**Item 1.01 Entry into a Material Definitive Agreement.**

On March 9, 2015, General Cable Corporation, a Delaware corporation (the Company), and certain of its U.S., Canadian and European subsidiaries amended the Company's existing asset-based revolving credit facility (Credit Facility) and entered into Amendment No. 5 to Amended and Restated Credit Agreement, as amended, (Amendment No. 5) by and among the Company's principal U.S. operating subsidiary General Cable Industries, Inc., a Delaware corporation, General Cable Company Ltd., a company organized under the laws of Nova Scotia, Silec Cable SAS, a French *société par actions simplifiée*, Norddeutsche Seekabelwerke GmbH, a limited liability company (*Gesellschaft mit beschränkter Haftung*) existing under the laws of Germany, Grupo General Cable Sistemas, S.L., a public limited liability company (formerly Grupo General Cable Sistemas, S.A., in process of conversion) organized under the laws of Spain, ECN Cable Group, S.L., a limited liability company organized under the laws of Spain, the Company and those certain other subsidiaries of the Company party thereto, the several lenders and financial institutions party thereto (Lenders) and JPMorgan Chase Bank, N.A., as Administrative Agent. For purposes of this Form 8-K, the Amended and Restated Credit Agreement, as amended, shall be referred to as the Credit Agreement.

The primary purpose of Amendment No. 5 is to provide that no consent of lenders will be required for each divestiture or sale (or series of related sales to the same or affiliated person) of the Company's assets in Asia and Africa having a fair market value in excess of \$50 million (Permitted Divestiture). Among other requirements, a Permitted Divestiture will not require consent if the Company can certify as to pro forma compliance with the Fixed Charge Coverage Ratio test contained in Section 6.12 of the Credit Agreement, both before and after giving effect to the sale, and the sale and the application of proceeds are made in full compliance with the indentures for the Company's senior notes and subordinated notes.

Amendment No. 5 also generally provides that if the net proceeds from a Permitted Divestiture are received by any loan party, the borrowers shall prepay the obligations as set forth in Section 2.11(e) of the Credit Agreement in an aggregate amount equal to 100% of the net proceeds to the extent the obligations are then outstanding. Amendment No. 5 further provides that the aggregate amount of letters of credit that the Company and its subsidiaries may borrow under the Credit Agreement is \$250 million, with sub limits of \$142.5 million by U.S. subsidiaries, \$32.5 million by Canadian subsidiaries, and \$75 million for European subsidiaries.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to Amendment No. 5, which is filed as Exhibit 99.1 to this Form 8-K.

From time to time, in the ordinary course of their business, certain Lenders or their affiliates have provided, and may in the future provide, financial advisory and investment banking services to the Company and its affiliates, for which they have received and may continue to receive customary fees and commissions.
