NATIONAL CINEMEDIA, INC.

PROXY STATEMENT FOR THE 2014

ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the board of directors of National CineMedia, Inc., a Delaware corporation ("NCM, Inc.," or the "Company"), for use at the 2014 Annual Meeting of Stockholders to be held at United Artists Theatre Meadows 12, located at 9355 Park Meadows Drive, Littleton, Colorado 80124, on Wednesday, April 30, 2014, at 9:00 a.m., Mountain Time, and at any and all adjournments and postponements thereof (the "Annual Meeting"). Unless the context otherwise requires, the references to "we," "us" or "our" refer to the Company and its consolidated subsidiary National CineMedia, LLC ("NCM LLC"). The proxy may be revoked at any time before it is voted. If no contrary instruction is received, signed proxies returned by stockholders will be voted in accordance with the board of directors' recommendations.

This proxy statement and accompanying proxy are first being made available to stockholders on or about March 19, 2014.

SHARES OUTSTANDING AND VOTING RIGHTS

Our board of directors has fixed the close of business on March 11, 2014 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Our only outstanding voting stock is our common stock, \$0.01 par value per share, of which 60,854,901 shares were outstanding as of the close of business on the record date, which includes 2,138,555 shares of unvested restricted stock with voting rights. Each outstanding share of common stock is entitled to one vote.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to us (Attention: Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in itself constitute a revocation of a proxy.

At the Annual Meeting, stockholders will vote on three proposals: to elect three directors to serve until the 2017 Annual Meeting of Stockholders, and until their respective successors are elected and qualified (Proposal 1); to approve, on an advisory basis, the Company's executive compensation (Proposal 2); and to ratify the appointment of Deloitte & Touche LLP as our independent auditors for our 2014 fiscal year ending January 1, 2015 (Proposal 3).

Stockholders representing a majority in voting power of the shares of stock outstanding and entitled to vote must be present or represented by proxy in order to constitute a quorum to conduct business at the Annual Meeting. With respect to the election of directors, our stockholders may vote in favor of the nominees, may withhold their vote for all of the nominees, or may withhold their vote as to specific nominees. The affirmative vote of the holders of a plurality of the votes of the holders of shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to approve the election of each nominee named in Proposal 1. Under the Delaware General Corporation Law ("DGCL") and our Bylaws and Certificate of Incorporation, the affirmative vote of the holders of a majority in voting power of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to approve Proposals 2 and 3.

Abstentions may be specified on all proposals and will be counted as present for the purposes of the proposal for which the abstention is noted. A vote withheld for a nominee in the election of directors will have no effect. For purposes of determining whether any of the other proposals have received the requisite vote, where a stockholder abstains from voting, it will have the same effect as a vote against the proposal.

The independent tabulator appointed for the Annual Meeting will tabulate votes cast by proxy or in person at the Annual Meeting. For the purposes of determining whether a proposal has received the requisite vote of the holders of the common stock in instances where brokers are prohibited from exercising or choose not to exercise

Table of Contents

discretionary authority for beneficial owners who have not provided voting instructions (so-called broker non-votes), those shares of common stock will not be included in the vote totals and, therefore, will have no effect on the vote on any of such proposals. Pursuant to the Financial Industry Regulatory Authority (FINRA) Conduct Rules, brokers who hold shares in street name have the authority, in limited circumstances, to vote on certain items when they have not received instructions from beneficial owners. A broker will only have such authority if:

the broker holds the shares as executor, administrator, guardian or trustee or is a similar representative or fiduciary with authority to vote; or

the broker is acting pursuant to the rules of any national securities exchange of which the broker is also a member.

Prior to 2010, the election of directors was considered a routine matter for which brokers were permitted to vote shares without customer direction, however brokers are no longer permitted to vote shares for the election of directors in this manner. Brokers also will not be permitted to vote shares with respect to the advisory approval of the Company's executive compensation without customer direction. **Therefore, we urge you to give voting instructions to your broker on all three proposals.** Shares that are not voted by a broker given the absence of customer direction are called broker non-votes. Broker non-votes are not considered votes for or against a proposal and therefore will have no direct impact on any proposal. Under these rules, absent authority or directions described above, brokers will not be able to vote on Proposals 1 and 2, which are considered non-routine matters. Proposal 3 is a routine proposal on which a broker or other nominee is generally empowered to vote. Accordingly, no broker non-votes will likely result from Proposal 3.

Costs of Solicitation

We will pay the cost of soliciting proxies for the Annual Meeting. Proxies may be solicited by our regular employees, without additional compensation, in person, or by mail, courier, telephone or facsimile. We may also make arrangements with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons. We may reimburse such brokerage houses, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

Annual Report

Our 2013 Annual Report on Form 10-K, including the audited consolidated financial statements as of and for the year ended December 26, 2013, is available to all stockholders entitled to vote at the Annual Meeting together with this proxy statement, in satisfaction of the requirements of the Securities and Exchange Commission (the SEC). Additional copies of the Annual Report are available at no charge upon request. To obtain additional copies of the Annual Report, please contact us at 9110 E. Nichols Ave., Suite 200, Centennial, Colorado 80112-3405, Attention: Investor Relations, or at telephone number (303) 792-3600 or (800) 844-0935 investor relations. Adoption of Share Ownership Guidelines

On January 16, 2013, the Company adopted the following share ownership guidelines for its executive officers and directors:

Position	Minimum Share Ownership Level
President, Chief Executive Officer and Chairman	Lesser of: 3 times base salary or 140,000 shares
President of Sales and Executive Vice Presidents	Lesser of: 1 times base salary or 20,000 shares
Non-Employee Independent Directors	Lesser of: 3 times annual Board cash retainer or 8,000 shares

Each individual is expected to attain the minimum ownership level within five years of the effective date of the policy, or the individual's date of appointment, if later. If the minimum ownership level is not attained within the required timeframe, holding restrictions will apply. Upon vesting of equity awards, 50% of the individual's shares that become vested will be subject to holding restrictions until the minimum ownership level is attained. Ownership levels are determined based on Company common stock owned by each individual, including shares of unvested timed-based restricted stock and in-the-money vested stock options.

Anti-Hedging Policy

The Company's insider trading policy includes provisions that prohibit all employees and directors from entering into hedging transactions with respect to Company stock.

Anti-Pledging Policy

The Company's insider trading policy includes provisions that prohibit all employees and directors from keeping Company stock in a margin account or using Company stock as collateral for a loan. To our knowledge, none of our officers or directors has pledged any of his or her shares.

Clawback Policy

We adopted a clawback policy in 2013 addressing the adjustment or recovery of awards or payments if the relevant performance measures upon which they are based are restated or otherwise adjusted in a manner that would reduce the size of an award or payment. This policy, also known as a clawback policy, applies to all of our executive officers, including the named executive officers. Under the policy, we may recover any incentive compensation paid to an executive officer of our company in the event of a material negative accounting restatement of our financial statements due to material noncompliance by our company with any financial reporting requirement under the securities laws. If the board of directors determines that any current or former executive officer has engaged in fraud or intentional misconduct that caused the error that, directly or indirectly, resulted in the financial restatement, the board of directors may require reimbursement or forfeiture of any annual or long-term cash bonus or any equity compensation award earned with respect to the period covered by the restatement by such executive officer.

If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the persons who are designated as proxies intend to vote, in their discretion, for such other persons, if any, as may be designated by the board of directors. Ms. Miles has served in various executive positions at the most senior level of a public company in the theatre industry, which gives her the ability to understand the role of the board as well as the Company and its operations. Since Ms. Miles is a board designee for one of our founding members, she brings to the board the perspective of a major stakeholder.

Lee Roy Mitchell. Mr. Mitchell has served as a director of NCM, Inc. since October 2006 and his current term expires in 2016. His professional affiliations include memberships in the American Institute of Certified Public Accountants, the Financial Executives Institute and the Missouri Society of Certified Public Accountants.

Mr. Ramsey is qualified to serve on our board based on his extensive financial experience in the media industry. Since Mr. Ramsey is a board designee for one of our founding members, he brings to the board the perspective of a major stakeholder.

Our board of directors has determined that Lawrence A. Goodman, David R. Haas, James R. Holland, Jr., Stephen L. Lanning, Paula Williams Madison and Scott N. Schneider, all current directors, qualify as independent directors under the rules promulgated by the SEC under the Exchange Act, and by the Nasdaq. There are no family relationships among any of our executive officers, directors or nominees for director. The board of directors considered Mr. Goodman's service on the board of directors of a company that the Company uses to sell some of its online inventory and Mr. Holland's position as Chief Executive Officer of a company that has an ownership interest in one of our affiliate theatre circuits and concluded that those relationships did not affect their independence qualifications. For further detail of these related party transactions, refer to "Certain Relationship and Related Party Transactions" located elsewhere in this document.

Company Leadership Structure

The position of Board Chairman is filled by our Chief Executive Officer. We believe this combined leadership structure promotes unified leadership and direction for the board and executive management and it conveys a singular, cohesive message to our stockholders, employees, founding members and the investment community. Our board has a very qualified lead director with many years of experience on other boards as lead director. Our lead director leads executive sessions of non-management directors at every quarterly board meeting and presides over meetings of the entire board in the absence of the chairman. Our lead director is James R. Holland, Jr., a member of our Audit Committee.

