<b>Settlement Date:</b>	January 23, 2014 (T+10)
-------------------------	-------------------------

We expect that delivery of the notes will be made on or about January 23, 2014, which will be the tenth business day following the Trade Date (such settlement being referred to as T+10 ). Under Rule 15c6-1 under the Securities Exchange Act of 1934, trades in the secondary market are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes prior to the delivery of the notes hereunder will be required, by virtue of the fact that the Notes initially settle in T+10, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to their date of delivery hereunder should consult their advisors.

<sup>1</sup> A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

The Issuers are increasing the aggregate principal amount of Notes from \$300.0 million to \$350.0 million. The Issuers intend to use the full amount of the additional net proceeds, after deducting the underwriters' discounts and commissions and offering expenses, to repay borrowings outstanding under the Revolving Credit Facility.

Other pro forma as adjusted financial information presented in the Preliminary Prospectus Supplement is deemed to have changed by the increase of the additional \$50.0 million aggregate principal amount of Notes and the use of net proceeds thereof (after deducting the underwriters' discounts and commissions and offering expenses) to repay borrowings outstanding under the Revolving Credit Facility. Such pro forma as adjusted financial information should be read in conjunction with the other disclosures (including disclosures in footnotes) related to such financial information contained in or incorporated by reference into the Preliminary Prospectus Supplement.
