This will be our first annual general meeting of shareholders as a publicly held company following our April 2014 initial public offering. Quotient Limited is a limited liability no par value company incorporated under the laws of Jersey, Channel Islands.

GENERAL INFORMATION

What am I voting on?

You will be voting on the following proposals at our Annual Meeting:

to re-elect 8 directors;

to re-appoint Ernst & Young LLP as the Company s auditors, ratify their appointment as independent registered public accounting firm and to authorize the directors to determine the fees to be paid to the auditors; and

to transact such other business as may properly come before the Annual Meeting.

What are the recommendations of the Board?

All shares represented by a properly executed proxy will be voted unless the proxy is revoked and, if a choice is specified, your shares will be voted in accordance with that choice. If no choice is specified but the proxy card is signed, the proxy holders will vote your shares according to the recommendations of the Board, which are included in the discussion of each matter later in this proxy statement. The Board recommends that you vote:

FOR the re-election of each of the nominees as directors; and

FOR the re-appointment of Ernst & Young LLP as our auditors, ratification as our independent registered public accounting firm and the authorization of the directors to determine the fees to be paid to the auditors;

In addition, the proxy holders may vote in their discretion with respect to any other matter that properly comes before the Annual Meeting.

Who is entitled to vote?

At the close of business on September 4, 2014, the record date for the Annual Meeting, 14,376,547 ordinary shares, no par value (Ordinary Shares) were outstanding. For each proposal to be voted on, each shareholder is entitled to one vote for each Ordinary Share owned at that time.

How do I vote by proxy in lieu of attending the annual meeting?

If you are a shareholder of record, you may vote by proxy by completing, dating and signing your proxy card and mailing it in the envelope provided. You must sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as officer of a corporation, guardian, executor, trustee or custodian), you must indicate your name and title or capacity.

You may also vote in person at the Annual Meeting or you may be represented by another person at the Annual Meeting by executing a proxy designating that person.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name. The street name holder will provide you with instructions that you must follow in order to have your shares voted.

If you vote via the Internet or by telephone, your vote must be received by 11:59 p.m., Eastern Standard Time, on October 29, 2014. If you vote by Internet or telephone, you should not return your proxy card.

If you hold your shares in street name and you wish to vote in person at the Annual Meeting, you must obtain a proxy issued in your name from the street name holder.

May I change my mind after submitting a proxy?

If you are a shareholder of record, you may revoke your proxy before it is exercised by:

Written notice to Roland Boyd, care of Quotient Limited, Pentlands Science Park, Bush Loan, Penicuik, Midlothian, EH26 OPZ, United Kingdom; or

Voting in person at the Annual Meeting.

If you are a beneficial owner of shares held in street name, you may submit new voting instructions by contacting your brokerage firm, bank or other holder of record.

What are broker non-votes?

A broker non-vote occurs when the broker that holds your shares in street name is not entitled to vote on a matter without instruction from you and you do not give any instruction. Unless instructed otherwise by you, brokers will not have discretionary authority to vote on any matter other than Resolution 8, which is considered to be routine for these purposes. It is important that you cast your vote for your shares to be represented on all matters.

What is the required vote?

To be approved, Resolutions 1 to 8 require a simple majority of the votes cast at the Annual Meeting in favor of each Resolution. If a director does not receive a majority of the vote for his or her re-election, then that director will not be re-elected to the Board and the Board may fill the vacancy with a different person, or the Board may reduce the number of directors to eliminate the vacancy. Votes that are withheld with respect to the election of directors and abstentions on the other matters are not counted as votes cast.

Table of Contents

What will constitute the quorum for the Annual Meeting?

A quorum will consist of one or more shareholders present in person or by proxy who hold or represent shares of not less than a majority of the total voting rights of all of the shareholders entitled to vote at the Annual Meeting.

How can I attend the Annual Meeting?

If you plan to attend the Annual Meeting, you will not be admitted without proof that you own Quotient shares.

Record Shareholders. If you are a record shareholder (i.e., a person who owns shares registered directly in his or her name with Continental Stock Transfer & Trust Company, Quotient's transfer agent) and plan to attend the Annual Meeting, please indicate this when voting by marking the attendance box on the proxy card.