Table of Contents

Our lead director and other directors and management team engage frequently and directly in the flow of information and ideas. We believe our combined leadership structure facilitates high quality, appropriate quantity and timeliness of communication.

Board's Role in Risk Oversight

The board as a whole has responsibility for risk oversight, including setting the tone at the top regarding the importance of risk management. The board reviews information on the Company's credit, liquidity and operations, as well as reports from management on enterprise risk and committee reports. The Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation. The Audit Committee is responsible for overseeing the management of financial risks. The Nominating and Governance Committee is responsible for overseeing the management of risks associated with board independence and potential conflicts of interests. While each committee is responsible for evaluating and overseeing the management of such risks, the entire board is regularly informed of each committee's analysis.

Gary Ferrera, former Executive Vice President and Chief Financial Officer, was the Chief Risk Officer until his resignation on March 1, 2013. Jeff Cabot, Senior Vice President, Controller and Interim Co-Chief Financial Officer became our Chief Risk Officer on March 1, 2013. The Chief Risk Officer provides periodic updates to the board on the strategic, operational, financial, compliance and reputational risks facing the Company, which serves to ensure that risk management is a priority within the organization and the Company's risk oversight is aligned with its strategies. In addition, in 2010 Ernst & Young LLP evaluated the Company's business risks and delivered a report to the board which the Company incorporated into its evaluation. The Company intends to update the report that was completed by Ernst & Young LLP in its 2014 fiscal year.

Compensation Risk Assessment

We do not believe we have compensation practices that are reasonably likely to have a material adverse effect on the Company. Our Compensation Committee reviewed the compensation policies and practices for all employees, including executive officers. The Compensation Committee considered whether the compensation program encouraged excessive risk taking by employees at the expense of long-term Company value. Based upon its assessment, the Compensation Committee does not believe that the compensation program encourages excessive or inappropriate risk-taking. The Compensation Committee believes that the design of the compensation program, which includes a mix of annual and long-term incentives, cash and equity awards and retention incentives, is balanced and does not motivate imprudent risk-taking.

Meetings of the Board of Directors and Standing Committees

The board of directors held seven meetings during the fiscal year ended December 26, 2013. During our 2013 fiscal year, no director then in office attended fewer than 75% of the aggregate total number of meetings of the board of directors held during the period in which he or she was a director and of the total number of meetings held by all of the committees of the board of directors on which he or she served. The Company does not have a formal policy regarding attendance by members of the board of directors at the Company's Annual Meeting, but encourages our directors to attend. Nine of our ten directors attended our Annual Meeting of Stockholders held on May 1, 2013. The three standing committees of the board of directors are the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. In 2010, we established a Fathom special independent committee of the board to work with the Company's management and the founding members to restructure the Fathom business. At the end of 2013, Fathom Events was sold to a newly formed limited liability company (AC JV, LLC) owned 32% by each of the founding members and 4% by NCM LLC. The special committee consisted of the three independent directors who were not designated by one of our founding members, Messrs. Goodman, Haas and Schneider. There were fifteen meetings of the special committee during our 2013 fiscal year.

Audit Committee

For our 2013 fiscal year, the Audit Committee consisted of David R. Haas (chairman), James R. Holland, Jr. and Scott N. Schneider. Each of the committee members was determined to be independent as required by the rules promulgated by the SEC under the Exchange Act, and by the Nasdaq. Each of them also meets the financial literacy requirements of the Nasdaq. Our board of directors has determined that Mr. Haas qualifies as an audit committee financial expert as defined in the federal securities laws and regulations.

The Audit Committee is primarily concerned with overseeing management's processes and activities relating to the following:

- (1) maintaining the reliability and integrity of our accounting policies, financial reporting practices and financial statements;
- (2) the independent auditor's qualifications and independence;
- (3) the performance of our internal audit function and independent auditor; and
- (4) confirming compliance with laws and regulations, and the requirements of any stock exchange or quotation system on which our securities may be listed.

The Audit Committee also is responsible for establishing procedures for the receipt of complaints regarding our accounting, internal accounting controls or audit matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Audit Committee's responsibilities are set forth in its charter, which was reviewed by the Committee and approved by the Board in January 2014. The current version of the charter is available on our website at www.NCM.com at the Investor Relations link. There were eight meetings of the Audit Committee during our 2013 fiscal year.

Compensation Committee

For our 2013 fiscal year, the Compensation Committee consisted of Lawrence A. Goodman (chairman), David R. Haas, Stephen L. Lanning and Edward H. Meyer. Mr. Meyer resigned from NCM, Inc.'s board of directors on March 3, 2014. Each member was determined to be independent

as defined in the rules

promulgated by the SEC under the Exchange Act and by the Nasdaq, and each also qualifies as an outside director within the meaning of Section 162(m) of the Internal Revenue Code and a non-employee director for purposes of Rule 16b-3 under the Exchange Act.

The Compensation Committee's purposes, as set forth in its charter, are:

- (1) to assist the board in discharging its responsibilities relating to compensation of our CEO and other executives;
- (2) to administer our equity incentive plans (other than equity compensation for non-employee directors which is administered by the Board); and
- (3) to have overall responsibility for approving and evaluating all of our compensation plans, policies and programs that affect our executive officers.

The Compensation Committee's responsibilities are set forth in its charter, which is reviewed at least annually. The current Compensation Committee charter was most recently reviewed by the Committee and approved by the Board in January 2014. The current version of the charter is available on our website at www.NCM.com at the Investor Relations link. There were eleven meetings of the Compensation Committee during our 2013 fiscal year.

The Compensation Committee performs such functions and has the authority and responsibilities enumerated in its charter. The Compensation Committee is authorized to form and delegate responsibility to subcommittees of the Compensation Committee as it deems necessary or appropriate, provided, however, that any such subcommittees shall meet all applicable independence requirements and that the Compensation Committee shall not delegate to persons other than independent directors any functions that are required under applicable law, regulation or Nasdaq rule to be performed by independent directors.

In 2013, the Compensation Committee engaged ClearBridge Compensation Group, LLC (ClearBridge), a nationally recognized consulting firm, to assess the competitiveness of pay for the executive officers and provide independent advice and recommendations to the Compensation Committee regarding executive compensation. Prior to retaining ClearBridge, the Compensation Committee reviewed ClearBridge's independence as contemplated by the committee's charter and applicable Nasdaq rules, and determined that there were no conflicts of interest and that ClearBridge is independent from the Company, our Compensation Committee and our executive officers.

Nominating and Governance Committee

For our 2013 fiscal year, Stephen L. Lanning (chairman), Lawrence A. Goodman, Edward H. Meyer and Scott N. Schneider served as the members of the Nominating and Governance Committee. Mr. Meyer resigned from NCM, Inc.'s board of directors on March 3, 2014. Each of the members of our Nominating and Governance Committee was determined to be independent in accordance with Nasdaq rules and relevant federal securities laws and regulations.

The Nominating and Governance Committee's purposes, as set forth in its charter, are:

- (1) to identify individuals qualified to become board members, and to recommend director nominees to the board;
- (2) to oversee the evaluation of our management and the board; and
- (3) to review from time to time the Corporate Governance Guidelines applicable to us and to recommend to the board such changes as it may deem appropriate.

The Nominating and Governance Committee's responsibilities are set forth in its charter, which was most recently reviewed by the Committee and approved by the Board in January 2014. The current version of the

charter as well as our Corporate Governance Guidelines are available on our website at www.NCM.com at the Investor Relations link. There were four meetings of the Nominating and Governance Committee during our 2013 fiscal year.

Other than the director candidates designated by our founding members, the Nominating and Governance Committee identifies individuals qualified to become board members and recommends director nominees to our board for each annual meeting of stockholders or in connection with filing a vacancy on the board between annual meetings. It also reviews the qualifications and independence of the members of our board of directors and its various committees on a regular basis and makes any recommendations the committee members may deem appropriate from time to time concerning any changes in the overall composition of our board of directors and its committees. The Nominating and Governance Committee recommends to our board of directors the corporate governance guidelines and reviews such guidelines and the provisions of the Nominating and Governance Committee charter on a regular basis to confirm that such guidelines and charter remain consistent with sound corporate governance practices and with any legal, regulatory or Nasdaq requirements. The Nominating and Governance Committee also monitors our board of directors and our compliance with any commitments made to regulators or otherwise regarding changes in corporate governance practices and leads our board of directors in its annual review of our board of directors.

Nomination of Directors. The nominees for re-election to our board of directors at the 2014 Annual Meeting were recommended by the Nominating and Governance Committee to, and were approved by the board of directors on January 15, 2014.

As the need to fill vacancies arises in the future, the Nominating and Governance Committee will refer to its list of potential candidates that is maintained and updated on an on-going basis and will seek individuals qualified to become board members for recommendation to the board. The Nominating and Governance Committee would consider potential director candidates recommended by stockholders and would use the same criteria for screening all candidates, regardless of who proposed such candidates. See [Stockholder Communications](#) below for information on how our stockholders may communicate with our board of directors. See [Proposals of Stockholders](#) below for further information on making director nominations.

The Nominating and Governance Committee and the board of directors consider whether candidates for nomination to the board of directors possess the following qualifications, among others:

- (a) the highest level of personal and professional ethics, integrity, and values;
- (b) expertise that is useful to us and is complementary to the background and expertise of the other members of the board of directors;
- (c) a willingness and ability to devote the time necessary to carry out the duties and responsibilities of membership on the board of directors;
- (d) a desire to ensure that our operations and financial reporting are effected in a transparent manner and in compliance with applicable laws, rules, and regulations; and
- (e) a dedication to the representation of the best interests of all our stockholders, including our founding members.

