii) the board of directors acting pursuant to a resolution adopted by a majority of the total number of authorized directors whether or not there exist any vacancies in previously authorized directorships;

establish advance notice requirements for stockholder nominations for election to the Company's board of directors and for proposals to be brought by stockholders before any meeting of the Company's stockholders;

prohibit stockholder action by written consent in lieu of a meeting, thereby requiring all stockholder actions to be taken at a meeting of the Company's stockholders;

set forth the rights, powers and manner of acting of the board of directors and officers of the Company;

permit the Company's board of directors to create committees of the board of directors; and

provide for the indemnification of directors and officers of the Company, and allow the indemnification of employees and agents of the Company, in each case to the extent not prohibited by applicable law.