Owners of Shares Held in Street Name. Beneficial owners of Quotient ordinary shares held in street name by a broker, bank or other nominee will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letters from the broker, bank or other nominee are examples of proof of ownership. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

During the fiscal year ended March 31, 2014, the Board held 14 in person or telephonic regular meetings. The audit committee met four times during our fiscal year ended March 31, 2014. Attendance at board and audit committee meetings exceeded 90% and no director attended less than 80% of the aggregate number of such board and committee meetings for meetings that they were eligible to attend. The remuneration committee and nominating and corporate governance committee were established as part of the process leading up to our initial public offering in April 2014 and did not formally meet during the fiscal year ended March 31, 2014.

Our Board currently has three committees, as described below. Each committee has a separate written charter that is available on Quotient's website at www.quotientbd.com.

Our business and affairs are managed under the direction of our Board of Directors. Our Board of Directors is currently composed of eight directors. At each annual meeting of our shareholders, each of our directors must retire, and, if they wish to continue to serve as a director, they become subject to re-election to the Board of Directors by our shareholders.

We are subject to the listing standards of NASDAQ, which require that, subject to specified exceptions and permitted phase-in periods, each member of a listed company's audit, remuneration and nominating and corporate governance committees be independent. In addition, the listing standards of NASDAQ require that audit committee members satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act and that the remuneration committee members satisfy independence criteria set forth in Rule 5605(d) of NASDAQ rules. The listing standards of NASDAQ further provide that a director will only qualify as an independent director if, in the opinion of that company's Board of Directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

In addition, the listing standards of NASDAQ require that a majority of the members of a listed company's board of directors be independent. The NASDAQ rules allow companies listing in connection with an initial public offering a transition period of 12 months from the date of listing for compliance with this requirement. Our Board of Directors has determined that Messrs. Hallsworth, McDonough, Bologna and von Prondzynski and Ms. O'Connor are independent directors. In making this determination, our Board of Directors considered the relationships that each such non-employee director has with our company and all other facts and circumstances that our Board of Directors deemed relevant in determining their independence, including beneficial ownership of our ordinary shares. In connection with our initial public offering in April 2014, our Board of Directors relied on NASDAQ transition rules, which permitted us to operate without a majority independent Board of Directors until April 24, 2015. With the appointment of Sarah O'Connor to our Board of Directors on July 31, 2014, a majority of our Board members are independent within the meaning of the applicable NASDAQ listing standards.

Our board of directors has not determined whether Messrs. Shroff and Wilkerson are independent directors under the applicable NASDAQ listing rules. Messrs. Shroff and Wilkerson are currently not independent as defined in the applicable Exchange Act rules related to audit committee composition. Mr. Shroff is the chairman of our remuneration committee and our nominating and corporate governance committee, and is a member of our audit committee, in reliance on NASDAQ's and the Exchange Act's transition rules for issuers listing in connection with an initial public offering, which permit a non-independent director to serve on each of the audit, remuneration and nominating and corporate governance committees, as applicable, for up to 12 months following the initial public offering. We expect our board of directors will make a determination as to whether Messrs. Shroff and Wilkerson are independent under the applicable NASDAQ listing rules by April 24, 2015.

Audit Committee

Our audit committee is composed of Messrs. Hallsworth, Bologna, McDonough and Shroff, with Mr. Hallsworth serving as chairman of the committee. Our Board of Directors has determined that Messrs. Hallsworth, Bologna and McDonough meet the independence requirements of Rule 10A-3 under the Exchange

Table of Contents

Act and the applicable listing standards of NASDAQ. Our Board of Directors has determined that Mr. Hallsworth is an audit committee financial expert within the meaning of SEC regulations and applicable listing standards of NASDAQ. We expect that all of our audit committee members will be independent as such term is defined in Rule 10A-3(b)(i) under the Exchange Act and in NASDAQ listing rule 5605(a)(2) by April 24, 2015. While our audit committee is not entirely composed of independent directors, we believe this does not adversely affect the ability of our audit committee to act independently or satisfy the other requirements of NASDAQ and the SEC. The audit committee met four times during the year ended March 31, 2014. The audit committee's responsibilities include:

appointing, approving the compensation of, and assessing the qualifications, performance and independence of our independent registered public accounting firm;

pre-approving audit and permissible non-audit services, and the terms of such services, to be provided by our independent registered public accounting firm;

