VOTING

How to Vote Your Shares

If you are a registered stockholder, you can vote at the meeting any shares that were registered in your name as the stockholder of record as of the record date. If your shares are held in street name through a broker, bank or other nominee, you are not a holder of record of those shares and cannot vote them at the Annual Meeting unless you have a legal proxy from the holder of record. If you plan to attend and vote your street name shares at the Annual Meeting, you should request a legal proxy from your broker, bank or holder of record and bring it with you to the meeting.

Whether or not you plan to attend the meeting, we strongly encourage you to vote by proxy prior to the meeting. You may vote your shares prior to the meeting by following the instructions provided in this proxy statement and the voter website, www.proxyvote.com. If you requested a paper copy of the proxy materials, voting instructions are also contained on the proxy card enclosed with those materials.

If you are a *registered* stockholder, there are three ways to vote your shares before the meeting:

By Internet (www.proxyvote.com): Use the Internet to transmit your voting instructions until 11:59 p.m. EDT on June 10, 2015. Have your proxy card with you when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

1

Table of Contents

By telephone (1-800-690-6903): Use any touch-tone telephone to submit your vote until 11:59 p.m. EDT on June 10, 2015. Have your proxy card in hand when you call and then follow the instructions you receive from the telephone voting site.

By mail: If you requested a paper copy of the proxy materials, mark, sign and date the proxy card enclosed with those materials and return it in the postage-paid envelope we have provided. To be valid, proxy cards must be received before the start of the Annual Meeting. Proxy cards should be returned to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If your shares are held in street name, your broker, bank or other holder of record may provide you with a voting instruction card. Follow the instructions on the card to access our proxy materials and vote online or to request a paper or email copy of our proxy materials. If you received these materials in paper form, the materials included a voting instruction card so you can instruct your broker, bank or other holder of record how to vote your shares.

You should provide voting instructions for all proposals appearing on the proxy/voting instruction card. The persons named as proxies on the proxy card will vote your shares according to your instructions. However, if you do not provide voting instructions with your proxy, then the designated proxies will vote your shares for the election of the nominated directors, for the ratification of the Company s independent registered public accounting firm, for the approval of the Company s executive compensation, for approval of the amendments to the 2010 Incentive Plan, for approval of the Company s non-binding proxy access proposal, and against the shareholder proposal. If any nominee for election to the Board is unable to serve, which is not anticipated, or if any other matters properly come before the meeting, then the designated proxies will vote your shares in accordance with their best judgment.

How to Revoke Your Proxy

If you are a registered stockholder, you can revoke your proxy and change your vote at any time prior to the Annual Meeting by:

Notifying our Corporate Secretary in writing at One Village Center Drive, Van Buren Township, Michigan 48111 (the notification must be received by the close of business on June 10, 2015);

Voting again by Internet or telephone prior to 11:59 p.m. EDT on June 10, 2015 (only the latest vote you submit will be counted); or

Submitting a new properly signed and dated paper proxy card with a later date (your proxy card must be received before the start of the Annual Meeting).

If your shares are held in street name, you should contact your broker, bank or other holder of record about revoking your voting instructions and changing your vote prior to the meeting.

If you are eligible to vote at the Annual Meeting, you also can revoke your proxy or voting instructions and change your vote at the Annual Meeting by submitting a written ballot before the polls close.

Stockholders Entitled to Vote and Ownership

You are entitled to one vote at the Annual Meeting for each share of the Company s common stock that you owned of record at the close of business on April 15, 2015. As of April 15, 2015, the Company had issued and outstanding 44,575,398 shares of common stock. Information regarding the holdings of the Company s stock by directors, executive officers and certain other beneficial owners can be found beginning on page 14.

A list of the stockholders of record entitled to vote at the Annual Meeting will be available for review by any stockholder, for any purpose related to the meeting, between 9:00 a.m. and 5:00 p.m. at the principal offices of the Company, located at One Village Center Drive, Van Buren Township, Michigan 48111, for ten days before the meeting.

Required Vote to Approve the Proposals

The Company s Bylaws require that a majority of the Company s common stock be represented at the Annual Meeting, whether in person or by proxy, for the quorum that is needed to transact any business.

Election of Directors. To be elected, directors must receive a majority of the votes cast (the number of shares voted For a director nominee must exceed the number of votes cast Against that nominee), except in the event of a contested election. A properly executed proxy marked Abstain with respect to such matter will not be counted as votes For or Against a director, although it will be counted for purposes of determining whether there is a quorum. In the event of a contested election (where the number of nominees exceeds the number of vacancies), the affirmative vote of a plurality of the votes cast at the meeting would be required for the election of directors. A properly executed proxy marked to withhold authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Other Proposals. For each proposal other than the election of directors, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked Abstain with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in street name through a broker or other nominee and you do not give voting instructions at least ten days before the meeting to your broker or other nominee, then your broker or other nominee may exercise voting discretion only with respect to matters considered to be routine by the New York Stock Exchange, such as the ratification of the appointment of the independent registered public accounting firm. On non-routine matters, such as the election of directors and the other proposals, the brokers or other nominees cannot vote your shares absent voting instructions from the beneficial holder, resulting in so-called broker non-votes. Broker non-votes are not deemed to be votes cast, and as a result have no effect on the outcome of any matters presented, but will be counted in determining whether there is a quorum.