Diversity of Directors. In considering whether to recommend any candidate for inclusion in the slate of director nominees, the Nominating and Governance Committee complies with the Company's Corporate Governance Guidelines and Corporate Code of Conduct. In addition to considering the above qualifications, the Committee seeks nominees that will complement the existing members and will provide diversity of background, professional expertise, gender and ethnicity.

PROPOSAL 2

ADVISORY APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION

As required under Section 14A of the Securities Exchange Act, stockholders are being asked to approve, on an advisory basis, the Company's executive compensation, also known as say-on-pay. We currently hold this vote annually. This non-binding advisory approval of the Company's executive compensation considers the information in this proxy statement included in the Compensation Discussion and Analysis and in the Summary Compensation Table and other related tables and narrative disclosures.

The Compensation Committee believes that the Company's compensation policies and procedures are aligned with the short-term and long-term interests of stockholders and are designed to attract, motivate, reward and retain superior talent who are critical to our long-term growth and profitability. A significant portion of the compensation of our named executive officers is tied closely to the financial performance of the Company (approximately 60% of 2013 compensation including performance bonuses paid in 2014), thus aligning our officers' interests with those of our stockholders, including the annual performance bonus and equity incentives (refer to Compensation Discussion and Analysis Pay-for-Performance). Under these programs, we provide our executives with incentives to achieve specific annual and long-term company performance goals established by the Compensation Committee. The Compensation Committee reviews our executive compensation programs annually to ensure they align executive compensation with the interests of our stockholders and current market practices and do not encourage excessive risk-taking.

Because your approval is advisory, it will not be binding on either the board of directors or the Company. However, the Compensation Committee and board value the opinions of our stockholders and will take into account the result of the vote on this proposal when considering future executive compensation arrangements.

Our stockholders have the opportunity to vote, on an advisory basis, for the following resolution at our Annual Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion in this proxy statement is hereby APPROVED.

Vote Required

Approval of the foregoing resolution by our stockholders requires the affirmative vote of a majority of the votes cast on this proposal voting in favor of this Proposal 2.

Recommendation

The board of directors recommends that stockholders vote **FOR** Proposal 2, and approve, on an advisory basis, the Company's executive compensation program, as presented in this proxy statement.

Table of Contents**PROPOSAL 3****RATIFICATION OF INDEPENDENT AUDITORS**

A resolution will be presented at the Annual Meeting to ratify the appointment by the board of directors of the firm of Deloitte & Touche LLP as independent auditors, to audit our financial statements for the 2014 fiscal year ending January 1, 2015, and to perform other approved accounting services.

Although current law, rules and regulations, as well as the charter of the Audit Committee, require the Audit Committee to appoint, retain, and supervise our independent auditors, our board of directors considers the selection of our independent auditors to be an important matter of stockholder concern and is submitting the selection of Deloitte & Touche LLP for ratification by stockholders as a matter of good corporate practice. If the stockholders do not ratify the selection of Deloitte & Touche LLP as our independent auditors, the Audit Committee will reconsider whether to retain Deloitte & Touche LLP. Even if the selection of Deloitte & Touche LLP is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Deloitte & Touche LLP served as our independent registered public accounting firm for our 2013 fiscal year. Representatives of Deloitte & Touche LLP are expected to be present at our Annual Meeting, will have the opportunity to make a statement if they wish to do so, and will be available to respond to appropriate questions.

Fees Paid to Independent Auditors

We paid Deloitte & Touche LLP, the Company's independent registered public accounting firm for fiscal years 2013 and 2012, the following amounts:

	2013	2012
Audit Fees	\$ 818,700	\$ 781,000
Audit Related Fees (1)	346,400	185,800
Total Audit and Related Fees	1,165,100	966,800
Tax Fees		
All Other Fees		
Total Fees	\$ 1,165,100	\$ 966,800

- (1) Audit related fees consisted primarily of services provided for our registration statement filings and assistance with offering memorandums and registration statement filings for our founding members, of which approximately \$185,000 and \$65,000 was reimbursed to the Company by the founding members in 2013 and 2012, respectively.

Pre-Approval Policies and Procedures

All auditing services, internal control-related services, and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by our independent auditors must be approved by the Audit Committee in advance, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more of its members or may delegate authority to one or more members, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that all decisions to grant pre-approvals pursuant to such delegated authority will be presented to the entire Audit Committee at its next scheduled meeting. Effective with the completion of our initial public offering in February 2007, all of our independent auditors' services were pre-approved by the Audit Committee.

Vote Required

The affirmative vote of the holders of a majority of the votes cast on this proposal is required to approve Proposal 3.

Recommendation

The board of directors recommends that stockholders vote **FOR** Proposal 3.

AUDIT COMMITTEE REPORT

The charter of the Audit Committee specifies that the purpose of the Committee is to assist the board in the oversight of management's processes and activities relating to the following:

maintaining the reliability and integrity of our accounting policies, financial reporting practices and financial statements;

the independent auditor's qualifications and independence;

the performance of our internal audit function and independent auditor; and

confirming compliance with laws and regulations, and the requirements of any stock exchange or quotation system on which our securities may be listed.

As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements of NCM, Inc. for fiscal year ended December 26, 2013 with management and discussed those matters required by Statement on Auditing Standards No. 61,

Communication with Audit Committees, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and SEC Regulation S-X, Rule 2-07, with Deloitte & Touche LLP, our independent registered public accounting firm. The Audit Committee received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte & Touche LLP's communications with the Audit Committee concerning independence, and has discussed that firm's independence with representatives of the firm with respect to NCM, Inc.

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussions with management and Deloitte & Touche LLP, the Audit Committee recommended that the board of directors include the audited consolidated financial statements for the fiscal year ended December 26, 2013 in NCM, Inc.'s Annual Report on Form 10-K filed with the SEC.

Realizable Pay. The Compensation Committee believes that having a larger percentage of executive officers' pay as performance-based compensation ensures their interests are aligned with those of our stockholders. The Company strives to continuously improve total shareholder return (TSR) and therefore, align short-term executive compensation with short-term Company performance and long-term compensation with long-term Company performance and shareholder return. The link between the realizable compensation of our CEO and indexed TSR is shown in the following graph.

- (1) All categories are captured as shown in the Summary Compensation Table, except for equity incentive plan compensation and associated dividends. Equity plan compensation and associated dividends are captured as of the year paid; equity plan compensation is computed as the value of restricted stock actually vested based on performance each year, and the in-the-money value of options that vested during each year, based on the closing stock price at fiscal year-end.

- (a) Equity Incentive Plan Compensation increased in 2012 because it included the first cliff vesting of a three-year performance-based restricted stock award granted in 2009, in which participants vested in approximately 104% of the grant. During 2013, the amount of Equity Incentive Plan Compensation decreased due to participants vesting in approximately 77% of the 2010 three-year performance-based restricted stock award grant, partially offset by a higher closing stock price at fiscal year-end.
- (b) During 2012 and 2013, the 2009 and 2010 three-year restricted stock grants vested, respectively, resulting in accrued dividends paid.

Say-on-Pay Result

Our stockholders approved our executive compensation in 2013 with approximately 94% of the votes cast in favor at the 2013 Annual Meeting of Stockholders. Our board of directors recognizes that executive compensation is an important matter of stockholder concern and takes stockholder views into account when reviewing the compensation program throughout the year. The Compensation Committee considered the results of the advisory approval and as such generally maintained the overall composition of executive compensation for 2014.

Compensation Philosophy

The primary goals of our Compensation Committee with respect to executive compensation are to:

review the competitiveness of executive cash compensation and equity grant levels compared to a select peer group of companies using the 50th percentile as a reference point for setting compensation;

provide shorter term cash incentives primarily for achieving specified annual performance objectives;

provide a mix of long-term equity incentives that are performance and time based to promote stock price growth and ownership through achievement of long-term financial performance goals; and

establish and monitor appropriate pay and performance relationships.

To achieve these goals, we intend to maintain a compensation structure that provides rewards for high performance and value creation for our stockholders (including the founding members). Our objectives are to maintain compensation plans with an appropriate balance of base salary, annual performance bonus and long-term incentives (stock-based awards) and to tie a substantial portion of executives' overall compensation to key financial goals such as achievement of targeted levels of adjusted advertising revenue, Adjusted OIBDA and Free Cash Flow, all non-GAAP basis measurements as defined in Definitions of Performance Measures used in Incentive Plans below.

Role of Compensation Consultant and CEO in Determining Executive Compensation

Our CEO had substantial input in determining executive compensation other than his own and made all of the recommendations for the other six named executive officers that were ultimately approved by the Compensation Committee.

Table of Contents

In 2013, the Compensation Committee engaged ClearBridge Compensation Group, LLC (ClearBridge), a nationally recognized consulting firm, to serve as an independent consultant, to assess the competitiveness of pay for the executive officers and provide independent advice and recommendations to the Compensation Committee regarding executive compensation. The Compensation Committee determined that ClearBridge is independent from the Company.