reviewing the internal audit plan with the independent registered public accounting firm and members of management responsible for preparing our financial statements;

reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures as well as critical accounting policies and practices used by us;

reviewing the adequacy of our internal control over financial reporting;

establishing policies and procedures for the receipt and retention of accounting-related complaints and concerns;

reviewing and discussing with management and our independent registered public accounting firm our audited financial statements to be included in our Annual Report on Form 10-K;

monitoring our compliance with legal and regulatory requirements as they relate to our financial statements and accounting matters;

preparing the audit committee report required by the rules of the SEC to be included in our annual proxy statement;

reviewing and assessing the adequacy of the committee charter and submitting any changes to our Board of Directors for approval;

viewing all related party transactions for potential conflict of interest situations and approving all such transactions; and

reviewing and discussing with management and our independent registered public accounting firm our earnings releases and scripts.

Remuneration Committee

Our remuneration committee is composed of Messrs. Shroff, Bologna, Hallsworth and McDonough, with Mr. Shroff serving as chairman of the committee. Our Board of Directors has determined that Messrs. Bologna, Hallsworth and McDonough are independent as defined under the applicable listing standards of NASDAQ. We expect that all of our remuneration committee members will be independent as such term is defined in NASDAQ listing rule 5605(a)(2) by April 24, 2015. The remuneration committee was established as part of the process leading up to our initial public offering in April 2014 and did not formally meet during the fiscal year ended March 31, 2014. The remuneration committee's responsibilities include:

reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer;

evaluating the performance of our chief executive officer in light of such corporate goals and objectives and determining and approving the compensation of our chief executive officer;

Table of Contents

reviewing and approving the compensation of our other executive officers;

appointing, compensating and overseeing the work of any compensation consultant, legal counsel or other advisor retained by the remuneration committee;

conducting the independence assessment outlined in the rules of NASDAQ with respect to any compensation consultant, legal counsel or other advisor retained by the remuneration committee;

producing a remuneration committee report on executive compensation as required by the rules of the SEC to be included in our annual proxy statement;

annually reviewing and reassessing the adequacy of the committee charter in its compliance with the listing requirements of NASDAQ;

reviewing and establishing our overall management compensation philosophy and policy;

overseeing and administering our compensation and equity-based plans;

reviewing and approving our policies and procedures for the grant of equity-based awards; and

reviewing and making recommendations to our Board of Directors with respect to director compensation.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is composed of Messrs. Shroff, Bologna, Hallsworth and McDonough, and Ms. O Connor, with Mr. Shroff serving as chairman of the committee. Our Board of Directors has determined that Messrs. Bologna, Hallsworth and McDonough, and Ms. O Connor, are independent as defined under the applicable listing standards of NASDAQ. We expect that all of our nominating and corporate governance committee members will be independent as such term is defined in NASDAQ listing rule 5605(a)(2) by April 24, 2015. The nominating and corporate governance committee was established as part of the process leading up to our initial public offering in April 2014 and did not formally meet during the fiscal year ended March 31, 2014. The nominating and corporate governance committee's responsibilities include:

establishing a policy under which our shareholders may recommend a candidate to the nominating and corporate governance committee for consideration for nomination as a director;

identifying individuals qualified to become members of our Board of Directors, consistent with criteria approved by our Board of Directors;

recommending to our Board of Directors the persons to be nominated for election as directors and to each of the committees of our Board of Directors;

developing and recommending to our Board of Directors a set of corporate governance principles;

articulating to each director what is expected, including reference to the corporate governance principles and directors' duties and responsibilities;

reviewing and recommending to our Board of Directors practices and policies with respect to directors;

recommending to our Board of Directors qualified individuals to serve as members of the committees of our Board of Directors;

reviewing and assessing the adequacy of the committee charter and submitting any changes to our Board of Directors for approval;

overseeing the systems and processes established by us to ensure compliance with our Code of Business Conduct and Ethics; and

performing an evaluation of the performance of the committee.

Table of Contents

BOARD PRACTICES

In order to help our shareholders better understand our Board practices, we are including the following description of current practices. The nominating and corporate governance committee periodically reviews these practices.

Size of the Board

The Board currently consists of the eight directors named above. Our Memorandum and Articles of Association provides that our Board must consist of a minimum of two directors. The exact number of members on our Board will be determined from time to time by our full Board.