Where to Find Voting Results

The Company will publish the voting results in a Current Report on Form 8-K to be filed with the SEC within four business days after the voting results are known. You will also find the results in the investor information section of the Company s website (www.visteon.com/investors).

Cost of Solicitation

The Company will pay for soliciting these proxies. The Company s directors, officers and employees may solicit proxies in person or by telephone, mail, email, telecopy or letter. The Company has also retained Georgeson Inc. to assist it in distributing proxy solicitation materials and soliciting proxies at a cost of approximately \$8,000 plus reasonable out-of-pocket expenses. The Company will reimburse brokers and other nominees for their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners.

ITEM 1. ELECTION OF DIRECTORS

The first proposal on the agenda for the Annual Meeting will be electing ten directors to hold office until the Annual Meeting of Stockholders to be held in 2016. We expect each nominee for election as a director to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of directors serving on the Board.

The Company s Bylaws provide that in any uncontested election (an election in which the number of nominees for director is not greater than the number to be elected), each director shall be elected if the number of votes cast for the nominee s election exceed the number of votes cast against that nominee s election. The Bylaws also provide that any nominee who does not receive more votes cast for the nominee s election than the number of votes cast against

that nominee in an uncontested election is expected to promptly tender his or her resignation to the Chairman of the Board, which resignation shall be promptly considered through a process managed by the Corporate Governance and Nominating Committee, to determine if a compelling reason exists for concluding that it is in the best interests of the Company for such incumbent to remain a director based on certain factors. The Corporate Governance and Nominating Committee shall provide its recommendation to the Board with respect to any tendered resignation within 14 days of the certification of the election voting results and such recommendation shall be acted on by the Board within 30 days of the certification of the voting results. If a resignation offer is not accepted by the Board, it will publicly disclose its decision, including a summary of reasons for not accepting the offer of resignation. In a contested election (an election in which the number of nominees for director is greater than the number to be elected), the directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

Director Nomination Process

The Corporate Governance and Nominating Committee assesses all director candidates, whether submitted by management, a stockholder or otherwise, and recommends nominees for election to the Board. The Corporate Governance and Nominating Committee commenced an active search in 2014 for potential director candidates that met its qualification objectives and to further enhance the Board s diversity. The Corporate Governance and Nominating Committee engaged Egon Zehnder, a director search firm, to assist it in identifying and evaluating potential director candidates, as well as utilizing the contacts of existing directors and executives of the Company. In January 2015, the Board appointed, following the recommendation of the Corporate Governance and Nominating Committee, Ms. Maguire and Dr. Yassini-Fard to the Board. Ms. Maguire was identified through the search firm process and Dr. Yassini-Fard was proposed as director candidate by a current director. In April 2015, the Corporate Governance and Nominating Committee determined that all incumbent directors wishing to stand for election this year should be re-nominated to stand for election at this Annual Meeting. The key considerations for Board candidates in this process included: specific skills and intellectual capital aligned with the Company s future strategic and operating challenges, strong commitment to increasing shareholder value, core business competencies, including a record of success, financial literacy, a high degree of ethics and integrity, interpersonal skills, enthusiasm, independence and prior board experience. The Board considers diversity to be an important factor in the selection and nomination of director candidates. Although the Board does not establish specific goals with respect to diversity, the Board s overall diversity is a significant consideration in the nomination process. This process resulted in selecting a Board that would have a diversity of international perspectives and experiences in light of the Company s global business. The current nominees range in age from forty-three to seventy-one, one is female, and two were born or reside outside of the United States.

The Board concurred with the recommendations of the Corporate Governance and Nominating Committee. The specific experiences, qualifications and skills that were considered in their initial selection, and considered by the Board in their nomination, are included after each of the individual biographies below. Messrs. Cocroft, Jones, Leuliette, Manzo, Scricco, Treadwell, Wilson and Yuen are current directors and nominees who have been elected by stockholders at the last annual meeting of stockholders, and Ms. Maguire and Dr. Yassini-Fard are current directors and nominees who were appointed after the last annual meeting of stockholders.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines to define the role of the Board, its structure and composition, as well as set forth principles regarding director commitment expectations and compensation. The guidelines also limit the number of other boards a director may serve on and the maximum age of directors.