As part of its review, ClearBridge considered base salary, annual performance bonus, total cash compensation (combined salary and annual performance bonus), value of long-term incentives, and total compensation. ClearBridge reviewed and recommended a peer group for comparison to our executive officers comprised of companies that are domestic, publicly-traded, and of comparable size to NCM, Inc., in advertising or media and entertainment industries or are software technology-based companies in media-related industries. The Compensation Committee reviewed and approved the peer group.

Our Compensation Committee believes that peer group comparisons are useful to measure the competitiveness of our compensation practices and uses the information provided by the compensation consultant to guide its decision making. Although the Compensation Committee references the 50th percentile of the peer group, specific positioning for each NEO is determined on a case-by-case basis.

The following peer companies were used in our competitive analysis for fiscal 2013 decisions:

Arbitron Inc.	Lamar Advertising Co.
Belo Corp.	QuinStreet, Inc.
comScore, Inc.	Reachlocal Inc.
Crown Media Holdings, Inc.	SeaChange International Inc.
Digital Generation, Inc.	Sinclair Broadcast Group Inc.
Digital River Inc.	Tivo, Inc.
DreamWorks Animation SKG Inc.	ValueClick Inc.
Harte-Hanks Inc.	WebMD Health Corp.

In fiscal 2014, IMAX Corporation was added to our group of peer companies.

The Compensation Committee determines the portion of compensation allocated to each element for each individual named executive officer. Base Salary. Base salaries for our executives were established based on the scope of their responsibilities, taking into account the internal value and importance of the role, as well as experience and seniority of the individual, our ability to replace the individual and other primarily judgmental factors deemed relevant by the Compensation Committee.

Base salaries are reviewed annually by the Compensation Committee and the board, and may be adjusted from time to time pursuant to such review and/or in accordance with guidelines contained in the various employment agreements and are generally for relatively small percentage cost of living increases.

The base salaries of our named executive officers in 2013 compared to 2012 were as follows.

Name	2012 Base Salary	2013 Base Salary	Percentage Change
Kurt C. Hall	\$ 765,131	\$ 765,131	0%
Clifford E. Marks	\$ 737,805	\$ 737,805	0%
David J. Oddo	\$ 118,943	\$ 152,468	28%(1)
Jeffrey T. Cabot	\$ 156,177	\$ 187,354	20%(1)
Gary W. Ferrera (3)	\$ 371,423	\$ 371,423	0%
Ralph E. Hardy	\$ 286,642	\$ 286,642	0%
Earl B. Weihe	\$ 255,000	\$ 204,000	(20%)(2)

- (1) Mr. Oddo received a 32% increase in March 2013 to compensate him for his duties as Interim Co-Chief Financial Officer and received another 17% increase in August 2013 to reflect his promotion to Senior Vice President, Finance. Mr. Cabot received a 23% increase in March 2013 to compensate him for his duties as Interim Co-Chief Financial Officer.
- (2) Mr. Weihe received a reduction of approximately 20% in connection with a reduction in his standard work schedule from 40 hours a week to 32 hours a week as part of his transition to his advisory role for NCM LLC on December 27, 2013.
- (3) The above table reflects that Mr. Ferrera did not receive a change in his salary for 2013 compared to 2012, however, Mr. Ferrera resigned as Executive Vice President and Chief Financial Officer, effective March 1, 2013.

For 2013, we believe total cash compensation of our executives, which is base salary combined with the annual performance bonus, was within a market competitive range versus our peer group, as well as, the total video advertising marketplace primarily made up of companies that are much larger than the Company, but which the Company competes with for sales executives.

Annual Performance Bonus. Annual performance bonuses are intended to compensate executives for achieving financial goals that support our operational and strategic goals. The target percentages for our executives were established based on the level of responsibility, as well as experience and seniority of the individual. We believe our total cash compensation is competitive. In addition, we believe rewarding our executives for achievement of our financial goals is consistent with the practice of aligning their interests with our stockholders. The stretch bonus is further incentive for our executive officers to exceed operating budgets and thus further increase our equity value. The 2013 performance bonus plan included a 2013 raise deferral bonus, while the 2014 performance bonus plan does not. All executive officers were eligible to receive an additional bonus equal to 2% of their base salary at the end of our fiscal year, December 26, 2013, provided that the Company exceeded its Adjusted OIBDA target for fiscal 2013. These amounts were payable because the Company exceeded its Adjusted OIBDA target, as shown below.

Payments of performance bonuses are objectively calculated based on the achievement of specific financial targets for each named executive pursuant to the terms of the Executive Performance Bonus Plan, which is designed to ensure executive compensation is aligned with the performance of the Company.

Table of Contents

The Compensation Committee adopted the National CineMedia, Inc. Executive Performance Bonus Plan on March 13, 2013 and it was approved by our stockholders on May 1, 2013. The Executive Performance Bonus Plan is expected to continue for five years. The Executive Performance Bonus Plan in 2013 included Messrs. Hall, Marks, Hardy and Weihe. The financial performance criteria and potential bonus levels under the plan were consistent with 2012. The 2013 bonus awards for Mr. Oddo and Mr. Cabot were not pursuant to the Executive Performance Bonus Plan. Mr. Ferrera is not included in the following discussions regarding the 2013 performance bonuses because he resigned from the Company effective March 1, 2013 and did not receive any bonus for fiscal 2013.

The objective financial factors are consistent with the metrics used in previous years and represent the metrics the Compensation Committee believes may best encourage sound decisions regarding operations and investment of capital and are important to our goal of increasing the value of our equity. We believe we have adequately addressed the risks that an executive might be incentivized to take inappropriate actions to meet the performance metrics through our internal controls over financial reporting.

Our annual performance bonus traditionally has been paid in a single payment in the first quarter following the completion of a given fiscal year. Payments are subject to review, approval and certification by the Compensation Committee in conjunction with the issuance of our annual audit report.

Long-Term Incentives. We believe that creating long-term value for our stockholders is achieved, in part, by aligning the interests of our executive officers with those of our stockholders. We grant awards under our stockholder approved equity incentive plan, the National CineMedia, Inc. 2007 Equity Incentive Plan as amended and restated, which we refer to as the Equity Incentive Plan.

For 2013, the Committee decided to continue to grant Performance-Based Restricted Stock to align executives with the long-term financial goals of the Company. The Committee also decided to grant Time-Based Restricted Stock to promote retention objectives, stock ownership in the Company, and a more direct alignment of the executives' interests with shareholders' interests. Each of the named executive officers received an award of 75% performance-based restricted stock and 25% time-based restricted stock.

All grants under the Equity Incentive Plan to our executive officers are generally proposed annually by the CEO at the start of each fiscal year and approved and priced by the Compensation Committee at its first meeting of the fiscal year, although grants could be made at any time at the discretion of our Compensation Committee.

Table of Contents

On January 15, 2013, the Compensation Committee granted performance-based and time-based restricted stock awards to Messrs. Hall, Marks, Oddo, Cabot, Hardy and Weihe, as follows.

3-Year Performance-Based Restricted Stock: Performance-based restricted stock awards that vest based on the achievement of cumulative 2013-2015 Free Cash Flow goals.

Time-Based Restricted Stock: Vest ratably over a 3-year period.

Mr. Ferrera did not receive a grant as he resigned as Executive Vice President and Chief Financial Officer, effective March 1, 2013. On May 1, 2013, the Compensation Committee granted performance-based and time-based restricted stock awards to Messrs. Oddo and Cabot for their interim Co-Chief Financial Officer duties and on August 14, 2013, the Compensation Committee granted performance-based and time-based restricted stock awards to Mr. Oddo for his promotion to Senior Vice President.

The following table shows the target number of shares that could be received under the Equity Incentive Plan for the 2013 awards:

Name	Target Number of Shares of Performance-Based Restricted Stock (1)	Number of Shares of Time-Based Restricted Stock	Total Number of Shares
Kurt C. Hall	96,710	32,237	128,947
Clifford E. Marks	92,349	30,783	123,132
David J. Oddo	10,371	3,457	13,828
Jeffrey T. Cabot	9,683	3,228	12,911
Ralph E. Hardy	25,115	8,372	33,487
Earl B. Weihe	17,874	5,958	23,832

- (1) Includes the target number of shares that will vest if actual cumulative Free Cash Flow equals 100% of the three-year cumulative Free Cash Flow target. The performance-based restricted stock awards are scheduled to vest based upon achievement of at least 85% of the actual cumulative Free Cash Flow target at the end of the three-year measurement period. The performance-based and time-based restricted stock awards include the right to receive dividend equivalents, subject to vesting. Below is a summary of how the number of vested shares of performance-based restricted stock will be determined based on the level of achievement of actual cumulative Free Cash Flow.

Free Cash Flow	Award Vesting
Target Actual %	%
>=110%	150%
100%	100%
90%	50%
85%	25%
<85%	0%

If actual cumulative Free Cash Flow is between 85% and 100% of the target, the award will vest proportionately. If actual cumulative Free Cash Flow exceeds 100% of the Free Cash Flow target for the measurement period, the participant will receive an additional grant of shares of restricted stock that will vest 60 days following the last day of the measurement period. The number of additional shares of restricted stock will be determined by interpolation, but will not exceed 50% of the number of shares of restricted stock that vest as set forth above up to 110% of the targeted cumulative Free Cash Flow. Free Cash Flow is a non-GAAP measure. See Definitions of Performance Measures used in Incentive Plans below for the definition of Free Cash Flow and the reconciliations to the closest GAAP basis measurement.