Leadership Structure

The Company's Chief Executive Officer, Mr. Paul Cowan, also serves as the Chairman of the Board. The Board believes that this leadership structure is optimal for the Company at this time because Mr. Cowan's extensive experience and, together with his founding of and significant equity interest in the Company, provides Quotient with strong and consistent leadership.

The Board has not adopted a policy regarding the separation of the position of Chairman of the Board from the Chief Executive Officer. The Board recognizes that there may be circumstances in the future that would lead it to separate the positions, but believes that the absence of a policy requiring either the separation or combination of the positions provides the Board with the flexibility to determine the leadership structure that is in the best interests of the Company and its shareholders at the time. Mr. Heino von Prondzynski serves as the Company's lead independent director, and in such capacity acts as a liaison between the non-employee directors and the Company's management, chairs the executive sessions of non-management directors, and consults with the Chairman of the Board regarding agendas for Board meetings and other matters pertinent to the Company and the Board.

Director Independence

The Board believes that a substantial majority of its members should be independent, non-employee directors. Only one member of the Board, Paul Cowan, who serves as our Chief Executive Officer, is an employee of Quotient. The non-employee directors of the Company are Thomas Bologna, Frederick Hallsworth, Brian McDonough, Zubeen Shroff, John Wilkerson, Sarah O'Connor and Heino von Prondzynski. Our Board of Directors has not determined whether Messrs. Shroff and Wilkerson are independent directors under the applicable NASDAQ listing rules. Messrs. Shroff and Wilkerson are currently not independent as defined in the applicable Exchange Act rules related to audit committee composition. Mr. Shroff is the chairman of our remuneration committee and our nominating and corporate governance committee, and is a member of our audit committee, in reliance on NASDAQ's and the Exchange Act's transition rules for issuers listing in connection with an initial public offering, which permit a non-independent director to serve on each of the audit, remuneration and nominating and corporate governance committees, as applicable, for up to 12 months following the initial public offering. We expect our board of directors will make a determination as to whether Messrs. Shroff and Wilkerson are independent under the applicable NASDAQ listing rules by April 24, 2015.

Audit Committee Financial Expert

The Board has determined that all of the members of the audit committee are financially literate, and that Mr. Hallsworth is an audit committee financial expert within the meaning of SEC regulations and applicable listing standards of NASDAQ.

Table of Contents

Evaluation of Board Performance

The nominating and corporate governance committee coordinates an annual evaluation process by which the directors evaluate the Board's and its committees' performance and procedures. This self-evaluation leads to a full Board discussion of the results. The committees of the Board each conduct an annual evaluation of their committee's performance and procedures.

Nomination of Directors

The nominating and corporate governance committee recommends individuals for membership on the Board. In making its recommendations, the nominating and corporate governance committee considers an individual's independence based on NASDAQ independence requirements and the criteria determined by the Board.

The nominating and corporate governance committee considers not only a candidate's qualities, performance and professional responsibilities, but also the composition of the Board and the challenges and needs of the Board at that time. The Board as a whole is constituted to be strong in its diversity and collective knowledge of accounting and finance, management and leadership, vision and strategy, business operations, business judgment, crisis management, risk assessment, industry knowledge, corporate governance and global markets.

The culture of the Board enables the Board to operate swiftly and effectively in making key decisions and when facing major challenges. Board meetings are conducted in an environment of trust, confidentiality, open dialogue, mutual respect and constructive commentary.

The nominating and corporate governance committee views diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities. The nominating and corporate governance committee will use the same process and criteria for evaluating all nominees, regardless of who submits the nominee for consideration.

Shareholders are encouraged to submit the name of any candidate they believe to be qualified to serve on the Board, together with background information on the candidate, to the chair of the nominating and corporate governance committee. In accordance with procedures set forth in our Memorandum and Articles of Association, shareholders may propose, and the nominating and corporate governance committee will consider, nominees for election to the Board at the next annual general meeting by giving timely written notice to the Corporate Secretary, which must be received at our registered office no later than the close of business on the date that is 90 days before the first anniversary of the last annual general meeting of the Company, or August 1, 2015, and no earlier than the date that is 120 days before the first anniversary of the last annual general meeting of the Company, or July 2, 2015. The notice periods may change in accordance with the procedures set out in our Memorandum and Articles of Association. Any such notice must include the name of the nominee, a biographical sketch and resume, contact information and such other background materials on such nominee as the nominating and corporate governance committee may request.

