Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On July 24, 2008, eight substantially identical firm commitment underwriting agreements were entered into by CanArgo Energy Corporation (the Company or CanArgo) with eight separate foreign private investors who severally agreed to purchase up to 242,000,000 unsubscribed for shares in the Company's proposed rights offering first announced on April 23, 2008 for an aggregate commitment of up to \$24.2 million in unsubscribed for shares.

The principal terms of each agreement are as follows:

each investor has agreed to subscribe, at the subscription price of the proposed rights offering (being \$0.10 per share), for shares which are not subscribed for in the rights offering (the amounts which each investor has agreed to underwrite being respectively \$10m, \$5m, \$4.2m, \$2m, \$1m, \$1m, \$0.5m and \$0.5m, making an aggregate total of \$24.2m);

to the extent that the rights offering is not fully subscribed, the remaining unsubscribed shares will be taken up by the investors pro rata to their respective underwriting commitments;

each individual investor will be entitled to an aggregate commission equal to 7% of the amount underwritten by that investor, with the commission being payable in cash or CanArgo shares at the subscription price at the option of the investor; provided, however, if the investor is an existing stockholder it will only receive a commission for the part of the underwritten amount that exceeds the pro rata amount of shares that the investor would receive pursuant to an exercise of its pre-emptive rights;

the underwriting commission will be paid even if the Company does not carry out the rights offering and in such event will be paid on 31 December 2008;

each investor agrees to comply with all applicable laws and stock exchange regulations and not to sell, offer to sell or solicit offers to purchase any of the shares it purchases in the United States or to U.S. persons or to engage in any directed selling efforts (as each term is defined in Regulation S promulgated under the U.S. Securities Act of 1933, as amended) in the United States;

among other customary representations and warranties each investor represents and warrants that it is not a U.S. person and is not and is not required to be a member of the U.S. Financial Industry Regulatory Authority, Inc. or registered as a broker-dealer under Section 15 of the U.S. Securities Exchange Act of 1934, as amended;

each investor agrees it will not and it will cause its directors, shareholders (registered or beneficial) or associates not to deal in any shares if the effect of such dealing would in any way impinge upon the ability to subscribe for all the unsubscribed shares without the investor or its respective directors, shareholders (registered or beneficial) or associates exceeding a holding of 49.99% of the aggregate issued shares in the capital of the Company; and

the period for subscribing for shares in the rights offering shall not exceed four weeks.

The full text of the form of agreement is filed as Exhibit 1.0 to this Current Report.