Table of Contents

Results for Performance-Based Restricted Stock with Measurement Periods Ending December 26, 2013. The 2011 and 2012 restricted stock awards are scheduled to vest based upon achievement of the actual cumulative Free Cash Flow target at the end of the two or three-year measurement period. The 2011 and 2012 awards vest at 50% of the award at 90% of target achievement and vest at 150% of the award at 110% of target achievement (with interpolation between 90% and 110%). On all performance-based restricted stock, dividends accrue and will be paid upon vesting for those shares earned. In the event that shares are not earned, accrued dividends on those shares are not paid.

The three-year measurement period for the 2011 restricted stock awards and the two-year measurement period for the 2012 restricted stock awards concluded on December 26, 2013. Following is the achievement relative to the targets:

Performance Measure (in millions)	Target	Actual	Achievement relative to target	Vesting %
2011 grant three-year cumulative Free Cash Flow (a)	\$ 820.7	\$ 652.1	79.45%	0%

None of our named executive officers participate in or have account balances in qualified or non-qualified defined benefit plans sponsored by us or in non-qualified defined contribution plans or other deferred compensation plans maintained by us. The Compensation Committee may elect to provide our officers and other employees with non-qualified defined contribution or deferred compensation benefits if the Compensation Committee determines that doing so is in our best interests.

Upon certain types of terminations of employment, payments may be made to our executive officers in accordance with their respective employment agreements. These events and potential amounts are further described below under the heading Potential Payments Upon Termination or Change in Control.

Definitions of Performance Measures Used in Incentive Plans. Adjusted OIBDA, a non-GAAP financial measure, is a key measure used by management to measure the Company's operating performance. OIBDA represents consolidated net income (loss) plus income tax expense, interest and other costs and depreciation and amortization expense. Adjusted OIBDA adds back the make-good liability shifted into 2014, share-based compensation costs and other costs. While Adjusted OIBDA is a measure we use to measure the financial performance for purposes of our Executive Performance Bonus awards, you should not consider Adjusted OIBDA in isolation of, or as a substitute for, measures of our financial performance as determined in accordance with GAAP, such as net income (loss). Adjusted OIBDA has material limitations as a performance measure because it excludes items that are necessary elements of our costs and operations. Because other companies may calculate Adjusted OIBDA differently than we do, this measure may not be comparable to similarly-titled measures reported by other companies (dollars in millions).

	FY 2013 Target	FY 2013 Actual
Consolidated net income	\$ 104.3	\$ 129.8
Income tax expense	19.1	20.2
Interest and other non-operating costs	76.6	52.0
Depreciation and amortization	23.2	26.6
Make-good liability		1.8
Share-based compensation costs and other costs	9.5	7.0
Adjusted OIBDA	\$ 232.7	\$ 237.4

Adjusted advertising revenue is a non-GAAP financial measure used by management to measure the performance of certain of its advertising sales personnel, including Mr. Marks. Adjusted advertising revenue represents reported advertising revenue less founding member circuit beverage revenue, zero margin barter revenue and other founding member payments included in revenue plus the make-good liability shifted into 2014. You should not consider this measure in isolation of, or as a substitute for, measures of our financial performance as determined in accordance with GAAP, such as advertising revenue (dollars in millions).

	FY 2013 Target	FY 2013 Actual
Advertising revenue	\$ 432.4	\$ 426.3
Less: Founding member circuit beverage revenue and other revenue	(42.1)	(43.9)
Plus: Make-good liability		1.8
Adjusted advertising revenue	\$ 390.3	\$ 384.2

Free Cash Flow is a non-GAAP measure used by management to measure the Company's operating cash flow. Free Cash Flow represents Adjusted OIBDA, defined above, less capital expenditures (dollars in millions).

On December 27, 2013, Alfonso P. Rosabal was appointed Executive Vice President, Chief Operations Officer and Chief Technology Officer. Below is information about compensation decisions made for executive officers (Messrs. Hall, Marks, Oddo, Cabot, Hardy and Rosabal) in early 2014.

Base Salary. The Compensation Committee reviewed executive compensation in January 2014 and decided to increase the base salary by a cost of living adjustment of 2% for each of Messrs. Actual results could materially differ from this estimate (in fact the 2011 grant ultimately vested at 0% and the 2012 two-year grant vested at 57.1%). Stock awards are further discussed in the Long-Term Incentives section of our CD&A. The table below includes the maximum amounts payable assuming the highest level of performance is achieved:

- (b) Represents imputed income for term life insurance coverage.
- (c) Represents imputed income for long-term and short-term disability insurance coverage.
- (d) Under the 2007 and 2008 restricted stock awards, the named executive officers are entitled to receive cash dividends at the same time as other stockholders on unvested shares. Starting with the 2009 restricted stock grants, dividends are accrued and paid only when vested. Dividends that are accrued on unvested restricted stock are reported in the year such amounts accrue instead of the year paid, based on an SEC staff interpretation. These dividends are payable to the executive only if and to the extent the restricted stock vests and is not forfeited. The Company assigned probability weightings to the restricted stock dividends at the end of each fiscal year based upon its expectations of the performance conditions being met and shares ultimately vesting.
- (e) Represents business-related awards, gifts and prizes and taxable fringe benefits for Messrs. Hall and Marks.

Potential Payments Upon Termination or Change in Control

The following summaries set forth potential payments payable to our named executive officers upon termination of their employment or a change in control of NCM, Inc. under their employment agreements, as amended, and under the Equity Incentive Plan. The following discussion is based on the assumption that the actual bonus amount would be the target amount reported as a non-equity incentive plan award in the Grants of Plan Based Awards table. Actual payments may be more or less than the amounts described below. In addition, the Company may enter into new arrangements or modify these arrangements, from time to time. Each employment agreement provides definitions for the termination reasons. Mr. Oddo and Mr. Cabot do not have employment agreements. In addition, on December 27, 2013 in connection with his resignation as Executive Vice President and Chief Operating Officer, Mr. Weihe's employment agreement was replaced with a new agreement related to his new role with NCM LLC.

(1) If the employment of the named executive officer is terminated by NCM, Inc. for reasons other than disability, death or cause, or the executive resigns for good reason, as defined in the agreement, or his agreement is not renewed on substantially equal terms, he will be entitled to severance for a specified period and any annual bonuses awarded but not yet paid. If the named executive officer's employment terminates due to his death, his beneficiaries will receive his base salary paid through the end of the month of his death. Except for Mr. Hall, if the named executive officer terminates employment on account of his disability, in exchange for a release of claims against the Company, he will be entitled to his base salary for a period of six months following termination, offset by any disability benefits provided under a company sponsored benefit arrangement.

(a) If the employment of Mr. Hall is terminated by NCM, Inc., for reasons other than permanent disability, death or cause, he will be entitled to severance equal to two times his base salary. If Mr. Hall resigns from NCM, Inc. with good reason, as defined in the agreement, he will be entitled to severance equal to three times his base salary. If, within three months before or one year after a change of control, as defined in the agreement, Mr. Hall resigns for good reason or his employment is terminated for reasons other than permanent disability, death or cause, he would be entitled to severance equal to 2.25 times the sum of his base salary and his

target bonus. If Mr. Hall terminates employment for any reason, other than cause, he or his beneficiaries will receive his actual bonus for the current

year prorated by the number of days until his termination to be paid at the same time bonuses are paid to other executives. Because this table assumes termination as of December 26, 2013, the full 2013 bonus would be payable. Amounts are based on Mr. Hall's base salary in effect on January 15, 2014.

- (b) Mr. Marks will be entitled to severance equal to the greater of (1) his base salary paid over the remaining existing term of the contract and a bonus equal to the last bonus paid per month applied against the remaining contract period or (2) one year of base salary plus 100% of the bonus amount paid for the last full year of employment. The cash severance amount is based on Mr. Marks' base salary in effect on January 15, 2014 and the bonus amount is based on the Summary Compensation Table under the heading "Non-Equity Incentive Plan Compensation" for 2013.
 - (c) Mr. Hardy's severance represents base salary paid over 12 months based on his base salary in effect on January 15, 2014. Mr. Weihe's severance represents base salary paid over 12 months based on his base salary in effect on December 26, 2013.
- (2) Except for Mr. Hall, if the employment of a named executive officer is terminated by NCM, Inc. for reasons other than disability, death or cause, or he resigns for good reason, as defined in the agreement, the named executive officer is entitled to receive an amount equal to NCM, Inc.'s premium costs or other contributions made by the Company on behalf of each named executive officer with respect to all employee benefit plans or programs that such named executive officer was participating in on the date of his termination of employment, for a specified period. If Mr. Hall's employment is terminated by NCM, Inc. for reasons other than disability, death or cause, or he resigns for good reason, as defined in the agreement, he will be entitled to payments equal to the amount of company contributions and payments under any medical, health and life insurance plans per month for the preceding calendar year, for a specified period. If the named executive officer terminates employment on account of his death or disability, he or his beneficiaries will be entitled to one year of continued coverage under the NCM, Inc. medical and health insurance plan pursuant to COBRA and life insurance coverage.
- (a) Amounts for Mr. Hall represent a 24-month period, except if within three months before or one year after a change of control, as defined in the agreement, then he is entitled to 30-months of continued benefits.
 - (b) Amounts for Mr. Marks represent estimates until the date he receives equivalent coverage but not longer than the period for which his base salary is paid after termination.
 - (c) Amounts for Mr. Hardy and Mr. Weihe represent a 12-month period.
- (3) Under the Equity Incentive Plan, if within three months prior to or one year after the consummation of a change of control, as defined in the plan, the named executive officer's employment is terminated by NCM, Inc., its affiliate or a successor in interest without cause or by the named executive officer for good reason, both as defined in the plan, then all outstanding options and stock appreciation rights shall become immediately exercisable and all other awards shall become vested and any restrictions will lapse. Amounts are based on the closing stock price, \$19.99 per share, on December 26, 2013.