Executive Sessions

Non-employee directors meet together as a group during each Board meeting, without the CEO or any other employees in attendance. Mr. von Prondzynski, as our Board's recently appointed lead independent director, will preside over each executive session of the Board. There is also an executive session during each committee meeting at which committee members meet without the CEO or any other employees in attendance. In addition, as required under NASDAQ listing standards, independent directors must meet together as a group at least twice a year.

Table of Contents

Board's Role in Risk Oversight

The Board takes an active role in risk oversight related to the Company both as a full Board and through its committees. While the Company's management is responsible for day-to-day management of the various risks facing the Company, the Board is responsible for monitoring management's actions and decisions. The Board, as apprised by the audit committee, determines that appropriate risk management and mitigation procedures are in place and that senior management takes the appropriate steps to manage all major risks.

Attendance at Shareholder Meetings

The Board does not have a formal policy regarding director attendance at shareholder meetings. However, all directors are expected to attend. This Annual Meeting will be our first as a public company.

Governance Principles

The Board maintains a formal statement of Corporate Governance Guidelines that sets forth the corporate governance practices for Quotient. The Corporate Governance Guidelines are available on our website at www.quotientbd.com. Click on the tab "Investors" and then the caption "Corporate Governance."

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer and principal financial officer. We also reimburse our non-employee directors for reasonable travel and out-of-pocket expenses incurred in connection with attending our Board of Director and committee meetings.

Our non-employee directors are generally eligible to receive restricted shares, options and other share based equity awards under our 2014 Plan. For additional information, see Executive Compensation Equity and Incentive Plans 2014 Stock Incentive Plan. Further, (i) newly appointed non-employee directors will be granted options to purchase shares with an aggregate underlying value of \$100,000 based on the trading price of our ordinary shares at the time of grant and (ii) all non-employee directors will be granted options annually to purchase shares with an aggregate underlying value of \$50,000 based on the trading price of our shares at the time of grant. Each such option will vest following the grant date, subject to the director's continued service as a director.

The following description of each of our share incentive plans is qualified by reference to the full text of those plans, which are incorporated by reference as exhibits to our Annual Report on Form 10-K.

2013 Enterprise Management Incentive Plan

We adopted the 2013 Enterprise Management Incentive Plan, or the 2013 Plan, to enhance our ability to attract, retain and motivate persons expected to make important contributions to our company by providing such persons with equity ownership opportunities and performance-based incentives. All of our employees are eligible to be granted options under the 2013 Plan. The 2013 Plan is administered by our Board of Directors. Subject to certain conditions, the 2013 Plan permits grants of enterprise management incentive options, or EMI options, under the terms of Schedule 5 to the UK Income Tax (Earnings and Pensions) Act 2003 (or ITEPA) for UK-based employees.

Options may be exercised upon the occurrence of certain events, including among other events, (i) in a sale of any shares of our share capital, which confers more than 50% of the total voting rights of all our issued shares; (ii) in the sale of all or substantially all of the undertakings of our company and our subsidiaries, and (iii) in the event of a listing of our shares on any Recognized Investment Exchange as defined in Section 841(a) of the Corporation Taxes Act 2009. In the event our shares are listed, an option may be exercised, in three equal

Table of Contents

installments, on the first, second and third anniversaries of the date of the grant. Options must be exercised during an employee's term of employment or service or within 40 days of termination of employment or service (or within one year in the case of termination on account of a participant's death). The options lapse after specified periods upon the occurrence of applicable events, including, forty days after (i) the sale of any shares of our share capital which confers more than 50% of the total voting rights of all our issued shares or (ii) the sale of all or substantially all of the undertakings of our company and our subsidiaries.

The maximum term of an option award is ten years.

Each option grant is documented through an option agreement. The exercise price per share of all options is determined by our Board of Directors at the time of the grant.

Awards are non-transferable and our Board of Directors retains discretion to amend, modify or terminate any outstanding award. Awards may be accelerated to become immediately exercisable in full or in part upon approval of our Board of Directors.

