**Forward-Looking Statements**

*This Current Report on Form 8-K and the attached news release contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The words will, would, anticipate, expect, believe, intend and similar expressions are intended to identify forward-looking statements. It is important to note that the closing of the proposed equity transactions discussed in this Current Report on Form 8-K and the attached news release, our ability to restructure our pension fund debt and refinance our senior debt, and the overall results of our refinancing strategy, including the amount our existing stockholders will be diluted, will be determined by a number of factors, including (among others) those risk factors that are from time to time included in the Company's reports filed with the SEC, including the Company's reports on Forms 10-K and 10-Q and the Company's Current Report on Form 8-K filed on December 9, 2013. Further, the Company cannot provide you with any assurances that the conditions contained in the definitive agreements related to the proposed equity transactions will be satisfied or that the proposed equity transactions, the pension fund debt restructuring or the senior debt refinancing can be completed in the timeframes required under the Company's various agreements with its stakeholders, if at all. In addition, even if all the contemplated transactions are completed, the Company's future results could differ materially from any results projected in such forward-looking statements because of a number of factors, including (among others) the risk factors that are from time to time included in the Company's aforementioned reports.*