Employment Agreements

On February 13, 2007, NCM, Inc. and NCM LLC entered into multi-year employment agreements with each of our named executive officers as described further below, except for Mr. Weihe. The agreements were amended effective as of January 1, 2009 in order to comply with the requirements of Section 409A and Section 162(m) of the Internal Revenue Code of 1986. We entered into an employment agreement with Mr. Weihe on August 24, 2011. The Compensation Committee believes these employment agreements are consistent with the industry standard in our industry for top executives. The agreements provide for payments and benefits if each executive's employment with the Company and its affiliates is terminated (i) without cause (as defined in the agreements), (ii) for good reason (as defined in the agreements), (iii) without cause or good reason three months prior to or within one year following a change of control (as defined in the agreements), (iv) in the event of death, and (v) in the event of disability. See "Potential Payments Upon Termination or Change in Control" for additional information about such payments and benefits.

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS****General**

Before the completion of our IPO in February 2007, NCM LLC was wholly owned by the founding members. After the IPO, NCM LLC was owned by NCM, Inc. and the founding members. In connection with the IPO, we entered into several agreements to define and regulate the relationships among us, NCM LLC and the founding members. Except as described in this section, we do not expect to have any material arrangements with NCM LLC, the founding members or any of our or their respective directors, officers or other affiliates going forward, other than ordinary course business relationships. As of December 26, 2013, NCM, Inc. owned approximately 46.1% of the outstanding common membership units in NCM LLC, and the founding members collectively owned approximately 53.9% of the outstanding common membership units in NCM LLC. NCM, Inc. is the sole managing member of NCM LLC.

Further transactions between NCM, Inc. and our founding members, if any, have been and will continue to be approved by our Audit Committee, which is composed of independent members of our board of directors, or another committee comprised entirely of independent members of our board. Our Audit Committee charter authorizes the Audit Committee to hire financial advisors and other professionals to assist the committee in evaluating and approving any transaction between us and any related party, including our founding members.

Transactions with Founding Members***Exhibitor Services Agreements***

In connection with the IPO, NCM LLC and each of AMC, Cinemark and Regal executed an amended and restated exhibitor service agreement (ESA), effective as of February 13, 2007, which replaced the exhibitor services agreements previously in effect. In connection with the sale of the Fathom business, on December 26, 2013, NCM LLC and each of AMC, Cinemark and Regal amended and restated the ESAs to remove those provisions addressing the rights and obligations related to the digital programming services of the Fathom Events business as described under Other Transactions Sale of Fathom Events Business to AC JV, LLC. Certain basic terms of the ESAs are discussed below:

Advertising Services. Under the ESAs, NCM LLC is the exclusive provider within the United States of advertising services in the founding members' theatres (subject to pre-existing contractual obligations and other limited exceptions for the benefit of the founding members). The ESAs have a term of 30 years from the completion of the IPO, with a five-year right of first refusal to enter into a services agreement for the services provided under the ESA with the applicable founding member on terms equivalent to those offered by a third-party.

The advertising services include the on-screen advertising of the *FirstLook* pre-show, use of the lobby entertainment network or LEN and lobby promotions. The pre-show is generally 20 to 30 minutes long. The *FirstLook* pre-show includes up to two minutes for the founding members to be used to promote various activities associated with operation of the theatres, including concessions, ticketing partners, gift card and loyalty programs, founding member special events and vendors of non-film related services provided to theatres, only if the promotion is incidental to the vendor's service (called theatre advertising). Currently, under the ESAs the last 60 seconds of the *FirstLook* program is sold to NCM LLC's founding members to be used to satisfy the founding members' on-screen advertising commitments under their beverage concessionaire agreements. Beginning in 2012, the CPM rate equaled the annual percentage change in the advertising CPM charged by NCM LLC to unaffiliated third parties whose ads exhibited in segment one of the *FirstLook* pre-show, limited to the highest advertising CPM being then-charged by NCM LLC.

In the lobby, the founding members are required to provide a specified number of LEN screens according to the number of auditoriums in the theatre. The founding members have the right to install additional screens in their theatre lobbies, but these screens can only be used for limited strategic programs, described below,

Table of Contents

concessions and theatre advertising. NCM LLC's founding members may conduct a limited number of lobby promotions at no charge in connection with the promotion of motion pictures and their strategic programs; however, such activities do not reduce the lobby promotions inventory available to us.

Payments. In consideration for access to the founding members' theatre attendees for on-screen advertising and use of the founding members' theatres for the LEN and lobby promotions, the founding members receive a monthly theatre access fee. The theatre access fee is composed of a fixed payment per patron and a fixed payment per digital screen, which may be adjusted for any advertising exhibited by some, but not all, theatres or founding members because of content objections or technical capacity. Beginning on October 1, 2010, the theatre access fee paid to founding members included an additional fee for digital cinema systems connected to our advertising network. The payment per theatre patron increases by 8% every five years with the first such increase occurring after the end of fiscal 2011. The payment per digital screen and for the digital cinema systems increases annually by 5%. In 2013, the theatre access fee aggregate payments to the founding members totaled \$69.4 million. Also in 2013, total revenue from the founding members related to beverage concessionaire agreements totaled \$41.4 million.

Prior to the sale of the Fathom business, the amounts paid to founding members in consideration for the exhibition of a Fathom event varied based on the type of event. In 2013, aggregate payments to the founding members for use of their screens and theatres for Fathom events business totaled \$5.1 million.

Net Payments to Founding Members. In 2013, the net payments to each founding member for theatre access fees and payments for use of their screens and theatres for the Fathom business, less the purchase from NCM LLC of advertising under the founding member's beverage concessionaire agreements were \$9.0 million to AMC, \$9.5 million to Cinemark and \$14.6 million to Regal, respectively.

NCM LLC Operating Agreement

NCM, Inc., AMC, Cinemark and Regal executed the NCM LLC third amended and restated limited liability company operating agreement, effective as of February 13, 2007, which was amended on March 16, 2009 (to permit NCM LLC to provide advertising to a variety of out-of-home advertising venues), and on August 6, 2010 and September 3, 2013 (in each case, to modify the timing of written notice should a founding member desire to exercise its option to redeem common membership units). Certain basic terms of the restated operating agreement are as follows.

Manager of NCM LLC. NCM, Inc. is a member and the sole manager of NCM LLC. As the sole manager, NCM, Inc. controls all of the day to day business affairs and decision-making of NCM LLC through our officers and directors without the approval of any other member. Furthermore, we cannot be removed as manager of NCM LLC. As long as we are the manager of NCM LLC, unless the founding members approve, our business will be limited to owning and managing the common units, managing the business of NCM LLC, fulfilling our obligations under the Exchange Act, and activities incidental to the foregoing. We are not entitled to compensation for our services as manager except as provided in the Management Services Agreement described under "Transactions with NCM LLC Management Services Agreement" below or as otherwise approved by the members under the restated operating agreement. We are entitled to reimbursement by NCM LLC for our reasonable out-of-pocket expenses incurred by us on its behalf.

Issuance of Units upon Exercise or Vesting of Equity Compensation. Upon the exercise of options we have issued or the vesting of shares for other types of equity compensation, we will have the right to acquire from NCM LLC a number of common units equal to the number of our shares being issued in connection with the exercise of options or vesting of shares for other types of equity compensation. In consideration for such units, we will contribute to NCM LLC the consideration we received for the exercise of options or vesting of shares for other types of equity compensation. In 2013, we acquired 1,732,878 units due to vesting of restricted stock and exercise of options and contributed \$20.3 million to NCM LLC.

Table of Contents

Founding Member Approval Rights. If any director designee to our board of directors designated by NCM LLC's founding members under the Director Designation Agreement, described below, is not appointed to our board, nominated by us or elected by our stockholders, as applicable, then each of the founding members (so long as such founding member continues to own 5% of NCM LLC's issued and outstanding common membership units) will be entitled to approve certain actions of NCM LLC as identified in the restated operating agreement.

Distributions. We are required to make mandatory distributions to members of all Available Cash, as defined in the restated operating agreement. Available Cash does not include amounts drawn or paid under NCM LLC's working capital line of credit. The mandatory distributions must occur quarterly. In 2013, available cash distributions totaled \$193.4 million. Of that amount, the portion payable to NCM, Inc., AMC, Cinemark and Regal totaled \$89.6 million, \$29.8 million, \$36.9 million and \$37.1 million, respectively.