In the event of certain changes in our capitalization, the number of shares available for issuance under the 2013 Plan, as well as the exercise price per share of each outstanding option may be appropriately adjusted by our Board of Directors. The 2013 Plan provides for certain exchange rights in the event of change in control and provides for conditional exercise in connection with a court-ordered reorganization of our company or our amalgamation with any other company or companies.

As of March 31, 2014, there were 779,462 ordinary shares issuable upon the exercise of outstanding options, at a weighted-average exercise price of \$2.92 per ordinary share.

2014 Stock Incentive Plan

Our Board of Directors and our shareholders have approved the 2014 Stock Incentive Plan, or the 2014 Plan. The 2014 Plan provides us flexibility with respect to our ability to attract and retain the services of qualified employees, officers, directors, consultants and other service providers upon whose judgment, initiative and efforts the successful conduct and development of our business depends, and to provide additional incentives to such persons to devote their effort and skill to the advancement and betterment of our company, by providing them an opportunity to participate in the ownership of our company and thereby have an interest in its success and increased value.

We have reserved an aggregate of 1,500,000 ordinary shares for issuance under the 2014 Plan. This number is subject to adjustment in the event of a recapitalization, share split, share consolidation, reclassification, share dividend or other change in our capital structure. To the extent that an award terminates, or expires for any reason, then any shares subject to the award may be used again for new grants. However, shares which are (i) not issued or delivered as a result of the net settlement of outstanding share appreciation rights, or SARs, or options, (ii) used to pay the exercise price related to outstanding options, (iii) used to pay withholding taxes related to outstanding options or SARs or (iv) repurchased on the open market with the proceeds from an option exercise, will not be available for re-grant under the 2014 Plan.

The number of ordinary shares reserved for issuance will automatically increase on April 1 of each fiscal year, from April 1, 2015 through April 1, 2023, by the lesser of 1% of the total number of shares of our ordinary shares outstanding on March 31 of the preceding fiscal year, 200,000 shares or such smaller amount as determined by our Board of Directors. The maximum number of shares that may be issued upon the exercise of incentive stock options under the 2014 Plan is 3,000,000 shares.

The 2014 Plan permits us to make grants of (i) incentive stock options pursuant to Section 422 of the Code and (ii) non-qualified stock options. Incentive share options may only be issued to our employees. Non-qualified

Table of Contents

share options may be issued to our employees, directors, consultants and other service providers. The option exercise price of each option granted pursuant to the 2014 Plan will be determined by our remuneration committee and may not be less than 100% of the fair market value of the ordinary shares on the date of grant, subject to certain exceptions. The term of each option will be fixed by the our remuneration committee and may not exceed ten years from the date of grant. All option grants under the 2014 Plan are made pursuant to a written option agreement.

The 2014 Plan permits us to sell or make grants of restricted shares. Restricted shares may be sold or granted to our employees, directors, consultants and other service providers (or of any current or future parent or subsidiary of our company). Restricted shares issued under the 2014 Plan is sold or granted pursuant to a written restricted shares purchase agreement.

The 2014 Plan also permits us to issue SARs. SARs may be issued to our employees, directors, consultants and other service providers. The base price per share of ordinary shares covered by each SAR may not be less than 100% of the fair market value of the ordinary shares on the date of grant, subject to certain exceptions. SAR grants under the 2014 Plan are made pursuant to a written SAR agreement.

Further, the 2014 Plan permits us to issue restricted share units, or RSUs. RSUs may be issued to our employees, directors, consultants and other service providers. RSU grants under the 2014 Plan are made pursuant to a written RSU agreement.

The 2014 Plan is administered by our remuneration committee, which has the authority to control and manage the operation and administration of the 2014 Plan. In particular, the remuneration committee has the authority to determine the persons to whom, and the time or times at which, incentive share options, nonqualified share options, restricted shares, SARs or RSUs shall be granted, the number of shares to be represented by each option agreement or covered by each restricted share purchase agreement, SAR agreement or RSU agreement and the exercise price of such options and the base price of such SARs. In addition, our remuneration committee has the authority to accelerate the exercisability or vesting of any award, and to determine the specific terms, conditions and restrictions of each award. The remuneration committee will be composed exclusively of individuals intended to be, to the extent provided by Rule 16b-3 of the Exchange Act, independent directors and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code, qualify as outside directors for purposes of Section 162(m) of the Internal Revenue Code.

