- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01. Entry into a Material Definitive Agreement.

Item 1.02. Termination of a Material Definitive Agreement.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On May 15, 2015, Echelon Corporation (the **Company**) issued a press release announcing that it had reached an agreement with its landlord related to the long term leases of the Company's San Jose, California headquarters. As a result, the lease dated December 30, 1999, as amended from time to time, by a predecessor-in-interest to DRT/GVC, LLC (the **Landlord**) to the Company of 550 Meridian, San Jose, and the amended and restated lease dated November 15, 2001, as amended from time to time, by the Landlord to the Company of 570 Meridian, San Jose (together, the **Prior Agreements**), were terminated effective as of May 14, 2015 and the Company entered into a short term lease, dated as of May 14, 2015, of 550 Meridian, San Jose (the **New Agreement**).

The New Agreement provides for a short-term lease for a smaller portion of the same facility which will run through December 31, 2015. In return for the early termination of the Prior Agreements, the Company made a one-time up front cash payment of \$10.0 million and lease payments under the New Agreement for the balance of 2015 totaling \$900,000.

Historically, the Company has been required to account for these leased facilities as if though it were the owner, with both the buildings and related lease obligation debt reflected on the Company's balance sheet. Among other things, as a result of terminating the Prior Agreements, the net book value of the buildings will be reduced to approximately \$5.0 million, which will then be amortized over the remainder of 2015 in conjunction with the New Agreement. In addition, the Company will record a one-time benefit in the second quarter associated with the termination charge of approximately \$1.5 million and expects that the transaction will result in additional depreciation expense of approximately \$1.5 million per quarter through the end of 2015.

A copy of the New Agreement is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits

(d) Exhibits

Exhibit	
Number	Description
99.1	Short Term Lease dated May 14, 2015 by and between the Company and DRT/GVC, LLC.