Common Unit Redemption Right. Members have a redemption right to exchange common membership units of NCM LLC for our shares of common stock on a one-for-one basis (as adjusted for certain events), or at our option, a cash payment equal to the market price of one share of our common stock. Under our amended and restated certificate of incorporation, upon the surrender of the NCM LLC common units, we will then contribute cash or shares of our common stock to NCM LLC in exchange for an amount of newly issued common units equal to the number of units surrendered by the redeeming member. NCM LLC will then distribute the cash or shares of common stock to the redeeming member to complete the redemption. During the third quarter of 2013, Regal exercised the redemption right of an aggregate 2,300,000 common membership units, whereby Regal surrendered 2,300,000 common membership units to NCM LLC for cancellation. The Company contributed an aggregate 2,300,000 shares of its common stock to NCM LLC in exchange for a like number of newly issued common membership units. NCM LLC then distributed the shares of common stock to Regal to complete the redemption. Such redemption took place immediately prior to the closing of an underwritten public offering and the closing of an overallotment option. The Company did not receive any proceeds from the sale of its common stock by Regal.

Common Unit Adjustment Agreement

NCM, Inc., NCM LLC, AMC, Cinemark, and Regal executed the common unit adjustment agreement, effective as of February 13, 2007. The common unit adjustment agreement provides a mechanism for adjusting membership units held by the founding members based on increases or decreases in the number of screens operated by each founding member. Increases in the number of screens are included in the unit adjustment if arising from acquisition of a theatre or opening of a newly constructed theatre (subject to certain exceptions). Decreases in the number of screens are included in the unit adjustment if arising from disposition of a theatre (subject to certain exceptions).

NCM LLC adjusts its membership units annually, except that an earlier adjustment will occur for a founding member if it acquires or disposes of theatres, in a single transaction or cumulatively that will result in a change of two percent or more in the total annual attendance of all founding members (called an extraordinary attendance increase or decrease). The changes in annual attendance are calculated based on attendance at the relevant theatres during the prior twelve fiscal months; however, if an acquired theatre has not been operating during the twelve prior fiscal months, the change in annual attendance will be calculated based on 75% of the projected annual attendance for such theatre, with a subsequent adjustment for the actual attendance.

On March 28, 2013, NCM LLC issued 1,728,988 common membership units to AMC, 588,024 common membership units to Cinemark and 2,219,002 common membership units to Regal for the 2012 fiscal year common unit agreement adjustment. Neither NCM, Inc. nor NCM LLC received any cash consideration in exchange for the issuance of the units.

On June 21, 2013, NCM LLC issued 5,315,837 common membership units to Cinemark in connection with its acquisition of Rave Cinemas, as the acquisition resulted in an extraordinary attendance increase. Neither NCM, Inc. nor NCM LLC received any cash consideration in exchange for the issuance of the units. Certain of

the Rave Cinemas were subject to a pre-existing advertising agreement with another cinema advertising provider. Accordingly, under the ESA, Cinemark to pay NCM LLC an amount calculated to reflect the net amount of cash that NCM LLC would have generated if NCM LLC was able to sell on-screen advertising in the Rave Cinemas on an exclusive basis through the remainder of those agreements. During 2013, Cinemark paid NCM LLC \$2.1 million in integration payments.

On December 4, 2013, NCM LLC issued 3,372,241 common membership units to Regal in connection with the closing of its acquisition of Hollywood Theatres and three other newly built theatres, as the acquisition and newly built theatres resulted in an extraordinary attendance increase. Neither NCM, Inc. nor NCM LLC received any cash consideration in exchange for the issuance of the units.

Theatre and attendance information is being provided to us by our founding members and we expect the calculation for our 2013 fiscal year common unit adjustment to be completed pursuant to the provisions in the common unit adjustment agreement in the first quarter of 2014.

Tax Receivable Agreement

NCM, Inc., NCM LLC, AMC, Cinemark, and Regal executed the tax receivable agreement, effective as of February 13, 2007, as amended on April 29, 2008 (to permit NCM, Inc. to make estimated payments to each of the founding members or ESA parties).

The tax receivable agreement provides for the effective payment by us to the founding members of 90% of the amount of cash savings, if any, in U.S. federal, state, and local income tax or franchise tax that we actually realized as a result of certain increases in our proportionate share of tax basis in NCM LLC's tangible and intangible assets resulting from our IPO and related transactions, including increases attributable to payments made under the tax receivable agreement. These tax benefit payments are not conditioned upon one or more of the founding members maintaining a continued ownership interest in either NCM LLC or NCM, Inc. We expect to benefit from the remaining 10% of cash savings, if any, that we may actually realize.

Under the tax receivable agreement, cash savings in income and franchise tax are computed by comparing our actual income and franchise tax liability to the amount of such taxes that we would have been required to pay had there been no increase in our proportionate share of tax basis in NCM LLC's tangible and intangible assets and had the tax receivable agreement not been entered into. The tax receivable agreement generally applies to our taxable years up to and including the 30th anniversary date of our IPO and will continue until any utilized benefits are no longer subject to potential audit or examination by a taxing authority. The term of the tax receivable agreement may, however, be terminated at an earlier date in the event that we exercise our right to terminate the agreement pursuant to an early termination procedure that requires us to pay the founding members an agreed upon amount equal to the present value of the estimated remaining payments to be made under the agreement.

Although the actual timing and amount of any payments that may be made under the tax receivable agreement varies depending upon a number of factors (including the timing of any redemptions of common membership units in NCM LLC by our founding members, the extent to which such redemptions are taxable, the trading price of shares of our common stock at the time of any such redemptions, and the amount and timing of our income), we expect the payments that we may effectively make to the founding members could be substantial. If the Internal Revenue Service or other taxing authority were to subsequently challenge any of our cash savings covered by the tax receivable agreement, and if such challenge were ultimately upheld, the terms of the tax receivable agreement require the founding members to repay to us an amount equal to the prior payments effectively made by us in respect of such disallowed cash savings, plus a proportionate share of any applicable interest and penalties. In such an event, and if a founding member is unable to make a timely repayment to us under the terms of the tax receivable agreement, we will have the ability to cause NCM LLC to offset against payments owed to the founding member. The repayment obligation is a several liability of each founding member and not a joint liability among the founding members.

Table of Contents

As of December 26, 2013, we recorded a long-term payable to our founding members under the tax receivable agreement of \$144.0 million, of which the Company expects to make an additional \$5.1 million for the 2010 taxable year, \$2.5 million for the 2011 taxable year, \$0.2 million for the 2012 taxable year and \$20.3 million for the 2013 taxable year. In 2013, pursuant to the terms of the tax receivable agreement, we made estimated payments of \$3.7 million to AMC, \$1.8 million to Cinemark and \$4.6 million to Regal, respectively for the 2011 and 2012 taxable years.

Software License Agreement

NCM LLC, AMC, Cinemark, Regal CineMedia Corporation (RCM) and Digital Cinema Implementation Partners, LLC, a company jointly owned by the founding members (DCIP), executed the Second Amended and Restated Software License Agreement effective as of February 13, 2007 (the license agreement). Certain basic terms of the license agreement are discussed below:

AMC and RCM granted to NCM LLC an exclusive license (subject to certain exceptions) to identified technology for use in the United States with respect to the services provided under the ESAs. The founding members and DCIP each granted to NCM LLC a license, subject to certain limitations, to any existing and future developments of such party based on the licensed technology that has application to the services provided under the ESAs. NCM LLC granted to the founding members a license, subject to certain limitations, to any NCM LLC developments that existed at the IPO date based on licensed technology, solely for the founding members' internal business purposes that are outside of the services that are defined in the ESAs (but not including digital cinema applications). NCM LLC granted DCIP a license, subject to certain exceptions, to any existing and future NCM LLC developments that may have digital cinema applications.

Director Designation Agreement

NCM, Inc., AMC, Cinemark and Regal executed the director designation agreement effective as of February 13, 2007.

So long as a founding member owns at least 5% of NCM LLC's issued and outstanding common membership units, the founding member has the right to designate two nominees to our ten-member board of directors who are voted upon by our stockholders. At least one of the designees of such founding member must qualify as an independent director at the time of designation so that a majority of the members of the board are independent directors under the Nasdaq rules. Any remaining directors will be selected for nomination by our nominating and governance committee. During the time that any founding member has designation rights, we will not take any action to change the size of our board from ten. We have agreed to include each director designee in the board's slate of nominees submitted to our stockholders for election of directors and in the proxy statement prepared by management for every meeting of our stockholders called with respect to the election of members of the board, subject to certain exceptions.

If a vacancy occurs because of the death, disability, resignation or removal of a director designee, then the board, or any board committee, will not vote, fill the vacancy or take any action subject to supermajority board approval under our amended and restated certificate of incorporation until (i) the founding member has designated a successor director designee and the board has appointed such successor director designee, (ii) the founding member fails to designate a successor director designee within 10 business days of such vacancy, or (iii) the founding member has waived its rights to designate a successor director designee and has consented to the board, or any board committee, taking a vote on the specified actions prior to the board filling the vacancy with a successor director designee.

Registration Rights Agreement

NCM, Inc., AMC, Cinemark and Regal executed the registration rights agreement effective as of February 13, 2007.

Table of Contents

The registration rights agreement requires us to use our reasonable efforts to file a registration statement on the first business day after the one-year anniversary of the closing of our IPO to register all registrable securities held by the founding members that are not already registered, if necessary, and to file resale registration statements after that time for any additional registrable securities that we issue to any founding member in the future, within 20 days after such issuance. Additionally, we must maintain effectiveness of these mandatory registration statements until the earlier of the time when the founding members have disposed of all their registrable securities and the time when all registrable securities held by the founding members are eligible for resale under specified securities regulations. We are responsible for the expenses in connection with the registration of securities pursuant to the registration rights agreement.