Unless provided otherwise within each written option agreement, restricted share purchase agreement, SAR agreement or RSU agreement as the case may be, the vesting of all options, restricted share, SARs and RSUs granted under the 2014 Plan shall accelerate automatically in the event of a change in control (as defined in the 2014 Plan) effective as of immediately prior to the consummation of the change in control unless such equity awards are to be assumed by the acquiring or successor entity (or parent thereof) or equity awards of comparable value are to be issued in exchange therefor or the equity awards granted under the 2014 Plan are to be replaced by the acquiring entity with other incentives under a new incentive program containing such terms and provisions as our remuneration committee in its discretion may consider equitable.

Our Board of Directors may from time to time alter, amend, suspend or terminate the 2014 Plan in such respects as our Board of Directors may deem advisable, provided that no such alteration, amendment, suspension or termination shall be made which shall substantially affect or impair the rights of any participant under any awards previously granted without such participant's consent.

No awards may be granted under the 2014 Plan after the date that is ten years from the date the 2014 Plan was approved by our shareholders.

REPORT OF THE AUDIT COMMITTEE

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The audit committee currently consists of Messrs. Hallsworth, Bologna, McDonough and Shroff, with Mr. Hallsworth serving as chairman of the committee. Our Board of Directors has determined that Messrs. Hallsworth, Bologna and McDonough meet the independence requirements of Rule 10A-3 under the Exchange Act and the applicable listing standards of NASDAQ. Our Board of Directors has determined that Mr. Hallsworth is an audit committee financial expert within the meaning of SEC regulations and applicable listing standards of NASDAQ. We expect that all of our audit committee members will be independent as such term is defined in Rule 10A-3(b)(i) under the Exchange Act and in NASDAQ listing rule 5605(a)(2) by April 24, 2015.

The audit committee operates under a written charter adopted by the Board, which is evaluated annually. The charter of the audit committee is available on Quotient's website at www.quotientbd.com. Click on the tab Investors and then the caption Corporate Governance.

The audit committee selects, evaluates and, where deemed appropriate, replaces Quotient's independent registered public accountants. The audit committee also pre-approves all audit services, engagement fees and terms, and all permitted non-audit engagements, except for certain de minimus amounts.

Management is responsible for Quotient's internal controls and the financial reporting process. Quotient's independent registered public accountants are responsible for performing an audit of Quotient's consolidated financial statements and the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States). The audit committee's responsibility is to monitor and oversee these processes.

In this context, the audit committee has reviewed Quotient's audited financial statements for the fiscal year ended March 31, 2014 and has met and held discussions with management and Ernst & Young LLP (E&Y), the Company's independent registered public accountants. Management represented to the audit committee that Quotient's consolidated financial statements for fiscal 2014 were prepared in accordance with accounting principles generally accepted in the United States of America, and the audit committee discussed the consolidated financial statements with E&Y. The audit committee also discussed with E&Y the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380) as adopted by the Public Accounting Oversight Board in Rule 3200T.

The audit committee received the written disclosures and letter from E&Y required by the applicable requirements of the Public Company Accounting Oversight Board regarding E&Y's communications with the audit committee concerning its independence, and the audit committee discussed with E&Y the accounting firm's independence.

Based upon the audit committee's discussions with management and E&Y and the audit committee's review of the representation of management and the report of E&Y to the audit committee, the audit committee recommended to the Board that the audited consolidated financial statements be included in Quotient's Annual Report on Form 10-K for the fiscal year ended March 31, 2014, filed with the SEC.

Table of Contents

The audit committee also considered whether non-audit services provided by E&Y during 2013 were compatible with maintaining their independence and concluded that such non-audit services did not affect their independence.

Under Jersey law, the directors are required to present the accounts of the Company and the reports of the directors and auditors (if any) before shareholders at a general meeting. Therefore, the accounts of the Company for the fiscal year ended March 31, 2014 will be presented to the shareholders at the Annual Meeting.

Section 16(a) Beneficial Ownership Reporting Compliance

All of our directors, executive officers and any greater than 10 percent shareholders are required by Section 16(a) of the Exchange Act to file with the SEC initial reports of ownership and reports of changes in ownership of shares and to furnish us with copies of such reports.
