Item 1. Security and Issuer.

This Amendment No. 5 (the Amendment) amends and supplements the Schedule 13D filed by j2 Global, Inc., a Delaware corporation (the Reporting Person), with the Securities and Exchange Commission on November 5, 2012, as amended (the Statement), related to the Common Stock, par value \$0.01 per share (the Shares), of Carbonite, Inc., a Delaware corporation (the Issuer). The address of the Issuer s principal executive offices is Two Avenue de Lafayette, Boston, Massachusetts 02111.

Unless specifically amended or modified hereby, the disclosures set forth in the Statement remain unchanged.

Item 2. Identity and Background.

Item 2 of the Statement is amended and supplemented as follows:

The names, business addresses, principal occupations and citizenships of each of the executive officers and directors of the Reporting Person are set forth in Schedule A, which is incorporated herein by reference.

During the last five years, neither the Reporting Person, nor any of the persons listed in Schedule A, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 4. Purpose of Transaction.

Item 4 of the Statement is amended and supplemented as follows:

While the Reporting Person will continue to evaluate all of its options from time to time with respect to its ownership of the Issuer s Shares, the Reporting Person currently expects to sell over time some of the Shares, or engage in derivative security transactions over time that could ultimately result in the sale of some or all of the Shares, subject in all cases to economic and market conditions and other factors that the Reporting Person may deem material to its investment decision. However, based upon the Issuer s financial performance, the price of the Shares, economic and market conditions and other factors that the Reporting Person may deem material to its investment decision, the Reporting Person may change its current intention and either sell all of the Shares or increase its investment position in the Shares or other securities of the Issuer, including purchasing up to 14.9% of the Issuer s Shares. Additionally, depending on the Issuer s financial performance, economic and market conditions and other factors that the Reporting Person may deem relevant, the Reporting Person may have or seek to have discussions with management of the Issuer from time to time concerning the Issuer s operations, prospects, business and financial strategies, strategic alternatives and such other matters as the Reporting Person may deem relevant to its investment in the Shares and other securities of the Issuer.

Item 5. Interest in Securities of the Issuer.

Paragraph (a) of Item 5 of the Statement is amended and restated as follows:

(a) As of the date hereof, the Reporting Person beneficially owns 2,539,920 Shares indirectly through a wholly owned subsidiary. According to the Issuer's Form 10-Q filed with the Securities and Exchange Commission on May 6, 2015, the number of Shares outstanding as of April 30, 2015 was 27,332,782. As of the date hereof, the Reporting Person is the beneficial owner of 9.29% of the Shares outstanding.