We filed a Form S-3 automatic shelf registration statement covering 56,879,964 shares on August 4, 2011, which was declared effective immediately. On September 20, 2012, we filed a post-effective amendment to the registration statement covering 651,612 additional shares, which was declared effective immediately. On July 1, 2013, we filed a post-effective amendment to the registration statement covering 9,851,851 additional shares, which was declared effective immediately.

Joint Defense Agreement

AMC and Regal, among others, entered into a joint defense and common interest agreement, dated August 16, 2004, which was supplemented by a joint defense and common interest agreement, dated July 13, 2005, by and among counsel for AMC, Regal and Cinemark. The joint defense agreement sets forth the terms and conditions under which the parties will cooperate and share information in order to advance their shared interests in owning and operating NCM LLC. In connection with the completion of the IPO, counsel for NCM LLC and the founding members executed an amendment to the joint defense agreement, whereby NCM LLC was added as a party, and the IPO was added to the range of transactions covered by the agreement.

Agreements with Founding Members Services

In 2013, AMC, Cinemark and Regal purchased \$0.2 million of NCM LLC's advertising inventory for their own use. In addition, NCM LLC paid \$1.8 million in aggregate to AMC, Cinemark and Regal for the purchases of movie tickets and concession products primarily for marketing to NCM LLC's advertising clients and marketing resale to Fathom Business customers. In 2013, AMC, Cinemark and Regal paid in aggregate \$0.2 million for the use of NCM's satellite communication services.

Other Transactions

Sale of Fathom Events Business to AC JV, LLC

On December 26, 2013, NCM LLC sold the Fathom Events business to AC JV, LLC owned 32% by each of the founding members and 4% by us. In consideration for the sale, NCM LLC received a total of \$25.0 million in promissory notes from our founding members (one-third or approximately \$8.3 million from each founding member). The notes bear interest at a fixed rate of 5.0% per annum, compounded annually. Interest and principal payments are due annually in six equal installments commencing on the first anniversary of the closing. Due to the related party nature of the transaction, we formed a committee of independent directors that hired a separate legal counsel and an investment banking firm who advised the committee and rendered an opinion as to the fairness of the transaction. As described above, NCM LLC amended and restated the ESAs with each of the founding members to remove those provisions addressing the rights and obligations related to the digital programming services of the Fathom Events business, which rights and obligations were conveyed to AC JV, LLC. In connection with the sale, we entered into a transition services agreement and a services agreement:

Transition Services Agreement with AC JV, LLC. NCM LLC entered into a transition services agreement with AC JV, LLC upon the closing of the sale of Fathom Events. Under the agreement, NCM LLC will provide certain corporate overhead services for a fee and reimbursement for the use of facilities and certain services

including creative, technical event management and event management for AC JV, LLC for a period of nine months following closing. During the year ended December 26, 2013, we did not receive any payments under this agreement.

Services Agreement with AC JV, LLC. NCM LLC entered into a services agreement with AC JV, LLC upon the closing of the sale of Fathom Events. The agreement grants AC JV, LLC advertising on-screen and on our LEN and a pre-feature program prior to Fathom events reasonably consistent with what was previously dedicated to Fathom. In addition, the services agreement provides that we will assist with event sponsorship sales in return for a share of the sponsorship revenue. NCM LLC has also agreed to provide creative and media production services for a fee. The term of the agreement coincided with the ESAs, subject to certain exceptions. During the year ended December 26, 2013, we did not receive any payments under this agreement.

Agreement with LA Live

During 2009, NCM LLC entered into a digital content agreement and a Fathom agreement with LA Live Cinemas LLC, an affiliate of The Anschutz Corporation, for NCM LLC to provide in-theatre advertising and Fathom Events to LA Live in its theatre complex. The affiliate agreement was entered into at terms that are similar to those of our other network affiliates. In 2013, we incurred advertising operating costs of \$0.2 million for payments made to LA Live Cinemas LLC under the agreement.

Agreement with AEG Live

NCM LLC has an informal relationship with AEG Live, an affiliate of The Anschutz Corporation, for AEG Live to provide music content for exhibition in theatres through NCM's Fathom business. In addition, we received approximately \$10,600 from AEG Live for regional advertising we provided during 2013.

Agreement with Starplex

During 2009, NCM LLC entered into a network affiliate agreement with Starplex Operating L.P. (Starplex) for NCM LLC to provide in-theatre advertising services and Fathom Events to Starplex in its theatre locations. The affiliate agreement was entered into at terms that are similar to those of our other network affiliates. Starplex is affiliated with Hunt Capital Group LLC, of which James R. Holland, Jr., an independent director, is President and Chief Executive Officer. In 2013, we incurred advertising operating costs of \$2.9 million for payments made to the affiliate under the agreement.

Agreement with Digital Cinema Integration Partners

On August 2, 2010, NCM LLC entered into an agreement with Digital Cinema Integration Partners (DCIP), a joint venture owned by the founding members which was assigned to AC JV LLC in connection with the sale of Fathom Events. This agreement provides for the payment of a fee to DCIP whenever the digital cinema equipment is used to exhibit a Fathom event. Such fee per event showing during non-prime times (as defined in the agreements) and showing during prime times is a standard fee that is charged to all alternative content owners (including the major studios) who display their programming on the digital cinema projectors. During 2013, we paid DCIP approximately \$0.5 million under this agreement. The DCIP Agreement was transferred as a part of the sale of the Fathom Events business.

Agreement with Specific Media

NCM LLC has an agreement with Specific Media, LLC, an interactive media company, under which we have purchase inventory from them and Specific Media sells our remnant inventory. During 2013, Lawrence A. Goodman served on the board of directors of Specific Media, LLC, a privately held company. During the year ended December 26, 2013, Specific Media generated approximately \$0.6 million in revenue for NCM LLC.

Management Services Agreement

NCM LLC provides administrative and support services to us, such as office facilities, equipment, supplies, payroll and accounting and financial reporting. The management services agreement also provides that our employees may participate in NCM LLC's benefit plans, and that NCM LLC employees may participate in the National CineMedia, Inc. 2007 Equity Incentive Plan. Pursuant to this agreement, NCM LLC paid us approximately \$10.0 million during the year ended December 26, 2013.

Review, Approval or Ratification of Transactions with Related Persons

Since the completion of our IPO in February 2007, our written Statement Of Policy With Respect To Related Party Transactions has required that transactions between us and a Related Person (as defined in the policy) where the aggregate amount involved will or may be expected to exceed \$500,000 be approved by our Audit Committee with any related party transactions below \$500,000 disclosed to our Audit Committee, which is comprised of independent members of our board of directors, in accordance with the guidance in the policy and if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party. Our Audit Committee charter authorizes the audit committee to hire financial advisors and other professionals to assist the committee in evaluating and approving any transaction between us and any related party, including our founding members.

The following transactions are exempt from this policy:

- (1) transactions where the Related Person's interest arises solely from ownership of our common stock and all holders of our common stock receive proportional benefits;
- (2) any compensation paid to a director if the compensation is required to be reported in our proxy statement under Item 402 of Regulation S-K and the compensation has been approved by the Nominating and Governance Committee; and
- (3) any employment by us of an executive officer if the related compensation is required to be reported in our proxy statement under Item 402 of Regulation S-K and the compensation has been approved by the Compensation Committee.

The policy provides for pre-approval of a particular category of related party transactions, provided that:

- (a) a proposed pre-approved transaction or series of related transactions would be in the ordinary course of business of NCM, Inc. or NCM LLC, as applicable, and would not require (i) payments to one or more related parties during any fiscal year in excess of \$500,000, or (ii) receipt of payments during any fiscal year from one or more related parties in excess of \$500,000, or (iii) the receipt or transfer of any tangible or intangible property, other than cash, having a fair market value in excess of \$500,000; and
- (b) the terms and conditions of any such transaction or series of related transactions are fair and reasonable to NCM, Inc. or NCM, LLC, as applicable, as determined by NCM, Inc.'s Chief Executive Officer and Chief Financial Officer, in the exercise of their reasonable discretion.

In such cases, the Chief Executive Officer and Chief Financial Officer may authorize, on behalf of the Audit Committee, the entering into of such transaction or series of transactions by NCM, Inc. or NCM, LLC, as applicable. However, a listing of such approved transactions must be provided to the Audit Committee on a periodic basis.

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of our common stock, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on our review of the copies of such forms received by us, we believe that all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners have been complied with for the fiscal year ended December 26, 2013, except that AMC reported the issuance of shares in connection with the annual common unit adjustment one day late and restricted stock unit grants in January 2013 to non-employee directors were reported late in February 2013.

meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. Our bylaws also specify certain requirements as to the form and content of a stockholder's notice. These provisions may preclude stockholders from bringing matters before an annual meeting of stockholders or from making nominations for directors at an annual meeting of stockholders.

Stockholders wishing to include proposals in the proxy material in relation to the annual meeting in 2015 must submit the proposals in writing so as to be received by the Secretary at our executive offices, no later than the close of business on November 19, 2014. If we are not notified of intent to present a proposal at our 2015 annual meeting between December 31, 2014 and January 30, 2015, we will have the right to exercise discretionary voting authority with respect to such proposal, if presented at the meeting, without including information regarding such proposal in our proxy materials.
