Item 1.01. Entry Into a Material Definitive Agreement.

On July 11, 2013, we amended our \$5 million term loan with Fifth Third Bank (the Bank). The term loan matures on July 11, 2016, subject to acceleration upon certain specified events. The term loan bears floating interest at the one month LIBOR rate plus 500 basis points. We are required to make semi-annual fixed principal payments each year of \$500,000, beginning January 11, 2014. Any prepayments may be made without premium or penalty. A commitment renewal fee of \$25,000 was paid at closing. We are not required to maintain restricted cash on deposit in connection with the term loan.

The term loan is secured by approximately 25,000 numismatic coins recovered from the SS *Republic* shipwreck, which amount will be reduced over the term by the amount of coins sold by us. The coins used as collateral are held by a custodian for the security of the Bank. The borrowing base is equal to forty percent (40%) of the eligible coin inventory valued on a rolling twelve-month wholesale average value basis. We are required to comply with a number of customary covenants.

The Fourth Amendment to the Loan and Security Agreement, and the Renewal Commercial Term Promissory Note are attached to this report as Exhibit 10.1 and Exhibit 10.2, respectively, and are incorporated herein by reference.

In conjunction with the renewal of the term loan, we also renewed our mortgage Loan Agreement with the Bank for our corporate office building. This loan had a remaining principal balance of \$1,302,000 as of July 11, 2013. The Renewal Commercial Property Note (the Note) bears floating interest at the one month LIBOR rate plus 375 basis points. The loan matures on July 11, 2016 and requires us to make monthly principal payments in the amount of \$10,750, plus accrued interest. The first mortgage is secured by our real property at 5215 West Laurel Street, Tampa, Florida, the location of our principal executive offices. The Second Amendment to the Loan Agreement, the Note, and the Mortgage contain customary representations and warranties, affirmative and negative covenants, conditions, and other provisions. An interest and principal reserve account has been modified to require an amount equal to \$400,000 annually of which we already had approximately \$200,000 in the account.

The Renewal Commercial Promissory Note, the Second Amendment to the Loan Agreement and the Mortgage and Note Modification and Renewal Agreement are attached to this report as Exhibit 10.3, Exhibit 10.4 and Exhibit 10.5, respectively, and are incorporated herein by reference.
