MAJOR TRANSACTION

THE SECONDARY PUBLIC OFFERING OF NORWEGIAN CRUISE LINE HOLDINGS LTD. ORDINARY SHARES

SUMMARY

The Board is pleased to announce that Star NCLC, a wholly-owned subsidiary of the Company, had on 3 December 2013 (New York time) entered into the Underwriting Agreement with NCLH, the other Selling Shareholders and the Underwriter Representatives (on behalf of the Underwriters), pursuant to which Star NCLC agreed, among others, to offer the Genting Offer Shares to the Underwriters.

MAJOR TRANSACTION

The Disposal will be completed within a 12 month period of the Previous Transaction. Accordingly, these transactions will be aggregated for the purposes of calculating the percentage ratios as set out under Rule 14.07 of the Listing Rules.

As one or more of the applicable percentage ratios (as set out and calculated under Rule 14.07 of the Listing Rules) in respect of the Disposal (in aggregate with the Previous Transaction) exceeds 25% but are all less than 75%, the Disposal constitutes a major transaction of the Company under Rule 14.06(3) of the Listing Rules and is subject to the reporting, announcement and shareholders' approval requirements under the Listing Rules.

So far as the Company is aware, as at the date of this announcement, no Shareholder has a material interest in the Disposal which would require it to abstain from voting at the SGM if it were convened to approve the Disposal, written Shareholders' approval is accepted in lieu of holding the SGM pursuant to Rule 14.44 of the Listing Rules. Golden Hope as trustee of GHUT, Joondalup and Tan Sri Lim Kok Thay, who together constitute a closely allied group of Shareholders and interested in an aggregate of 4,490,684,865 ordinary shares, representing approximately 55.90% of the issued share capital of the Company as at the date of the written Shareholders' approval, have given written approval and consent in respect of the Disposal. Accordingly, no SGM will be convened for the purpose of approving the Disposal.

A circular containing, amongst other information, further details of the Disposal is expected to be despatched to the Shareholders on or before 15 January 2014. The expected despatch date of the circular to Shareholders is more than 15 business days after the publication of this announcement due to, among other things, the time required to prepare the relevant information to be included in the circular under the Listing Rules.

Reference is made to the announcement made by the Company dated 20 November 2013 in respect of the filing of a registration statement with the SEC by NCLH for the Offering on 19 November 2013 (New York time).

Consideration

The Public Offer Price and the underwriting discount and commission are determined based on arm's length negotiation among the Selling Shareholders and the Underwriters with reference to the trading price of the Shares and market conditions. The total consideration for the Genting Offer Shares, being the Public Offer Price multiplied by the number of Genting Offer Shares is approximately US\$365.8 million (assuming no exercise of the Underwriters' option to purchase additional Shares) or approximately US\$420.6 million (assuming full exercise of the Underwriters' option to purchase additional Shares).

Sale Proceeds

The sale proceeds (after deduction of the underwriting discount and commission) for the Disposal will amount to approximately US\$353.9 million (assuming no exercise of the Underwriters' option to purchase additional Shares) or approximately US\$406.9 million (assuming full exercise of the Underwriters' option to purchase additional Shares) payable by the Underwriters in cash to Star NCLC on 9 December 2013 (New York time) in relation to an aggregate of 11,000,000 Shares offered by Star NCLC and, if applicable, on such other completion date(s) as designated by the Underwriter Representatives in relation to any of the additional Shares that the Underwriters have an option to purchase from Star NCLC pursuant to the Offering. The sale proceeds for the disposal of Genting Offer Shares will be used as general working capital for the Group and/or to fund new investments of the Group should suitable opportunities arise.

A gain in an amount of approximately US\$222.4 million (assuming no exercise of the Underwriters' option to purchase additional Shares) or approximately US\$255.8 million (assuming full exercise of the Underwriters' option to purchase additional Shares) is expected to accrue to the Company as a result of the Disposal based on the excess of expected sale proceeds (after deduction of the underwriting discount and commission) from the Disposal over the carrying value of the Genting Offer Shares of approximately US\$131.4 million (assuming no exercise of the Underwriters' option to purchase additional Shares) or approximately US\$151.2 million (assuming full exercise of the Underwriters' option to purchase additional Shares) as of 30 September 2013 in accordance with the Group's books and records.

Market Value of the Genting Offer Shares

Based on the closing price of the Shares on the latest trading day of the NASDAQ Global Select Market (being 3 December 2013), the aggregate market value of the Genting Offer Shares is approximately US\$369.1 million (assuming no exercise of the Underwriters' option to purchase additional Shares) or approximately US\$424.4 million (assuming full exercise of the Underwriters' option to purchase additional Shares).