Board Leadership Structure

After considering evolving governance practices and its current profile, since September 2012, the Board has separated the positions of Chairman and Chief Executive Officer by appointing a non-executive Chairman. The non-executive Chairman will serve in a lead capacity to coordinate the activities of the other outside Directors and to perform the duties and responsibilities as the Board of Directors may determine from time to time. Currently, these responsibilities include:

To preside at all meetings of shareholders;

To convene and preside at all meetings of the Board, including executive sessions of the independent Directors;

Develop, with the assistance of the Chief Executive Officer (the CEO), the agenda for all Board meetings;

Collaborate with the CEO, committee Chairs, and other Directors to establish meeting schedules, agendas, and materials in order to ensure that all Directors can perform their duties responsibly and that there is sufficient time for discussion of all agenda items;

Advise the CEO on the quantity, quality, and timeliness of information delivered by management to the Board and provide input so that Directors can effectively and responsibly perform their duties;

Counsel the CEO on issues of interest or concern to Directors and encourage all Directors to engage the CEO with their interests and concerns;

Serve as a liaison on Board-related issues between Directors and the CEO and management although Directors maintain the right to communicate directly with the CEO or any member of management on any matter;

Assist the Board and the Company s officers in assuring compliance with and implementation of the Company s Corporate Governance Guidelines. Work in conjunction with the Corporate Governance and Nominating Committee to recommend revisions, as appropriate, to the Corporate Governance Guidelines;

Make recommendations to the Board concerning the retention of counsel and consultants who report directly to the Board on board matters (as opposed to committee counsel or consultants);

Work with the Chair of each committee during the annual review of committee charters and work with the Chair of the Corporate Governance and Nominating Committee with respect to committee assignments and the recruitment and selection of new Board members;

Represent the Board in shareholder engagement meetings and similar activities with other stakeholders, serve as a focal point for shareholder communications addressed to Directors, and advise the CEO of the timing and substance of such communications; in each case as approved by the Board;

Convene special meetings of the Company s shareholders consistent with the terms of the Company s Bylaws from time to time in effect; and

Help set the tone for the highest standards of ethics and integrity.

7

The Board believes that a non-executive Chairman can help provide effective, independent Board leadership.

Board Risk Oversight

The Board believes that its primary responsibility is to oversee the business and affairs of the Company for the protection and enhancement of shareholder value, which includes assessing major risks facing the Company and options for mitigating these risks. The committees help the Board carry out this responsibility by focusing on specific key areas of risk inherent in our business.

The Audit Committee oversees risks associated with financial and accounting matters, including compliance with legal and regulatory requirements, and the Company s financial reporting and internal control systems.

The Corporate Governance and Nominating Committee oversees risks associated with corporate governance, including Board structure and director succession planning.

The Organization and Compensation Committee helps ensure that the Company s compensation policies and practices support the retention and development of executive talent with the experience required to manage risks inherent to the business and do not encourage or reward excessive risk-taking by our executives.

The Finance and Corporate Strategy Committee oversees risks associated with financial instruments, financial policies and strategies, and capital structure.

The Board receives regular updates from the committees about their activities in this regard. The Company s enterprise risk management approach utilizes a risk committee comprised of management level employees to monitor, manage and communicate significant risks related to global financial, operating, strategic, and compliance matters. The risk committee meets on a regular basis, and is chaired by the Company s General Counsel, who makes periodic reports to the Chief Executive Officer and the Board of Directors or its committees.

Director Independence

The Corporate Governance Guidelines adopted by the Board of Directors provide that a majority of the members of the Board, and each member of the Audit, Organization and Compensation, Corporate Governance and Nominating, and Finance and Corporate Strategy Committees, must meet the independence criteria of applicable law and stock exchange listing standards. For a director to be considered independent, the Board must determine that the director does not have any direct or indirect material relationship with the Company. To assist it in determining director independence, the Board of Directors has adopted the Visteon Director Independence Guidelines. The Visteon Director Independence Guidelines contain categorical standards of independence which conform to, or are more exacting than applicable law and stock exchange listing standards. In addition to applying its guidelines, the Board will consider all relevant facts and circumstances that it is aware of in making an independence determination.

The Board undertook its annual review of director independence in April 2015, and, based on the listing standards of the New York Stock Exchange and the Visteon Director Independence Guidelines, the Board has affirmatively determined that all of the non-employee directors, namely Ms. Maguire and Messrs. Cocroft, Jones, Manzo, Scricco, Treadwell, Wilson, Yassini-Fard and Yuen, are independent. None of these non-employee directors currently has any relationship with the Company (other than as a director or stockholder). Mr. Leuliette is not independent due to his employment as a senior executive of the Company.

Meetings and Executive Sessions

During 2014, the Board of Directors held fifteen regularly scheduled and special meetings and took action by written consent twice. Under the Company s Corporate Governance Guidelines, directors are expected to attend all scheduled Board and committee meetings as well as the Company s Annual Meeting of Stockholders. No director attended less than 75% of the aggregate number of meetings of the Board and Board committees on which he or she served during 2014. All current directors who were also on the Board at the time of such meeting attended the last Annual Meeting of stockholders in 2014.

8

Pursuant to the Corporate Governance Guidelines, the non-employee directors meet without management at the end of every regularly scheduled Board meeting. The presiding director at these meetings is the non-executive Chairman or the Lead Independent Director, or if there be none, the most tenured independent director in attendance.
